93	Park Headquarters, Hillside Street.	
94	Forest Street, Quincy Line.	
95	Randolph Avenue, Quincy Line.	
96	Randolph Avenue and Highland Street.	

*Special Signals.

Directions for Sounding an Alarm

Open outside door of Fire Alarm Box, then pull the hook down ONCE and let go. Remain at Box until arrival of Firemen and direct them to the Fire.

Signals

1 One blow, 7:30 a.m., 12 m., 5:45 p.m. Fire Alarm Tests.
1–1 Two blows, Recall.
1–1–1 Three blows followed by four rounds of box number, general alarm.

Signal for No School

The signal 2-2 sounded four times on the fire alarm at

7.15 o'clock means no school sessions for all schools for entire day.

7.30 o'clock means no sessions for all schools below the Junior High School for the entire day.

11.40 o'clock means no afternoon session for all schools below the Junior High School—this signal will not be sounded if the 7.15 signal has been sounded.

The 7.15 signal will rarely be sounded as it includes the closing of the High and Junior High Schools.

If the 7.15 signal is given, the 7.30 signal will be unnecessary.

JAMES F. HANNA, Chief of Department.

Emergency call for Fire Department should be "Milton Fire Department—Emergency"

GENERAL BYLAWS

Town of Milton, March 10, 1934

AS AMENDED

CHAPTER 1

General Provisions

Section 1. The bylaws of the Town adopted March 2, 1902, may be designated as heretofore, as the "Revised Bylaws," but said revised bylaws as heretofore or at this meeting amended may be designated as the General Bylaws.

Section 2. So far as the provisions of these bylaws are the same in effect as those of previously existing bylaws, they shall be construed as a continuation of such bylaws, but, subject to said limitations and the provisions of the next section, all bylaws of the Town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any bylaw, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

Section 3. These bylaws and the repeal of all bylaws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any bylaw thereby have the effect of reviving any bylaw theretofore repealed or suspended.

Section 4. When in a bylaw anything is prohibited from being done without the license or permission of a certain officer, officers or board, such officer, officers, or board shall have the power to license or permit such thing to be done.

Section 5. In all these bylaws the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows:—

The word public way shall include any highway, town way, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; the owner or occupant of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word person may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

Section 6. Whoever violates any of the provisions of these bylaws whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

Section 7. Whoever shall refuse or neglect to obey any lawful order of any Town officer or board of Town officers, issued under any of these bylaws, directed to him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for every such offence a fine not exceeding twenty dollars.

Section 8. Prosecutions for the breach of any of the provisions of these bylaws shall be commenced within six months from such breach.

Section 9. Any or all of these bylaws may be repealed or amended or other bylaws may be adopted, at any Town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting.

CHAPTER 2

Town Meetings

Section 1. The warrants for all Town meetings shall be directed to the constables of the Town, and notice of such meetings shall be given by posting attested copies of the warrant in each of the post-offices of the Town at least seven days, and by leaving printed copies thereof at the dwelling-houses in the Town at least four days, before the day of such meetings.

Section 2. The annual meeting for the election of Town officers shall be held upon the first Saturday of March, the polls to be open from fifteen minutes before six o'clock in the forenoon until four o'clock in the afternoon for the election of such Town officers and the determination of such matters as by law are required to be elected or determined by ballot. All such officers shall be voted for and all such matters shall be determined on official ballots.

Section 3. All business except the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot shall be considered at an adjournment of the annual meeting to the second Saturday of March at one-thirty o'clock in the afternoon.

Section 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting. If a motion is susceptible of division it shall be divided and the question put separately upon each part thereof if ten town meeting members so request.

Section 5. Upon taking the question, the sense of the meeting shall be taken by the voices of the town meeting members and the Moderator shall first announce the vote as it appears to him by the sound.

If the Moderator is unable to decide by the sound of the voices or if his announcement made thereupon is doubted by seven town meeting members arising in their places for that purpose, the Moderator shall request the town meeting members to be seated, and shall appoint tellers; the question then shall be distinctly stated, and those in the affirmative and negative respectively shall be requested to rise and stand in their places until they are counted by the tellers, who shall report their count to the Moderator, who thereupon shall announce the vote. If the vote is further doubted and twenty-five town meeting members arise in their places and ask for a division of the meeting by the taking of the yeas and nays, then the roll of the meeting shall be called in alphabetical order by the Town Clerk and the Moderator shall announce the vote. No town meeting member shall be allowed to vote after the vote is declared.

Section 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two-thirds of the town meeting members present and voting thereon, provided that the time which shall elapse between any adjournment and the next calling to order of the meeting following such adjournment shall be excluded in computing the hour since the adoption of said vote.

Section 7. If a motion for the previous question is adopted by vote of the meeting no person shall speak to the motion then under consideration more than once or for longer than five minutes without a vote of permission of the meeting, except that the Chairman of the Warrant Committee may speak again to close the debate, but not for more than five minutes.

Section 8. When a question is before the meeting, the following motions, viz:—

to adjourn,
to lay on the table,
for the previous question,
to postpone to a certain time,
to commit (or recommit) or refer,
to amend or substitute,

shall have precedence in the order in which they are placed in this section; but no

article in the warrant shall be finally disposed of by a vote to lay on the table, to postpone indefinitely, or to take no action thereunder. In proposed amendments, involving amounts or dates, the smallest amount and the shortest time shall be put first.

Section 9. Any person who is employed as an attorney by another person interested in any matter under discussion at a Town meeting shall disclose the fact of his employment before speaking thereon.

Section 10. No appropriation of a sum of money exceeding five hundred dollars shall be made until the subject matter thereof has been considered and estimates reported to the Town, either by the Selectmen or other town officers, or by the Warrant Committee or some committee chosen for the purpose in pursuance of a vote of the Town.

CHAPTER 3

The Warrant Committee

Section 1. After the final adjournment of the annual Town meeting fifteen legal voters shall be appointed by the Moderator, who shall constitute an advisory committee to be known as the Warrant Committee. The persons so appointed shall continue as members of said committee until the final adjournment of the annual Town meeting of the ensuing year.

Section 2. The Warrant Committee shall, within two weeks after their appointment, meet, at the call of the member thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

a. They shall have power to fill vacancies in their number by vote, attested copy of which shall be sent by the secretary to the Town Clerk.

Section 3. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the Town, the subject-matter of which is generally included in the warrants for its Town meeting; and the officers of the Town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the Town or its citizens.

Section 4. The Warrant Committee shall consider the various articles in the warrants for all the Town Meetings held during the period for which they were appointed including the various articles in the warrant for the annual Town Meeting next after their appointment; they shall also consider all questions submitted to the voters of the Town at any meeting, including State elections; and they shall report in print before all such meetings their estimates and recommendations for the action of the Town. Copies of such reports shall be left at the dwelling houses in the Town at least four days before the day set for consideration of the various articles in the warrant considered by them and at least four days before the day upon which the voters are to consider questions submitted to them at any meeting including State elections.

a. On or before January first of each year each board, committee or officer of the Town shall file with the Selectmen, who shall transmit the same to the Warrant Committee, a statement in detail of the appropriation or appropriations recommended by such board, committee or officer for the work under its or his charge for the ensuing year.

b. The Warrant Committee shall include in its report of recommendations for the annual Town Meeting a statement setting forth the total appropriations so requested, the appropriations recommended, and the totals of such appropriations requested and recommended, and an estimate of the tax rate for the ensuing year if such recommendations are adopted.

CHAPTER 4

The Town's Finances and Property

SECTION 1. The Selectmen shall annually, not less than seven days before the annual town meeting, cause to be printed such number of copies of the annual town report as they shall determine to be sufficient for the use of the inhabitants. Such report shall contain a detailed report of all moneys received into and paid out of the Town treasury during the financial year next preceding, with such information and recommendations as the Selectmen may deem proper; the report of the school committee; the records of the meetings of the Town held since the last annual report; the report of the collector of taxes, of receipts, payments and abatements; a list of births, marriages and deaths, to be furnished by the town clerk; statements concerning the condition and funds of the public library and of the cemetery, to be furnished by the trustees thereof respectively, and statements of all other funds belonging to the Town or held for the benefit of its inhabitants; a statement of the liability of the Town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the Town for perpetual care of cemetery lots; and such other matters as the said report is required by law to contain, or as may be inserted by the Selectmen under the discretion granted them by law.

SECTION 2. No officer of the Town shall in his official capacity make or pass upon or participate in making or passing upon, any sale, contract or agreement or the terms or amount of any payment in which the Town is interested and in which such officer has any personal interest.

SECTION 3. The Warrant Committee shall send to the Selectmen and to the town accountant certified copies of all votes whereby transfers are made out of the Reserve Fund for extraordinary or unforeseen expenditures.

SECTION 4. The Selectmen shall have full authority as agents of the Town to institute and prosecute suits in the name of the Town or its officers in their official capacity and to appear and defend suits brought against it or its officers in their official capacity, unless otherwise ordered by a vote of the Town.

SECTION 5. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the Town, the same shall be executed by the Selectmen, or a majority thereof, in behalf of the Town, unless otherwise ordered by a vote of the Town.

SECTION 6. The Selectmen shall appoint a Town Accountant who shall perform the duties prescribed by law. There shall annually be an audit of the accounts of the Town under the supervision of the State Director of Accounts, as provided in General Laws, Chapter 44, section 35.

SECTION 7. Whenever damages may be recovered against the Town under General Laws, chapter 79, entitled "Eminent Domain," the Selectmen, unless otherwise provided by vote of the Town, may exercise in the name and behalf of the Town all the powers granted in section 39 of said chapter relative to settlement of damages, assumption of betterments, offers of settlement, and other matters in said section contained.

SECTION 8. The collector of taxes shall collect, under the title of Town Collector, all accounts due the Town, excepting interest on investments of sinking or trust funds. If it shall seem advisable to the town collector that suit or suits should be instituted and prosecuted in the name of the Town, in connection with the collection of any accounts due to the Town, he shall so advise the Selectmen who shall have authority as agents of the Town to institute and prosecute the same.

SECTION 9. In addition to the authority to them granted by section 8, the selectmen shall have authority as agents of the town to settle claims against the town, after receiving the advice of the town counsel, payment for such settlements to be taken from the appropriation for the law department.

SECTION 10. Any Board or Officer in charge of a department may, with the approval of the Selectmen, sell any personal property or material not required by said department to an aggregate amount not exceeding $300 in value in any one fiscal year.

SECTION 11. Except as otherwise provided by law the Selectmen shall have custody of deeds, of bonds of Town officers, of insurance policies and of other similar documents owned by the Town.

SECTION 12. No contract shall be awarded for any work or service, other than professional service, to be performed for the Town by an independent contractor, and no purchase of materials, supplies or equipment shall be made, the estimated cost of which in either case is $300 or more, unless competitive bids have been invited therefor. Such bids shall be invited by the sending of letters of invitation on the same day to such number of vendors, contractors or other qualified persons deemed by the Town Officer, Board or Committee sufficient to obtain fair competition, and, in the case of all such contracts and of purchases estimated to cost $1,000 or more such bids shall also be invited by public advertisement by at least one insertion in a newspaper of general circulation in the Town, said letters to be mailed and said advertisements to be published at least ten days before the time stated for the opening of bids. Such invitation shall state where plans and specifications for proposed work or purchases may be obtained, or may contain such plans and specifications, and shall state the time and place at which bids shall be opened and shall reserve to the Board, Officer or Committee the right to reject any or all bids. All bids shall be opened in public at the time and place specified therefor. No purchase or work for which a contract is proposed shall be split or divided for the purpose of evading the provisions of this Section. This Section shall not apply in cases of emergency requiring immediate action for the preservation of life or the protection of property, nor to the purchase of materials, supplies or equipment for which there is no reasonable substitute by reason of natural or actual monopoly, peculiarity of design or type of article, patent right or copyright, certified by the officer, Board or Committee. All bids submitted, plans and specifications, certificates setting forth the reasons why competitive bids were not invited and contracts shall as soon as practicable be filed with the Town Accountant and shall be kept on file at least three years and shall be open to public inspection at reasonable times.

SECTION 13. Every contract for construction work, whether for alterations, repairs or original construction, the estimated cost of which amounts to $5,000 or more, shall be accompanied by a suitable bond for the performance of the same, or by the deposit of money or security to the amount of the estimated cost.

CHAPTER 5

The Cemetery

SECTION 1. The sole care, superintendence, management and control of the Cemetery shall be intrusted to a Board of five Trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the Town.

In case of vacancies in the Board of Trustees the remaining members may fill the same, but any member so chosen shall hold office only until the next annual Town meeting, when a Trustee shall be elected for the unexpired term.

SECTION 2. Citizens of Milton who are heads of families and have been residents of the Town not less than five years shall be entitled to lots in the Cemetery, allowing one lot to a family subject to these bylaws and the regulations of the Trustees, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECTION 3. The Trustees may sell lots, when and at such rates as they may deem advisable; provided that the rate shall not be less than two dollars a square foot, and the purchasers shall in some way be connected with Milton people.

SECTION 4. The proprietor of each lot shall cause to be erected, at his own expense, corner-stones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such land marks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECTION 5. No lot shall be used for any other purpose than as a place of burial for the dead, and no proprietor shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECTION 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECTION 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

SECTION 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. They shall also have authority to give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such Tomb, carefully remove its contents to a lot prepared for the purpose and erect over the remains a suitable memorial stone.

SECTION 9. The following regulations shall be posted within the Cemetery:—

1. All persons are prohibited from driving on the borders.
2. No horse shall be left upon the grounds without a keeper, unless fastened to posts provided for the purpose.
3. All persons are prohibited from discharging firearms within the grounds of the Cemetery, except in connection with military memorial services.
4. All persons are prohibited from writing upon or otherwise defacing any sign, monument, fence, or other structure.
5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.
6. Dogs are not allowed within the Cemetery grounds.

CHAPTER 6

Police Regulations

SECTION 1. No person shall move or assist in moving any building, over any way which the Town is obliged to keep in repair, without the written permit of the Selectmen being first obtained; nor, having obtained such permit, without complying with the restrictions and provisions thereof.

SECTION 2. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a police officer; provided that the provisions of this section shall not apply to the placing of ashes, refuse or garbage in proper receptacles for collection under public authority.

SECTION 3. Any person who intends to erect, repair or take down any building on land abutting on any way which this Town is obliged to keep in repair, and desires to make use of any portion of said way for the purpose of placing thereon building materials or rubbish shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

SECTION 4. No person shall throw or place or cause to be thrown or placed, any ice or snow into or upon any public way in such a manner as to obstruct traffic or endanger travel upon the public way.

SECTION 5. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 6. No person shall stand on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 7. No person shall dig up or obstruct any portion of any way which the Town is obliged to keep in repair without the permit, in writing, of the Selectmen, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these bylaws for such failure, he shall reimburse the Town for all expenses and damages which, or for which, the Town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

SECTION 8. No person shall ride or drive any beast of burden, carriage or draught, or shall drive or propel or cause to be driven or propelled any bicycle, tricycle, motor vehicle or any vehicle whatsoever, in or over any crossing in any public way at such a rate of speed as to endanger the lives and safety of the public.

SECTION 9. No person shall permit any vehicle under his care or control to stand across any public way in such a manner as to obstruct the travel over the same for an unnecessary length of time; no person shall stop with any vehicle in any public way so near to another vehicle as to obstruct public travel; and no person shall stop with any vehicle upon or across any crossing in any public way.

SECTION 10. No person shall coast upon ice or snow upon any public way except one on which the Selectmen or chief of police shall by public notice permit such coasting and no person shall ride any animal or drive, wheel or draw any coach, cart, wheelbarrow, hand cart, velocipede, bicycle, or any vehicle except children's carriages, or coast upon any sidewalk in the Town. Whoever violates the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 11. Whoever shall behave in an indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way, or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECTION 12. Any person or persons who shall play or perform on any musical instruments, or sing, parade, march, or congregate in any public way or public place, except in connection with a funeral, without the written permit of the Selectmen shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

SECTION 13. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

SECTION 14. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons in any public way.

SECTION 15. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw or stamp the same, or any marks or figures, to or upon any sign board of the Town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall not be less than twenty dollars for each offence.

SECTION 16. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without complying with the conditions and directions of such permit, shall forfeit and pay a sum not exceeding ten dollars.

SECTION 17. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe from any house or other buildings whereby filthy water or other unclean matter may be emptied into or upon any such public way or running stream; and whoever shall throw, lead or discharge or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

SECTION 18. The Selectmen may license hackney carriages or motor vehicles for the conveyance of persons for hire from place to place within the town, and they may revoke such licenses at their discretion, and a record of all licenses so granted or revoked shall be kept by the Selectmen.

No person shall set up, use or drive in the town any unlicensed hackney carriage or motor vehicle for the conveyance of passengers for hire from place to place within the town under a penalty not exceeding twenty dollars for each offence.

Licenses shall expire on the thirtieth day of April next after the date thereof, and shall not be transferred without the consent of the Selectmen indorsed thereon. For each license the sum of one dollar shall be paid to the town treasurer for the use of the town. A license so granted shall become void if the applicant neglects or refuses to take out and pay for his license within ten days after notice that it has been granted.

The Selectmen may grant to the holder of a license under the preceding paragraphs of this section a license to use a certain portion of a public way as a carriage stand for the solicitation of passengers for hire and no person shall use any portion of any public way for such purpose without such license.

Any person who violates any of the provisions of this section shall be punished by a fine of not more than twenty dollars for each offence.

Section 19. No person shall distribute papers, circulars or advertisements through the Town or any portion thereof in such manner as to make a litter or otherwise cause public annoyance.

Section 20. No person shall fire, discharge, explode or set off any gun, firearm, torpedo, firecracker or fireworks in such manner as to disturb the peace or quiet of any neighborhood.

Section 21. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

Section 22. No person shall own or keep a dog which by barking, biting or howling or in any other manner disturbs the peace and quiet of any neighborhood or endangers the safety of any person.

Section 23. No person shall burn anything so as to emit noxious odors to the discomfort of the neighborhood.

Section 24. No person shall place or suffer to accumulate on his premises any refuse, animal or vegetable matter, rubbish or filth, whereby any offensive or noxious stench or effluvia shall be created so as to endanger the health or comfort of the neighborhood.

Section 25. The Selectmen may license suitable persons to be dealers in and keepers of shops for the purchase, sale, or barter of junk, old metals, or second-hand articles from place to place in the Town. They may also license suitable persons as junk collectors, to collect, by purchase or otherwise, junk, old metals, and second-hand articles from place to place in the Town; and they may provide that such collectors shall display badges upon their persons, or upon their vehicles, or upon both, when engaged in collecting, transporting, or dealing in junk, old metals, or second-hand articles; and may prescribe the design thereof. They may also provide that such shops and all articles of merchandise therein, and any place, vehicle or receptacle used for the collection or keeping of the articles aforesaid, may be examined at all times by the Selectmen or by any person by them authorized thereto. The aforesaid licenses may be revoked at pleasure, and shall be subject to the provisions of law. Whoever violates any provision of this section shall forfeit and pay for each offence a fine not exceeding twenty dollars.

Section 26. The Selectmen may order numbers to be affixed to or painted on the buildings on any street in their discretion. The owner of every house shall comply with such order within thirty days thereafter. Whoever violates any provision of this section shall forfeit and pay for each offence a fine not exceeding twenty dollars.

Section 27. Except when otherwise provided by law, prosecutions for offences under the bylaws of the Town may be made by any police officer of the Town.

CHAPTER 7

Building Code

Chapter 7 and 8 is hereby amended by being renumbered as Chapter 7.

The title of said chapter is hereby amended by striking out the words "Building and Plumbing Laws" and inserting in place thereof the words:—Building Code—.

Paragraph (G) of Section I is hereby amended by striking out, in the title, the first, the seventeenth and the twentieth lines, the word "Appeal" and inserting in place thereof the word:—Appeals—.

Paragraph six of Section III is hereby amended by inserting at the end thereof the following new sub-paragraphs:—

(c) No part of a building of wood construction except uncovered steps from the ground to the first floor not exceeding forty-two inches wide, chimneys and eaves not exceeding eighteen inches wide, shall hereafter be erected or placed within six feet of the line of any adjoining lot or of any other building of fire-resisting or slow burning construction; or within twelve feet of any part of any other building of wood construction except uncovered steps from the ground to the first floor not exceeding forty-two inches wide, chimneys and eaves not exceeding eighteen inches wide, on the same lot, unless the wall facing such adjoining lot or building is constructed as a fireproof masonry wall of the thickness provided in section VII and carried twelve inches above the roof, and unless all openings therein are protected by wire glass set in metal sash and frames; provided that the foregoing shall be construed as being additional to and not as limiting or lessening to any extent whatsoever the requirements of section 6 of chapter 10 of the General Bylaws of the Town.

(d) In buildings of fire-resisting or slow burning construction there shall be no openings in walls within six feet of the lines of adjoining lots unless said openings are protected by wire glass set in metal sash and frames.

(e) No building of wood construction other than detached dwellings shall exceed five thousand square feet in horizontal area in any one story unless for every such area an intercepting masonry fire wall is constructed of the thickness provided in section VII and carried twelve inches above the roof, and unless all openings therein are protected by two sets of fire doors separated by the thickness of the wall, provided with approved self-closing devices.

Section XV is hereby amended by inserting at the end thereof the following new paragraph:—

3. Fees: The following fees shall be charged on all permits issued by the Inspector of Wires for repairs or installing electric wiring, plants or appliances:

(a) Original installations	$3.00
(b) Repairs or additional installations equal to or greater in extent than fifty per cent of the installations in the same building already approved	2.00
(c) Repairs or additional installations not greater in extent than fifty per cent of the installations in the same building already approved	1.00

Fees shall accompany the application and shall be refunded if the permit is not granted.

Paragraph (A) of Section XVII is hereby amended by inserting at the end thereof the following new sub-paragraph:—

8. The following fees shall be charged on all permits issued by the Plumbing Inspector:

(a) Original installations	$3.00
(b) Repairs or additional installations	1.00

Fees shall accompany the application and shall be refunded if the permit is not granted.

Paragraph 10 of Section XIII is hereby amended by striking out sub-paragraphs (c), (d) and (f) and inserting the following new paragraph:

(c) In wooden buildings the exterior walls at each floor level, and all spaces between joists over girders and bearing partitions, and from plate to roof boarding, shall be firestopped with wood, sheet metal of not less than twenty (20) gauge, asbestos. lumber, masonry, or other material satisfactory to the Building Inspector.

Section XVII, Sub-section (G), is hereby amended:

By inserting in said Sub-section (G), after paragraph 3 of said section, the following paragraphs, to be numbered 3A:

3A. Cross Connections:

(a) Any connection in piping, whereby a public or private water supply used for drinking and/or culinary purposes is connected with a secondary supply or a supply of questionable quality or whereby polluted matter may enter the supply used for drinking and/or culinary purposes, shall be considered a cross connection.

(b) No cross connection shall be installed unless the piping connections and valves connected thereto have been approved by the inspector of plumbing after tests showing that no polluted matter from such fixtures can enter the water supply system used for drinking and/or culinary purposes and all existing cross connections shown to be improper by test as herein indicated shall be removed.

(c) Check valves or other uni-flow devices may be considered as suitable mechanical means of separation only if these devices are accessible for overhauling or inspection and equipped with drains and test outlets and the installation is approved by the inspector of plumbing. Temporary connection shall not be permitted.

(d) Valves of the positive type which include gate, globe, stop and similar valves are not considered as adequate protection.

(e) Any cross connection permitted with a fire service supply shall be protected by a properly installed and adequately supervised all-bronze, rubber-seated double check valve of a type approved by the State Board of Plumbing Examiners.

Section XVII, Sub-section (D), is hereby amended:

By striking out sub-paragraph (c) of paragraph 3 of Sub-section(D) and inserting in its place the following new sub-paragraph (c):

(c) The use of Standard soil pipe is prohibited and only extra heavy soil pipe shall be used, and shall conform to the following minimum requirements:

Average Pounds Per Length (5 feet)

Pattern	Sizes (in inches)								
	2	3	4	5	6	8	10	12	15
Single Hub	25	45	60	75	95	150	215	270	375
Double Hub	26	47	63	78	100	157	225	285	395

Section I is hereby amended:

First. By adding after subsection (A)2 in said Section I a new subsection to be numbered 3 and to read as follows:

"3. For further restrictions upon heights and uses of buildings and upon building areas, reference is made to Chapter 10 of the General Bylaws designated as 'Zoning'. In all cases in which the provisions of said Zoning Bylaw are inconsistent or in conflict with this bylaw, the provisions of that bylaw shall govern."

Second. By substituting in said Section I for subsection (B) the following paragraphs to be numbered as indicated:

(B) BUILDING DEPARTMENT:

1. There shall be a department to be called the BUILDING DEPARTMENT, which shall be furnished at the expense of the Town with office room, telephone, and such supplies for the transaction of its business as the Town may provide.

2. No officer or employee connected with the Department shall be interested in the doing of work or the furnishing of materials or appliances for the construction, alteration, or maintenance of any buildings, or in the making of plans or specifications thereof, unless he is the owner thereof. No such officer or employee shall be engaged in any work which is inconsistent with his duties or with the interests of the Department.

3. *Building Inspector:* The Board of Selectmen shall annually in April appoint a Building Inspector to serve for the term of one year from the first day of May following, or until his successor is appointed and qualified. His salary or compensation shall be such as the Town may from time to time vote. He shall be either an architect, builder, or structural engineer of at least ten years' practice. He may be removed from office by the Selectmen for cause and shall be so removed for cause stated in charges filed with the Board of Selectmen by any citizen, and after a hearing has been held, of which at least five days' notice has been given by registered mail to the complainant or complainants and the Building Inspector, if in the judgment of the Board the charges are sustained and constitute adequate cause.

4. The Building Inspector shall be charged with the inspection of buildings and the enforcement of this bylaw.

5. He shall report to the Department of Public Safety any violations of the regulations of the Commonwealth of Massachusetts in relation to the construction of buildings that may come to his notice.

6. The Building Inspector, subject to the approval of the Board of Selectmen, and within such appropriation as may be provided for his department, shall have authority to appoint and compensate a Deputy Building Inspector, a Clerk, and such other subordinates as the work requires, and to remove the same or any of them for cause. The Deputy Building Inspector shall be either an architect, builder, or structural engineer of at least ten years' practice. He shall assist the Building Inspector in the performance of his duties and, in the absence from the Town or disability of the Building Inspector, shall possess all the powers and perform all the duties of the Building Inspector. He shall hold office until removed by the Building Inspector or until his successor is appointed and qualified.

7. *Records and Reports:* The Building Inspector shall keep a record of the business of the Department, shall submit to the Board of Selectmen a yearly report of such business together with such recommendations for the revision of this bylaw as he may deem advisable for the best interests of the Town, and such other reports as they may call for.

8. *Examination of Structures:* The Building Inspector or Deputy Inspector shall examine all structures:

(a) for which applications have been made for permits to alter or remove;

(b) in the course of erection, alteration, or removal as frequently as is necessary;

(c) reported dangerous, dilapidated or damaged by fire or accident.

He shall, in each case, make a record of such examination, stating the street and number of the premises, the name of the owner, the architect, master builder, or occupant as the case may require; make a record of all violations of this bylaw and of Chapter 10 of the General Bylaws designated as "Zoning," in the erection, alteration or removal of any structure and, in the case of a dangerous, dilapidated or damaged structure, shall record the nature and extent of the dilapidation, danger or damage, and the purpose for which the property is used or occupied, and shall within twenty-four hours of such examination submit a duplicate copy of the record of examination to the Board of Selectmen with recommendations for action. The records required by this section shall also be open to the inspection of the Town Engineer, the Board of Appeals, the Fire Department, or any officer of the Town, and of any person the value of whose property may be affected by the matters to which such records relate.

9. *Zoning:* He shall enforce the provisions of Chapter 10 of the General Bylaws designated as "Zoning" and shall have the powers and duties therein specified or provided.

Third. By substituting in said Section I for subsection (E)1(a) thereof the following paragraph to be numbered and designated as follows:

(E) PERMITS:

1. *Applications:* Before the erection, construction, or alteration of any building or part of any building, structure or part of any structure, wall, or any platform or flooring to be used for standing or seating purposes, is commenced, the owner or lessee, or agent of either, or the architect or builder employed by such owner or lessee in connection with the proposed erection or alteration, shall, except for ordinary repairs, apply to the Building Inspector for a permit to do the work, and no work shall be done until such permit is granted. The person seeking such permit shall submit to the Building Inspector a detailed description of the location, purpose and construction of the proposed structure or work, on proper blanks to be furnished by the Building Inspector, and full and complete copies of the plans of such proposed work, structural detail drawings and computations as the Building Inspector may require. All applications for building permits shall be accompanied by a plot in duplicate drawn to scale, made by a competent engineer showing the actual dimensions of the lot to be built upon, the streets upon which it abuts, the size and location of the building or buildings to be erected or altered, with offset distances from all lines, distances from any existing building either on or adjacent to the lot in question, and such other information as may, in the opinion of the Building Inspector, be necessary for the enforcement of this bylaw or Chapter 10 of the General Bylaws designated as "Zoning." All plans and plots shall be signed by the person seeking any permit and, if required by the Building Inspector, accompanied by a statement in writing sworn to before a Notary Public or Justice of the Peace, giving the full name and residence of each of the owners of the structures or premises concerned. The Building Inspector shall approve no plan for the erection or alteration of any building or part thereof the plans and specifications and intended use of which are not in all respects in conformity with the provisions of this bylaw and Chapter 10 of the General Bylaws designated as "Zoning." Deviation from the terms and dimensions shown on the plot shall constitute violation of the terms of a permit.

Section III is hereby amended:

By adding in subsection (A)5(b) after the word "Commonwealth" the following:

"or in Chapter 10 of the General Bylaws designated as 'Zoning' "
so that said subsection as amended will read as follows:

"(b) The Building Inspector shall have power, in his discretion, to waive any or all requirements of this Code (other than those also contained in any statute of the Commonwealth, or in Chapter 10 of the General Bylaws designated as 'Zoning') in the case of small dairy rooms, root cellars, poultry houses, farm and storage sheds, and other similar small structures to be so located on the owner's property as not to menace the property of another."

CHAPTER 8

Town Ways

Section 1. Every way that shall be laid out for the acceptance of the Town as a town way shall be not less than fifty feet in width, provided, however, that this section shall not prevent the layout of any way, which, prior to the time this amendment takes effect, shall have been duly approved by the Board of Survey. Provided, however, that upon written certification by the Board of Survey, in respect to the layout of a particular way, that the requirement of a width of fifty feet will cause practical difficulty or unnecessary hardship, such way, or ways, may be laid out less than fifty feet but not less than forty feet in width.

Section 2. If an existing private way the fee of which is in the abutters shall be laid out for the acceptance of the Town as a town way such way shall not be accepted unless and until the Selectmen shall have certified in writing that such way is well built, and as constructed it is equal to the average construction of existing highways of the Town; provided, however, that this section shall not apply to ways laid out subject to the provisions of law relating to the assessment of betterments.

Section 3. Whenever any way shall have been laid out or altered by the Selectmen and accepted and allowed by the Town, no entry for the purpose of constructing any part of such laying out or alteration shall be made until all claims for damages by reason thereof shall have been finally adjusted or determined, unless such entry shall be authorized by special vote of the Town.

CHAPTER 9

Billboards

Section 1. No person or corporation shall erect or maintain a billboard sign or other outdoor advertising device, except as provided in Section 32 of Chapter 93 of General Laws, on any location within three hundred feet of any public park or playground or Metropolitan Park or Parkway, if within public view from any portion of such parks, playgrounds, or parkways; or within three hundred feet of any other public way and within public view from any portion of the same, if such billboard, sign or device exceeds five feet in height or eight feet in length, and no billboard, sign or device placed within three hundred feet of any such public way and within public view shall be nearer than fifty feet to any other such billboard, sign or device; or at the corner of any public ways and within the radius of one hundred and fifty feet from the point where the center lines of such ways intersect; or in any place unless the lowest portion of such billboard, sign or device is at least three feet from the ground, and the entire structure, including its braces and supports, is maintained in good repair, painted, and free from accumulation of rubbish and filth and from the pupae, eggs and caterpillars of gypsy and brown-tail moths and other tree and shrub destroying pests; provided that this section shall not apply to signs or other devices which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertise the property itself or any part thereof if for sale or to let.

CHAPTER 10

Zoning

SECTION I. Definitions.

A. In this by-law the following terms, unless a contrary meaning is required by the context or is specifically prescribed, shall have the following meanings:

1. *Street.* The word "street" shall include public ways established by or maintained under public authority, private ways open for public use, and private ways plotted or laid out for ultimate public use, whether or not constructed.
2. *Lot.* A "lot" is a single area of land in one ownership defined by metes, bounds or boundary lines in a recorded deed or on a recorded plan. After this By-law is adopted new lots may be established by recording the same or by filing with the Building Inspector as a part of an application for a building permit the plan of the lot appurtenant to the building signed by the owner or owners of the lot and defining the lot by metes and bounds on such plan. In determining lot areas no part thereof within the limitation of the street shall be included.
3. *One Ownership.* The term "one ownership" means an undivided ownership by one person or by several persons whether the tenure be joint, in common, or by the entirety.
4. *Recorded.* The term "recorded" or "of record" means recorded or registered in the Norfolk County Registry of Deeds or a record title to a parcel of land disclosed by any or all pertinent public records.
5. *Building.* The word "building" shall include "structure."
6. *Erected.* The word "erected" shall include the words "built," "constructed," "reconstructed," "altered," "enlarged," and "moved."

SECTION II. Establishment of Districts.

A. Classes of Districts. The town of Milton is hereby divided, as shown on the Zoning Map entitled "Map of Milton, Massachusetts, showing Zoning Districts," dated January 7, 1938 and filed with the Town Clerk, and hereby declared a part of this by-law, into four classes of districts:

1. Residence A districts;
2. Residence B districts;
3. Residence C districts;
4. Business districts.

B. Boundaries of Districts. The boundaries of Business Districts hereunder shall continue to be as existing immediately prior to the adoption of this by-law. The boundaries of Residence A Districts, Residence B Districts and Residence C Districts shall be as shown on the Zoning Map. Unless otherwise specifically indicated on the Zoning Map the boundaries between districts are either the center lines of streets or boundary lines of lots, or lines parellel to and a dimensioned distance from the nearest side lines of streets.

(Zoning map changed by vote passed under Article 57 at the March 9, 1940 Town Meeting.)

C. Lots in Two Districts. Where a district boundary line divides a lot recorded prior to the time this bylaw is adopted, the regulations and restrictions of the less restricted portion of such lot shall govern such portion of such lot as shall be within the more restricted district and shall lie within thirty feet of said boundary line; provided the lot has a frontage on a street in the less restricted district.

SECTION III. Use Regulations.

A. Residence A, B, and C. District Uses. In a Residence A, B, or C District, except as herein otherwise provided, no building or land shall be used and no building shall be erected or altered which is intended or designed to be used for a store or

shop, or for manufacturing or commercial purposes, or for other purposes except one or more of the following:

1. Detached one-family dwelling;
2. Church;
3. Educational use, not conducted for profit;
4. Agricultural use, selling only produce raised on the premises; provided, however, that this paragraph 4 shall not be deemed or construed to permit or authorize the use or maintenance of any building or structure;
5. Municipal use. Public parks, playgrounds, recreation buildings, water towers and reservoirs;
6. Accessory use on the same lot with and customarily incident to any of the above permitted uses, or to the uses permitted in accordance with the following sub-section numbered 7, and not detrimental to a residential neighborhood;
7. Any of the following uses, if authorized by permit issued by the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part of the permit;
   - (a) Private club not conducted for profit;
   - (b) Cemetery, not conducted for profit;
   - (c) The garaging or maintaining of more than three automobiles when accessory to a dwelling;
   - (d) Greenhouse or nursery selling only produce raised on the premises;
   - (e) Charitable or philanthropic use, hospital or sanitarium, not conducted for profit;
   - (f) Riding stable;
   - (g) Public utility or public communications building not including a service station or outside storage of supplies;
   - (h) A two-family house (as defined below) if the lot on which it will stand lies between two lots on which are buildings designed for occupancy by two or more families each, located on the same side of the street and less than 100 feet apart. A two-family house is a residential building fitted to be occupied by two families which are independent of each other as regards the preparation of food;
   - (i) A dwelling used primarily and principally for residential purposes may be used incidentally but without public display of goods or wares, or signs except as permitted in subsection *B 1* (g) hereof, for the sale of food or of goods of home manufacture prepared or made therein by the occupants of such dwelling, or for other incidental purposes which are not primarily industrial, trade, manufacturing, or commercial purposes, provided, in each case, the Board of Appeals shall determine that the use of such building is incidental only and that such use will not be substantially detrimental to the use of other property in the neighborhood;
   - (j) Removal for sale of sod, loam, sand, gravel or quarried stone, provided that when such removal is incidental to and in connection with the construction of a building on the premises for which a building permit has been issued in accordance with the building law, no permit from the Board of Appeals shall be required;
   - (k) Buildings or structures used or maintained on or in connection with land devoted to agricultural use permitted in paragraph 4 of this Section III A.

B. Accessory Uses in Residence A, B and C Districts.

1. In Residence A, B and C Districts the following are hereby specifically declared not to be "accessory uses" within the meaning of this by-law:
    - (a) The garaging or maintaining on any lot of a total of more than three automobiles at any time, unless a special permit is granted by the Board of Appeals pursuant to the provisions of Section VIII hereof;
    - (b) The garaging or maintaining on any lot of more than one commercial automobile, except in the case of a lot used for agriculture or for a municipal use;
    - (c) The garaging or maintaining on any lot used for agriculture of more than four commercial automobiles;
    - (d) The sale of produce not raised on the premises unless, in the case of a commercial greenhouse established and doing business prior to the adoption of this by-law, a special permit is granted by the Board of Appeals pursuant to the provisions of Section VIII hereof;
    - (e) The accommodation of, or renting of space to, more than four lodgers, boarders, or paying guests;
    - (f) Accessory use shall not include dwellings, except that there may be constructed as part of a garage or stable, family living quarters for and to be occupied only by an employee of the owner or occupant of the dwelling to which such garage or stable is an accessory use;
    - (g) An accessory use shall not include an advertising sign except a real estate sign advertising for sale or rent the property on which it is placed, but may include a sign not over one square foot in area, bearing a name and the designation of any authorized occupation and being such a sign as is customarily used for a purpose permitted by this section of this by-law.

C. Business District Uses. In a Business District no building shall be erected, altered or used and no land shall be used for any purpose injurious, noxious or offensive to a neighborhood by reason of the emission of odor, fumes, dust, smoke, vibration, or noise, or other cause, or for any purpose whatsoever except the following purposes:

1. Any use permitted in a Residence A, B or C District;
2. Offices, banks, assembly halls or places of amusement;
3. Signs permitted in a Residence A, B or C District and signs advertising goods or services offered by an occupant of the premises for sale, hire, or use;
4. Retail or wholesale stores, shops for custom work where the product is sold directly by the producer to the consumer, places where services are performed, places of the building trades, sales rooms and repair shops for motor vehicles, garages, filling stations, storage warehouses, restaurants and other places for serving food and drink, places of business of bakers, dyers, confectioners, launderers, photographers, printers and undertakers. Other uses of substantially the same character may be permitted only if authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit all in accordance with the provisions of Section VIII, C.

SECTION IV. Non-conforming Uses of Buildings and Land.

A. Continuation of Non-conforming uses of Buildings and Land. Any building or use of a building or use of land or part thereof lawful and existing at the time this by-law is adopted may be continued, unless and until abandoned, although such building or use does not conform to the provisions hereof. No increase in the extent of the non-conforming use of the building or land may be made except that any

such non-conforming building may be added to, enlarged, reconstructed or replaced, and such addition, enlargement, reconstruction or replacement used for the purpose, or for a purpose substantially similar to the purpose, for which the original building may lawfully be used if authorized by the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part of the permit. As a basis for such permit the Board of Appeals must be satisfied that such addition, enlargement, reconstruction or replacement and the use to be made thereof will not substantially increase any detrimental or injurious effect of the building or use on the neighborhood.

SECTION V. Height Regulations.

A. Building Heights in Residence A, B and C Districts. In a Residence A, B or C District no building shall be erected or altered to exceed two and one-half stories in height unless it is set back from each street and lot line 15 feet farther than is required by Section VI. No building shall in any event exceed three stories in height. The term "half-story" shall mean a story in a sloping roof, the area of which story at a height four feet above the floor does not exceed two-thirds the floor area of the story immediately below it.

B. Building Height in Business District. In a Business district no building shall be erected or altered to exceed three stories in height.

C. Height Exceptions. Chimneys, elevators, poles, spires, tanks, towers, and other projections not used for human occupancy may extend above the height limits herein fixed.

SECTION VI. Area Regulations.

A. Lot Sizes and Frontages.

1. In a Residence A District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 40,000 square feet each and having each a frontage of not less than 150 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot of less than 80,000 and more than 64,000 square feet may be divided into lots containing not less than 32,000 square feet each and each having a frontage of not less than 150 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 80,000 square feet and if after division into as many lots as practicable, each containing not less than 40,000 square feet and each having a frontage of not less than 150 feet, there remains a lot of 32,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 150 feet, and (c) one dwelling may be erected on a lot containing less than 40,000 square feet, or having a frontage of less than 150 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.
2. In a Residence B District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 20,000 square feet each and having each a frontage of not less than 100 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot with a frontage of not less than 160 feet and with an area of not less than 32,000 square feet may be divided into two lots containing not less than 16,000 square feet each and each having a frontage of not less than 80 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 40,000 square feet and if after division into as many lots as practicable, each containing

not less than 20,000 square feet and each having a frontage of not less than 100 feet, there remains a lot of 16,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 80 feet, and (c) one dwelling may be erected on a lot containing less than 20,000 square feet, or having a frontage of less than 100 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.

3. In a Residence C District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 7,500 square feet each and having each a frontage of not less than 75 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot with a frontage of not less than 120 feet and with an area of not less than 12,000 square feet may be divided into two lots containing not less than 6,000 square feet each and each having a frontage of not less than 60 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 15,000 square feet and if after division into as many lots as practicable, each containing not less than 7,500 square feet and each having a frontage of not less than 75 feet, there remains a lot of 6,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 60 feet, and (c) one dwelling may be erected on a lot containing less than 7,500 square feet, or having a frontage of less than 75 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.
4. Frontage, as required in the foregoing provisions of this section, shall be determined as follows: In the case of a lot fronting on a street, the distance shall be measured along the street line from one side line of the lot to the other and the distance shall also be measured between said side lines along a line which marks the required front setback of the dwelling on such lot, and the longer of said distances shall determine the frontage of such lot. In the case of a lot not fronting on any street, the distance shall be measured from one side line of the lot to the other along the line designated as the front line of the lot on the plot filed in accordance with this by-law with the Building Inspector as a part of an application for a building permit, and such distance shall determine the frontage of such lot.
5. Notwithstanding the foregoing provisions of this section, if adjacent lots, any of which has less area or frontage than required by this section, are recorded as all in the same ownership at the time this by-law is adopted, and if (a) substantial expenditures have been incurred, prior to that time, toward the improvement of these lots or approved ways giving access thereto, or toward utilities serving such lots, which improvements or utilities would be diminished in value in a substantial amount by a literal enforcement of the terms of this section, or if (b) adjoining areas have been, prior to that time, developed to a substantial extent by the construction of houses on lots generally smaller than is prescribed by this section and the standard of the neighborhood so established does not reasonably require a subdivision of the applicant's land into lots as large as is hereby prescribed, then the owner of these lots may apply to the Board of Appeals for relief from the terms of this section as apply-

ing to any of these lots, and the Board of Appeals may grant such relief by making special exceptions to the terms of this section, subject to appropriate conditions and safeguards in harmony with the general purpose and intent of this by-law, where desirable relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purposes of this by-law.

B. Front Yards.

1. In a Residence A District no building shall be erected within 30 feet of the line of the street on which it fronts, provided that no building need be set back more than 30 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 30 feet being counted as though occupied by a building set back 30 feet.
2. In a Residence B District no building shall be erected within 25 feet of the line of the street on which it fronts, provided that no building need be set back more than 25 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 25 feet being counted as though occupied by a building set back 25 feet.
3. In a Residence C District no building shall be erected within 20 feet of the line of the street on which it fronts, provided that no building need be set back more than 20 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 20 feet being counted as though occupied by a building set back 20 feet.
4. In Residence A, B and C Districts no part of an accessory building shall be located within 40 feet of the front line of the lot, unless such accessory building is within the body of a dwelling or attached to a dwelling and such accessory building complies with the setback from said front line established for such dwelling.

C. Side Yards.

1. No building except a one-story building of accessory use shall be erected or maintained in a Residence A District within 15 feet of a side lot line, or within 30 feet of any other building on an adjacent lot, in a Residence B District within 12 feet of a side lot line or within 24 feet of any other building on an adjacent lot, or in a Residence C District within 10 feet of a side lot line.
2. No building of accessory use shall be erected or maintained within 10 feet of a side lot line in a Residence A District or a Residence B District nor within 8 feet of a side line in a Residence C District.
3. On a lot abutting on two intersecting streets no building shall be erected or maintained in a Residence A District within 30 feet, in a Residence B District within 25 feet, and in a Residence C District within 20 feet of the line of the side street.
4. The provisions of this section shall not reduce to less than 25 feet the buildable width of any lot in a Residence A, B or C District recorded at the time this by-law is adopted, provided, however, that no building shall extend within 6 feet of a side lot line.
5. In a Business District no building shall be erected or maintained within 6 feet of a side line of any lot unless the wall adjoining such side be either a party wall or a wall with its outer face coincident with the lot side line

D. Rear Yards.

1. In a Residence A, B or C District no building except a one-story building of accessory use shall be erected or maintained within 30 feet of the rear lot line, provided that no building need be set back from the rear lot line more than 30 per cent of the mean depth of the lot.
2. In a Business District no dwelling shall be erected or maintained within 20 feet of the rear lot line.
3. No building of accessory use shall be erected or maintained within 10 feet of a rear lot line in a Residence A District nor within 8 feet of a rear lot line in a Residence B or a Residence C District.

E. Appurtenant Open Space.

No yard or other open space required for a building by this by-law shall, during the existence of such building, be occupied by or counted as open space for another building.

F. Projections.

Nothing herein shall prevent the projection of steps, eaves, chimneys and cornices not exceeding 18 inches in width, windowsills, or belt courses into any required yard or open space.

G. Corner Clearance.

On lots in Residence A, B and C Districts no building, fence, or other structure shall be erected and no tree, shrub or other planting shall be planted, or allowed to exist, which prevents an unobstructed view through the space between 4 feet and 8 feet above the ground within the area formed by the intersecting side lines forming the corner of the intersecting streets and a line joining points on such lines 25 feet distant from the point of intersection in a Residence A District, or 20 feet distant from the point of intersection in a Residence B or a Residence C District, provided, however, that where the junction of the side lines of two streets forms a curve, the clearance area shall be determined and certified by the Town Engineer as nearly as may be in accordance with the foregoing and having regard to the safety of the public, and the foregoing provisions shall apply to the area thus determined.

SECTION VII. Administration.

A. Enforcement.

1. The Inspector of Buildings shall enforce the provisions of this by-law. If the Inspector of Buildings shall be informed or have reason to believe that any provision of this by-law or of any permit or decision thereunder has been, is being, or is about to be violated, he shall make or cause to be made an investigation of the facts, including the inspection of the premises where the violation may exist, and, if he finds any violation, he shall give immediate notice in writing to the owner or his duly authorized agent and to the occupant of the premises.
2. If, after such notice, such violation continues, with respect to any use contrary to the provisions of this by-law, the Inspector of Buildings shall forthwith revoke any permit issued in connection with the premises, and shall take such other action as is necessary to enforce the provisions of this by-law.
3. Where a special permit from or relief by the Board of Appeals is required pursuant to the provisions of this by-law, or where an appeal from an order or decision of an administrative officer, or an appeal or petition

involving a variance is pending, the Building Inspector shall issue no building permit until so directed in writing by said Board.

B. Submission of Plots.

All applications for building permits shall be accompanied by a plot in duplicate drawn to scale, showing the actual dimensions of the lot to be built upon, the streets upon which it abuts, the size and location of the building or buildings to be erected or altered, and such other information as may, in the opinion of the Building Inspector, be necessary for the enforcement of this by-law. A careful record of such applications and plots shall be kept in the office of the Building Inspector. Deviation from the terms and dimensions shown on the plot shall constitute violation of the terms of the permit.

C. Occupancy Permit.

It shall be unlawful to use or permit the use of any land, building, or structure or part thereof which is erected or altered, wholly or partly, in its use or construction, or moved, or which has its open spaces in any way reduced, until the Building Inspector shall have certified on the building permit, or, in case no permit is required, shall have certified in a certificate of occupancy that the building and premises have been regularly inspected by the Building Inspector and apparently conform to the statutes and by-laws relating to the construction and occupancy of buildings and land in the town of Milton.

SECTION VIII. **Board of Appeals.**

A. Appointment.

The Board of Appeals is and shall be the board of appeal appointed from time to time pursuant to Chapter 7 of these by-laws known as the Building Code, and said board of appeal under said Building Code is hereby constituted the Board of Appeals pursuant to the provisions of Section 30 of Chapter 40 of the General Laws, as amended.

B. Notice.

When an appeal, application or petition is filed with the Board of Appeals pursuant to any of the provisions of this by-law, the Board shall give notice thereof and hold a hearing pursuant to its rules and regulations and to the law. The Building Inspector shall be entitled to receive notice in all cases involving the issuance of a building permit.

C. Special Permits.

Where a special permit by the Board of Appeals is required pursuant to the provisions of this by-law, the applicant shall make written application and shall show to the satisfaction of the Board, in addition to any specific requirements herein or in the law contained, that the desired relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purpose of this by-law. The Board of Appeals may make appropriate conditions and limitations necessary in its opinion to safeguard the legitimate use of the property in the neighborhood and the health and safety of the public, such conditions and limitations to be stated in writing by the Board and made a part of the permit.

D. Variances and Appeals.

Appeals from an order or decision of an administrative officer and appeals or petitions involving variances from the terms of this by-law shall be dealt with by the Board of Appeals in accordance with the provisions of General Laws, Chapter 40, Section 30, as amended.

E. Relief.

When relief is applied for pursuant to the provisions of Section VI, A, 5 hereof the applicant shall file with the Board a plan, map, drawing, or document sufficient clearly to show all of the local real estate holdings of the applicant in the neighborhood, the date or dates of the recording of the lots involved, and such other pertinent documentary evidence as the Board may require, and shall show to the satisfaction of the Board that the facts requisite for such relief exist.

SECTION IX. Other By-laws, Rules or Regulations.

The provisions of this by-law shall be construed as being additional to and not as annulling, limiting or lessening to any extent whatsoever the requirements of any other by-law, rule or regulation, provided that, unless specifically excepted, where this by-law is more stringent it shall control.

SECTION X. Penalty.

Any person, firm, or corporation who violates, disobeys, neglects, or refuses to comply with any of the provisions of this by-law shall be fined in a sum not to exceed twenty dollars ($20.00) for each offence.

SECTION XI. Validity.

The invalidity of any section or provision of this by-law shall not invalidate any other section or provision hereof. If for any reason the area requirements in any district shall be or become invalid or inoperative, then the area requirements of the next less restricted district shall be and become the area requirements for such more restricted district.

SECTION XII. Amendments.

The Planning Board, upon petition of not less than ten citizens of the Town, or upon its own initiative, shall from time to time hold public hearings, twenty days' published notice of which shall be given, for the consideration of proposed amendments to the Zoning Map or to this by-law and report to a regular or special Town Meeting its recommendations as to what action should be taken.

CHAPTER 11

Planning Board

A Planning Board is hereby established under the provisions of General Laws (Ter. Ed.), Chapter 41, Section 81A (Acts of 1936, Chapter 211) and any amendments thereto, with all the powers and duties therein and in any existing by-laws of the Town provided, to consist of five members to be elected by ballot at the annual Town Meeting in March, 1939, one for a term of one year, one for a term of two years, one for a term of three years, one for a term of four years, and one for a term of five years and thereafter in accordance with the provisions of the statute.

The existing Board of Appeals appointed from time to time pursuant to Chapter 7 of the General By-laws known as the Building Code and acting as the Board of Appeals pursuant to Chapter 10 of the General By-laws designated as Zoning shall act as and be the Board of Appeals under General Laws (Ter. Ed.), chapter 41, Section 81-I (Acts of 1936, Chapter 211).

Milton, Mass.,
April 6, 1934.

I HEREBY CERTIFY, That the foregoing is a true copy of the General Bylaws as amended under Article 53 of the Warrant for the annual Town Meeting held March 10, 1934.

A true copy.
Attest,

G. FRANK KEMP,
Town Clerk.

(Seal)

Boston, Mass., June 1, 1934.

The foregoing bylaws are hereby approved.

JOSEPH E. WARNER,
Attorney General.

The amendments to Chapters 4, 7 and 10 voted at the Annual Town Meeting held March 9, 1935, were approved by the Attorney General, June 10, 1935.

The amendment to Chapter 7 voted at the Annual Town Meeting held March 14, 1936, was approved by the Attorney General, April 3, 1936.

The amendment to Chapter 10 voted at the Special Town Meeting held January 29, 1938, was approved by the Attorney General, February 10, 1938.

The amendments to Chapters 7, 10 and 11 voted at the Annual Town Meeting held March 12, 1938, were approved by the Attorney General, April 11, 1938.

The amendments to Chapter 10 voted at the Annual Town Meeting held March 9, 1940, were approved by the Attorney General, April 11, 1940 and May 1, 1940.

The amendments to Chapters 2, 3 and 4, voted at the annual Town Meeting held March 8, 1941, were approved by the Attorney General, March 20, 1941.

LEGISLATIVE ACTS ACCEPTED BY THE TOWN OF MILTON

March 19, 1866. **Voted,** To establish a high school, according to the provisions of Section 2 of Chapter 38 of the General Statutes. (Repealed 1898, Chapter 496, Section 36.)

March 2, 1874. **Voted,** To accept the provisions of Chapter 265 of the Acts of 1873, relative to public landing places in the town of Milton. (Special Act.)

March 4, 1878. **Voted,** To accept the provisions of Sections 23 to 32 of Chapter 24 of the General Statutes, relative to the establishment of a board of fire engineers. (General Laws, Chapter 48, Section 45.)

March 3, 1879. **Voted,** To accept the provisions of Section 21 of Chapter 38 of the General Statutes, relative to the election of School Committee. (General Laws, Chapter 41, Section 1.)

December 8, 1879. **Voted,** To accept the provisions of Section 1 of Chapter 234 of the Acts of 1878, relative to truants and neglected children. (Repealed, 1919, Chapter 363, Section 16.)

March 7, 1881. **Voted,** To accept the act of the Legislature, Chapter 158 of the Laws of 1871, entitled, "An Act to Provide for the Election of Road Commissioners." (General Laws, Chapter 41, Section 1.)

March 5, 1883. **Voted,** To accept the provisions of Section 10 of Chapter 48 of the General Statutes, relative to truants and neglected children. (Repealed 1898, Chapter 496, Section 36.)

March 3, 1890. **Voted,** To accept the first nine sections of Chapter 51 of the Public Statutes, said Chapter being entitled, "Of Betterments and other Assessments on Account of the Cost of Public Improvements." (General Laws, Chapter 80.)

February 12, 1891. **Voted,** To accept the act authorizing towns and cities to lay out public parks within their limits; being Chapter 154 of the Acts of 1882. (General Laws, Chapter 45, Sections 1 to 11.)

March 2, 1891. **Voted,** To accept the provisions of Chapter 386 of the Acts of 1890, relative to the election of town officers. (Repealed, 1893, Chapter 417, Section 345.)

February 3, 1894. **Voted,** That the town does hereby accept the provisions of Section 268 of Chapter 417 of the Acts of 1893, relative to the election of a separate Board of Assessors. (General Laws, Chapter 41, Section 1.)

November 28, 1894. **Voted,** To accept the provisions of Chapter 324 of the Acts of 1894, entitled an "Act Relative to the Reservation of Spaces in Public Ways." (General Laws, Chapter 82, Section 34.)

March 4, 1895. **Voted,** That the town hereby accepts the provision of Chapter 309 of the Acts of 1885, authorizing towns to license groves to be used for picnics and other lawful amusements. (General Laws, Chapter 140, Sections 188 to 190.)

March 4, 1895. **Voted,** To accept the provisions of Section 272 of Chapter 417 of the Acts of 1893, relative to the election of Sewer Commissioners. (General Laws Chapter 41, Section 1.)

March 4, 1895. **Voted,** To accept the provisions of Chapter 462 of the Acts of 1893 relative to the establishment of a building line on Public Ways. (Repealed, Acts of 1917, Chapter 344, Part 8, Section 1.)

March 4, 1895. **Voted,** To accept the provisions of Chapter 218 of the Acts of 1894 as amended by Chapter 473 of that same year, relative to the election of Boards of Health in towns. (General Laws, Chapter 41, Section 1.)

March 4, 1895. **Voted,** To accept the provisions of Sections 20 and 21 of Chapter 50 of the Public Statutes, relative to the establishment and grading of sidewalks by the Selectmen. (General Laws, Chapter 83, Section 25.)

June 29, 1895. **Voted,** To accept the provisions of Chapter 304 of the Acts of 1895, authorizing the town of Milton to construct one or more systems of sewerage. (Special Act.)

March 1, 1897. **Voted,** To accept the provisions of Chapter 101 of the Public Statutes relative to the suppression of common nuisances. (General Laws, Chapter 139.)

March 7, 1898. **Voted,** To accept the provisions of Section 11 of Chapter 481 of the Acts of 1894, relative to the regulation and inspection of buildings. (General Laws, Chapter 143, Section 3.)

March 5, 1900. **Voted,** To accept the provisions of Chapter 344 of the Acts of 1899, relative to eight-hour day for town employees. (General Laws, Chapter 149, Section 31.)

March 3, 1902. **Voted,** To accept the provisions of Section 18 of Chapter 122 of the Revised Laws (General Laws, Chapter 166, Section 32), relative to the appointment of an Inspector of Wires by the Selectmen.

July 14, 1902. **Voted,** To accept the provisions of Chapter 307 of the Acts of 1902, relative to water supply. (General Laws, Chapter 92, Section 10.)

August 16, 1902. **Voted,** To accept the provisions of Sections 58 to 64, inclusive, of Chapter 48 of the Revised Laws, relative to the jurisdiction of towns over highways and county bridges. (General Laws, Chapter 82, Sections 17 to 20.)

March 2, 1903. **Voted,** To accept the provisions of Sections 20 and 21 of Chapter 25 of the Revised Laws, relative to public baths. (General Laws, Chapter 40, Section 12.)

March 2, 1903. **Voted,** To accept the provisions of Section 339 of Chapter 11 of the Revised Laws, relative to the election of Overseers of the Poor. (General Laws, Chapter 41, Section 1.)

March 7, 1904. **Voted,** To accept the provisions of Section 70 of Chapter 75 of the Revised Laws, relative to privy vaults. (General Laws, Chapter 111, Section 126.)

March 6, 1905. **Voted,** To accept the provisions of Chapter 103 of the Revised Laws, relative to the supervision of plumbing. (General Laws, Chapter 142.)

July 21, 1905. **Voted,** To accept the provisions of Chapter 381 of the Acts of 1905, relative to the suppression of gypsy and brown-tail moths. (General Laws, Chapter 132.)

March 1, 1909. **Voted,** To accept the provisions of Chapter 476 of the Acts of 1908, relative to vacations for members of the Police Department. (General Laws, Chapter 92, Section 62, and Chapter 147, Sections 14 and 17.)

March 8, 1910. **Voted,** To accept the provisions of Sections 43 of Chapter 49 of the Revised Laws, relative to the grading and construction of sidewalks. (General Laws, Chapter 83, Section 25.)

March 6, 1911. **Voted,** To accept the provisions of Section 359 of Chapter 560 of the Acts of 1907, relative to the election of Moderators. (General Laws, Chapter 41, Section 1.)

March 6, 1911. **Voted,** To accept the provisions of Section 362 of Chapter 560 of the Acts of 1907, relative to the election of four constables. (General Laws, Chapter 41, Section 1.)

November 7, 1911. **Voted,** To accept the provisions of Chapter 634 of the Acts of 1911, relative to the establishment by counties of the retirement system for employees. (General Laws, Chapter 32.)

March 4, 1912. **Voted,** To accept the provisions of Chapter 146 of the Acts of 1911, relative to the establishment of an Art Commission. (General Laws, Chapter 41, Sections 82 to 84.)

March 4, 1912. **Voted,** To accept the provisions of Chapter 468 of the Acts of 1911, relative to the extension of Civil Service Acts to Chiefs of Police. (General Laws, Chapter 31, Section 49.)

March 4, 1912. **Voted,** To accept the provisions of Chapter 314 of the Acts of 1911, relative to the expending of money by the School Committee for the supervision of sports. (General Laws, Chapter 71, Section 47.)

March 4, 1912. **Voted,** To accept the provisions of Chapter 367 of the Acts of 1911, relative to the use of school halls for other than school purposes. (General Laws, Chapter 71, Section 71.)

March 14, 1925. **Voted,** To accept Chapter 9 of the Acts of 1925, authorizing the retirement and pensioning of John H. Higgins of the Police Department.

March 5, 1927. **Voted,** To accept Chapter 27 of the Acts of 1927, an act to erect and constitute in the Town of Milton representative town government by limited town meetings.

March 10, 1928. **Voted,** To accept the provisions of Sections 42, 43 and 44 of Chapter 48 of the General Laws to establish a Fire Department to be under the control of an officer to be known as the Chief of the Fire Department.

March 11, 1933. **Voted,** To accept the provisions of Section 26 of Chapter 46 of the General Laws, limiting the aggregate compensation to be allowed to the Town Clerk.

November 3, 1936. **Voted,** To accept Chapter 318 of the Acts of 1936 entitled "An Act for contributory retirement systems for cities and towns."

March 5, 1938. **Voted,** To accept Chapter 231 of the Acts of 1937, providing for increasing the amount of certain annual allowances payable by the Town of Milton to widows of members of its police or fire force killed or dying from injuries received in the performance of duty.

March 11, 1939. **Voted,** To accept Section 27-A and 30-A of Chapter 40 of the General Laws appearing in section 1 and 2 of Chapter 133 of the Acts of 1938 entitled "An act tending to prevent multiplicity of proposals for the same changes in Zoning ordinances or bylaws in their application."

March 14, 1942. **Voted,** To accept Sections 6 to 12 inclusive, of Chapter 143 of the General Laws (Ter. Ed.), relating to the Inspection of Buildings.

March 13, 1943. **Voted,** to accept Section 11-A of Chapter 85 of the General Laws (Ter. Ed.) as appearing in Section 1 of Chapter 710 of the Acts of 1941, relating to the registration and operation of bicycles.

MILTON TOWN RECORDS IN THE MUNICIPAL YEAR 1943

1943
WARRANT
MARCH MEETING

Commonwealth of Massachusetts,
Norfolk, ss.

To any of the Constables of the Town of Milton in said County; Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

In Precinct 1. Tucker School Hall, Blue Hills Parkway,
In Precinct 2. Basement, Mattapan Branch Library, Blue Hills Parkway,
In Precinct 3. Police Station, Central Avenue,
In Precinct 4. Assembly Hall, Vose School, Walnut Street,
In Precinct 5. Town Hall, Canton Avenue,
In Precinct 6. Basement, East Milton Branch Library, Edge Hill Road,
In Precinct 7. Belcher School, Church Street,

on Saturday, March sixth next, at fifteen minutes before six o'clock in the forenoon, then and there to bring in to the Precinct Officers of their respective precincts their votes on one ballot respectively for the following named Town Officers, to wit:

A Moderator for the term of one year.
A Town Clerk for the term of one year.
A Town Treasurer for the term of one year.
A Collector of Taxes for the term of one year.
Three Selectmen and Surveyors of Highways for one year term.
One Assessor for the term of three years.
Two members of the Board of Public Welfare for the term of three years.
One Sewer Commissioner for the term of three years.
A Tree Warden for the term of one year.
Two members of the School Committee for the term of three years.
One member of the Board of Health for the term of three years.
One Trustee of the Cemetery for the term of five years.
Three Library Trustees for the term of three years.
One Park Commissioner for the term of three years.
One Water Commissioner for the term of three years.
One Trustee of the Wadsworth Fund for the term of three years.
One member of the Planning Board for the term of five years and one for two years to fill a vacancy.
Four Constables for the term of one year.

One hundred two Town Meeting Members as follows:

Prec. 1. Fourteen for three years.
Prec. 2. Eleven for three years. Two for two years and one for one year to fill vacancies.
Prec. 3. Eleven for three years.
Prec. 4. Twelve for three years. One for one year to fill vacancy.
Prec. 5. Sixteen for three years. One for two years and four for one year to fill vacancies.
Prec. 6. Fifteen for three years.
Prec. 7. Fourteen for three years.

For these purposes the polls will be open at each and all of said Precincts at fifteen minutes before six o'clock in the forenoon and will be closed at four o'clock in the afternoon.

And thereupon, by adjournment of said meeting, to meet on the following Saturday, to wit, March thirteenth next, at thirty minutes past one o'clock in the afternoon in the Auditorium of the Milton High School at Brook Road and Central Avenue, then and there to act upon the following Articles, to wit:

ADJOURNED TOWN MEETING, MARCH 13, 1943

Town Meeting Members Present: 210; Town Meeting Members Absent: 85.

Owing to the fuel shortage the auditorium of the Town Hall was occupied by town departments transferred from the Thacher Building, thus making it necessary to hold the annual town meeting in the High School Auditorium, corner of Central Avenue and Brook Road.

The meeting was opened at 1:30 P. M. with prayer by the Rev. James F. Madison, Pastor of St. Michael's Episcopal Church. The moderator, Charles S. Pierce, then read the following list of Town Meeting Members who had passed away since the last town meeting and the meeting was requested to stand:

Deceased Town Meeting Members:

Frank W. Blanchard
Fred N. Russell
Alfred Anderson
Frank L. Richards
Raymond E. Bolles

ARTICLE 1. To choose all such Town Officers as are not required to be chosen by ballot.

The following officers were elected viva voce, namely:

George E. Burt and Carl R. Horne, Measurers of Lumber.

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees.

Voted, That the report of the Town Accountant be accepted and placed on file.

REPORT OF THE MILTON LEGISLATIVE COMMITTEE

A special session of the Legislature was held in January, 1942, at the call of the Governor to pass fifteen (15) bills relating to matters of emergency submitted by him. Three additional bills were submitted to the Legislature and in all eighteen (18) acts were passed.

It was generally agreed that these were matters of necessity and the action of the Legislature was taken accordingly. There appeared to be no issues which required the attention of the Legislative Committee and no meetings were held. As Legislative Counsel I attended some of the hearings, particularly in connection with the wording of some of the bills, but not in opposition to the general purpose.

Respectfully submitted,

LINCOLN BRYANT, Chairman.

Voted, That the foregoing report be accepted and placed on file.

ARTICLE 3. Voted, That the Town do not so vote.

ARTICLE 39. To see if the Town will amend Section 12, Chapter 4, of the General Bylaws of the Town by striking out the words "at least ten days before the time advertised for the opening of bids" at the end of the second sentence of said section and inserting in place thereof a comma and the words "said letters to be mailed and said advertisements to be published at least ten days before the time stated for the opening of bids".

Voted, To amend Section 12, Chapter 4, of the General Bylaws of the Town by striking out the words "at least ten days before the time advertised for the opening of bids" at the end of the second sentence of said section and inserting in place thereof a comma and the words "said letters to be mailed and said advertisements to be published at least ten days before the time stated for the opening of bids".

(Unanimous Vote)

Boston, Mass., March 24, 1943.

The foregoing Bylaw is hereby approved.

ROBERT T. BUSHNELL,
Attorney General.
Milton, Mass., March 5, 1943.

REPORT OF THE PLANNING BOARD UNDER GENERAL LAWS, CHAPTER 40, SECTION 27, AS AMENDED

The Planning Board of the Town of Milton hereby submits a final report on four proposals for amending Chapter 10 of the General Bylaws of the Town having to do with Zoning. With respect to all of the four proposals due notice as required by law was given and public hearings were held.

For convenience this report is divided into two parts. Part I is concerned with three proposed amendments to come before the town meeting having to do with Article VI of said Chapter 10 and deals with area regulations in Residence A District, Residence B District and Residence C District. These three proposed amendments were initiated by the Planning Board under Section XII of said Chapter 10. No good purpose will be served by setting out the amendments having to do with area regulations in this report. They are the proposed amendments appearing as Articles 40, 41 and 42 in the 1943 Town Warrant. The Planning Board submitted these proposed amendments as perfecting amendments in the present law and it is the opinion of the Board that the amendments in no way reduce the protection afforded by Section VI.

At the public hearing which was held on March 5, 1943, the Planning Board recommends the adoption of the said three proposals.

All members of the Board except Mr. Warland Wight, who is absent from the State, participated in the public hearing and concur in the report of the Board.

Part II of this report is concerned with proposed amendments to said Chapter 10 dealing with use regulations under Section III and more particularly with subsection 4 of Section A, which covers agricultural uses.

On September 14, 1942, more than ten citizens of the Town of Milton filed with the Planning Board three proposals for amending said subsection 4, intended in general to limit agricultural use to use of land only except in so far as structures erected or maintained in connection with such agricultural use of land were either not detrimental to residential districts or were at least first approved by the Board of Appeals. On November 30, 1942, and after due notice, a public hearing was held on the three proposals submitted by the citizens and subsequently on March 5, 1943, after due notice a second public hearing was held upon a proposal covering the same subject matter submitted by the Planning Board. In the opinion of the members of the Planning Board the proposal submitted by the Board is not different in effect but only in terminology from one of the three proposals submitted by the citizens and as to which they were united in recommending at the first public hearing.

In any event the proposal submitted by the Planning Board is the proposed amendment appearing as Article 43 in the 1943 Town Warrant and the Planning Board recommends the adoption of the said proposal.

Mr. Frank B. Frederick did not participate in either of the public hearings in connection with the amendment under use regulations nor does he join in the foregoing recommendation, being disqualified by personal interest. Mr. Warland Wight, who was present at the first public hearing on the amendments dealing with use regulation is to be recorded as in favor of an amendment substantially in the language now proposed. By reason of his absence from the State he did not participate in the hearing on March 5th.

Mr. William P. Melley became a member of the Planning Board on February 11, 1943.

Respectfully submitted,

JOSEPH D. LELAND, Chairman,
HENRY V. HUBBARD,
FRANK B. FREDERICK,
WILLIAM P. MELLEY,
Planning Board of the Town of Milton.

Voted, That the foregoing report of the Planning Board be accepted and placed on file.

ARTICLE 40. To see if the Town will vote to amend Chapter 10 of the General Bylaws known as the Zoning Bylaw as follows:

By striking out the whole of subdivision (b) of Section VI A 1 and substituting the following:

"(b) if a lot contains more than 80,000 square feet, and if after division into as many lots as practicable, each containing not less than 40,000 square feet and each having a frontage of not less than 150 feet, there remains a lot of 32,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 150 feet, and"

or in such manner as the Town may lawfully vote to amend the foregoing, at said meeting of the Town, and to act on anything relating thereto.

Voted, To amend Chapter 10 of the General Bylaws known as the Zoning Bylaw as follows:

By striking out the whole of subdivision (b) of Section VI A 1 and substituting the following:

"(b) if a lot contains more than 80,000 square feet and if after division into as many lots as practicable, each containing not less than 40,000 square feet and each having a frontage of not less than 150 feet, there remains a lot of 32,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 150 feet, and"

(Unanimous Vote)

Boston, Mass., April 13, 1943.

The foregoing amendment to Zoning Bylaw is hereby approved.

ROBERT T. BUSHNELL,
Attorney General.

ARTICLE 41. To see if the Town will vote to amend Chapter 10 of the General Bylaws known as the Zoning Bylaw as follows:

By striking out the whole of subdivisions (a) and (b) of Section VI A 2 and substituting the following:

"(a) a lot with a frontage of not less than 160 feet and with an area of not less than 32,000 square feet may be divided into two lots containing not less than 16,000 square feet each and each having a frontage of not less than 80 feet, and one dwelling may be erected on each such lot, and "(b) if a lot contains more than 40,000 square feet and if after divisions into as many lots as practicable, each containing not less than 20,000 square feet and each having a frontage of not less than 100 feet, there remains a lot of 16,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 80 feet, and"

or in such other manner as the Town may lawfully vote to amend the foregoing, at said meeting of the Town, and to act on anything relating thereto.

Voted, To amend Chapter 10 of the General Bylaws known as the Zoning Bylaw as follows:

By striking out the whole of subdivisions (a) and (b) of Section VI A 2 and substituting the following:

"(a) a lot with a frontage of not less than 160 feet and with an area of not less than 32,000 square feet may be divided into two lots containing not less than 16,000 square feet each and each having a frontage of not less than

80 feet, and one dwelling may be erected on each such lot, and "(b) if a lot contains more than 40,000 square feet and if after division into as many lots as practicable, each containing not less than 20,000 square feet and each having a frontage of not less than 100 feet, there remains a lot of 16,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 80 feet, and"

(Unanimous Vote)

Boston, Mass., April 13, 1943.

The foregoing amendment to Zoning Bylaw is hereby approved.

ROBERT T. BUSHNELL,
Attorney General.

ARTICLE 42. To see if the Town will vote to amend Chapter 10 of the General Bylaws known as the Zoning Bylaw as follows:

By striking out the whole of subdivisions (a) and (b) of Section VI A 3 and substituting the following:

"(a) a lot with a frontage of not less than 120 feet and with an area of not less than 12,000 square feet may be divided into two lots containing not less than 6,000 square feet each and each having a frontage of not less than 60 feet, and one dwelling may be erected on each such lot, and

"(b) if a lot contains more than 15,000 square feet and if after division into as many lots as practicable, each containing not less than 7,500 square feet and each having a frontage of not less than 75 feet, there remains a lot of 6,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 60 feet, and"

or in such other manner as the Town may lawfully vote to amend the foregoing, at said meeting of the Town, and to act on anything relating thereto.

Voted, To amend Chapter 10 of the General Bylaws known as the Zoning Bylaw as follows:

By striking out the whole of subdivisions (a) and (b) of Section VI A 3 and substituting the following:

"(a) a lot with a frontage of not less than 120 feet and with an area of not less than 12,000 square feet may be divided into two lots containing not less than 6,000 square feet each and each having a frontage of not less than 60 feet, and one dwelling may be erected on each such lot, and

"(b) if a lot contains more than 15,000 square feet and if after division into as many lots as practicable, each containing not less than 7,500 square feet and each having a frontage of not less than 75 feet, there remains a lot of 6,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 60 feet, and".

(Unanimous Vote)

Boston, Mass., April 13, 1943.

The foregoing amendment to Zoning Bylaw is hereby approved.

ROBERT T. BUSHNELL,
Attorney General.

ARTICLE 43. To see if the Town will vote to amend Chapter 10 of the General Bylaws known as the Zoning Bylaw as follows:

By striking out paragraph 4 of Section III A and substituting the following:

"4. Agricultural use, selling only produce raised on the premises; provided, however, that this paragraph 4 shall not be deemed or construed to permit or authorize the use or maintenance of any building or structure"

and adding a new paragraph 7 (k) to said Section III A as follows:

"7. (k) Buildings or structures used or maintained on or in connection with land devoted to agricultural use permitted in paragraph 4 of this Section III A."

or in such other manner as the Town may lawfully vote to amend the foregoing, at said meeting of the Town, and to act on anything relating thereto.

Voted, To amend Chapter 10 of the General Bylaws known as the Zoning Bylaw as follows:

By striking out paragraph 4 of Section III A and substituting the following:

"4. Agricultural use, selling only produce raised on the premises; provided, however, that this paragraph 4 shall not be deemed or construed to permit or authorize the use or maintenance of any building or structure"

and adding a new paragraph 7 (k) to said Section III A as follows:

"7. (k) Buildings or structures used or maintained on or in connection with land devoted to agricultural use permitted in paragraph 4 of this Section III A."

(Unanimous Vote)

Boston, Mass., April 13, 1943.

The foregoing amendment to Zoning Bylaw is hereby approved.

ROBERT T. BUSHNELL,
Attorney General.

ARTICLE 44. To see what sum of money the Town will vote to appropriate for the Reserve Fund for extraordinary or unforeseen expenditures during the current year.

Voted, To transfer from the Overlay Reserve accumulated as of December 31, 1942 the sum of $20,000 for the Reserve Fund for extraordinary or unforeseen expenditures during the current year.

ARTICLE 45. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for the purchase of war bonds or other bonds that are legal investments for savings banks, in order to establish a post-war rehabilitation fund, in accordance with the provisions of Chapter 5, Acts of 1943.

Voted, That the Town do not so vote and that no appropriation be made.

ARTICLE 46. To see what sum of money the Town will vote to authorize the Assessors to use out of the Excess and Deficiency Account in fixing the tax rate for 1943.

Voted, To authorize the Assessors to use the sum of $64,403.89 out of the Excess and Deficiency Account in fixing the tax rate for 1943.

In accordance with the provisions of Chapter 185 of the Acts of 1933, the foregoing Bylaws and the Attorney General's approval thereon, were published in the Milton Record on April 24, 1943, May 1, 1943, and May 8, 1943.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the post offices of said Town seven days at least before said sixth of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said sixth day of March, next.

Given under our hands at Milton, the Eighteenth day of February, Nineteen hundred and Forty-three.

(Signed)
DANIEL E. DUGGAN,
LINCOLN W. PIERCE,
JOSIAH BABCOCK,
Selectmen of Milton.

Commonwealth of Massachusetts, Norfolk, ss. March 1, 1943.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town and leaving attested copies at the dwellings of the inhabitants.

(Signed)
WILLIAM B. LADD,
Constable of Milton.

March 13, 1943. 3:34 P. M. Voted that the Meeting be dissolved.

The foregoing meeting was opened March 6, 1943 at 5:45 A. M. by the Wardens in the several precincts.

(Signed)
G. FRANK KEMP,
Town Clerk.

May 4, 1943.

REPORTS OF SPECIAL COMMITTEES

REPORT OF THE MILTON COMMITTEE ON PUBLIC SAFETY

Milton, Mass., January 15, 1944.

To the Citizens of Milton:

The Executive Committee of the General Committee, in addition to the Chairman, now consists of the following members:

Merritt Hewett, Deputy Chairman
Edward C. Hunt, Deputy Chairman
Lincoln Bryant, Treasurer
Warren Murdock, Secretary
Mrs. Harold W. Melvin, Executive Secretary
G. Newell Hurd, Chairman Protection Division
Samuel C. Bennett, Chairman Publicity Division
Mrs. Maxwell Macdonald, Chairman Women's Activities
Thomas M. Gibbons, Chairman Health and Social Services
Dr. Maxwell Macdonald, Chairman Medical Aid Division
Paul F. Dudley, Chairman Services and Supplies
Christopher G. Hammond, Chairman Evacuation Committee

During the spring and summer frequent meetings were held by the District Wardens to instruct their volunteers in the latest developments in controlling incendiary bombs and other precautionary measures, including Dimout and Blackout instructions. Practice drills were held on February 28, May 18, 20, and 24, June 23, September 14, and October 21. In five of these drills the town was blacked out, and on June 23 the army participated with war games.

During the period of the Dimout, which was suspended November 1, the residents of the town gave splendid cooperation and few violations were reported.

The 77 members of the Mounted Patrol, under the leadership of Captain Rooney, has continued active cooperation with the other divisions, and continues daily patrols and weekly drills in the Blue Hill Reservation.

The Committee on Public Safety has received invaluable assistance from both the Police and Fire Departments, the former having taken over on November 6 the duties of the Report Center during the nights and on Sundays and holidays, thus relieving the volunteers who have so faithfully carried on this work up to that time.

The Victory Garden Committee, of which Dr. Randolph K. Byers was Chairman, arranged for 145 garden plots in ten Community Gardens for residents of the town who would otherwise have been without means of growing vegetables. These gardens were on public lands and land loaned generously for this purpose by individuals. A Supervisor was appointed to make weekly evening visits to advise and direct the gardening activities. He was paid from funds contributed privately for this purpose. An exhibit of the produce was held in the Town Hall. Three lectures were given on the canning and storage of fruits and vegetables.

Milton Academy has generously allowed the Committee on Public Safety to continue the use of the quarters in Warren Hall which are so well equipped. Special thanks should also be given to the New England Tel. & Tel. Co., the Edison Company and the Town Departments, for the help and cooperation given by them, particularly the Water Department, Engineering Department, Wire Department, School Department and the Milton Hospital, and all the individual volunteers giving so freely of their time.

The various Divisions of the Civilian Defense Organization are being maintained in accordance with State and Federal instructions, and can be called to the alert promptly.

The details of the expenditures of your Committee will appear in the Report of the Town Accountant.

Respectfully submitted,

CARLETON R. RICHMOND,

Chairman.

REPORT OF MILTON WAR FINANCE COMMITTEE

Milton, Mass., February 4, 1944.

To the Citizens of Milton:

The following report is submitted as a matter of record.

There were two war bond sales held in 1943. In the Second War Loan Drive held in May the quota was placed at $300,000.00 by the Treasury Department, and the sales amounted to $900,226.00. The amount which it was hoped would be purchased by individuals did not reach its quota.

In the Third War Loan Drive, with a quota of $1,139,000.00, the amount sold was $1,214,000.00. Again the amount purchased by individuals was under the quota.

As you go to press (February 1944), the Fourth War Loan Drive is in progress and there is no doubt that the quota of $1,126,000.00 will be exceeded. Whether the individual citizen will enable this committee to reach its quota of $283,000.00 for that type of sale, cannot be foretold at the present moment.

JESSE B. BAXTER, Chairman,
War Finance Committee.

REPORT OF THE MILTON WAR TRANSPORTATION COMMITTEE

Milton, Mass., January 14, 1944.

This Committee reiterates its request of a year ago that the residents of our Town continue to cooperate to the fullest by conforming to the directives and requests of the Office of Defense Transportation, of the Rationing Boards, and of other governmental agencies. Our Committee continually emphasizes the urgent need to conserve not only tires and gasoline, but the very automotive parts and accessories, most of which are and will be irreplaceable for the duration.

The Committee is proud of and grateful for the splendid, patriotic cooperation of our fellow citizens, who, often at grievous inconvenience, conform to the many burdensome but necessary limitations and restrictions upon travel.

May we hope that this same splendid spirit shall prevail until Victory.

Respectfully,

JOHN J. MURRAY,
Local Administrator.

REPORT OF THE LOCAL MILEAGE ADMINISTRATOR

Milton, Mass., January 11, 1944.

To the Honorable Board of Selectmen,

Gentlemen:

I herewith submit my first report as Local Mileage Administrator for the Town of Milton during the year ending December 31, 1943.

Briefly, the function of a Local Administrator is to effect the greatest possible reduction in the automotive mileage of trucks and cars operated in Town business, thereby conserving gasoline, oil, and rubber for the War effort.

After assuming office in January, 1943, I called on the State Mileage Administrator, Mr. G. J. Cronin, concerning the duties of my new office. I communicated with all Town departments, requesting that they cooperate to the best of their ability in effecting the required saving in mileage. Since the first of the year I have obtained monthly speedometer readings from all vehicles operated for or by the Town of Milton, incorporating the findings in quarterly reports to the State Administrator.

Early in the year Mr. Leon Henderson of the Office of Price Administration set a goal of a 40% reduction in automotive mileage. Although we have not achieved that goal, I can say without hesitation that every Department has conserved on mileage to the greatest possible extent.

I have received splendid cooperation from all Department heads; I have enjoyed working with them and wish to thank all those with whom I have come in contact while filling this office.

Respectfully submitted,

FORREST J. MAYNARD,
Local Mileage Administrator.

REPORT OF THE MILTON SALVAGE COMMITTEE

Milton, Mass., January 14, 1944.

To the Honorable Board of Selectmen,

Dear Sirs:

The sole purpose of our Committee is to further the War Effort. Our Committee, on the other hand, owes its entire existence to the cooperation of the Milton householders who furnish us what we collect. The collection of this material is another evidence of the Milton taxpayer's patriotic contribution to the War, as we as a Committee have no equipment of any kind, but are entirely dependent on the manpower and truck-power furnished us without cost through the courtesy of your Board. We wish to take this opportunity to thank all of the Town Departments for cooperating with us 100 per cent whenever we asked them for help.

The personnel of our Committee has had two changes in the past year. Theodore E. Brown resigned as Chairman on April 1st, and Wilfred B. deMille resigned to enter the Armed Forces. To take their place, two new members were added—Forrest J. Maynard and George L. Campbell. The other three members of the Committee, who have been with it since the start, are Mrs. Weston Howland, Mrs. Maxwell E. MacDonald, and C. Fisher Luther, who became Chairman on April 1st.

Salvage Collected:

Metal Scrap of all kinds	38½ tons
Paper Salvage of all kinds	28½ tons
Tin Can Collections (9 in all)	71 tons
Kitchen Fats (December estimated)	17½ tons

Financial Statement:

Receipts—	
Balance January 1, 1943	$252.04
From collections of Tin Cans	437.74
Sale of Metal Scrap	196.19
Sale from Paper Salvage	372.45
	$1,258.42
Expenditures—	
Miscellaneous Expenses through entire year	$ 94.74
Gifts to Milton Organizations:	
Milton Visiting Nurse and Social Service League	500.00
The Milton Hospital	250.00
Milton War Service Fund (sponsored by Rotary Club of Milton)	250.00
	$1,094.74
Cash on Hand December 31, 1943	163.68
	$1,258.42

Respectfully submitted,

C. FISHER LUTHER, Chairman,
Milton Salvage Committee.

REPORT OF MILTON COMPANY, MASS. STATE GUARD

19th Company, 26th Infantry

Cunningham Gymnasium, Milton, Mass.

Milton, Mass., January 10, 1944.

To the Citizens of Milton:

I herewith submit my report of the 19th Co., 26th Inf., M. S. G., for the year ending December 31, 1943.

In the following paragraphs, I will try to convey to you an outline of some of our activities.

Drill

The Company meets at the Cunningham Gymnasium, every Wednesday night from 8 P. M. to 10 P. M. The drill periods consist of Infantry Drill, Guard Duty, Extended Order, Special Formations, Riot Formations, and Lectures on Map Reading and First Aid.

Change in Officer Personnel

Captain Robert I. Stewart was inducted into the U. S. Armed Forces on August 3, 1943.

1st. Lieut. William C. Green was commissioned Captain in the Massachusetts Organized Militia on October 27, 1943, and took Command of the 19th Co., 26th Infantry on that date to fill vacancy.

1st Sergeant William F. Flaherty was commissioned 2nd Lieut. in the Massachusetts Organized Militia on November 17, 1943, and attached to the 19th Co., 26th Infantry.

Fire Arms Training

Captain William C. Green and 2nd Lieut. William F. Flaherty have been assisting Major Edward J. Seibolt, at Camp Curtis Guild Range, Wakefield, Mass., on Sundays for the purpose of instructing the Mass. State Guard Companies in the use of State Issued fire arms. The above-mentioned officers have also had the opportunity to bring the men of the 19th Co. to the range on several occasions and thereby qualify each man on all fire arms.

Increase in Company Numbers

The Company has increased from a total of thirty-two men in August to its present number of fifty-seven. We also have discharged eighteen men to enter the Armed Forces.

Social Activities

On December 10, 1943, a Military Ball was held at the Milton Club for the purpose of raising funds for the Company and through the kind co-operation of the citizens of the town it was a huge success.

The Milton Company wishes to take this opportunity to express its sincere appreciation for the co-operation extended it by the Board of Selectmen, Police and Fire Departments, as well as the Committee on Public Safety. We also wish to express our appreciation to Mr. Jesse B. Baxter who has been instrumental in making many improvements at the Cunningham Gymnasium for the benefit of the Company.

To the members of the Company I wish to express my utmost appreciation for their unflinching sacrifices of time and effort and their willingness to assist me in every way to fill the duty which I assume as Commanding Officer.

Respectfully submitted,
CAPT. WILLIAM C. GREEN,
Commanding Officer.

Officers:
2nd Lieut. Warren Murdock
2nd Lieut. William F. Flaherty

REPORT OF THE WARRANT COMMITTEE
March Meeting, 1943

Milton, Mass., February 24, 1943.

To the Citizens of Milton:

The Warrant Committee respectfully submits for your consideration its recommendations to the Annual Town Meeting upon the Articles in the Warrant, together with a statement of the appropriations requested and recommended, and its estimate of the tax rate for the ensuing year.

We have carefully considered all budget requests and the requests made in person by those asking to be heard by the Committee and have recommended appropriations for the current year which we feel are for the best interest of the Town.

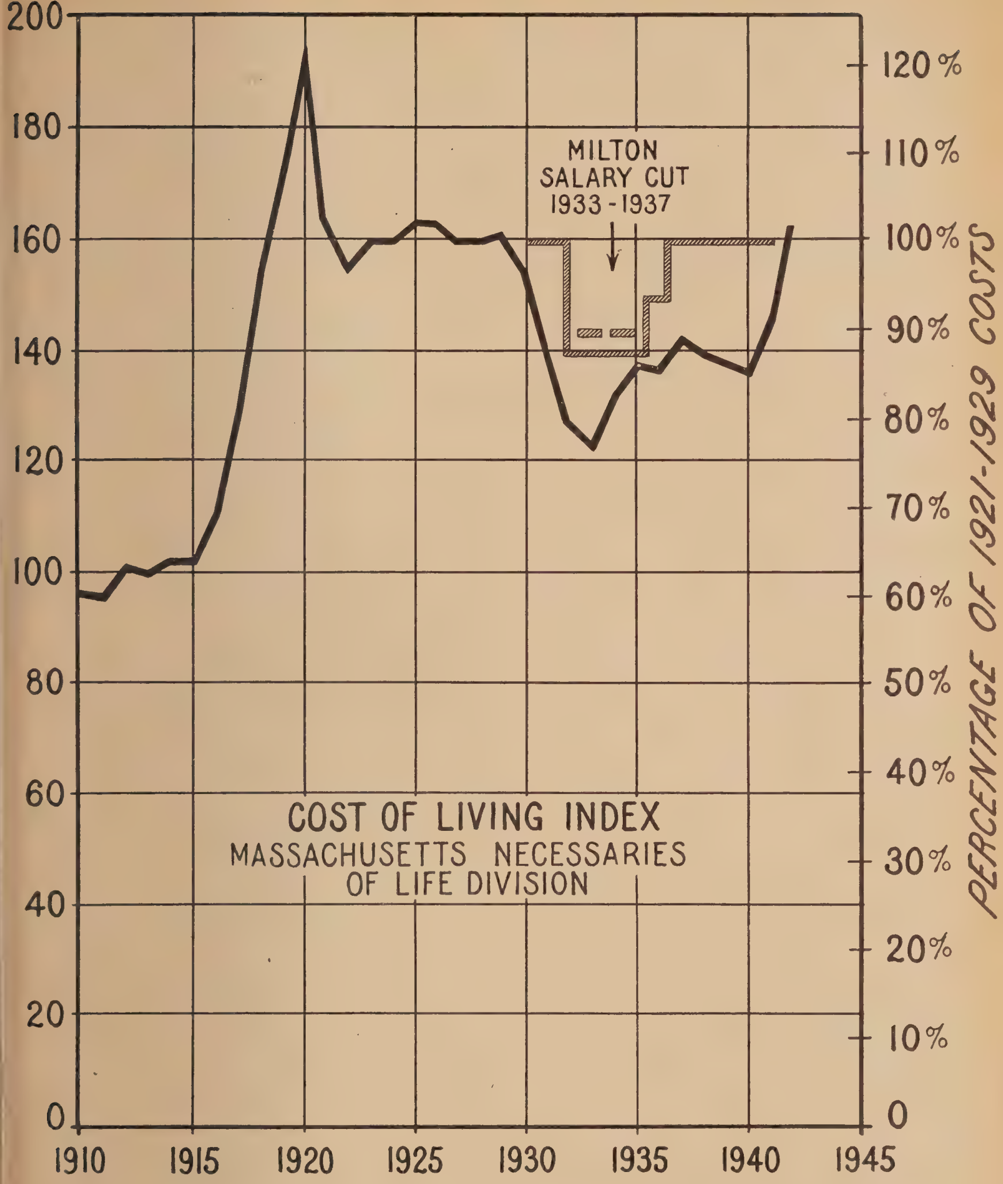
Compensation—The Background

Milton, like the majority of Towns in the Commonwealth, cut the pay of all Town employees in 1933. This reduction was 10 per cent of all salaries and wages not over $2,000 a year, and 12½ per cent of those above that figure. Half of this cut was restored in 1936, and the balance in 1937. The reduction was made in the face of a real emergency which threatened the ability of the taxpayers throughout the Town to meet the growing costs of Town government. The cause of this emergency was the destruction of the earning power of the average taxpayer during the depression of the early 1930's. The depression followed the inflation of the first world war and the period of most rapid growth of the Town which jointly had brought about large expenditures, a high tax rate, and a high debt.

These salary cuts came at a time when the cost of living had decreased approximately 21 per cent below the level which held throughout the prosperous 1920's, and in effect still left the Town employees with increased purchasing power. The Town employees also have a security in public employment which is greater than in most other occupations, and a retirement system backed by solid assets soundly administered. Although the taxpayers in general had the benefit of the same reduction in cost, most of them had suffered cuts in incomes way beyond the 10 or 12½ per cent which was taken by the employees of the Town.

Opinions differ as to the extent to which living costs have now increased. We have used for our chart on the following page the Cost of Living Index established by the Massachusetts Division of Necessaries of Life. The latest available index figure at the end of January, 1943, was 162.7 which, as can be seen from the chart, is only slightly above the level which was maintained during the good times when the base pay scale for our Town employees was established. Although the cost of living has increased about 20 per cent during the past two years, the increase has been much less than in the corresponding period of the first world war, and has now little more than offset what has in effect been extra compensation for the Town employees.

Now the conditions are reversed, but they are not directly comparable to those of ten years ago. Whereas in 1933 the Town employees with their steady incomes were relatively better off than the average taxpayer, at the present time both the Town employees and the average taxpayer are subject to the same increased costs of living and the same increased taxes, but with no assurance to the average citizens that their present income will continue. There is not now an inequality such as existed in 1933.



Compensation—The Present Problem

We have been asked by the committee of the heads of the several departments of the Town to recommend a straight 15 percent pay raise for all employees and paid officers of the Town (excluding teachers and employees of the School Department) as tabulated in Article 3 of the Warrant. The School Committee has asked for a straight 10 per cent raise for their teachers and regular employees, with the further request that their Department be accorded the same treatment as the rest of the Town.

In making their request for increased compensation, the committee of Department heads failed to justify a straight 15 per cent increase. The School Committee based their request for a 10 per cent increase on the fact that a 10 per cent cut was made ten years ago. The employees made it plain in their request that they were asking for extra pay for increased living costs only, and only for the duration of the war.

In considering pay scales it should be remembered that it has been the practice of most of the Departments, with or without the advice and consent of the Warrant Committee, to raise the pay of individual employees where their rates appeared to be out of line. This policy, continued over a number of years, has kept the compensation for most of the jobs at or near the top rates paid for similar work in similar towns. This policy, however, has not increased the pay of the majority of the employees in our larger Departments. This year a less than average number of such "merit" raises have been requested because of the request for a general increase. However, our budget recommendations include the following permanent raises to take effect on April 1, 1943:

Department	*Position*	*Rate of Increase*
Accounting	Accountant	$200.00 per year.
	Clerk	2.00 per week.
Assessors	Clerks (three)	4.00 per week (total).
Treasurer	Treasurer	200.00 per year.
Police	Chief	300.00 per year.
Fire	Chief	300.00 per year.
Wire	Assistant	2.00 per week.

The fundamental question really at issue is, to what extent the Town should reimburse the average employee to take care of the present increased cost of living so as to leave the employee in relatively as good a position as he was before this increase in living costs.

Compensation—Recommended Action

Article 3 in this year's Warrant calls for a general 15 per cent increase for all employees and paid officers except employees of the School Department. When this Article was drawn up it was felt by those interested that one blanket appropriation to be divided among the several Departments in specified amounts would simplify the procedure of acting on this subject at Town Meeting. Article 3 is in a form which seems to prevent the Town from making amendments which might seem wise after general discussion and debate. It omits the usual and important wording "and to act on anything relating thereto" at the end of the article. It either denies the Town the opportunity of amendment or offers a chance to question the legality of any action which the Town might take in the event of such an amendment. It is a "take it or leave it" article. Our work would be greatly simplified if we could recommend favorable action on this article.

After careful consideration of the present pay rates and living costs, we do not feel that a straight 15 per cent increase is justified for the current year. Neither do we feel that any straight percentage increase is the proper way to take care of the real needs of the Town employees. Furthermore, we are advised that the amounts of adjusted compensation should be specifically stated under each appropriation which includes compensation.

For the above reasons we recommend that the Town "do not so vote" on Article 3.

We do recommend that the Town appropriate as "Adjusted Compensation

Applicable to the Year 1943 Only," a sum equivalent to $200.00 per year for each full-time employee and paid elected officer of the Town whose principle means of livelihood is derived from the Town. We have also provided in the various budgets, for Adjusted Compensation for part-time workers and temporary employees not receiving this benefit from other departments, amounts which should permit the Governing Boards to adjust the pay of these employees in proportion to the work done. We recommend that this Adjusted Compensation be retroactive to January 1, 1943, and that it be paid currently.

The total amount of Adjusted Compensation recommended above is $69,200.00 as compared to the total amount of $86,631.64 requested under Articles 3 and 31, as based on percentages of payrolls bigger than at present. The effect of this appropriation in the budget as a whole is outlined in the section on Tax Rate on a later page. The amount of Adjusted Compensation, if any, to be paid during the year 1944 must of necessity be left to next year's Warrant Committee and Town Meeting.

Our recommendation follows the recent action of the State Legislature in recognizing that the smaller the income, the greater the proportion which must be used for the necessities of life. Thus, the lower paid employees receive the fullest effect of the recommended adjustment, and the higher paid employees receive relatively less. This basis was adopted because the Committee felt that it was the obligation of the Town under present conditions to meet for all employees the increased cost of actual necessities only. In making our recommendation, we have kept in mind the fluctuations of the Cost of Living Index over the last twenty years and especially the trend during the last two years, and we believe that we have recommended amounts sufficient to make Town employment a mutually satisfactory relationship. We feel that it is the obligation of the Town to make this adjustment for the current year.

Welfare and Relief

We are again pleased to report a decrease in the demands for Welfare. The total appropriation recommended under this classification, exclusive of adjusted compensation, is reduced more than $20,000.00 from last year. Three-quarters of this saving comes from the termination of the W.P.A. and the balance in General Relief.

The Federal Surplus Commodities Stamp Plan is also being terminated at the present time, but some form of surplus commodity distribution is being continued by the Federal Government and the Town is required to contribute to its administration.

General Government

The usual year by year variations in the budgets included under General Government can be seen in the Comparative Budget at the back of this report. We recommend continuing the War Risk Insurance on Town property which was started last summer, although the chances are that the Government will continue the present insurance in force for an extended term without charging new premiums.

The appropriations for interest and maturing debt reach a turning point this year with the retirement of the last of the Tucker School Bonds, and will decrease next year by $17,207.50. The total funded debt of the Town on January 1, 1943, was $921,000 which is lower than it has been for nearly twenty years. By paying $92,000 of Town Bonds out of the tax levy together with $47,000 of Water Bonds during 1943, and not issuing any new bonds this year, the funded debt will be cut to $782,000 by the end of 1943.

The Pension and Retirement costs are higher this year due to the retirement of a larger than usual number of employees.

Protection of Persons and Property

The Milton Committee on Public Safety continues to be active and is being urged to assume broadened burdens in addition to its primary function of protection against enemy action. We have recommended an appropriation slightly smaller than last year's, which together with the balance carried forward from 1942 should be ample for their needs.

The restrictions on the purchase of new automobiles prevent the Police Department from replacing their cruising cars this year. They still have an open account balance of $1,275.00 available for the purchase of a general utility truck which they hope to be able to buy before the end of the year.

Under Article 38, petitioned for by the members of the police force, the men have asked that the Town adopt the statute requiring that the Town give them one day off in six. At the present time the Department is operating on a flexible arrangement whereby the men get an average of 52 days off per year, in addition to a two-weeks' vacation with pay. Their pay rate is the highest paid by any Town in the state and we have recommended an additional $200.00 for each man as adjusted compensation this year. It is unfortunate that this request was made at the same time that the Town employees were asking for a general increase in compensation, and when the war effort requires us to work longer, not shorter, hours. We recommend that the Town "do not so vote" on Article 38.

The Fire Department, after unremitting effort, finally secured approval for its purchase of a new ladder truck, for which the appopriation of $14,950.00 made last year is still available. Delivery of this equipment is promised within a few months. As planned last year, four new permanent firemen were appointed, but as four of the regulars went into the service, the active personnel has not been increased. The enlargement of the Department now awaits the end of the war.

Health and Sanitation

The budget figures for the Board of Health show small increases as explained in their annual report to the Town.

The Water Department is continuing the plan of doing a minimum amount of new construction work which they are financing from their departmental surplus. Exclusive of adjusted compensation, the total authorization requested is about $4,000 less than last year. This authorization is approximately six per cent beyond the amount which the Department expects to spend.

The Sewer Department has asked for enough money to build sewers in practically all of the streets in the low-level area around Hope Avenue and Collamore Street. These sewers will be connected to the new pumping station which is now being completed near the corner of Hope Avenue and Granite Avenue. This area has been well built up for a number of years and its connection to the sewer system will be welcomed.

Through the cooperation of the Sewer Board and the Board of Selectmen a program has been worked out to employ on sewer construction about twenty-two men from the Highway Department force from the first of May to the middle of November. This cooperative arrangement allows the Highway Department to keep its crew constructively employed this year when they cannot build betterment streets, and still available for the task of snow removal. It enables the Sewer Department to catch up on its greatest arrears of work without bringing in outside construction men. This program will use practically no critical war materials. We recommend that the entire cost of this construction ($43,879.04 including adjusted compensation) be financed out of the tax levy this year.

The Cemetery Trustees have again deferred their program of installing water mains and building permanent roads in the cemetery, and have kept their requests to a minimum.

Schools and Libraries

In line with other Departments of the Town the School Committee has requested less money for this year's budget (exclusive of adjusted compensation) than in past years, and we recommend that they be voted the full amount. In order to operate efficiently under this reduced budget the School Committee especially requested that the item for the maintenance of their plant be not segregated this year, and we have so recommended it.

The question of adjusted compensation for the teachers and other employees of the Department is covered on page 6 of this report.

The Library Trustees again presented a budget involving no unusual demands and we again have ecommended that the Town appropriate the full amount asked.

Highways

This year the Board of Selectmen received petitions for the betterment of only five short streets. The amount of betterment construction so petitioned for was considerably less than half of the previous year's requests, but the Selectmen were forced to tell the petitioners that the war-time restrictions on the use of road-building materials would prevent any such construction during 1943.

The Highway Department continues to operate with reduced personnel as a number of the men have gone into the armed forces or other war work. Because of the necessity of keeping an ample crew to handle snow removal, the Department has worked out a program for the employment of the men on useful and constructive work. This program includes surface drainage and the permanent improvement of a number of street intersections, in addition to the cooperative arrangement with the Sewer Department mentioned above. The proposed work avoids heavy demands on critical war materials and should accomplish a considerable amount of permanent, if unspectacular, improvement in the Town.

The redecking of Granite Avenue Bridge which was provided for in last year's budget, could not be carried out as originally planned using steel grating for the deck. It is hoped that this bridge can be redecked this year using timber as was done some nine years ago. Timber construction on this bridge will probably last as long as the structure itself can be continued in operation.

The Warrant Committee has recommended budgets covering all Highway appropriations totaling $108,138.35 including adjusted compensation. This figure is $47,266.16 less than the total 1942 Highway appropriation, of which $34,000 was bonded.

Reserve Fund

Last year the Town appropriated a Reserve Fund of $22,000 which was $4,000 above the amount appropriated each of the two preceding years. This extra allowance was intended to cover any large unforeseen demands which might be made on the Milton Committee on Public Safety. Happily their needs were not excessive and 44 per cent of the 1942 Reserve Fund was returned to Revenue. This year we are recommending that a Reserve Fund of $20,000 be set up, the entire amount to be taken from the unusually large Overlay Reserve.

The following transfers were made from the 1942 reserve fund:

General Relief, Administration	$ 35.00
Old Age Assistance, Relief	2,461.18
Aid to Dependent Children, Administration	125.00
Soldiers' Relief	142.85
State and Military Aid	200.00
Selectmen, for Local Rationing Board #206	1,000.00
Insurance (War Risk Insurance)	1,901.88

Pensions, Police and Firemen	1,283.28
Pensions, School Teachers	250.00
Committee on Public Safety	3,500.00
Police Department, Private Work	113.50
Wire Department	1,153.17
Street Lighting	73.86
Tuberculosis Clinic	70.00
Total Transfers	$12,309.72
Balance to Revenue	9,690.28
	$22,000.00

Purchase of Bonds

Article 45 in this year's Warrant raises the question of the Town's investing in War Bonds, or other bonds that are legal investments for savings banks, to establish a post-war rehabilitation fund in accordance with the provisions of Chapter 5, Acts of 1943. The provisions of this act liberalize the act which was passed by the special session of the legislature last year permitting Towns to invest in Government bonds up to one-tenth of one per cent of their assessed valuation, or approximately $40,000 for Milton.

If the Town votes to tax its present taxpayers for money to put into bonds under this act, it would be making a definite commitment to spend the accumulated proceeds for the benefit of its future taxpayers. The act forbids the sale of the bonds before the end of the war, and limits the expenditure of the proceeds to capital expenditures for which the Town is now allowed to issue its own bonds. The act does provide, however, for appeal to a special state board for permission to spend the proceeds for non-bondable expenditures.

In view of the uncertain conditions at the end of the war, with the demobilization of our military forces and war labor, the Warrant Committee feels that the Town would be wiser to keep its surplus funds liquid and under its own control. We feel that under the present conditions the Town is safe in accumulating a substantial cash sum in its Excess and Deficiency account. As explained in the next section, we have recommended a start in this direction.

We recommend on Article 45 that the Town "do not so vote."

Tax Rate

This year the Town is in a strong financial condition due to the decreased payroll and expenditures of a number of the Departments and to the drop in the Welfare load to a point even lower than anticipated a year ago. The stopping of the W.P.A. and the impossibility of doing major highway construction are considerable elements in the cut in normal expenditures.

This year's Departmental requests are some $84,000 less than a year ago. The total recommended appropriations, including nearly $70,000 for adjusted compensation, are approximately $61,000 lower than last year. Because of changing its fiscal year, the State is not making the customary distribution from the gasoline tax. The loss of this revenue is offset by other items which allow the Town to pay adjusted compensation and still save money.

Favorable factors applicable to the year 1944 are the unusually large Overlay Reserve which should be ample for the Reserve Fund for both 1943 and 1944 without appropriations from the tax levy, and the debt service and retirement which in 1944 will be $17,207.50 less than the amount required this year.

For the last five years prior to 1943 the amount of money in the Excess and Deficiency account at the beginning of the year averaged $214,310.27. The successive Town Meetings voted from the Excess and Deficiency accounts for the corresponding years an average of $74,173.68 for the assessors to use in fixing the tax rate. The Excess and Deficiency account as of December 31, 1942, stood at $252,618.17 or $64,403.89 more than the previous year.

In view of the above, we feel that the Town is justified in taking a moderate reduction in its tax rate. We recommend that the assessors be authorized to use the above sum of $64,403.89 which accumulated in the Excess and Deficiency account during 1942 in fixing the tax rate for the current year. This would leave over $48,000 more than the average in this account, as a start towards building up a fund to meet the costs which the Town must face at the end of the war.

If the Warrant Committee's recommendations are passed favorably by the Town Meeting, we estimate that the tax rate for 1943 will be $25.00 per thousand, a reduction of one dollar from the figure which has held for the past two years.

If all Departmental requests were granted in full, we estimate the 1943 tax rate would be $25.60 per thousand.

In all the uncertainty surrounding the future status of taxation and expenditure in the Town at the end of the war, one certainty stands out, that is the fact that a larger proportion of the costs of Town Government will fall on the smaller taxpayers. The greatly increased federal taxation and the rising costs of labor will accelerate this trend, whether for better or for worse. The power to tax is the power to destroy, and it is up to us all to use it sparingly.

Personnel

Mr. A. Winslow Furber, who was appointed to the Warrant Committee last spring, was forced to give up his membership on the Committee due to the pressure of his work for the Government. Mr. G. Nelson Armitage was appointed in his place. In July, Mr. Knight Ames, who was then Secretary of the Committee, resigned to go into the Army. The Committee elected Mr. Benjamin F. Jaques to replace him, and elected Mr. Joseph M. Cronin as Secretary. In December Mr. Timothy G. Ryan undertook war work which forced him to resign from the Committee, and Mr. Philip M. Horan was elected in his place.

General

This year we have recommended that the Town do not issue bonds for its current sewer construction, feeling that under present conditions the Town should establish the principle of paying as we go for what we vote to have.

We are very appreciative of the cooperation shown by the Highway and Sewer Departments which seems to offer the Town the greatest good for the least money. It is now up to the Highway Department to prove that they can make a good showing on this program.

The greatly increased federal taxes during the coming years cannot help but diminish the ability of our citizens to meet the costs of Town government, but, nevertheless, the ordinary essential services of the Town should be maintained and money saved for the replacement of the physical equipment which cannot be renewed currently.

We again thank the Town officers, Department heads, and their personnel, for their cooperation in our study of their budget requirements. Each year the budgeting gets better, with a consequent easing of the load on the Warrant Committee.

DEPARTMENT REPORTS

REPORT OF SELECTMEN

Milton, Mass., January 20, 1944.

To the Citizens of Milton:

The Selectmen submit the following report for the year ended December 31, 1943.

On March 6th the following were elected to the office of Selectmen: Daniel E. Duggan, Josiah Babcock and Charles F. Batchelder, Jr., and on March 11th this Board organized with Daniel E. Duggan, Chairman, and Charles F. Batchelder, Jr., Secretary.

Due to the war and the question of priorities it was impossible to obtain materials to construct streets; therefore no streets were constructed under the Betterment Act.

Petitions for acceptance and construction under the Betterment Act of the following private ways during 1944 were filed:

Part of Clifton Road from Highland Street to public portion
Part of Ferncroft Road from Hudson Street 810 feet west
Kenilworth Road from Otis Street to Westvale Road
Lawndale Road from Otis Street to Kenilworth Road
Part of Lawrence Road from Elton Road to private land
Part of Pagoda Street and part of Pagoda Circle from Blue Hill Avenue to Hudson Street
Westvale Road from Edge Hill Road to Pleasant Street

As the ban has been lifted and it is possible to obtain materials, the Board voted to recommend the construction of these streets under the Betterment Act during the coming year.

The Board also voted to relocate and alter the northwesterly corner of the junction of Granite Avenue and Squantum Street without expense to the Town.

On April 30th the Government Relief Program, which had operated successfully and to the advantage of the Town for a period of ten years, came to a close. During that ten-year period the Government's contribution to the Town of Milton for labor amounted to $795,292.16. The Town has been most grateful for this assistance during the years of depression and in behalf of the citizens of Milton we wish to express our appreciation to the Government.

On Sunday, May 30th, following the usual Memorial Day exercises a Service Flag bearing stars for 1620 Milton citizens in the armed forces and 10 who have given their lives was dedicated. This flag lies beneath the national colors on the flagstaff in front of the Town Hall. By Armistice Day these numbers had increased to 1838 citizens in the armed forces and 17 who have given their lives.

In view of the petition that was presented to the Selectmen by various residents of the Town, a public hearing was held on the question of fly ash alleged to have come from the Walter Baker & Co. Inc. chimney and legal steps were taken through the department of the Attorney General for the abatement of this nuisance.

In December, 1941, Mr. William Stanley Parker, New England consultant for the National Resources Planning Board, addressed members of the Board of Selectmen, the Planning Board and the Warrant Committee on long-range budgeting, but at that time it was considered too late in the year to undertake such a program, realizing that Town budgets were all made up and the work of the Warrant Committee too far advanced. This year the subject was brought again to the attention of the Board of Selectmen through a letter from the State Emergency Public Works Commission. The Commission urged that immediate steps be taken to organize a committee for this work. On September 23rd the Board of Selectmen appointed the following Post-War Committee:

Daniel E. Duggan, Selectman
Charles F. Batchelder, Jr., Selectman
Joseph D. Leland, Member of Planning Board
Henry V. Hubbard, Member of Planning Board
C. Rodgers Burgin, Member of Warrant Committee
Philip M. Horan, Member of Warrant Committee

A preliminary meeting of this committee was held at the office of the Selectmen on November 4th and a second meeting on November 24th. At the latter meeting Mr. William Stanley Parker was guest speaker. After discussing the program at length it was decided to call a meeting of Department heads and Governing Boards in the large Town Hall on Tuesday evening, December 14th, for the purpose of outlining the program to them. The different Town departments and Governing Boards were well represented and all showed their willingness to cooperate.

We wish to thank all Town Boards, Department heads and employees for their fine cooperation during the past year.

Respectfully submitted,

DANIEL E. DUGGAN,
JOSIAH BABCOCK,
CHARLES F. BATCHELDER, JR.,
Selectmen of Milton.

REPORT OF THE TOWN COUNSEL

Milton, Mass., January 1, 1944.

To the Board of Selectmen,

Gentlemen:

I herewith submit my report for the fiscal year 1943.

My annual retainer, or salary, of $2000 covers all legal matters, except cases in court and proceedings and hearings before boards or commissions similar to court cases. It includes opinions upon requests to all Town boards, examination and reports to the Board of Selectmen of claims made against the Town from time to time in connection with alleged defects in ways or for other reasons, adjustment of claims for damages on account of takings where no suits have been brought, collection of claims by the Town against persons or corporations, drafting layouts and takings for streets, sewers, and drainage and other projects, contracts and other instruments necessary in connection with various town activities, by-laws, articles, and votes for the Town Warrant, and licenses, permits, etc.

Tax Foreclosure Proceedings

Six cases have been disposed of by foreclosure.

One case was withdrawn on payment of the tax, $64.89.

One case has been recommended for dismissal on account of error in the tax proceedings.

Litigation

1. One case has been tried in the Appellate Tax Board which resulted in a small reduction of the assessment.

2. One case before the Appellate Tax Board was disposed of by settlement when reached for trial.

3. Registration proceedings were brought at the request of the Town Treasurer to register the title of 39 acres of land adjoining Lyman Road, Ash Street and Spruce Street acquired in tax foreclosure proceedings for the purpose of making this tract available for sale. The case is pending.

4. There was collected through this office on account of a bill due the Water Department the sum of $1,009.07 by means of enforcement of a lien on the real estate of the owner and proof of the claim in bankruptcy of the tenant.

5. Smoke Nuisance—Walter Baker Company. The complaint of a large number of people on account of a nuisance claimed to have been caused by Walter Baker Company by burning coal under forced draft without proper regulation has been agitated for some time.

On June 4, 1943, the Selectmen called the attention of the Attorney General to the matter and requested that he file a petition with the Department of Public Utilities for the abatement of the nuisance under the Statute of 1936, Chapter 188. At about the same time a number of inhabitants directly interested filed a similar application. The matter was heard by an Assistant Attorney General and subsequently the Attorney General filed a petition with the Department of Public Utilities. Several hearings were held in this matter by the Department. When the case had been practically completed the Walter Baker Company was permitted by the government to purchase oil for its factory and accordingly hearings in the case were discontinued. The case remains in the files of the Attorney General.

6. Appearances for the Town were entered in four petitions in the Land Court to register land in Milton, to enable the Town Engineer to verify street lines claimed in the petitions on streets adjoining the premises in question.

Claims Against the Town

Four claims have been settled by payments totaling $267.85.

Two cases are pending in the Superior Court for personal injuries suffered by the claimants in a collision between the truck of the Sewer Department and the claimants' automobile.

Three claims are pending.

Two claims have been reported to the Board of Selectmen as not imposing liability on the Town.

Claims by the Town

Four claims by the Town arising out of damage to cablebox and in other small matters, aggregating $103.86, have been collected and paid over to the Town Treasurer.

I desire to express my appreciation for the consideration shown me by your Board during the year. I have had prompt and efficient cooperation from the departments of the Town, in connection with legal matters.

Respectfully submitted,

LINCOLN BRYANT,
Town Counsel.

REPORT OF LEGISLATIVE COUNSEL

Milton, Mass., January 1, 1944.

To the Board of Selectmen,

Gentlemen:

In the session of the Legislature of 1943 I have, in accordance with your instructions received from time to time, attended hearings on 32 bills. On some of the bills several hearings were held.

I have been over all the bills filed and have endeavored, with the aid of the Legislative Committee, to identify such bills as might affect the interests of the Town. There has been no particular outstanding legislation. I might mention, however, that several bills relating to taxation which would have affected adversely the interests of the Town were opposed. In connection with these, other municipalities were represented in the opposition which was generally effective.

Respectfully submitted,

LINCOLN BRYANT,
Legislative Counsel.

REPORT OF BOARD OF APPEALS

Milton, Mass., December 31, 1943.

To the Citizens of the Town of Milton:

The Board of Appeals presents the following report for the year 1943.

Mr. George F. Shepard, whose term expired in March, was reappointed by the Moderator to serve until the annual Town Meeting to be held in March, 1946.

During the year we have held twelve hearings as follows:

Date of Hearing	*Name of Applicant*	*Nature of Appeal*	*Decision*
Feb. 1	Olive D. and James J. Tynan and Francis J. Wixted, M.D.	Special Permit at 666 Adams Street for medical office	Granted
Feb. 16	Lillian S. Berman and Samuel Sunshine, M.D.	Special Permit at 22 Hollis Street for medical office	Granted
Mar. 8	Wilhelmina Van Dyke, M.D., and Gardner Knight, Guardian for Eleanor H. Knight	Special Permit at 375 Adams Street for medical office	Granted
May 11	Elizabeth J. Rafuse	Variance to permit division of existing lot at 487 Adams Street into two lots	Granted
June 14	Trustees of the Neponset River Trust and others	Special Permit to remove gravel from ridge on marsh land lying between Neponset River and Riverside Avenue	Granted
June 28	Thomas and Delia A. Kelly	Special Permit to build roof over upper landing on front of two-family house at 10/12 Fairlawn Avenue with reduced front and side lot lines	Granted
June 28	Thomas and Delia A. Kelly	Special Permit to build roof over upper landing on front of two-family house at 14/16 Fairlawn Avenue with reduced front and side lot lines	Granted
Aug. 16	Roger F. Turner, Trustee, Turner Trust	Special Permit or Variance to allow the erection of a building at rear of 286 Central Avenue to be used as Food Storage and Quick Freezing Plant	Denied
Sept. 8	Eleanor B. Sunshine and Samuel Sunshine, M.D.	Special Permit at 487 Adams Street for medical office	Granted
Sept. 14	Anna M. Fusoni	Special Permit to remove platform and build enclosed porch on single family dwell-	Granted

		ing at 60 Pierce Street with reduced side lot line	
Oct. 4	Ada M. Leeds	Variance to permit division of existing lot at 42-48 Central Avenue into three lots	Appeal Withdrawn
Dec. 21	Religious of Christian Education, Inc., by Mother Mary Cloonan	Special Permit to maintain a private cemetery on grounds at 1071 Blue Hill Avenue	Denied

Respectfully submitted,

EDWARD C. JOHNSON, 2d, Chairman,
JOHN M. CURLEY,
GEORGE F. SHEPARD,
Board of Appeals.

REPORT OF ENGINEERING DEPARTMENT

Milton, Mass., January 11, 1944.

To the Honorable Board of Selectmen,

Gentlemen:

I herewith submit my annual report of the Engineering Department for the year ending December 31, 1943, in accordance with the By-Laws of the Town.

Your Engineering Department has felt the effects of the War; two of our regular men have been called into the Service, and one has resigned to obtain higher pay. Our working force thus cut almost in half, the Department has been greatly crippled.

During the year I have been able to obtain two new men to carry on the work. One is an engineer with a college degree, the other a man of mature years who serves as chairman and helper. With the services of these additional men, we have carried on to the best of our ability, though still one man short of our usual personnel.

Because of war-time conditions, there were no appropriations either for regular Highway Department construction on old streets or for new streets to be built under the Betterment Act. Thus your Engineers were relieved of much of their customary work. However, the Town Treasurer requested that a large tract of land, located between the Milton-Quincy line and Pleasant Street west of Pine Avenue, be put through the Land Court for tax title sales. Altogether there are ten parcels of land, varying in size from 7500 square feet to about 12 acres. Since the area in question consists of extremely rocky terrain, covered with old quarries and overgrown with scrub oak, the work took our entire summer and well into the fall before a finished map could be supplied to our Town Counsel. In years past the land in this area was of low value; consequently your Town Engineer has never felt it wise to expend much money on surveys of the individual tracts. Now that the land will soon come into the market, however, there is a splendid map available for the Planning Board's work on future developments.

This fall and winter the Town has undertaken work on the new Six Year Program. Nearly every department will ask to be furnished with survey plans and estimates. With this in mind I am requesting an additional engineering corps of three men for the coming year's work. Our new men are not familiar with the Town and consequently they are not as efficient as the men who are away.

Our daily record of work accomplished during the year 1943 shows a distribution of activities as follows:

Town Treasurer	39.85%
*General Departmental Work	24.75
Highway Department	20.49
Assessors Department	2.85
Planning Board	2.75
Water Department	2.60

Legal Department	.64
Building Department	.23
Sewer Department	.12
	100.00%

* These titles are self-explanatory with the possible exception of General Departmental Work, which refers to such Engineering jobs as calculating Betterment Streets, house locations, setting bounds, street lines, etc.

Highway Department

The drainage schedule as planned was accomplished with regular town labor. Though neither large nor costly, the projects were most necessary to the surrounding country. The following is a list of the drainage installed during 1943:

Location	Length Feet	Size Inches	No. Catch Basins	No. Man-Holes
Barton's Lane	279.5	12	2	2
Clifton Road	387.4	12	2	2
Decker Street	51.2	12	1	1
Easements—private property				
Elton Road to Edgehill Road			1	
Eustis Property	182.5	24		1
Lothrop Avenue to Decker Street	116.2	12		
Elm Street	95.7	10		1
Glendale Road	182.7	10		1
Gulliver Street	96.0	12		1
Highland Street	36.5	6		1
Lawrence Road—proposed extension	272.3	12		1
Lothrop Avenue	45.0	12		1
Miller Avenue	37.5	10	2	
Reedsdale Road	55.0	12	2	
Robbins Street	821.2	12	3	4
Westside Road	9.7	8		
Wildwood Road	61.6	10	2	
	2730.0		15	16

Number of Catch Basins in Town January 1, 1943	1433
Number of Catch Basins abandoned in 1943	3
	1430
Number of Catch Basins constructed during 1943	15
Total	1445

Curbing

The curbing laid this year was on corners of accepted streets which have been laid out and constructed by developers who built a good roadway but did not curb the corners. In many cases the vehicular traffic was encroaching on the sidewalk area, endangering pedestrian travel. Granite curb was installed on the most-used streets for the protection of pedestrians, especially the children, who pass along these roads. In addition to providing a safeguard, the curbing serves as a decided improvement in these localities.

The following is a list of granite curbing installed in 1943:

Location	Circular Feet	Straight Feet	Corner Blocks
Allen Circle	241.4	55	
Crane Road	176.0	22	
Crown Street	94.9	11	
Decker Street	11.7	199.5	6
Darby Road	177.6	16.5	
Marilyn Road	94.4	22	
Rustlewood Road	91.2	22	
St. Mary's Road	247.7	55	
Waldo Road	88.0	22	
	1222.9	425.0	6

Permanent bounds were set on the following streets:

Location	Number of Bounds Set
Lyman Road	10
Ash Street	1
	11

This department continues to issue all permits for street openings and occupancy. We have issued 230 such permits this year and sent out bills for the same. The total amount submitted for collection is $1081.77.

Assessors

We have done the usual amount of work requested by the Assessors Department. Due to the War very little building has been done this year; however, there were many transfers of property. Because of the shortage of manpower much of this work remains to be plotted on our town maps.

Police Department

We continue to cooperate with the Police Department and have supplied plans of all fatal accidents for use in court and for future records.

Cemetery Department

During the year we have been called on to lay out additional burial lots. This has necessitated searching old records and reproducing base lines established years ago. Several burial areas of the Cemetery have been extended.

Planning Board

Because of the shortage of engineering assistance in this department, very little work has been done on the Town plans. The topographical survey has come to a halt and because of the lack of development, no new plans have been made or added to our files.

Betterment Streets

No Betterment Street construction was carried on this year. Petitions, however, were received for seven new streets. The following is a list of estimates and plans for Betterment Street construction proposed for 1944:

Street	From	To	Length Feet	Estimated Cost
Clifton Rd.	Highland St.	Public Portion	929	$ 9735.00
Ferncroft Rd.	Hudson St.	S. prop. line—lot 61	810	8597.15
Kenilworth Rd.	Otis St.	Westvale Rd.	626	8167.40
Lawndale Rd.	Otis St.	Kenilworth Rd.	676	8839.30
Lawrence Rd.	Elton Rd.	Private Land	488	5833.20
Pagoda St. & Circle	Blue Hill Ave.	Hudson St.	747	9430.00
Westvale Rd.	Edgehill Rd.	Pleasant St.	825	10300.00
			5101	$60902.05

Victory Gardens

Early in the spring of 1943 the Office of Civilian Defense submitted a request to the Engineers to lay out the various Victory Garden plots. Altogether there were nine plots, varying in size and located as follows:

Brush Hill Playground—two plots
Canton Avenue—land of James S. Russell
Centre Street opposite Sias Lane—land of Mr. Field
Milton Hill—plot on Milton Hill House Lane
Eliot Street—hillside in back of Milton Hill House
Cunningham Park—Edgehill Road near Cedar Road
Lawrence Road—two plots near end of road
Adams Street, East Milton—land of P. Sheldon
Centre Street near Pleasant Street—Houghton Land

Your Engineering Department blocked off each area for plowing and harrowing, after which all areas were subdivided into 1000 foot lots. Plans were drawn up and supplied the supervisors who allotted the gardens to prospective gardeners. There were 172 plots laid out in all.

Recommendations

I am in favor of the Six Year Program of planning and budgeting, which in effect merely clarifies and sets forth in tangible form the ideas which almost all department heads have had in mind for years. There are numerous streets to be widened and reconstructed, playgrounds to be improved and new ones built, school houses to be erected, etc.

As an initial project, I would recommend the widening of Adams Street from Brook Road to the Town line at Quincy. Of paramount importance is the taking from East Milton Square to the Milton-Quincy line. Portions of the roadway are less than forty feet in width, a condition which constitutes a serious traffic hazard. Moreover, since the area involved will someday become a business zone, it is good planning to widen this part of Adams Street to seventy feet. The construction may be done at a later date as the Town sees fit, but I cannot emphasize too emphatically the critical nature of this problem and the necessity of making a taking as soon as possible.

Milton Cemetery is fast reaching its burial capacity and should be enlarged. I should like to take this opportunity to recommend the taking of lands as suggested by your Committees who have made studies of the existing situation. Adjoining the present area are lands highly adaptable to cemetery conditions. Moreover, it would be more economical to have our cemetery all in one location, rather than two cemeteries in different parts of Town. I recommend that action be taken on this problem in the very near future.

I further recommend the resurfacing of public roadways with asphaltic concrete. This has proved to be the most satisfactory and economical method of maintenance; the abuttor likes it because it is clean, dry, and dustless, and the motorist likes it because it is non-skid, smooth, and easily cleared of snow and ice.

Appreciation

At this time I wish to thank the Board of Selectmen for their consideration and assistance and the employees of the Engineering Department for the cooperation they have shown during this very trying year. I should like also to extend my appreciation to all other departments with whom we have worked.

Respectfully submitted,

FORREST J. MAYNARD,
Town Engineer.

REPORT OF ASSESSORS OF TAXES

Milton, Mass., December 31, 1943.

To the Citizens of the Town of Milton:

The Assessors herewith submit their report for the year 1943. At the annual election of the town officers for 1943 William C. Hoxie was elected for the three-year term, and on March 12th the Board organized as follows: Robert Bowie, Chairman; William C. Hoxie, Secretary. Miss Bertha M. Johnson was appointed Clerk of the Board, and Mrs. Alice L. Stephens and Miss Ruth A. Dodd were appointed Assistant Clerks.

The tax rate of $25.00 was made on May 6, 1943, a decrease of $1.00 per thousand.

The total number of tax bills committed to the Collector during the year was as follows: 6248 Real Estate; 691 Personal Property; 6738 Poll; and 6289 Motor Vehicle Excise.

The following are the figures used by the Assessors in determining the tax rate for the year 1943:

REPORT OF ASSESSORS OF TAXES

1943 RECEIPTS

ESTIMATED STATE INCOME:

			Actual Amts. Received
Income Tax ($26,227.00 for Pub. School Reim.)	$111,681.70		$111,681.70
Corporation Tax	43,389.83		43,389.83
Old Age Tax Meals	1,278.30		
		$156,349.83	1,278.30
Metro. Taxes Raised in Excess of Amounts Paid		.18	.18
		$156,350.01	$156,350.01

ESTIMATED TOWN RECEIPTS:

				Actual Amts. Received
Licenses, fees, etc.		3,235.00		
Fines		310.00		
Special Assessments		25,000.00		
Departmental Revenue:				
Miscellaneous	$ 140.00			
Police	925.00			
Health	1,240.00			
Highways	1,510.00			
Charities	9,190.00			
Old Age Assistance	32,255.00			
Schools	565.00			
Libraries	1,475.00			
Cemeteries	16,930.00			
Sewer—Private Work	155.00			
Inspections	1,075.00			
Forestry	3,755.00			
		69,215.00		
Interest:				
Taxes and Assessments		8,930.00		
			$106,690.00	$106,690.00
Water			125,966.04	125,966.04
Estimated Motor Vehicle			40,000.00	40,000.00
Poll Taxes			13,444.00	13,444.00
Amount Voted out of Excess and Deficiency			64,403.89	64,403.89

AVAILABLE FUNDS:

From	*To*		
Available Water Surplus	Water Department	37,598.96	
Overlay Reserve	Reserve Fund	20,000.00	
		57,598.96	57,598.96
		$564,452.90	$564,452.90

1943 EXPENSES

ESTIMATED STATE & COUNTY ASSESSMENTS:			*Actual Amounts Received from State and County*
County		$ 37,628.70	$ 42,230.95
State Tax	$ 30,600.00		$ 30,600.00
State Audit of Municipal Accounts	1,011.46		1,011.46
State Examination of Retirement Sys.	354.88		354.88
Metropolitan Districts Area:			
Charles River Basin	3,508.15		3,691.10
Metro. Parks—Reservations	6,181.21		
Nantasket Beach Main.	666.11		
Boulevards	1,277.62		8,731.25
Metro. Sewerage—So. System	18,949.74		19,005.77
Metropolitan Water	41,142.04		47,629.17
Boston Metro. Dist. Expenses	94.98		94.98
Kenmore Square Rental Def.	885.76		887.62
Smoke Inspection Service	713.07		596.27
Kenmore Sq. Rental Def. Int. (1942)	3.04		3.04
Maintenance and Repairs to Norfolk County Hospital	14,147.79		
		119,535.85	14,147.79
			$126,753.33

Town Appropriations	$1,391,876.26		
Less—Metro. Water Loan Sinking Fund	41,142.04		
	$1,350,734.22		
Less—Main. and Rep. of Norfolk County Hosp.	14,147.79		
		1,336,586.43	1,336,586.43
Town Appropriations (Balances Transferred at town meeting from Available Funds)		57,598.96	57,598.96
		$1,551,349.94	$1,563,169.67

Total Expenses	$1,551,349.94
Less Total Income	564,452.90
Amount to be raised	$ 986,897.04
Plus Overlay (to be provided for abatements)	7,461.99
Balance to be raised by tax on real and personal estate	$ 994,359.03

TAX RATE — $25.00

Total Real Estate Valuation	$ 36,623,410	@ $25.00	$915,585.26
Total Personal Property Valuation	3,150,950	25.00	78,773.77
	$ 39,774,360		$994,359.03

REPORT OF ASSESSORS OF TAXES

The population of the town, computed by the Assessors as of January 1, 1943, was 21,325. Other statistics were as follows:

Number of dwelling houses assessed	5,030
Number of acres of land assessed	6,218
Number of licensed dogs	1,655

Number of livestock assessed:

Horses	174
Cows (1 year old, or over)	287
Yearlings, bulls, heifers	13
Swine (6 months old, or over)	10
Fowl	1,675

Total of All Taxes Committed by Assessors to Tax Collector

1943 Real Estate Taxes (January Levy)		$915,585.26
1943 Personal Property Taxes (January Levy)		78,773.77
1943 Poll Taxes (6,722 polls @ $2.00)		13,444.00
1943 Poll Taxes (16 polls @ $2.00)		32.00
Special assessments added to 1943 real estate bills:		
Street Betterment Taxes	$ 9,353.46	
Sewer Assessments	6,277.10	
Interest on above two items	5,326.71	
Unapportioned Sewer Assessments	1,387.00	
Unapportioned Sewer Interest	41.62	
Tree Warden Liens	44.30	
Moth	37.25	
Water Liens	3,735.02	
		26,202.46
1942 Motor Vehicle Excise Taxes:		
Committed on January 29, 1943		$ 16.00
1943 Motor Vehicle Excise Taxes:		
Commitment of Apr. 16, 1943	$ 24,971.10	
Commitment of Aug. 11, 1943	20,123.94	
Commitment of Sept. 2, 1943	1,097.73	
Commitment of Nov. 15, 1943	748.61	
Commitment of Dec. 29, 1943	135.24	
		$ 47,076.62
Total Excise		$ 47,092.62

Respectfully submitted,

ROBERT BOWIE,
GEORGE S. MURRAY,
WILLIAM C. HOXIE,
Assessors of Taxes.

REPORT OF THE TRUSTEES OF THE CEMETERY

Milton, Mass., January 14, 1944.

To the Citizens of the Town of Milton:

The Trustees of the Cemetery Department report as follows for the year 1943:

Perpetual care was placed on 92 lots, 11 single graves, the monuments on 4 lots and the plantings on one lot. Part payments toward perpetual care were accepted on 15 lots. Total $15,326.86.

There were 55 lots and 22 single graves taken by residents.

Burials numbered 232.

Foundations were built for 57 monuments and 30 markers were set without foundations.

Twenty-five lots were regraded and reseeded. Thirty-seven new lots were laid out and furnished with corner-posts and steps.

Continuing the policy of filling in the gravel paths, Holly Path and Hawthorne Path were filled in, brought to grade and seeded.

An area comprising about one-half acre was graded, loamed and seeded and will be ready to use for lots in about a year.

The need of additional land becomes more imperative and an effort should be made to secure available property at once.

We would again call attention of the Town to improvements urgently needed, as mentioned in our last report, viz.—

1. An additional water main to serve parts of the Cemetery now without water supply.

2. A large quantity of fertilizer to bring back to good grass land the many sections now badly run out.

3. Gravel and loam to continue more rapidly the filling in of unnecessary roads and paths.

4. Paving surfaces of such roads as wash out badly with every heavy rain.

Total expenditures were $26,531.07. Cash receipts and interest from various funds totalled $23,652.15, making the net cost to the Town $2,878.92.

Respectfully submitted,

PERCY E. SHELDON, Chairman,
ALEXANDER H. LADD, JR., Secretary,
REGINALD L. ROBBINS,
W. PRESCOTT WOLCOTT,
G. NEWELL HURD,

Trustees.

REPORT OF THE FIRE DEPARTMENT

Milton, Mass., January 2, 1944.

To the Honorable Board of Selectmen,

Gentlemen:

I herewith submit my report of the Fire Department for the year ending December 31, 1943.

Alarms

There were 548 alarms received during the year: 165 Bell alarms and 383 Still alarms.

Alarms Each Month

January	30	May	29	September	37
February	28	June	23	October	44
March	82	July	32	November	30
April	104	August	26	December	83

Mutual Aid

Milton to Boston	5	Boston to Milton	10
Milton to Quincy	18	Quincy to Milton	11

Other Calls

Persons locked out of homes; released children from upper rooms; inhalator calls; flushed streets as a result of accidents; boat used to drag river for drowning victims; gas leaking and fumes in basement.

Property at Risk — Loss — Insurance Paid

Value	$599,950.00	Loss	$26,047.00	Insurance paid	$24,267.20

Work Performed

Feet of hose laid (2½ inch)	31,100	Gallons of water:	
Feet of hose laid (1½ inch)	12,100	Booster tanks	30,307
Feet of ladder raised	1,998	Gallons of chemicals	160

Inspections Made

Oil burners	2	Stores, garages, etc.	1,371
Range oil burners	17		

Permits Issued

Out of door fires	883	Oil Storage	38
Explosives	9	Gasoline storage	4

Two additional members of the department are on leave of absence for the duration of the National Emergency, namely: Gilbert T. Hoadley and Robert F. Ochs, thus making a total of six members from this department.

During the year three members of the department, Deputy A. F. McLeod, Deputy F. E. Whelan and L. G. Lyons completed the Fire Defense Training Course conducted by the State Department of Education.

The U. S. Office of Civilian Defense furnished communities, including Milton, with protective equipment and supplies to be used during periods of training and emergencies for the protection of persons and property. Drills were conducted throughout the year for both the Auxiliary and regular members of the department.

The Seagrave Aerial Ladder ordered in 1942 was delivered on July 31st; all members of the department were instructed and trained in the operation of this new piece of apparatus.

The old wooden boat which was originally received in the department through a donation and used many times was replaced by a fourteen-foot clipper model metal boat, complete with oars. The arrival of this boat, which we know will prove highly satisfactory both from a durability and financial standpoint, necessitated the building of a new two-wheel trailer unit.

During the year a minimum of building repair work was done at Engine 2 and 4 houses while the interior of the Central Station was painted and a portion of the attic insulated.

Apparatus

Chief's car purchased in March, 1941, is in excellent condition.
Engine No. 1, Maxim, purchased in 1940, is in excellent condition.
Engine No. 2, Maxim, purchased in 1936, is in good condition.
Ladder No. 1, LaFrance, purchased in 1926, is in fair condition.
Ladder No. 2, Seagrave Aerial, purchased in 1942, was delivered July 31, 1943, is in excellent condition.
Engine No. 4, LaFrance, purchased in 1919, should be replaced.
Combination No. 1, Diamond T, purchased in 1938, is in good condition.
Combination No. 4, LaFrance, purchased in 1915, is in operation, but used only in an emergency.

Recommendations

I recommend the adoption of a plan whereby the motor equipment of the Fire Department be replaced after a fifteen-year period of service. The replacement of Engine No. 4 is asked for in 1944.

I am very grateful to the head of each department for the support and cooperation given to me during the year as Chief of the Fire Department. May I at this time thank you and the Board of Selectmen for your support of this department.

Respectfully submitted,

JAMES F. HANNA,
Chief of Department.

REPORT OF THE TREE WARDEN DEPARTMENT

Milton, Mass., January 15, 1944.

To the Citizens of the Town of Milton:

We are of course still having our difficulties resulting chiefly from abnormal conditions existing during the war; in fact these seem to become evermore serious, but on the other hand one finally sets a different standard of difficulties, at the same time convincing himself that a great deal more can be accomplished than he originally imagined possible. In spite, therefore, of lack of men and of some material we have taken care of the really necessary work, including considerable private work, simply realizing that most material and work is subject to priority demands and we must select the work.

Respectfully submitted,

JOHN BALCH,
Tree Warden.

REPORT OF THE MOTH DEPARTMENT

Milton, Mass., January 15, 1944.

To the Honorable Board of Selectmen,

Gentlemen:

Our usual struggle with the elm leaf beetle, the tent caterpillar and the gypsy moth was successfully accomplished not to mention some spraying for cankerworm which puts in an intermittent appearance.

Spraying materials are not too easy to obtain and replacing parts for our sprayers, all old but one, troubles us somewhat. Our chief trouble in this department, however, was loss of our sawmill by fire this fall. The loss was total but the insurance was ample, and we are building a replacing mill largely of such material and machinery as we can obtain. Of course this move was made possible by cooperative action of the Warrant Committee and we believe after many years' experience that this apparatus will be of real benefit to the town.

Respectfully submitted,

JOHN BALCH,
Local Moth Superintendent.

REPORT OF THE BOARD OF HEALTH

Milton, Mass., December 31, 1943.

To the Citizens of the Town of Milton:

The number of diseases dangerous to the Public Health reported to the Board of Health for the past seven years has been as follows:

	1943	1942	1941	1940	1939	1938	1937
Anterior Poliomyelitis	0	0	0	0	0	0	2
Chicken Pox	183	188	98	132	11	44	137
Diphtheria	0	0	0	0	0	0	1
Dog Bite	41	55	38	45	65	47	56
Dysentery, Bacillary	0	0	0	1	0	0	0
Encephalitis Lethargica	0	0	0	0	0	1	0
German Measles	167	23	9	1	2	2	5
Lobar Pneumonia	8	6	3	11	7	10	11
Measles	196	303	276	19	154	52	27
Meningitis Meningococcal	3	1	1	0	0	0	0
Mumps	66	276	48	26	27	14	16
Ophthalmia Neonatorum	0	0	0	0	0	0	1
Scarlet Fever	108	30	23	62	39	36	38
Septic Sore Throat	3	1	2	1	1	0	1
Tuberculosis (Pulmonary)	7	9	5	6	8	8	8
Tuberculosis (all other forms)	1	2	1	0	1	1	0
Typhoid Fever	0	1	0	0	0	0	0
Para-Typhoid B	0	0	0	2	0	0	1
Undulant Fever	0	0	0	1	0	0	0
Whooping Cough	78	22	38	40	75	5	23
Gonorrhea	4	3	7	5	7	8	10
Syphilis	10	13	14	12	8	12	8
	875	933	563	364	405	240	345

The Board organized March 10, 1943. Mr. Hervey W. King was elected Chairman and Mr. C. H. S. Merrill, Secretary. The following appointments were made: Agent, Paul W. Kimball; Inspector of Milk, S. R. Ramsdell; Agent for Issuing Burial Permits, G. F. Kemp; General Contractors, H. C. Snow, J. S. Hannon; Inspector of Slaughtering, P. W. Kimball.

One establishment for the bottling of non-alcoholic beverages was inspected and licensed.

All milk sold in the Town of Milton is required to be pasteurized whether from tuberculin tested herds or not, the only exception being certified milk. The report of the Milk Inspector shows that forty-seven licenses were issued for the sale of milk and cream. This is a decrease of eleven from last year, there being a decrease of five for vehicle delivery and six for stores. Nine dealers are licensed to sell oleomargarine, an increase of four from last year. Two establishments were licensed to pasteurize milk and two to manufacture ice cream.

The average quantity of milk sold daily in Milton is 10,000 quarts. The average amount of milk produced daily in Milton is 2900 quarts. 344 samples of milk, cream and ice cream were tested for fats, solids and bacteria content.

Diphtheria Prevention Clinics were held as usual this year in cooperation with the School Department. A total of 273 treatments were given this year at an average cost of 33½ cents each. No cases of diphtheria have been reported in Milton since 1934, with the single exception of one case in 1937, which occurred in an adult uninoculated maid who had only been in Milton for two days.

1943 was marked by a further increase of the common communicable diseases throughout the Commonwealth, particularly German Measles which showed over 400% increase over 1942, Measles 40% increase over 1942, and Scarlet Fever 50% increase over 1942.

108 cases of Scarlet Fever were reported in Milton, the largest number in twenty years with the exception of 1932 when 113 cases were reported. At the present time there appears to be a general decline in the number of cases reported over the corresponding weeks of 1942.

Only four cases of rabies in animals were reported throughout the Commonwealth against 20 for 1942.

It is evident that the inoculation of dogs against rabies is having a cumulative effect in lessening the incidence of rabies.

In view of this decline the Board of Health did not ask the Selectmen to order a period of restraint for dogs that had not been inoculated within a year. The Board strongly recommends that all dogs be inoculated and intends to publish a notice urging all dog owners to have their dogs inoculated either by their own veterinarian or by Dr. Sewell as in past years.

Attention is called to the report of the Director of the Tuberculosis Clinic. The falling off in the number of visits to the clinic and the number of visits made by the clinic nurses is accounted for partly by the reasons stated in the report and partly by the fact that one less nurse was available the latter part of the year and also the large number of flu cases in the last quarter of the year prevented the remaining personnel from covering many of the contact cases that would ordinarily have been visited before the end of the year.

Respectfully submitted,

HERVEY W. KING, Chairman,
PAUL R. WITHINGTON, M.D.,
C. H. S. MERRILL,
Milton Board of Health.

REPORT OF MILTON TUBERCULOSIS CLINIC

Milton, Mass., December 31, 1943.

To the Milton Board of Health,

Gentlemen:

I have the honor to submit a report of the work of the Tuberculosis Clinic for the year 1943. The statistics presented herewith show a considerable falling off in every division of the work due in large part to increased employment in war work, difficulties in transportation and greater demands upon the medical personnel. Sanatorium service has also been curtailed. It is also possible that the work of the past twelve years may have begun to show in the diminution of active and contact cases.

	1939	1940	1941	1942	1943
Number of Clinics	12	11	11	12	12
Total clinic visits	149	167	154	151	78
New patients	22	23	21	44	20
Contacts	14	8	13	18	6
Suspects	8	15	7	18	13

REPORT OF COLLECTOR OF ASHES AND GARBAGE

Milton, Mass., December 31, 1943.

To the Board of Health:

I hereby submit my report for the year ending December 31, 1943.

There have been collected 33,100 yards of ashes, rubbish and paper, and 385 cords of garbage.

Respectfully submitted,

SAMUEL G. CRAIG.

REPORT OF THE INSPECTOR OF SLAUGHTERING

Milton, Mass., December 31, 1943.

To the Board of Health:

Three head of cattle and two hogs were inspected and passed for food in 1943.

Respectfully submitted,

PAUL W. KIMBALL,
Inspector of Slaughtering.

REPORT OF GENERAL CONTRACTORS

Milton, Mass., December 31, 1943.

To the Board of Health,

Gentlemen:

I herewith submit my report for the year ending December 31, 1943.

32 cesspools cleaned.
48 loads removed from same.

Respectfully submitted,

ALVAH D. SNOW.

To the Board of Health,

Gentlemen:

I herewith submit my report for the year ending December 31, 1943.

45 cesspools cleaned.
16 grease traps cleaned.

Respectfully submitted,

JAMES S. HANNON.

REPORT OF INSPECTOR OF MILK

Milton, Mass., December 31, 1943.

To the Board of Health,

Gentlemen:

During the year 1943, licenses were issued as shown by the following tabular form, which also includes those for 1942.

	1942	1943
Milk and Cream:		
Vehicles	31	26
Stores	27	21
Total	58	47
Sale of Oleomargarine	5	9
Pasteurization of Milk	2	2
Manufacture of Ice Cream	2	2

Fees for the above licenses amounting to $208 have been collected and turned over to the Town Treasurer.

The average quantity of milk sold daily in Milton is 10,000 quarts. This amounts to a daily per capita consumption of a trifle under one pint.

During the past year, 344 samples of milk, cream and ice cream have been collected and tested for fat, milk solids and bacterial content.

Respectfully submitted,

SHERMAN R. RAMSDELL,
Milk Inspector.

REPORT OF FENCE VIEWERS

Milton, Mass., January 13, 1944.

To the Honorable Board of Selectmen,

Gentlemen:

All altercations were amiably adjusted.

Respectfully submitted,

RICHARD H. SCHMIDT,
JOHN H. MARR,
Fence Viewers.

REPORT OF WIRE DEPARTMENT

Milton, Mass., January 4, 1944.

To the Honorable Board of Selectmen,

Gentlemen:

I herewith submit my report of the Wire Department for the year ending December 31, 1943.

Number of inspections made	158
Number of certificates issued	18
Number of incandescent lamps wired	801
Number of motors installed	37
Total horse power	286-1/6
Number of heaters and ranges installed	18
Total watts	147,760

Permits were issued as follows:

Month	Number of Permits	Permit Fees
January	12	$18.00
February	9	9.00
March	6	8.00
April	6	7.00
May	5	7.00
June	7	7.00
July	4	6.00
August	5	7.00
September	3	4.00
October	9	9.00
November	4	4.00
December	3	3.00
Totals	73	$89.00

Fees for the above permits amounting to eighty-nine dollars ($89.00) have been collected and paid to Town Treasurer.

Fire and Police Signal Systems

Minor repairs to the Fire Alarm System have been made during the year, particularly to the bell at the East Congregational Church and to the tower bell at Hose #4. It was necessary to replace the outside shell on Fire Alarm Box #481 and the door of Fire Alarm Box #38 because both boxes were struck by motor vehicles. The overhead wires opposite the Police Station on Central Avenue have been replaced by an underground cable. All Town wires and crossarms have been transferred from old to new poles when requested by the Boston Edison and the New England Telephone and Telegraph Companies. The tree branches that interfered with Fire and Police Alarm wires have been trimmed on several streets. We have painted all Fire and Police Alarm Boxes.

Traffic Lights

A new traffic light controller was installed at the intersection of Granite Avenue and Squantum Street to replace the temporary arrangement at this location. It was necessary to replace the traffic light standards at the intersections of Randolph Avenue and Centre Street and Randolph Avenue and Brook Road as a result of automobile accidents. For the greater part of the year the traffic signals were flashing yellow, but in compliance with the request of your Board, all but two signals are working automatically and the blackout paint has been removed from the lenses.

Lights — Wired

During the latter part of the year we have repaired wiring and have installed new sockets, receptacles, fixtures, etc., in the Town Hall, Engineering Office and the Highway Department.

I wish to thank your Board for your advice and assistance during the year.

Respectfully submitted,

ROBERT E. PARK,
Inspector of Wires.

REPORT OF INSPECTOR OF ANIMALS

Milton, Mass., January 15, 1944.

To the Honorable Board of Selectmen:

I herewith submit my report for the year ending December 31, 1943.

The inspection of dairy barns and premises was not ordered this year.

Additions to herds (dairy cattle) shipped interstate have been reported.

During the year it was necessary to restrain 67 dogs that had bitten people. There were no cases of rabies.

Respectfully submitted,

ROBERT H. SEWELL, D.V.M.,
Inspector of Animals.

REPORT OF BUILDING DEPARTMENT

Milton, Mass., January 4, 1944.

Honorable Board of Selectmen,
Milton, Massachusetts

Gentlemen:

I herewith submit my report for the Building Department for the year ending December 31, 1943.

Month	No. of Permits	Permits for Garages	All Other	Permits for Alterations	Valuation	Permit Fees

Totals	427	5	66	356	$76,816.00	$429.50

On May 1st, 1943, Lorenzo E. Young, Inspector of Plumbing, and Bernard F. Murray, Deputy Inspector of Plumbing, were appointed for one year.

All violations of the Zoning By-law that have been brought to my attention have been attended to.

I wish to thank your honorable Board for your sincere cooperation during the year.

Respectfully submitted,

CARL R. HORNE,
Building Inspector.

REPORT OF INSPECTOR OF PLUMBING

Milton, Mass., December 31, 1943.

Carl R. Horne, Inspector
Building Department
Milton, Massachusetts

Dear Sir:

Report of the work of the Department of Inspection of Plumbing for the year ending December 31, 1943, is respectfully submitted.

Month	Total No. Permits Granted	Original	Alterations	Fees Received	Valuation of Work
January	10	3	7	$16.00	$ 1,658.00
February	9	0	9	9.00	423.00
March	10	0	10	10.00	783.00
April	10	0	10	10.00	1,336.00
May	10	0	10	10.00	697.00
June	10	1	9	12.00	1,110.00
July	11	0	11	11.00	990.00
August	12	0	12	12.00	963.00
September	5	0	5	5.00	460.00
October	17	0	17	17.00	1,384.00
November	13	0	13	13.00	1,317.00
December	6	0	6	6.00	498.00
	123	4	119	$131.00	$11,619.00

Fees received for Permits, in the amount of One Hundred Thirty-one dollars ($131.00) have been paid to the Town Treasurer, whose receipts for such I hold.

Automobile mileage for 1943: 511 miles.

Respectfully submitted,

LORENZO E. YOUNG,
Inspector of Plumbing.

REPORT OF SEALER OF WEIGHTS AND MEASURES

Milton, Mass., January 11, 1944.

To the Honorable Board of Selectmen,

Gentlemen:

I herewith submit my report of services of Sealer of Weights and Measures.

All moneys received on account of sealing and adjusting fees have been paid to Town Treasurer. This amounts to $84.27.

Number Scales, Weights and Measures sealed	512
Number adjusted	67
Number condemned	6
Number not sealed	6
Number reweighings	1010
Number found underweight	280
Number found overweight	730
Hawkers' and Peddlers' licenses inspected	43
Hawkers' and Peddlers' scales inspected	19
Junk dealers' licenses and scales inspected	2
Violations of Hawkers' and Peddlers' law found	14

Goods Underweight and Ordered Repacked

Butter	65 lbs.
Coal in Transit—shortage ordered made up	3 deliveries
Potatoes	37 pkgs.

Respectfully submitted,

FREDERICK L. RIPLEY,
Sealer of Weights and Measures.

REPORT OF THE BOARD OF PARK COMMISSIONERS

Milton, Mass., December 31, 1943.

To the Citizens of the Town of Milton:

We herein render our report for the year 1943.

The grounds and other properties under our care were maintained as usual. No construction of new facilities was carried on during this year.

The recreational program was carried on during July and August under the direction of Mr. Aaron H. Yeaton. He was assisted upon the Brook Road Playground by Miss Ethel Hannigan who had charge of the handicrafts and Miss Eleanor Tansey with games. At the Andrews Playground Mr. John Taylor carried out a lively season with the boys and Miss Catherine MacLary supervised the girls. Miss Katherine King was in charge of the Tucker School Playground.

The summer baseball activities came to a close early in July due to the lack of players, so many having gone into the armed services of our country. The use of tennis courts fell off to some extent but two tournaments were held and proceeds donated to the American Red Cross.

The annual American Legion field day was not held the 17th of June on account of the dim-out regulations.

During the autumn months the fence of the tennis courts on the south end of the Brook Road Playground was painted and all permanent apparatus was repaired and painted on these grounds.

We ask for an appropriation of $7,530.00 to conduct the activities of the department for the year 1944.

WILLIAM G. RODD, Chairman,
JOHN F. KERRIGAN,
GEORGE OWEN, JR.,
Board of Park Commissioners.

REPORT OF POLICE DEPARTMENT

Milton, Mass., January 12, 1944.

To the Honorable Board of Selectmen,

Gentlemen:

I herewith submit my report for the year ending December 31, 1943.

Arrests

Total number of arrests	166

Lost children restored	41
Milton writs served by other departments	53
Missing persons	24
Officers detailed at request of citizens	188
Writs served for other departments	275

Police Department

The Town has been somewhat free of serious crimes during the year. Several houses were broken into but most of the stolen property has been recovered. The nationwide spread of juvenile delinquency was felt here with an increase of over 100 per cent.

Traffic conditions continue about the same as in the past two years with a heavy flow during the change of working shifts at the near-by war plants.

At the March Meeting the Town voted to accept the Bicycle Registration Law. As a result, 2199 bicycles were registered. Registration plates were issued at twenty-five cents each and $549.75 has been turned over to the Town Treasurer.

We continued to fingerprint the school children and the prints have been classified and filed in the police station and duplicate prints have been sent to the Federal Bureau of Identification in Washington. We will be glad to fingerprint any civilian in the Town at his request and forward the prints to Washington for identification purposes.

During the year our Auxiliary Police were called out several times to do their part in the Air Raid Tests and they responded faithfully and willingly. Monthly meetings were held and well attended. Prominent speakers were invited and gave interesting talks and instructions to the members.

Five new automobiles were purchased by the Department late in the year to replace cars that were in use and had gone over 95,000 miles each.

The Department radio has been working only fair. The set is old and many parts in it are obsolete and new parts are very hard to obtain. I recommend that a new radio of the frequency modulation type be purchased. This type has been installed in many police departments and is giving very satisfactory service.

Myles J. Connor was appointed a temporary patrolman in February and a permanent patrolman in October. Patrolmen Charles L. Laffan, John E. Whearty and Edward J. Leary entered military service during the year. We have been unable to get military substitutes for these men, which leaves the Department shorthande .

The members of the Department have shown a disposition to conform to a requests made upon them and have displayed promptness and energy in the discharge of their duties. I am grateful for their cooperation.

I wish to thank your Honorable Board, the Justices of the Courts and their assistants, and all others who have aided the Department during the year.

Respectfully submitted,

JOHN B. SHIELDS,
Chief of Police.

REPORT OF THE MILTON PLANNING BOARD

Milton, Mass., January 15, 1944.

To the Citizens of Milton:

At the Town Meeting election in 1943 Mr. Henry V. Hubbard was re-elected for a term of five years. Mr. William P. Melley was elected for a term of three years to fill the vacancy occasioned by the death of Mr. Fred N. Russell. At the first meeting after the election, organization was completed, with Mr. Leland continuing as Chairman.

In accordance with Article 10 of the Town Meeting of 1938 authorizing and requesting "The Planning Board to include in its report to the annual Town Meeting in March, 1939, a comprehensive, preliminary plan . . .," the Planning Board herewith respectfully reports that during the year 1943 some progress was made, but due to the loss of personnel on account of the draft and prevailing war conditions, the work of the Board has been seriously hampered. With required added personnel the duties of the Board can be resumed.

In 1943, the Board submitted a favorable report regarding four proposals for amending Chapter 10 of the General Bylaws of the Town having to do with Zoning, after due notice as required by law was given, and public hearings held. The proposed amendments appeared as Articles 40, 41, 42, and 43 in the 1943 Town Warrant, and at Town Meeting were unanimously adopted.

During the year the Board held a public hearing in regard to a change in the Board of Survey plan of Guilford Road. The plan is on file in the office of the Town Engineer. After due consideration favorable action was taken.

In 1943 the Board of Selectmen appointed two members of the Planning Board to serve on a Post-War Committee, the committee being composed as follows:

Daniel E. Duggan, Selectman, Chairman
Charles F. Batchelder, Jr., Selectman
Henry V. Hubbard, Planning Board
Joseph D. Leland, Planning Board
C. Rodgers Burgin, Warrant Committee
Philip M. Horan, Warrant Committee

The Planning Board would like to take this opportunity to reaffirm its active interest in the six-year budget plan for all new outlays or improvements—capital expenditures—as distinct from current Town operating expenses.

Respectfully submitted,

JOSEPH D. LELAND, Chairman,
FRANK B. FREDERICK,
HENRY V. HUBBARD,
WILLIAM P. MELLEY,
WARLAND WIGHT.

REPORT OF BOARD OF PUBLIC WELFARE

Milton, Mass., January 5, 1944.

To the Citizens of the Town of Milton:

We hereby submit our report for the year ending December 31, 1943.

Comparison of active cases on December 31st:

	1937	1938	1939	1940	1941	1942	1943
General Relief	36	40	41	38	29	16	9
Old Age Assistance	125	147	183	188	183	184	159
Aid to Dependent Children	8	14	15	22	19	13	9
	169	201	239	248	231	213	177

Data on Old Age Assistance, 1943:

	Application	Granted	Denied or Withdrawn	Pending	Closed
Men	16	10	6	–	25
Women	19	17	1	1	27
	35	27	7	1	52

This makes 79 changes with a net loss of 25.

Reasons for closing were as follows:

21	deaths (8 men and 13 women)
11	moved out of town
5	to private employment
14	relatives now able to support
1	matured endowment insurance
52	

There were 63 new applications in 1942, but only 35 in 1943, whereas the deaths in 1942 were 11, and in 1943 were 21.

As of September 8, 1943, a mandatory budget went into effect. Milton, in company with all but one of the 351 cities and towns in Massachusetts, adopted the State budget. One result has been to increase the average grants, and the overall cost has not decreased in spite of smaller number of active cases. The following figures show the trend of increased cost:

	1941	1942	1943
Average number of cases each month	186.5	188.9	177.
Average cost each month	$5,579.49	$5,878.70	$5,907.72

The general improvement in private employment, even for the elderly, is quite evidently the reason for the drop in new applications for relief, and in number of cases actually aided. Fourteen of the closed Old Age Assistance cases were due to ability of children and relatives to support. The September 8th law, mentioned above, requires prosecution of children, legally liable and able to support parents, but who refuse to contribute the amount required. As the year closes, we have about ten cases where court action seems to be necessary, and the State has set a deadline of February 1st for starting suit. However, conferences with Probation Officer and the children concerned is expected to eliminate this necessity in most of the cases.

The lack of low rentals in Milton continues to be a problem that seems unsolvable at present.

In December, Lester D. Watson, M.D., who was absent from Milton on military duty, sent in his resignation. On December 23rd, the Board set up under the provisions of Sect. 11 of Chapter 708 of the Acts of 1941, for the purpose of filling military vacancies, met and elected Florence Clothier Wislocki, M.D. We feel that we were fortunate in continuing to have a doctor on our Board. Dr. Wislocki took office at our regular monthly meeting on December 27th.

Respectfully submitted,

JOHN TALBOT, Chairman,
THOMAS M. GIBBONS,
EDWARD C. JOHNSON, 2d,
EDITH ENDICOTT STEBBINS,
FLORENCE CLOTHIER WISLOCKI, M.D.

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

Milton, Mass., January 15, 1944.

To the Citizens of Milton:

The year 1944 marks the fortieth year since our Central Library was moved to its present location with a small collection of some 14,000 volumes. At present the Library possesses over 59,000 books with two branch libraries in East Milton and Mattapan, quarters on Hillside Street and a House-to-House Delivery suspended during the gas shortage but soon we hope to resume its service to our townspeople.

During the last 20 years our staff has remained at eight and there has been only one resignation during the last fourteen years, a showing we believe sheds credit both upon the library and the Staff.

Curiously, as the sale of books through the usual outlets has increased, (very largely through war activities and through the growth of book clubs) the circulation of all public libraries has materially decreased. This is explained by the number of both men and women who have entered war work and by the pressure of work upon those who have remained at home. It is also evident that the gasoline shortage has prevented many from coming to the library either to read or to take out books. This condition has resulted in a drop of 33,846 from the circulation of 179,304 last year which was also less than the previous 12 month period. However, this has not lessened the work at the Library to the extent which might be expected. The Libraries have remained open the usual hours except for an interval when the fuel shortage cut the service in East Milton.

Added time and labor has gone into the gathering and shipping of books collected during the Victory Campaign. During the last two years 7746 volumes were distributed in this worthy cause. It should also be remembered that the Library buildings are also used as Headquarters for several of the Town organizations including the East Milton Branch of the Red Cross. The Trustees welcome these outside activities and encourage further use as our present facilities permit.

Much is now being said about post-war activities. It is too soon to predict what may be the future needs of our Library in providing added service. It is clear, however, that added space must be planned for more books in the near future and it should be remembered that the drop in circulation does not in any way indicate a drop in the number of books purchased or curtailment in replacements and rebinding. An extraordinary number of interesting and essential titles have appeared during 1943 and it is expected that this condition will continue as the exacting and difficult period through which we are passing naturally stimulates those who have the ability and desire to write, consequently we predict a busy and active year is before us.

Therefore, we ask that the Town appropriate the sum of $26,059 for the coming year. Last year the appropriation was $24,987. The slight increase is explained by the fact that the Library investments do not yield the return enjoyed in previous years and that the price of books, supplies and fuel have risen. Our employees are sharing in the general increase to Town Employees necessitated by the increased cost of living through the general town vote.

REPORT OF THE SEWER COMMISSIONERS

Milton, Mass., January 1, 1944.

The Board of Sewer Commissioners makes the following report of operations of the Sewer Department during the year ending December 31, 1943.

General

Population by the Assessors' Census of 1943	21,325
Estimated length of streets of the town (miles)	89.99
Percentage of length provided with sewers	49.29%
Method of disposal	Metropolitan System

Collection Mains

	For Sewage			
	Town-built Sewers	Privately-built Sewers	Total, Town and Private	
Linear Feet:				
Total, December 31, 1942	225,326.8	21,305.7	246,632.5	700 (storm overflow)
Extended, 1943	6,418.5	....	6,418.5	
Total, December 31, 1943	231,745.3	21,305.7	253.051.0	
Miles	43.891	4.035	47.926	

Number of manholes	1,356
Number of inverted syphons	3
Number of storm overflows	1
Number of emergency overflows	7
Number of automatic pumping stations	3
Linear feet of force main (8")	2,236.7
Linear feet of force main (12")	960.6
Number of gate chambers on force main	1

House Connections

Number made during the year		71
Includes connections laid from sewer to house (completed)	69	
and connections laid from sewer to side line of street only (incompleted)	2	
Number relaid during year		3
Number of stoppages coming to the notice of the department		32

Discharge of Sewers

Estimated population using the sewer system		17,578
Number of buildings connected		3,909
Includes:		
Number of buildings connected as of December 31, 1942	3,840	
Number of buildings connected completely from sewer to house during 1943	58	
Number of buildings connected from end of house connection previously run out to side line of street only	11	
	3,909	

Financial

Total cost of collection mains to December 31, 1943 (including the East Milton sewer and drain through Babcock Park district)	$1,016,191.34
Bonded debt at date (including East Milton sewer and drain bonds)	118,000.00
Average rate of interest on bonds	1.689%

For details of sewer construction and maintenance accounts, reference is made to the Financial Report compiled by the Town Accountant, as shown elsewhere.

The sewer extensions made during the year were as follows:

Street	Size of Pipe	Length (feet)	No. of M.H.'s
Adanac Road from land of K. S. Gould to Truro Lane	8″	559.8	2
Annapolis Road from Truro Lane to Opp. Ho. No. 4	8″	630.0	3
Alvin Avenue from Milton-Quincy Line to Emerson Road	10″	437.4	4
Brook Road (South Side) from Ho. No. 785 to Ho. No. 799	8″	276.0	2
Cedar Terrace Street from Hope Avenue to Opp. Ho. No. 23	8″	626.8	4
Collamore Street from Alvin Avenue to Opp. Ho. No. 44	8″	247.0	1
Denmark Avenue	8″	631.6	4
	10″	32.5	
Easement from Metropolitan Sewer to Adanac Road	10″	91.1	2
	12″CI	11.6	
Easement from Landon Road, Southerly	8″	304.4	2
Francis Street from End of 1941 Construction to end	8″	176.8	1
Granite Avenue (West Side) from Opp. Ho. No. 275 to Opp. Ho. No. 269	8″	85.6	—
Landon Road	8″	767.8	5
Lawrence Road	8″	525.3	2
Squantum Street from Hope Avenue to Amsterdam Avenue and crossing at Amsterdam Avenue	10″	228.3	1
Truro Lane from Adanac Road to Landon Road	8″	786.5	4
Total		6,418.5	37

Of the above listed sewers, a total of 2,889.4 feet of 8″ and 10″ pipe were installed in Francis Street, Lawrence Road, Cedar Terrace Street, Denmark Avenue, Squantum Street, Alvin Avenue and Collamore Street by a crew made up of about twenty of the regular employees of the Highway Department under an arrangement suggested by Mr. Charles F. Batchelder, Jr., Chairman of the Warrant Committee and agreed to by the Selectmen and the Sewer Commissioners. This innovation was suggested because of the curtailment of new highway construction due to governmental war-time restrictions and with the idea of thus providing useful and needed work for about one-half of the Highway Department force. Sewer construction was carried on under this arrangement from May 3 to October 31.

The other sewers listed above were constructed under contract with A. Piatelli & Co., of Mattapan, some of the work being included in their 1942 contract, completion of which was delayed because of the labor shortage, and the remainder coming under a contract dated October 30, 1943, for which they submitted the lowest bid.

The new automatic sewage pumping station in Granite Avenue was placed in operation the latter part of June and the newly built sewers in all of this low district became available for use and many houses were connected therewith. Through the co-operation of the City of Quincy they built 640.4 feet of 10″ sewer in Amsterdam Avenue and Alvin Avenue from the Milton-Quincy boundary at Squantum Street and Amsterdam Avenue to the Quincy-Milton boundary where it crosses Alvin Avenue about opposite house No. 41. We thus were enabled to continue this 10″ sewer in that part of Alvin Avenue which is in Milton, affording an outlet for the lower end of Collamore Street, Emerson Road, Melbourne Road and Wood Street. We wish to express our appreciation of the splendid co-operation of the Quincy officials in this connection.

Respectfully submitted,

FRED Y. MARSHALL, Chairman,
JAMES F. CAMPBELL,
S. CUNNINGHAM,
Board of Sewer Commissioners.

REPORT OF HIGHWAY DEPARTMENT

Milton, Mass., January 13, 1944.

To the Honorable Board of Selectmen:

I herewith submit my annual report for the year ending December 31, 1943.

This year several of our older employees were obliged to apply for pensions because of failing health or injuries received in the past. These were Michael Callahan, Henry Johnson, Patrick Joyce and George Preble. Two other men left for higher pay elsewhere. The places left vacant by four of these six men have not been filled due to the war manpower shortage. Since the start of the war our Department has lost ten men. This has cut down the manpower of the Highway Department so that the use of equipment to do the work is now more necessary than ever.

The Warrant Committee turned over most of our labor to the Sewer Department for six months during 1943 due to the shortage of road building materials. Out of a crew of forty-one men, twenty-two worked on sewer jobs from May 1 to November 1, leaving nineteen men for that six months to do all the highway work. Deducting three section men and one watchman, a working crew of fifteen men was left to carry on all labor for that period. Much of the regular, necessary work of our Department had to be neglected due to this reduction in our labor. Our storm water drainage system suffered the most, catch basins did not get their regular cleaning and a lot of sand and gravel was washed into the pipe lines. Some of these, on the flat areas, are now only half as efficient as they were and a great deal of labor and money will be required to clean them.

Automotive Equipment

Several of our lighter weight trucks are wearing out and these, with our automobile, should be replaced. These vehicles would not be on the road today if it were not for our good mechanic and our repair shop. He not only does all the work for our Department, but is constantly being consulted by and doing work for the Fire, Police, Water and Tree Warden Departments.

Although our crew was reduced the Highway Department furnished all of the automotive equipment for the sewer jobs.

Street List of Highways Resurfaced

Street	From	To	Length Feet	Width Feet	Area Square Yards
Boulevard St.	Edge Hill Rd.	Bryant Ave.	322	35.5	1270
Bryant Ave.	Adams St.	110′ Southerly	110	28.0	345
Eaton St.	Quincy Line	162′ Westerly	162	24.0	432
Squantum St.	Hope Ave.	Amsterdam Ave.	249	38.0	1055
			843		3102

General Expense

Under this account the headings are varied and numerous. One of the more important of these is the road repairs and patching. Work was done on the following streets:

Columbine Road, near Ridge Road, was repaired to divert water from going onto private land and damaging property at a cost of $111.91. Eaton Street had the roadway and sidewalks raised to eliminate a street depression which flooded in every storm and caused damage to property. This work was done in conjunction with the City of Quincy and amounted to $693.16. The Adams Street job consisted of a series of large patches of asphaltic concrete laid in depressions to level up the profile of the road from Brook Road to the Milton-Quincy line. Out of this account we used $831.61, the balance from our Private Work account because of the numerous street openings that had been made. Boulevard Street and part of Bryant Avenue were resurfaced with asphaltic concrete at a cost of $320.10 out of this account, the major part being paid out of our Permanent Construction account. There were also many miscellaneous small jobs and general patching in other parts of the Town which cost $1993.01.

Roadway seal coating was done with tar and sand cover this year as we were allowed to use this material. We spent $5,017.00 for this work besides the Chapter 90 money which amounted to $3,000.00, and used altogether over 40,000 gallons of bituminous material this year.

The roadside mowing was very much neglected because of our labor shortage. The roadsides usually get two or three cuttings and the cost amounts to about $3,000.00, but this year only one cutting was done at a cost of $367.05. The hay was not collected. The work was so planned that the cutting eliminated the ragweed just before the hay fever season so that there was none on the public roads.

Drain repairs and cleaning is an important item, but had to be neglected this year. We spent $3,100.50 instead of $8,494.38 as in 1942.

Donations is another heading under this account. These are necessary, but interfere with our Highway schedule. In 1943 we expended the following:

Clean-Up Week	$ 204.78
Board of Health	22.83
Fire Department	11.97
Police Department	40.20
Park Department	9.04
Wire Department	167.25
Rationing Board	22.29
Town Hall and Lot	60.23
Collecting tin cans for salvage	1,473.71
Collecting waste paper and scrap metals	301.73
Taking in scrap bins	5.15
Victory gardens	402.51
Red Cross	7.95
Repairs to watch tower	10.50
	$2,740.14

While some of these jobs are being done, such as the collections for scrap metals and waste paper and also Clean-Up Week collection, all other departmental work ceases.

The cost for snow and ice removal is an unpredictable amount. In budgeting for it we can only strike an average of what the cost has been for the past few years. This year we spent $21,063.16. I have tried to keep the roads open and safe at all times during a storm so that the Fire and Police Departments, milkmen, doctors, etc., can get through them at all times.

Drainage

The work as planned was nearly completed. The drainage installed cost as follows:

Reedsdale Road near #170	$ 489.52
Lothrop Avenue and Decker Street	1,130.61
Eustis easement near #1395 Canton Avenue	767.32
Gulliver Street	252.69
Elm Street	360.74
Robbins Street	3,622.96

Cunningham Brook to Miller Avenue	2,087.22
Clifton Road	1,493.38
General	53.30
	$10,257.74

There is a small part of Robbins Street drain to be completed in 1944 so that this job will be continued after January 1.

Street Betterments

There were small portions of 1942 Betterment Streets to be completed this year. This work consisted of completion of sidewalks on one street, stone retaining walls, and loaming and seeding of grass plots. This work was completed about July 1. There were no new streets built in 1943.

Permanent Construction

Our Permanent Construction work this year consisted of curbing corners on various streets as listed in the Engineering Report and part of the cost of resurfacing Boulevard Street and Bryant Avenue from Boulevard Street to Adams Street. The curbing work amounted to $5,513.83 and the resurfacing cost out of this account was $652.85.

Conclusion

There were 467 calls, mostly by telephone, for a various number of requests such as dead animals to be picked up, street signs broken or missing, and many others too numerous to mention. All of these requests receive attention just as soon as it is possible to do so. Granite Avenue Bridge is now in good condition except for the fender piers. The bridge machinery received an entire overhauling and painting and the decking was entirely renewed on the drawspan. There remains the work to be done on the foundation and funds for this will be requested for 1944.

I wish to thank your Board for the consideration you have given during a very trying war year that has been brought to a fairly satisfactory conclusion.

I wish to thank the employees of the Highway Department who have cooperated with the Town at all times. I also want to thank all other Departments and employees who have cooperated and worked on the various drives for the collection of scrap metal and waste paper, and the Red Cross organization for serving coffee and doughnuts at the Highway Department Yard during these collections.

Respectfully submitted,

FORREST J. MAYNARD,
Superintendent of Streets.

REPORT OF BOARD OF WATER COMMISSIONERS

Milton, Mass., January 13, 1944.

To the Citizens of Milton:

The Water Department is concerned not only with keeping its expenditures within the appropriation granted by the Town but also must provide revenue to meet those expenditures.

For the five years prior to 1943 revenue has been sufficient to meet the Metropolitan water assessment, debt service and maintenance and operating costs and to provide a surplus. We were also able to reduce water bills $1.00 per year in 1941.

Several years ago the Board decided to build up a surplus to provide for lean years and avoid fluctuating water rates. The wisdom of this course has been shown this year because it was found necessary to dip into our surplus funds to meet the expense of running the Department.

The Metropolitan water assessment was estimated by the Commissioner of Taxation for the Assessors to be $41,142. The actual assessment was $47,629, a difference of $6,487 or 15.8%.

The excess of expenditures over receipts was $4,917, the latter being $3,713 less than in 1942 in spite of the abnormally dry season while expenditures increased $5,003 as a result of the increased water assessment and the adjusted compensation voted in March to all Town employees.

Expenditures for capital improvements amounted to $1,412 which was charged to the maintenance and operating appropriation. None of this type of work has been financed through sale of bonds since 1941 and no bond issue is requested for 1944.

As a result our bonded indebtedness is being reduced materially and our bond expense is diminishing as is shown herewith:

	1939	1940	1941	1942	1943	1944
Bonds issued	$ 30,000	$ 30,000	$ 30,000	None	None	None
Bonds retired	41,000	43,000	45,000	$ 47,000	$ 47,000	$ 45,000
Interest on bonds.......	14,954	13,936	12,896	11,664	10,231	8,836
Bonds outstanding 12/31	438,000	425,000	410,000	363,000	316,000	271,000

At the close of 1944 the bonded indebtedness will have been reduced 34% in the three years, 1942 to 1944 inclusive.

If limitations restricting new construction continue, our bond condition will be considerably improved and we will approach the years after the war, which would seem to carry with them a very active building boom for Milton, in a better position.

Two of our young men have temporarily severed their connections with the Water Department to join the Armed Services:

James H. Morris, with the Department for nineteen years, is now in the United States Marine Corps.

Lewis J. Doherty, an employee for twelve years, is a member of the United States Navy.

Respectfully submitted,

ERNEST E. ERICKSON,
JOHN B. MOORE,
PAUL F. DUDLEY,
Board of Water Commissioners

REPORT OF WATER DEPARTMENT SUPERINTENDENT

Milton, Mass., January 15, 1944.

To the Board of Water Commissioners:

Submitted herewith is a report of Water Department activities for the year ended December 31, 1943.

On the pages following this report are tables outlining the finances of the Department, distribution data and charts classifying receipts and expenditures.

Main Extensions

Wartime regulations have limited quite thoroughly the amount of work ordinarily classified under this heading. Only minor improvements were made during 1943 and it is probable that 1944 will show no more activity although we are ready to resume our program when materials and men are available and demands are made for new installations.

Maintenance and Operating

We have retained a skeleton crew which, because of its size, may have caused delay in making repairs at times but has, on the whole, been adequate for present needs.

All underground valves, in main lines, have been operated and many were repaired. It is planned to inspect all shut-offs on individual service pipes in 1944. This work was started in 1941 in connection with the sidewalk construction program begun that year.

The cleaning and cement-lining of cast iron mains in place in Edge Hill Road and Pleasant Street was continued. The pipes in those streets from Governors Road to Gun Hill Street have now been cleaned and lined.

It is hoped that we will be able to do some of this work regularly each year in order that replacements may be delayed.

Accounts Receivable

Balances outstanding as shown on our records as at December 31, 1943, were:

Sale of Water	$11,061.01
Service Installations	7.29
Sundries	792.43
Liens Added to Tax Bills	996.20
Tax Titles	475.50
Total	$13,332.43

In connection with the above it should be known that our quarterly commitment of water bills has been set ahead one day beginning January 1, 1944. This means that the commitment will be dated on the first day of each quarter rather than the last day. This will have no effect on collections but will show an uncollected balance at the end of the quarter which will be smaller by the amount of the quarterly billing.

Acknowledgment is made of the support and guidance of the Board of Water Commissioners; of the cooperation of other Departments of the Town and of the Water Department employees who have continued to work conscientiously and have shared our responsibilities in the proper operation of the Department.

Respectfully submitted,

WILLIAM P. MELLEY,
Superintendent.

COMPARATIVE FINANCIAL STATEMENT

(cents omitted)

Maintenance and Operating

	1941	1942	1943
We collected from:			
Sale of Water	$113,356	$113,943	$114,131
Service Installations and Jobbing	16,328	8,309	5,375
Hydrant Service	25,970	26,285	26,285
Other Receipts	5,917	5,434	4,467
Total Receipts	$161,571	$153,971	$150,258
We spent for:			
Non-Controllable Expenses–			
Cost of Water (Metropolitan Assessment)	$ 47,204	$ 45.797	$ 47,629

REPORT OF
SPONSOR'S AGENT and LOCAL TOWN MANAGER WORKS PROGRESS ADMINISTRATION

Milton, Mass., January 6, 1944.

To the Citizens of Milton:

I submit herewith a report of the activities of the Works Progress Administration.

From January 1st through April 30th, at which time the Government Relief Program was discontinued, a minimum number of unemployed were carried on the rolls in order to complete unfinished Projects. $1,365.55 of the unexpended balance on January 1, 1943, of $11,968.95 was used to complete these unfinished Projects, thus leaving a balance on January 1, 1944, of $10,603.40. The Government expenditure for labor during these four months was approximately $4,024.00.

There was no 1943 Appropriation to this account.

The various work programs carried on by the Government during the ten years of depression proved to be more beneficial to those needing aid than any other form of relief and at the same time the Town gained materially from the type of work done. Most of those employed at one time or another on any one of the various Projects have found employment in essential war work.

In conclusion, permit me to express my appreciation to Department heads and all those who in any way aided in the successful operation of the Government Relief Program during the past ten years.

Respectfully submitted,

DANIEL E. DUGGAN,
Sponsor's Agent and Local Town Manager.

REPORT OF THE BOARD OF RETIREMENT

Milton, Mass., January 21, 1944.

To the Honorable Board of Selectmen:

Submitted herewith is the report of the Board of Retirement activities for the year ending December 31, 1943.

No unusual problems were brought before the Board last year.

Chapter 708 of the Acts of 1941 as amended by Chapter 419 of the Acts of 1943 provides that:

Section I. "Any person who, on or after January first, nineteen hundred and forty, shall have tendered his resignation from an office or position in the service of the commonwealth, or any political subdivision thereof or otherwise terminated such service, for the purpose of serving in the military or naval forces of the United States, . . . shall be deemed to be . . . on leave of absence; and no such person shall be deemed to have resigned from his office in the service of the commonwealth, or any political subdivision thereof, or to have terminated such service, until the expiration of one year from the termination of said military or naval service by him . . . ".

Section 9, 9A. "Any person referred to in section one shall, when reinstated or re-employed in his former position or in a similar position as provided by this act, have credited to him as creditable service . . . the period of said military or naval service. If such person remained a member of any contributory retirement system . . . the commonwealth or political subdivision thereof, . . . shall appropriate . . . sums equal to not less than one-half the amount which would have been paid by members on military leave of absence . . . had they remained in the service of the commonwealth or of a political subdivision thereof during the preceeding budgetory period. Sums so appropriated by the commonwealth and the several political subdivisions thereof shall be paid into their respective retirement systems and shall be invested and re-invested by the retirement board as a special fund (to be used only for carrying out the purposes of said Section 9). . . . provided that any sum so paid by the commonwealth or any political subdivision thereof shall be used only to provide an increased retirement allowance of the person on whose account such payment is made, and in case of his later separation from the service otherwise than by retirement the said sum, together with interest thereon, shall be used to reduce the next ensuing appropriation for the payment of pensions."

At the close of 1943 this law is protecting the interests of fifteen members of the retirement system who are now in the armed services.

During 1943 ten new employees became members of the system, nine in Group I and one in Group II. Nine members left the employ of the town and withdrew from the system. One member was retired for superannuation. The net membership remains the same as at the beginning of the year.

Group I includes all system members except firemen and policemen who are classified in Group II.

MEMBERSHIP

Group I

Membership, January 1, 1943	121		
Enrolled during 1943	9

FINANCIAL STATEMENTS

REPORT OF TOWN ACCOUNTANT

Milton, Mass., January 18, 1944.

To the Honorable Board of Selectmen:

I herewith submit the report of the Town Accountant for the year ending December 31, 1943, arranged as follows:

1. Detailed accounts of all moneys received by the town as classified in accordance with the requirements of the Division of Accounts of the State.
2. Details of all departmental accounts showing the appropriations, credits, expenditures and balances. The expenditures are classified in accordance with the requirements of the Division of Accounts.
3. Balance sheet as of December 31, 1943, showing debit and credit balances on all open ledger accounts.

All original bills and vouchers on which moneys have been paid from the treasury for the year ending December 31, 1943, and all Trust Funds in the custody of the Town Treasurer, Wadsworth Fund Trustees, and Library Trustees have during the year been examined and found to be correct.

Respectfully submitted,

FRED N. KRIM,
Town Accountant.

REPORT OF LINCOLN BRYANT, SAMUEL H. WOLCOTT AND THEODORE T. WHITNEY, JR. TRUSTEES OF THE WADSWORTH FUND

Milton, Mass., December 31, 1943.

Pursuant to the decree of the Supreme Court which we refer to more at length later, the securities in the Wadsworth Fund and the cash on hand have been turned over to the Milton Hospital and Convalescent Home, and the accounts of the trust closed. It is hoped that within a reasonably short time the funds may be put to active use by the erection of a new hospital building. The corporation has agreed to meet the expenses of the operation of the hospital.

It seems appropriate at this time to refer briefly to the life and activities of the original donor of the fund, Edwin Dexter Wadsworth. Mr. Wadsworth was a life-long resident of Milton. He lived on the Wadsworth estate on Highland Street. This estate has been the residence of the Wadsworth family since it was purchased prior to 1676 by Samuel Wadsworth from whom Edwin Dexter Wadsworth was the sixth in direct descent.

"The Wadsworth Family in America," edited by Horace Andrew Wadsworth and published in 1883, gives the following information as to Mr. Wadsworth:

> "Edwin Dexter Wadsworth[8] Thomas Thatcher[7] Benjamin[6] John[5] Benjamin[4] John[3] Samuel[2] Christopher[1]; sea captain; Milton, Mass.; born 1832; married Ellen M. Emerson 1862. Capt. Wadsworth whose portrait is in this volume was liberally educated in the schools and academy of his native town; was one of the gold seekers in California in 1849, after which he followed the sea, and was master of ships in California and China trade; also in steamship service in China and on our own coast; was chief officer of the first American merchant ship to Japan. He was engaged in transport service during the rebellion. Since retiring from the sea he has resided on the old Wadsworth homestead in Milton, originally owned by Capt. Samuel Wadsworth who was killed at Sudbury in 1676, while fighting Indians. The property has remained in the family ever since. He has held nearly all the public offices within the gift of the citizens of his town."

Edwin D. Wadsworth died on February 21, 1901. By his will he established a trust for the residue of his estate to make provision for his wife Ellen M. Wadsworth during her life and for his children Annie M. Wadsworth and Dexter E. Wadsworth, and further provided that if upon the death of his wife neither of his children nor any issue should be living, the trust property should be conveyed to the Town of Milton "for the purpose of establishing and maintaining a Public Hospital within said town, to be under such regulations and board of management as said town may from time to time adopt and establish."

The failure of issue having occurred, the trustee on December 20, 1915, turned over to J. Porter Holmes, then treasurer of the town, the residue of the estate, consisting of real and personal property to the value of $61,766.63. At the annual meeting held March 4, 1916, the town accepted the gift and directed the selectmen and the town treasurer to prepare and report to the town a plan for the management and control of the property. In compliance with this vote, the committee prepared and introduced into the Legislature a bill which subsequently became Chapter 305 of the Special Acts of 1917. The town accepted this act at the annual meeting on March 9, 1918, and at the same meeting elected a board of trustees consisting of Messrs. George Wigglesworth, H. Clifford Gallagher and Lincoln Bryant. Mr. Gallagher retired in 1929 and Mr. Samuel H. Wolcott was elected in his place. In 1930 upon Mr. Wigglesworth's death Mr. Theodore T. Whitney, Jr., was chosen in his place. There have been no other changes in the board.

In the fall of 1930 the subject of the transfer of the Wadsworth Fund came under discussion between the Wadsworth Trustees and the officers of the Milton Hospital and Convalescent Home and others interested. The fund then had a book value of $133,868.78. A plan was worked out for submission to the Town Meeting of March, 1931. The plan involved the submission to the Supreme Judicial Court of the question of application of the fund cy pres. The plan contemplated raising $75,000 by public subscription. The town meeting approved the plan but required further submission to the town meeting after the plan was in final form. Later it appeared both to the Hospital Trustees and to the board that owing to financial conditions it was not an opportune time to attempt to raise the substantial amount necessary to consummate the plan. The matter was dropped for the time being.

In 1939 the project was renewed for applying the Wadsworth Fund cy pres by transferring the fund to the Milton Hospital and Convalescent Home for the erection of a hospital building. The town at the meeting of March, 1939, authorized proceedings to be brought in the Supreme Judicial Court for this purpose. A bill in equity was prepared and filed. The case was tried and reached the full bench of the Supreme Judicial Court in May, 1940. In August, 1943, a decision was handed down providing in substance for the transfer and application of the fund as prayed for, provided that the Hospital Corporation would agree to supply further funds, if needed, for the construction of a forty bed hospital, and would undertake the expense of maintenance of the hospital. The court recognized present conditions by providing that the building should be erected "within a reasonable time after the abnormal building conditions occasioned by the present war, have been sufficiently modified to make such construction feasible and advisable." Upon the filing of such agreement in court the town was directed after payment of counsel fees and other expenses to turn over the fund to the Hospital trustees. The agreement was filed and transfer made accordingly. The account is as follows:

William B. Weston Bequest

The $6,000 Hospital Fund left with the Massachusetts Hospital Life Insurance Company, with accrued interest to December 31, 1943, now amounts to $17,231.85, income for the year having been $337.88.

The $15,000 Poor Fund left with Francis C. Welch, Trustee, is held in the Weston Estate, the Boston Safe Deposit & Trust Company now being Trustee. Copy of the Will is in the custody of the Town Treasurer.

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held December 31, 1943 .... $183,361.25

This Fund is held by the Town Treasurer in accordance with Chapter 82, Sections 15-18, of the Public Statutes.

Mary L. Peabody Fund

Amount held December 31, 1943 .... $5157.50

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, $5,000 to be invested and the income thereof to be distributed annually to the poor at Christmas."

E. T. L. Reed Park Fund

Amount held December 31, 1943 .... $9,200.65

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All the rest, residue and remainder of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

. . . .

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said town as a fund to be known as the 'Jason Reed Fund,' and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said town, in such manner as said authorities may deem advisable.

"I make the foregoing bequests in favor of.............., the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of said town, and of my own profound desire for the welfare of said town and of the citizens thereof."

Jason Reed Fund

Amount held December 31, 1943 .... $2,626.67

Sarah G. Vose Fund

Amount held December 31, 1943 .... $1,170.63

Tuell & Hallowell Good Citizenship Prize Fund

Amount held December 31, 1943	$1,214.04

EXCERPT FROM SCHOOL COMMITTEE RECORDS—SEPTEMBER 10, 1923

The Chairman presented to the Committee the following correspondence:

"To the School Committee of the Town of Milton:

"The Tuell Alumni Association herewith presents, through your Board, to the Town of Milton, the sum of One Thousand Dollars ($1,000) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown in the highest degree, those qualities that make for good citizenship; the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School, who, in the opinion of the above said faculty has shown similar qualities.

"The prizes are to be awarded each year at the graduation exercises. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year."

PERCY E. SHELDON,
President, Tuell Alumni Association

June 22, 1923.

Nathaniel T. Kidder Fund

The following is an extract from the will of Nathaniel Thayer Kidder.
Eighteenth:

"I give and bequeath to the State Street Trust Company . . . the sum of twenty-five thousand dollars ($25,000), in Trust . . . the income only of which shall be paid at such times as the Trustee may from time to time determine, to said Town of Milton for the uses of the Milton Public Library system as the Trustees thereof for the time being may in their absolute discretion determine."

*Leave of absence.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of the Town of Milton:

The School Committee herewith submits its report for the year 1943.

The School Committee again wishes to record its appreciation of the co-operation and interest manifested by the citizens of Milton, the Parent Teacher Associations, the Police Department, and above all, the entire personnel of the Milton schools, who by their devotion to the ideals of education have maintained the excellent educational standard of the Milton school system throughout another year of war.

Military Service of Captain Fulton

On June 15, 1943 Mr. Roland S. Fulton, after eight years of constructive service on the School Committee, resigned to enter into active duty with the United States Army Engineers.

Mr. Benjamin R. Alexander was appointed by the Selectmen a military substitute in accordance with Section 11, Chapter 708 of the Acts of 1941, as amended by Section 4, Chapter 548 of the Acts of 1943.

Curriculum

During the past year there have been many adjustments and additions to the curriculum. Many of these were requested by the Army and Navy and were fostered by the United States Department of Education and the Massachusetts Department of Education namely; Pre-Induction Courses in mathematics, physics, and science, fundamentals of machines and automotive mechanics, aeronautics, and fundamentals of electricity. Your attention is particularly called to the detailed report of these subjects by the High School Principal.

Granting Diplomas to Young Men Entering Military Service

The School Committee has accepted a program for secondary school credit for educational experience in military service as proposed by the National Association of Secondary School Principals and the American Council of Education. This program is endorsed by the New England Association of Colleges and Secondary Schools, and the Massachusetts Department of Education.

The program provides that if a young man with a satisfactory academic record leaves school to enter military service, he may receive credit toward graduation for basic training and study while in service.

Appropriation for 1944

The School Committee has, after careful and extended consideration of the estimated cost of schools for the year 1944, recommended the sum of $388,376. This is $1,290 less than the budget for 1942 and only $396 more than that for 1943. This sum actually represents a greater saving than these figures indicate because of the greatly increased cost of supplies, fuel, and the maintenance of plant. This small increase of $396 in a budget of $388,376 is possible only because several higher salaried employees who resigned or entered the armed forces were replaced by those at a smaller salary. Two men teachers were not replaced.

This year for the first time since 1928, when representative town meeting government was accepted in Milton, the School Committee has operated with a non-segregated or "lump-sum" budget. In this second year of war with all its problems and increased costs the School Committee was able to maintain the present standard of the school system and revert to the town $12,396. This amount with the State reimbursements to the Town Treasurer during the year of $26,227 amounts to $38,623, which the Town of Milton receives back from its schools. This amount of $38,623, if appropriated at town meeting, would represent approximately one dollar in the tax rate.

Adjusted Compensation

The School Committee is recommending an adjusted compensation of fifteen per cent with a minimum of $250 and a maximum of $350 to all school employees to cover part of the increased cost of living, but with the further request that the School Department be accorded the same consideration as the rest of the town. The School Committee recommends this adjustment notwithstanding the fact that the cost of living index for Massachusetts, as reported by the Department of Labor and Industries, Division on the Necessaries of Life, shows an increase of 22.1 per cent.

Gifts

The School Committee acknowledges with appreciation receipt of the following gifts;

High School

$102.74 for High School Band—Class of 1943.

Mary A. Cunningham Junior High School

$100—Public Health Committee of Milton Woman's Club.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Milton School Committee:

The year 1943, the second of the war period, was marked by economic and social conditions which, if not unprecedented, were felt on a far greater scale than in any previous year. That these conditions should influence public school education was to be expected and were anticipated in planning all school programs and activities so far as reliable information permitted.

The whole personnel of the school system without undue publicity have met their responsibilities in the war effort. Eight teachers, the school physician and the school nurse have entered military service. One of these, Joseph E. Cutler, gave his life. Others wanted to enlist, but were convinced that their services were of greater value to the country as school teachers for which they were qualified by long training and experience. "There is nothing more patriotic than keeping the schools functioning as efficiently as possible under war conditions."

The general scarcity of well qualified teachers has made it difficult to secure substitutes promptly for those who are absent for either a short or long period. Principals have met these emergencies by exercising careful judgment in adjusting school activities for the best interests of their pupils. The number of vacancies to be filled permanently by regular teachers has been little more than in normal years.

Again this year as previously the rationing programs were handled effectively with the least interruption of regular school activities and a minimum of inconvenience to the townspeople who were served by teachers and other school personnel with volunteer helpers. The distribution of War Book Two was done during the usual winter vacation with no loss of school time; that of War Book Four in October when schools were closed for only two days.

Curriculum changes introduced last year for the immediate benefit of those soon to enter military service have been carried on successfully with satisfactory enrollment in the classes and active interest on the part of pupils. It is to be noted here that this has been accomplished although two men teachers on military leave have not been replaced by substitutes. These courses are treated more fully in the Principal's report.

Many of the problems related to organization of the schools and planning the school budget grow out of, or are closely connected with, the changing school population. The recent downward tendency in the total school enrollment, therefore, is worthy of study at this time. I am presenting with this report a chart which shows the trend over a period of fifteen years ending in 1943 of the town population, the average membership in the public schools, and the number of persons five to sixteen years of age.

In 1933 there were 18.2 per cent of the town population in the public schools; in 1943 there were 14.7 per cent. In 1933 there were 12.9 per cent of the town population in the age group of five to sixteen; in 1943 there were 13.2 per cent. From this it appears that there was a loss of 3.5 per cent in comparative growth between the number of pupils in the public schools and the town population, while the number of persons in the five to sixteen age group remained fairly constant at 13 per cent of the town population. Apparently this indicates that there is no decrease in the birth rate.

There are several probable causes, however, for the loss in public school enrollment. In the first place the year 1933 and those immediately following were featured by

general unemployment. Pupils sixteen years of age or over, who were free to leave school, were unable to find gainful employment at that time and remained in school. In the past five years this condition has changed to the opposite extreme and the public schools have felt the effect with increasing force. High wages are offered and other pressures are brought to bear to draw boys and girls from school to work. In the second place with greater financial income, some parents who feel that their children may receive an education better suited to their needs have directed them into private schools. In the third place, boys seventeen years of age or over are leaving school for military service. Lastly, the rapidly decreasing death rate, due to advances in medicine and more healthful living, accelerates the increase in the adult population of the town more than in the school age group.

Some of these causes are temporary. There will be an upward trend in public school enrollment in the post-war period.

In contrast to conditions at the other schools, the accommodations at the Vose School at the center of the town are wholly inadequate. In that school there has been a steady annual increase from 237 pupils in 1936 to 383 in 1943. Following my report of the need for more classroom space in 1941, two rooms were made available for use in September 1942. These were filled immediately. By re-organizing classes, with temporary suspension of the opportunity class, the school is continuing for the present school year. The capacity, however, is not sufficient to accommodate the number of pupils to be registered there next September. The expediency of adding more classrooms, were that possible under present restrictions of labor and building materials, will not meet the need. The lunchroom is now managed in two lunch shifts, and other general facilities are inadequate. I believe the solution of the problem will involve a change in school time to conform to the time schedule of all other elementary schools in the town, and re-routing of school bus transportation to the Tucker School.

The basic program of general education has continued to function as a steadying influence in the lives of the several thousand children and youth in Milton who meet their teachers and schoolmates daily under conditions that provide for their healthful mental and physical development. It has been said authoritatively that children understand with their feelings rather than with their minds. The full significance of this is felt in these war days when through the improved means of communication—radio, press, and screen—numerous distracting influences are making their impact upon the emotions of school children. It is at this time that the influence of collected, well-qualified teachers serves as the highest patriotism to their country and to the town.

With full appreciation I commend the principals, teachers, and supervisors who are in immediate touch with the children and youth in the schools particularly for their cheerful co-operation which has made possible the progress which has been achieved this year and gives promise for the future, and for their loyalty to their responsibilities at all times.

I take this opportunity to thank your Committee for the support you have given me in my efforts to administer the schools of Milton for the highest educational interests of her children and youth.

I call to your attention and study the reports of principals and other school officers which follow, and the statistics which appear in the appendix of this report.

Respectfully submitted,

HORACE F. TURNER,
Superintendent of Schools.

January 13, 1944.

REPORT OF THE PRINCIPAL OF THE HIGH AND CENTRAL JUNIOR HIGH SCHOOLS

My dear Mr. Turner:

An enrollment plateau has apparently been reached in the six grades of this building. Altho this condition was anticipated several years ago, the unusual stress and strain on young people during this abnormal period has added momentum to a trend which had already gained some impetus as a result of natural causes. Even tho the retention of pupils in Milton High School is much higher than in adjoining communities or in the country at large, in the course of a twelve month period there is a noticeable seepage. Four causes may be ascribed as important factors.

The elementary schools and transfers of new families from other communities are not contributing as many pupils as formerly. There are fewer children in the average family.

A few boys enlist prior to graduation, or they are taken by the selective service. Unless these boys are seniors or have nearly completed the high school work, their withdrawal attracts little attention.

Thirdly, there is a growing group who impatiently await release from compulsory school attendance. They are keen for immediate full-time employment with a weekly pay envelope. They have had a taste of money earning. Altho these pupils leave school to fill dead end or relatively unimportant jobs vacated by those entering war industries, their withdrawal from school is not entirely a loss. Most of them are experiencing academic difficulties. They are not benefiting from the offerings of public education at the high school level. Their interest is elsewhere. They are unwilling to wait years for dividend accrual. Business opportunities and connections provide immediate attractions and irresistible pressures.

The fourth and least effective cause is the lure of the independent school. Private schools are enjoying a banner year in enrollment. Such a situation is one of the resultants of a big national income. The glamour and exclusiveness of private education is alluring. It is not an unworthy tendency. It reflects the innate desire to be free of public support. It seems undemocratic; yet it is typically American. As soon as our personal finances warrant, we secure private rooms, private homes, private telephones, private clubs, and what not. To try to be somewhat exclusive is a common American trait. For our children we want the best that money will buy—not what the public is willing to provide.

TEACHING CORPS

War directives have been shattering the staff of the Central Junior High School. Four men teachers have been granted leaves of absence while they are in the armed services. The two who withdrew during the past school year were never replaced. This retrenchment was made possible by a shrinking enrollment and by the fact that shop or prevocational men assumed the brunt of the pre-induction work which entailed exceptionally heavy class work. It is important that the number of men teachers with whom junior high school boys come in contact should not diminish. It is even more important that the quality of new or substitute teachers be of a high order. Weak, inefficient, inexperienced teachers, or people unqualified for a particular post are only a detriment to a school. It is better to try to carry on with a small corps of teachers.

Before the loss of these four men teachers several superb mature teachers were lost because of marriage, permanent sickness and death.

It is of vital importance that the new teachers who come into the school be of great promise. Superior teaching ability, enthusiasm for the full-time job, and radiant personality should be given much consideration. Superlative merit should be a must qualification before any teacher is assigned a regular job commitment. Because Milton offers many attractive conditions, many teachers stay a long while. Mediocre candidates must not be permitted to filter in.

SELECTIVE SERVICE

The regulation and operation of the national selective service laws touches the school in isolated instances. As a result of preschool mental examinations and opportunity or rapid advancement classes in the elementary schools, pupils who graduate from Milton High School are younger than those in most high schools. A senior who begins the last half of his academic year prior to his call by the local selective service board can by national mandate be deferred until the end of the school year upon a written request by the selectee. The extreme youth of most Milton High School boys has enabled them to complete their full formal high school education.

A-12 AND V-12 TESTS

Last April an army and navy test for civilians was offered in the school. Nearly one hundred took the test. More than seventy-five of these were seniors. Nearly every eligible senior took the test after encouragement from the school authorities. Ineligibles were pupils who were already affiliated with a service reserve corps or were too young. A surprising number of these boys successfully passed the mental test. Those chosen by the navy were sent directly to college to continue specified mental training. The army chose to submit its successful examinees to a rigorous basic training prior to stationing in college academic halls. The college preparatory boys were uniformly successful on the examination. This must not be interpreted as meaning that the college course preparation is better preparation for life or for the armed services. The test was prepared and administered by the College Entrance Examination Board authorities. It was based on knowledge and ability in mathematics, physics, and English or verbal understanding. It was designed to sift out en masse those who were qualified by training, background, and innate ability to profit from continued education in college. One would expect those who had spent four years preparing for college and then were tested on the subjects of their preparation to excel pupils who had aimed at other objectives. Some boys, however, in both the general and commercial courses were able to establish their mental worth. The examination was not offered in Milton High School in November because no seniors were eligible. It is expected that the examination will be offered again in May. Seniors will be encouraged to accept the opportunity to have the armed services sift out each pupil's probable use for advanced, collegiate training in connection with the present mortal combat.

AERONAUTICS

During the school year which closed last June a concerted effort was made to orient every pupil in the school to the new ideas, concepts, and problems which emanate from the air age. In a wholesale manner an attempt was made to "air condition" the minds of the student body. I believe the objective was attained. The year of experience has filtered the material adapted to the various courses. The stimulated interest has been maintained. Much of the material has now become routine. The formal course in aeronautics, which is now in its second year, has attracted more than one half of the boys of the senior class. This year girls have been permitted to elect it. This course is a significant example of natural motivation. Pupils consider that it meets the needs of their own age. Graduates of last June have already reported the unusual value of their background in aviation thinking.

AUTOMOTIVE MECHANICS AND MACHINES

Since the last annual report two specific pre-induction courses have begun to operate. During the latter part of last year a course in automotive mechanics for seniors and a course in elements of machines and electricity for juniors were started. They immediately attracted big registrations.

On a full year basis the junior course has now more than fifty enrollees. There are thirty-five in automotive mechanics. These subjects are offered on a bedrock practical basis. Altho college preparatory pupils are not encouraged to take them since they must be added to the normal load, nearly every senior tries to carry one or more pre-war or pre-induction course.

SCIENCE

During the current school year the course in occupations in grade seven, which has been a constant or compulsory subject for all pupils for nearly two decades, was replaced by science. This change was in accord with modern junior high school procedure and also was a tacit acknowledgment that basic scientific knowledge is growing in importance.

Science is now taught as a constant in all three grades of the junior high school. In grade seven the emphasis is upon nature, the evolving world in which the pupil may daily discern manifold evidences of systematic life and development. In grade eight attention is focused on the human body, its health and hygiene. Grade nine is concerned primarily with elementary mechanical or electrical data and with common scientific knowledge related to inorganic matter and energy. In grades ten, eleven, and twelve biology, chemistry, and physics are offered respectively as electives. It is significant that altho the new wartime courses, aeronautics, auto-mechanics, machines, and electricity, are practical scientific subjects and have been elected by one hundred and forty juniors and seniors, there has been no noticeable diminution in the pursuit of the regular scientific subjects.

In the senior year a course in health and hygiene is offered again. This is a much more intensive course than the one given four years earlier. It is not confined to the health of the individual but is also concerned with hygiene and sanitation as a community problem. In pupil class hours, science study is second only to English.

COURSE OF STUDY CHANGES

During the current school year art appreciation has replaced freehand drawing as a required subject for all pupils in grade seven.

In grade nine shop mathematics has been introduced as an integral part of the general course.

In grade ten there has been an extremely heavy election of algebra by boys who are primarily interested in the general course or mechanical work. In geography, polar projection is gaining a place along with Mercator maps. Global geography is keeping pace with the global war.

There is less tendency to specialize on one hemisphere or on one continent. The campaign of the month and the news of the day are used as springboards.

History courses are broader. International relations and foreign problems are discussed more extensively. The interdependence of nations, race integration, and the modification of government and society due to experience and contact with other types are open subjects for deliberation.

Social studies and commercial subjects are infused with discussions of man-power, strikes, inflation, rationing, distribution, security, production, and minority rights. These are boon times for social studies teachers. There is a real opportunity to allay national anxiety and unrest. The nation is even ready to have panaceas be given full consideration.

Literature is becoming modernized. It is frequently interpreted as an escape from the constant pressure of war demands. The young do not respond to war hysteria as tragically as older people. However, school years are the formative, impressionable years. The young need an escape foxhole as well as adults.

Physical education is less play. It is more grim. It centers more on the hardening and development of big muscles. I think it should be even more stern than it is now. However, the schools can approach only as closely to physical fitness ideals as local parental pressure permits. Most mothers want their boys pampered. They want them treated as young boys while they are boys. Moreover, care must be exercised not to overtax the heart and other vital organs before maturity has been attained. In general, the more strenuous the exercise and the more often it is employed, the greater the physical development. It is also usually true the more strenuous the exercise, the more hazardous it proves to be. Occasionally the spectre of military training in public schools lifts its horny head. It is no substitute for physical development. Physical development and growth can only be stimulated and guided during the growing period. Time—much time is needed for this type of education. It must be scattered thru the years. Suitable military training can only be given to young people who have developed sound bodies. Elaborate equipment is needed. The entire energy and time of the recipient are required. A concentrated program of military activity is recognized as the most effective procedure. Military training in public schools with boys is folderol.

During the past year sports programs and schedules were curtailed and revamped in accordance with war directives, manpower shortages, transportation difficulties, and dim-out regulations. At one time it appeared that varsity games might disappear from high school. At the present time the trend is toward normal varsity teams with less interscholastic competition by younger boys. All other interschool activities have bowed to the exigencies of total war.

TOLERANCE

One year sufficed to get in motion a wholesale surge towards airmindedness. The intrinsic value of the content of this education will determine whether or not it will permanently loom high in regular school activity and thinking. During the current school year all teachers have been asked to give special attention to logical approaches of controversial issues. They have been urged to teach balance and tolerance.

The evidences of history are clear and unmistakable. War breaks down moral standards, personal and private. The implements of forward social progress and material achievement stimulated by war do not improve conditions of living. Youths, as well as adults, live at an increased tempo. In the stress and strain of accelerated training programs, supplementary jobs after school, fabulous wages due to an inordinate labor demand, and many other artificial forces, warped viewpoints are easily ingrained.

Pupils mirror life outside of school. In times of stress scapegoats are invariably sought upon whom public indignation can be vented. Usually attention is thereby diverted from very worthy causes. The duration and aftermath years of a war have been especially productive of racial animosities. With this knowledge in mind all teachers have been directed to foster counteracting agencies in all their activities with the pupils. Education takes time. Time is an essential part of the price. On a day to day basis educational growth is barely perceptible. Intolerance is an acute American problem. It should not be ignored in secondary schools. Tolerance should be taught by all teachers in all activities.

Some schools have incorporated into the curriculum formal courses in morale building; others have tried specific classes in human understanding. Broadmindedness can be better caught than taught. If teachers exemplify its principles, much can be accomplished.

CAFETERIA

The life of the school lunchroom extends back more than a quarter century. A school cafeteria is more than a stopgap eating place. It provides an opportunity for relaxation. It permits pupils from curricula to mingle freely. It is one place in which hundreds of pupils gather daily at the same hour. The atmosphere of the cafeteria is often a vital factor in determining the spirit and morale of a school. Good and bad waves quickly roll to all parts of the building. All pupils of both schools utilize this facility. All pupils re-act to the conditions under which they meet. In our building the conditions under which they meet are not good. The space is inadequate. Four hundred are frequently jammed into space which only two hundred ought to occupy. Crowding and elbow rubbing evoke amusement at first. Crowding and jamming day after day easily crystallize into jostling, which soon arouses discontent.

It is recommended that as soon as construction conditions permit, the cafeteria be expanded. The open courtyard at the rear of the present facilities is admirably located for such expansion. There is no immediate prospect that the space will be needed for supplementary classrooms. Such expansion would double the pupil seating space. A comfortable place for each pupil thereby would be provided. Possibly longer and fewer lunch sittings could be offered. If the extra space were available it could be used for other school activities at other hours. A big expansion of present accommodations is a very urgent need.

PROBLEMS

The war years intensify old problems which confront schools as well as bring new problems. Perhaps the turn-over of ideas and needs is now so rapid that problems become antiquated before a correct mode of solution is evolved. The current problems worthy of thought include the following:

1. How to keep the school program from being cluttered with activities educationally unnecessary. How to keep the school to its legitimate function.
2. How to ward off local pressure groups. What attitude to apply to the deluge of requests from governmental agencies for changes.
3. What to do with the fourteen to sixteen year old boy who is a chronic truant. Probably he yearns to go to work but is too young.
4. How to handle pupils who have part time jobs which encroach upon the time, energy, and thought that their school program needs. It is not easy to maintain a normal balance between school and job responsibilities.
5. How to control pupils who have adult license and freedom outside of school as a result of parental absence.
6. How to combat the unwarranted assurance and worldlywise attitude which so quickly follow the payment of adult wages to callow youth.
7. How to inculcate a deep-seated interest in matters of an educational nature when pure brawn is the present payoff.
8. How to protect education from within. How to adapt the schools to the immediate needs of war and the future needs of peace.
9. How much rigorous self-denial to teach. What personal and school nonwar activities or peacetime luxuries to curtail or discontinue.
10. What constructive response to give to the teacher and pupil queries, "What can I do to help?"
11. How to crystallize thought relative to new subjects, new aims, and new modes of procedure. Every teacher has been jarred by the impact of this war. Nearly every pupil has the war in the foreground of his thinking. Peacetime occupations form a remote background.
12. How much responsibility—if any—to assume for the schools to keep the wheels of industry turning with schoolboy hands.

These burning questions daily confront the school officials. The answer made to them or the attitude taken towards them affects very much the function of the school.

Permit me to thank you and the School Committee for the co-operation and kind assistance rendered towards the administration of the school during the past year.

Respectfully submitted,

GEORGE C. MARSDEN,
Principal.

January 5, 1944.

REPORT OF THE PRINCIPAL OF THE MARY A. CUNNINGHAM JUNIOR HIGH SCHOOL

Dear Mr. Turner;

This is the ninth year that this school has been in operation. It is interesting to note our enrollment figures over these years. For no particular reason I have selected the figures as of December 20th on each year, or the nearest day to December 20th that school was in session.

1935	December 20	368 pupils
1936	December 21	359 pupils
1937	December 20	371 pupils
1938	December 20	370 pupils
1939	December 20	384 pupils
1940	December 21	388 pupils
1941	December 22	362 pupils
1942	December 21	359 pupils
1943	December 17	357 pupils
1944		Estimated 366 pupils

The 1944 estimated figure is derived by totaling the number of pupils now in the sixth grade and likely to come to this building next September. Are we headed for another up-swing in our enrollment? This will most certainly be the case before long due to an increase in families moving into this area as well as an increase in birth rate. The capacity of the building, however, will not be taxed for some time to come for we are capable of handling about 600 pupils.

The usual programs of war-related activities such as the sale of war bonds and stamps, the collection of salvage material, and participation in Junior Red Cross Program have been conducted during the past year. The sale of war bonds and stamps from January 1, 1943 to January 1, 1944, amounted to a few dollars over fifteen thousand dollars.

Within the year we were staggered by the sudden death of one of our former associates, Mr. Joseph E. Cutler, a pilot in the Naval Air Corps. He proved himself while with us, a most cheerful and conscientious worker and above all, a gentleman. As this report is written we note also that two former pupils have lost their lives in the service of their country. It is hard for us to adequately express ourselves concerning these casualties, and we know that as this country assumes the offensive this list will mount. Couldn't we beautify the area immediately in front of our school, where our new flag pole now stands, as a tribute to those who not only have given their lives to their country, but also to those who have offered their lives in all branches of the service? It is from this spot that all Milton men have left for service in the armed forces, when drafted. I feel that the pupils themselves could take over the project and benefit from having participated in this worthwhile endeavor.

It would seem wise to call to mind once more the need of an assembly hall at the Mary A. Cunningham Junior High School.

We are all aware that restrictions of building materials, due to the war, would not permit the completion of this unit at present. However, in my opinion, now is the time to make necessary plans and earmark the necessary funds for this purpose. There is possibly more money available now than there will be later, and it would seem intelligent planning, providing the School Committee and the town agree, that definite plans get under way for the erection of this unit which was omitted in the interest of economy when this building was being constructed.

To those of us who are engaged in running the school the necessity of an assembly hall seems paramount. An auditorium would likewise serve residents in this community, for at present there is no public auditorium in town capable of seating over 690. There have been many times when a definite need for a larger hall has arisen. This need will increase in the immediate future.

In the east section of the town there are three public halls. The Belcher School Auditorium which seats 268, the Cunningham Gymnasium which seats 400, and the Collicot School Auditorium which seats about 500. Due to the shape of this hall, however, about 100 people on each side cannot see the stage without considerable discomfort.

Within the school curriculum, an assembly hall is one of the most important units. Its range runs from a visual education program, to supplement our courses of study, to appreciation of music, art, etc. Here can be given the training early in life of speaking before large groups, perhaps one of the most valuable bits of educational experience offered. An outlet for dramatic talent is provided, as well as demonstrations of specific talents in the field of music. From the standpoint of school morale, or school spirit, an auditorium is the focal point for all such activities that tend to kindle this spirit.

I sincerely hope that ways and means can be found to begin definite plans for a new auditorium at the Mary A. Cunningham Junior High School.

Sincerely,

GEORGE L. CAMPBELL,
Principal.

January 4, 1944

REPORT OF THE SCHOOL PHYSICIAN

Dear Mr. Turner:

I have now completed my first full year as acting school physician. In my report of the school health I find there was a large increase in communicable diseases. There were about eight times as many cases of chicken pox and German measles as in 1942. While these diseases in themselves are not of a serious nature, they entail a considerable loss of school attendance. There was a moderate reduction in measles, and a marked reduction in mumps. Scarlet fever and whooping cough showed a considerable increase, though the total number was not large. Influenza in the last two months of the year added to the large number of school absentees.

On the whole this has been an unfortunate year throughout the state in the way of sickness.

At the beginning of the fall term I started the physical examinations, including the new school employees as well as the pupils. These examinations were finished by Christmas. In this work I had the assistance of Dr. Wilhelmina Van Dyke, who examined the girls in the Junior and Senior High School. We recorded any defects found in the pupils and this information was sent to the parents. Sight and hearing were tested by the school nurse or members of the school staff.

Pre-school examinations for children of the kindergarten age were done in May, as were also the children in the fresh air room at the Collicot School.

Part of my work required the attendance at the Milton High School squad football games. I was present at all, ready to give first aid, and keep an eye on the condition of the players. There was one major injury—a fracture of the lower leg of one of our participants.

I appreciate the courtesy and help extended by Miss Croskery, the school nurse, and the teachers, and am thankful for that association.

Let us hope we will have better health the coming year.

Respectfully submitted,

GEORGE W. WINCHESTER, M.D.,
School Physician.

January 6, 1944

REPORT OF THE SCHOOL NURSE

My dear Mr. Turner:

I would like to express my appreciation for the assistance and co-operation received from you, the principals, teachers and parents, during the past year.

The eye and ear tests throughout the schools were completed in the spring term. The ideal time for retesting those who have less than 20/20 vision or greater hearing loss than 9 sensation units in the audiometer scale, is the first part of the school year. The difficulty can be given medical attention then. The child is better able to do the work required of him. This is not possible, as the nurse is occupied at this time assisting with physical examinations. All the students who wear glasses were asked when their most recent examination had been. Those who had not returned in the period recommended by their physician were asked to do so. Several of these children required changes in lenses and one girl no longer needed her glasses. In the Vose School eleven children were found to have defective vision. They received medical attention. In all but one case it was necessary to get correction.

At the physical examinations of the girls from the seventh grade through the twelfth grade, the responsibility of each student for her own health was pointed out. The numerous dental caries, the unattractiveness of poor posture (in addition to the menace to health) and the nervous manifestations such as nail-biting were discussed. The overweight and underweight girls' eating habits were reviewed. Suggestions and literature were given to help improve them. Dr. Wilhelmina Van Dyke completed the examinations the latter part of October.

Dr. George Winchester examined the boys of the seventh through the twelfth grades. When examining the elementary school children, dental caries were found to rank high in the list of defects. An educational program in this field would find fertile soil. Dr. Winchester observed many of the defects reported to the parents the previous year, had received attention.

There were 128 children who benefited by the school dental program. The lack of the services of a dentist this fall were keenly felt. It was very difficult and in some cases impossible, for these children to receive attention in Boston clinics, as these clinics were already heavily taxed. Local dentists in some instances refused to take new cases.

There were 157 children registered in May for the fall term in kindergarten and first grade. Of these ninety-seven were examined by the school physician with the parent present. The remaining preferred to be seen by their family physician. The findings of those examined at school were as follows:

59—defective teeth
20—pronated feet
10—enlarged or diseased tonsils
11—enlarged glands
3—poor nutrition
3—poor posture

On the school and private physicians' recommendation 95 per cent of the major defects were corrected before the children entered school.

Only seventy-seven children received diphtheria prevention treatment at the school clinics provided by the Board of Health. One of the possible reasons for the difference in the number compared to previous years is that more physicians are giving the protection to children under a year old.

Many more children were recommended for examinations by State Mental Hygiene Clinic. This is an interesting and constructive tendency. When given the opportunity, teachers seek information about the individual child that will give them greater opportunity to understand and help him.

The Norfolk County Chest Clinic did not come to the schools again this year due to personnel shortage. It is hoped that a policy will be adopted whereby the school population will learn "prevention is made up of trifles—but prevention is no trifle" through regular class instruction in preservation of health. It will follow that the young man or woman will seek opportunities for early diagnosis of Tuberculosis. Ultimately the disease will be eliminated.

Talks to home room groups in the junior high schools and to the parents during home visits on elementary school children went a great way toward control of a decidedly unpleasant situation, following the finding of many infected with pediculosis. The parents have agreed to be on the alert in this regard. A periodic examination in school is being made.

During the monthly conferences with the Milton Visiting Nurse and Social Service League and the Welfare Department, an exchange of ideas and information has helped provide health service for all. I am grateful for the assistance.

One important responsibility of the school health department is health education. Mrs. Mary Carr Baker, health educator from Massachusetts Department of Public Health, presented the subject of hygiene, grooming and personality to the Junior and Senior High Schools. An old subject with a new approach, and they enjoyed it.

Another major responsibility at this particular time is the recruitment of student nurses. The Massachusetts State Nurses' Association provided assembly speakers and films for the Junior and Senior High School girls. The subjects and films for the Junior and Senior High School covered requirements for nursing schools and general information of the United States Cadet Nurse Corps.

There were 395 visits made to the elementary and Cunningham schools. The visits were to replenish medical supplies, give first aid treatment, examine classrooms of students for contagion, and follow-up of all health work.

Home visits were made taking ill children home, checking contagion and infection, enlightening the parents as to the function of the school health program and the school clinics.

There are nine children in the Fresh Air Room, the classroom that has its program suited to the physically handicapped child. Each of these children has gained from three to nine pounds. This demonstrates the value of the program. If one needs further justification we can tell of the child in the fourth grade in 1941 who had been ill frequently, appeared frail, and was described by her teacher as one who could not seem to learn. She was recommended and admitted to the Fresh Air Room. After the first year she attended school more regularly than she had ever done before. Today she is on the honor roll and participating in some physical activities that would have taxed all her strength in previous years.

Respectfully submitted,

FRANCES L. CROSKERY,
School Nurse.

January 11, 1944.

REPORT OF THE SCHOOL DENTIST

Dear Mr. Turner:

Following is the report of the work done at the dental clinics from January to June 1943.

Number of amalgam fillings	190
Number of red copper cement fillings	31
Number of cement base fillings	21
Number of cement fillings	21
Number of treatments	110
Number of extractions	49
Number of pupils completed	33
Number of cleanings	3

Respectfully submitted,

HAROLD BERK, D.D.S.,
School Dentist.

January 18, 1944.

REPORTS OF THE SUPERVISORS OF ATTENDANCE

Dear Mr. Turner:

I hereby submit my report as Supervisor of Attendance from January 1, 1943 to June 1, 1943:

Number of calls made	22
Number of cases investigated	21
Total number of absences	21
Absences due to illness	10
Absences due to detention by parent	4
Absences due to truancy	7

Very truly yours,

ETHEL B. WEBSTER,
Supervisor of Attendance.

Dear Mr. Turner:

I hereby submit my report as Supervisor of Attendance from October 15, 1943 to December 31, 1943:

Number of calls made	17
Number of cases investigated	7
Total number of absences	21
Absences due to illness	2
Absence due to detention by parent	1
Absences for want of clothing	2
Absences due to truancy	11
Absences due to other causes	5

Respectfully submitted,

GLADYS LEWIS,
Substitute Supervisor of Attendance.

APPENDIX

SPECIAL REPORTS

AND

STATISTICS

QUOTATIONS FROM RULES AND REGULATIONS OF THE SCHOOL COMMITTEE

1. Admission to Kindergarten and to First Grade.

Section 45. Children who will be five years old before January 1 of the following year may be admitted to the kindergarten during the month of September. Children who will be six years of age before January 1 of the following year may be admitted to the first grade during the month of September. Provided further that children mentally above the age requirement limit may be admitted to school during the first month of the school year, or later, if their residence in Milton began after the beginning of the school year.

2. Tuition Pupils.

Section 69. Tuition fees at the rate of $125 (One Hundred Twenty-five Dollars) per year in the High School, $100 (One Hundred Dollars) per year in the Junior High School, and $75 (Seventy-five Dollars) per year in the elementary schools shall be paid by non-resident pupils to the Town Treasurer at the beginning of each term. Pupils whose term bills have not been paid at the end of the second week, from time the bills have been rendered, shall be required to discontinue their attendance at school.

3. No-School Signal.

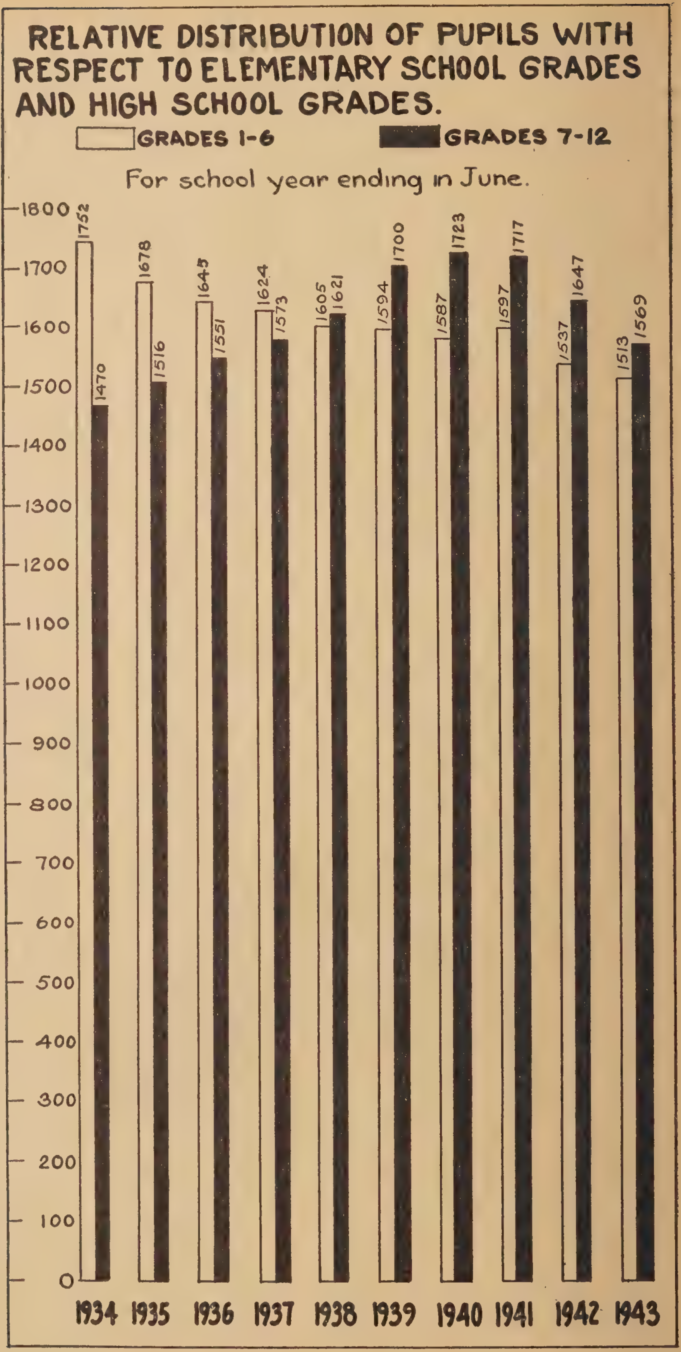
Section 61. The signal 2-2 sounded four times on the fire alarm at:

7:15 means no school sessions for all schools for entire day.
7:30 means no school sessions for all schools below the Junior High School for the entire day.
11:40 means no afternoon session for schools below the Junior High. This signal will not be sounded if the 7:15 or the 7:30 signal has been sounded. The session at the Vose School will not be affected by this signal.

The 7:15 signal will rarely be sounded, as it includes the closing of the High and Junior High Schools.

Through courtesy of Radio Stations WNAC and WEEI the no-school signal will be announced at 7:30, 7:45, or 8:00 o'clock in the morning.

The widely varying conditions in the several parts of Milton make it difficult to reach decisions equally fair to all interests. Parents are, therefore, expected to exercise discretion in regard to their own children.



RELATIVE DISTRIBUTION OF PUPILS WITH RESPECT TO ELEMENTARY SCHOOL GRADES AND HIGH SCHOOL GRADES.

For school year ending in June.

ENROLLMENT AND ATTENDANCE FOR THE SCHOOL YEAR ENDING JUNE, 1943

94	Forest Street, Quincy Line.	
95	Randolph Avenue, Quincy Line.	
96	Randolph Avenue and Highland Street.	

*Special Signals.

Directions for Sounding an Alarm

Open outside door of Fire Alarm Box, then pull the hook down ONCE and let go. Remain at Box until arrival of Firemen and direct them to the Fire.

Signals

1 One blow, 7:30 a.m., 12 m., 5:45 p.m. Fire Alarm Tests.
1-1 Two blows, Recall.
1-1-1 Three blows followed by four rounds of box number, general alarm.

Signal for No School

The signal 2-2 sounded four times on the fire alarm at

7:15 o'clock means no school sessions for all schools for entire day.

7:30 o'clock means no sessions for all schools below the Junior High School for the entire day.

11:40 o'clock means no afternoon session for all schools below the Junior High School—this signal will not be sounded if the 7:15 signal has been sounded.

The 7:15 signal will rarely be sounded as it includes the closing of the High and Junior High Schools.

If the 7:15 signal is given, the 7:30 signal will be unnecessary.

JAMES F. HANNA, Chief of Department.

Emergency call for Fire Department should be "Milton Fire Department—Emergency"

PRECINCT OFFICERS APPOINTED BY THE SELECTMEN

Under Provisions of Chapter 149 of the Acts of 1928

Precinct 1

Roy W. Lincoln	28 Blue Hill Avenue	R	Warden
Harold V. Burt	151 Blue Hill Avenue	R	Deputy Warden
Henry A. Donovan	91 Brook Road	D	Clerk
Charles R. Quirk	53 Aberdeen Road	D	Deputy Clerk
Lewis A. Sprague	163 Blue Hill Avenue	R	Inspector
Edwin W. Hurd	139 Blue Hills Parkway	R	Inspector
William F. Walsh	21 Tucker Street	D	Dep. Inspector
John J. Donovan	91 Brook Road	D	Dep. Inspector

Precinct 2

Harold L. Fabian	37 Thacher Street	D	Warden
Frank Delaney	28 Dyer Avenue	R	Deputy Warden
Herbert H. Kaler	176 Brook Road	R	Clerk
Winthrop Martin	60 Ridge Road	R	Deputy Clerk
James B. Byrne	134 Thacher Street	D	Inspector
Bayard T. Duke	129 Thacher Street	R	Inspector
Edward P. Chandler	38 Curtis Road	R	Dep. Inspector
Decran J. Gulesian	20 Kahler Avenue	R	Dep. Inspector

Precinct 3

Patrick F. Mahoney	49 Maple Street	D	Warden
T. Francis Fallon	161 Eliot Street	D	Deputy Warden
Percy A. Horne	300 Eliot Street	R	Clerk
Leonard E. Littlefield	69 Adams Street	R	Deputy Clerk
Herman F. Clark	224 Eliot Street	R	Inspector
W. Russell Pierce	14 Rock View Road	R	Inspector
Francis J. Ward	85 Adams Street	D	Dep. Inspector
Horace J. Lawrence	13 School Street	D	Dep. Inspector

Precinct 4

Joseph M. Foley	359 Thacher Street	R	Warden
C. Herman Olander	227 Thacher Street	R	Deputy Warden
Lawrence F. Sullivan	11 Houston Avenue	D	Clerk
John H. Burt	16 Winthrop Street	R	Deputy Clerk
Benjamin B. B. Coleman	360 Thacher Street	R	Inspector
Joseph M. Smythe	17 Revere Street	R	Inspector
Louis R. Sorgi	258 Blue Hills Parkway	D	Dep. Inspector
Robert J. Shaughnessy	26 Houston Avenue	D	Dep. Inspector

Precinct 5

Frederick W. Kurth	15 Wildwood Road	R	Warden
M. Lyman Boyer	324 Randolph Avenue	R	Deputy Warden
John J. Monohan	98 Pleasant Street	D	Clerk
William F. Cohan	16 Clifton Road	D	Deputy Clerk
Nathan L. Pond	212 Centre Street	R	Inspector
Alfred L. Mullen	36 Pleasant Street	R	Inspector
J. Robert Byrnes	70 Lodge Street	D	Dep. Inspector
Edward H. Downey	503 Brook Road	D	Dep. Inspector

Precinct 6

Edward J. Hoar	15 Garden Street	D	Warden
Frank G. Wade	75 Reservation Road	D	Deputy Warden
Reuben Standeven	346 Pleasant Street	R	Clerk
Herbert H. Miller	365 Pleasant Street	R	Deputy Clerk
Stephen F. Sullivan	33 Hazel Street	D	Inspector
Emil B. Trochsler	307 Edge Hill Road	R	Inspector
Cecil L. Kaye	584 Pleasant Street	R	Dep. Inspector
Alfred C. Swan	10 Brae Burn Road	R	Dep. Inspector

Precinct 7

George H. Moodie	559 Adams Street	R	Warden
Henry A. McCurdy	12 Bunton Street	R	Deputy Warden
Maurice Murphy	34 Cedar Terrace	D	Clerk
Prescott Skinner	23 Mechanic Street	R	Deputy Clerk
Charles F. Thompson	10 Brackett Street	R	Inspector
George E. Johnson	162 Church Street	R	Inspector
James S. Gallagher	78 Granite Place	D	Dep. Inspector
Thomas W. McCormack	48 Collamore Street	D	Dep. Inspector

GENERAL BYLAWS

Town of Milton, March 10, 1934

AS AMENDED

CHAPTER 1

General Provisions

SECTION 1. The bylaws of the Town adopted March 2, 1902, may be designated as heretofore, as the "Revised Bylaws," but said revised bylaws as heretofore or at this meeting amended may be designated as the General Bylaws.

SECTION 2. So far as the provisions of these bylaws are the same in effect as those of previously existing bylaws, they shall be construed as a continuation of such bylaws, but, subject to said limitations and the provisions of the next section, all bylaws of the Town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any bylaw, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

SECTION 3. These bylaws and the repeal of all bylaws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any bylaw thereby have the effect of reviving any bylaw theretofore repealed or suspended.

SECTION 4. When in a bylaw anything is prohibited from being done without the license or permission of a certain officer, officers or board, such officer, officers, or board shall have the power to license or permit such thing to be done.

SECTION 5. In all these bylaws the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows:—

The word public way shall include any highway, town way, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; the owner or occupant of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word person may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

SECTION 6. Whoever violates any of the provisions of these bylaws whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

SECTION 7. Whoever shall refuse or neglect to obey any lawful order of any Town officer or board of Town officers, issued under any of these bylaws, directed to him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for every such offence a fine not exceeding twenty dollars.

SECTION 8. Prosecutions for the breach of any of the provisions of these bylaws shall be commenced within six months from such breach.

SECTION 9. Any or all of these bylaws may be repealed or amended or other bylaws may be adopted, at any Town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting.

CHAPTER 2

Town Meetings

SECTION 1. The warrants for all Town meetings shall be directed to the constables of the Town, and notice of such meetings shall be given by posting attested copies of the warrant in each of the post-offices of the Town at least seven days, and by leaving printed copies thereof at the dwelling-houses in the Town at least four days, before the day of such meetings.

SECTION 2. The annual meeting for the election of Town officers shall be held upon the first Saturday of March, the polls to be open from fifteen minutes before six o'clock in the forenoon until four o'clock in the afternoon for the election of such Town officers and the determination of such matters as by law are required to be elected or determined by ballot. All such officers shall be voted for and all such matters shall be determined on official ballots.

SECTION 3. All business except the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot shall be considered at an adjournment of the annual meeting to the second Saturday of March at one-thirty o'clock in the afternoon.

SECTION 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting. If a motion is susceptible of division it shall be divided and the question put separately upon each part thereof if ten town meeting members so request.

SECTION 5. Upon taking the question, the sense of the meeting shall be taken by the voices of the town meeting members and the Moderator shall first announce the vote as it appears to him by the sound.

If the Moderator is unable to decide by the sound of the voices or if his announcement made thereupon is doubted by seven town meeting members arising in their places for that purpose, the Moderator shall request the town meeting members to be seated, and shall appoint tellers; the question then shall be distinctly stated, and those in the affirmative and negative respectively shall be requested to rise and stand in their places until they are counted by the tellers, who shall report their count to the Moderator, who thereupon shall announce the vote. If the vote is further doubted and twenty-five town meeting members arise in their places and ask for a division of the meeting by the taking of the yeas and nays, then the roll of the meeting shall be called in alphabetical order by the Town Clerk and the Moderator shall announce the vote. No town meeting member shall be allowed to vote after the vote is declared.

SECTION 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two-thirds of the town meeting members present and voting thereon, provided that the time which shall elapse between any adjournment and the next calling to order of the meeting following such adjournment shall be excluded in computing the hour since the adoption of said vote.

SECTION 7. If a motion for the previous question is adopted by vote of the meeting no person shall speak to the motion then under consideration more than once or for longer than five minutes without a vote of permission of the meeting, except that the Chairman of the Warrant Committee may speak again to close the debate, but not for more than five minutes.

SECTION 8. When a question is before the meeting, the following motions, viz:—

to adjourn,
to lay on the table,
for the previous question,
to postpone to a certain time,
to commit (or recommit) or refer,
to amend or substitute,

shall have precedence in the order in which they are placed in this section; but no

article in the warrant shall be finally disposed of by a vote to lay on the table, to postpone indefinitely, or to take no action thereunder. In proposed amendments, involving amounts or dates, the smallest amount and the shortest time shall be put first.

SECTION 9. Any person who is employed as an attorney by another person interested in any matter under discussion at a Town meeting shall disclose the fact of his employment before speaking thereon.

SECTION 10. No appropriation of a sum of money exceeding five hundred dollars shall be made until the subject matter thereof has been considered and estimates reported to the Town, either by the Selectmen or other town officers, or by the Warrant Committee or some committee chosen for the purpose in pursuance of a vote of the Town.

CHAPTER 3

The Warrant Committee

SECTION 1. After the final adjournment of the annual Town meeting fifteen legal voters shall be appointed by the Moderator, who shall constitute an advisory committee to be known as the Warrant Committee. The persons so appointed shall continue as members of said committee until the final adjournment of the annual Town meeting of the ensuing year.

SECTION 2. The Warrant Committee shall, within two weeks after their appointment, meet, at the call of the member thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

a. They shall have power to fill vacancies in their number by vote, attested copy of which shall be sent by the secretary to the Town Clerk.

SECTION 3. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the Town, the subject-matter of which is generally included in the warrants for its Town meeting; and the officers of the Town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the Town or its citizens.

SECTION 4. The Warrant Committee shall consider the various articles in the warrants for all the Town Meetings held during the period for which they were appointed including the various articles in the warrant for the annual Town Meeting next after their appointment; they shall also consider all questions submitted to the voters of the Town at any meeting, including State elections; and they shall report in print before all such meetings their estimates and recommendations for the action of the Town. Copies of such reports shall be left at the dwelling houses in the Town at least four days before the day set for consideration of the various articles in the warrant considered by them and at least four days before the day upon which the voters are to consider questions submitted to them at any meeting including State elections.

a. On or before January first of each year each board, committee or officer of the Town shall file with the Selectmen, who shall transmit the same to the Warrant Committee, a statement in detail of the appropriation or appropriations recommended by such board, committee or officer for the work under its or his charge for the ensuing year.

b. The Warrant Committee shall include in its report of recommendations for the annual Town Meeting a statement setting forth the total appropriations so requested, the appropriations recommended, and the totals of such appropriations requested and recommended, and an estimate of the tax rate for the ensuing year if such recommendations are adopted.

CHAPTER 4

The Town's Finances and Property

SECTION 1. The Selectmen shall annually, not less than seven days before the annual town meeting, cause to be printed such number of copies of the annual town report as they shall determine to be sufficient for the use of the inhabitants. Such report shall contain a detailed report of all moneys received into and paid out of the Town treasury during the financial year next preceding, with such information and recommendations as the Selectmen may deem proper; the report of the school committee; the records of the meetings of the Town held since the last annual report; the report of the collector of taxes, of receipts, payments and abatements; a list of births, marriages and deaths, to be furnished by the town clerk; statements concerning the condition and funds of the public library and of the cemetery, to be furnished by the trustees thereof respectively, and statements of all other funds belonging to the Town or held for the benefit of its inhabitants; a statement of the liability of the Town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the Town for perpetual care of cemetery lots; and such other matters as the said report is required by law to contain, or as may be inserted by the Selectmen under the discretion granted them by law.

SECTION 2. No officer of the Town shall in his official capacity make or pass upon or participate in making or passing upon, any sale, contract or agreement or the terms or amount of any payment in which the Town is interested and in which such officer has any personal interest.

SECTION 3. The Warrant Committee shall send to the Selectmen and to the town accountant certified copies of all votes whereby transfers are made out of the Reserve Fund for extraordinary or unforeseen expenditures.

SECTION 4. The Selectmen shall have full authority as agents of the Town to institute and prosecute suits in the name of the Town or its officers in their official capacity and to appear and defend suits brought against it or its officers in their official capacity, unless otherwise ordered by a vote of the Town.

SECTION 5. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the Town, the same shall be executed by the Selectmen, or a majority thereof, in behalf of the Town, unless otherwise ordered by a vote of the Town.

SECTION 6. The Selectmen shall appoint a Town Accountant who shall perform the duties prescribed by law. There shall annually be an audit of the accounts of the Town under the supervision of the State Director of Accounts, as provided in General Laws, Chapter 44, section 35.

SECTION 7. Whenever damages may be recovered against the Town under General Laws, chapter 79, entitled "Eminent Domain," the Selectmen, unless otherwise provided by vote of the Town, may exercise in the name and behalf of the Town all the powers granted in section 39 of said chapter relative to settlement of damages, assumption of betterments, offers of settlement, and other matters in said section contained.

SECTION 8. The collector of taxes shall collect, under the title of Town Collector, all accounts due the Town, excepting interest on investments of sinking or trust funds. If it shall seem advisable to the town collector that suit or suits should be instituted and prosecuted in the name of the Town, in connection with the collection of any accounts due to the Town, he shall so advise the Selectmen who shall have authority as agents of the Town to institute and prosecute the same.

SECTION 9. In addition to the authority to them granted by section 8, the selectmen shall have authority as agents of the town to settle claims against the town, after receiving the advice of the town counsel, payment for such settlements to be taken from the appropriation for the law department.

SECTION 10. Any Board or Officer in charge of a department may, with the approval of the Selectmen, sell any personal property or material not required by said department to an aggregate amount not exceeding $300 in value in any one fiscal year.

SECTION 11. Except as otherwise provided by law the Selectmen shall have custody of deeds, of bonds of Town officers, of insurance policies and of other similar documents owned by the Town.

SECTION 12. No contract shall be awarded for any work or service, other than professional service, to be performed for the Town by an independent contractor, and no purchase of materials, supplies or equipment shall be made, the estimated cost of which in either case is $300 or more, unless competitive bids have been invited therefor. Such bids shall be invited by the sending of letters of invitation on the same day to such number of vendors, contractors or other qualified persons deemed by the Town Officer, Board or Committee sufficient to obtain fair competition, and, in the case of all such contracts and of purchases estimated to cost $1,000 or more such bids shall also be invited by public advertisement by at least one insertion in a newspaper of general circulation in the Town, said letters to be mailed and said advertisements to be published at least ten days before the time stated for the opening of bids. Such invitation shall state where plans and specifications for proposed work or purchases may be obtained, or may contain such plans and specifications, and shall state the time and place at which bids shall be opened and shall reserve to the Board, Officer or Committee the right to reject any or all bids. All bids shall be opened in public at the time and place specified therefor. No purchase or work for which a contract is proposed shall be split or divided for the purpose of evading the provisions of this Section. This Section shall not apply in cases of emergency requiring immediate action for the preservation of life or the protection of property, nor to the purchase of materials, supplies or equipment for which there is no reasonable substitute by reason of natural or actual monopoly, peculiarity of design or type of article, patent right or copyright, certified by the officer, Board or Committee. All bids submitted, plans and specifications, certificates setting forth the reasons why competitive bids were not invited and contracts shall as soon as practicable be filed with the Town Accountant and shall be kept on file at least three years and shall be open to public inspection at reasonable times.

SECTION 13. Every contract for construction work, whether for alterations, repairs or original construction, the estimated cost of which amounts to $5,000 or more, shall be accompanied by a suitable bond for the performance of the same, or by the deposit of money or security to the amount of the estimated cost.

CHAPTER 5

The Cemetery

SECTION 1. The sole care, superintendence, management and control of the Cemetery shall be intrusted to a Board of five Trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the Town.

In case of vacancies in the Board of Trustees the remaining members may fill the same, but any member so chosen shall hold office only until the next annual Town meeting, when a Trustee shall be elected for the unexpired term.

SECTION 2. Citizens of Milton who are heads of families and have been residents of the Town not less than five years shall be entitled to lots in the Cemetery, allowing one lot to a family subject to these bylaws and the regulations of the Trustees, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECTION 3. The Trustees may sell lots, when and at such rates as they may deem advisable; provided that the rate shall not be less than two dollars a square foot, and the purchasers shall in some way be connected with Milton people.

SECTION 4. The proprietor of each lot shall cause to be erected, at his own expense, corner-stones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such land marks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECTION 5. No lot shall be used for any other purpose than as a place of burial for the dead, and no proprietor shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECTION 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECTION 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

SECTION 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. They shall also have authority to give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such Tomb, carefully remove its contents to a lot prepared for the purpose and erect over the remains a suitable memorial stone.

SECTION 9. The following regulations shall be posted within the Cemetery:—

1. All persons are prohibited from driving on the borders.
2. No horse shall be left upon the grounds without a keeper, unless fastened to posts provided for the purpose.
3. All persons are prohibited from discharging firearms within the grounds of the Cemetery, except in connection with military memorial services.
4. All persons are prohibited from writing upon or otherwise defacing any sign. monument, fence, or other structure.
5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.
6. Dogs are not allowed within the Cemetery grounds.

CHAPTER 6

Police Regulations

SECTION 1. No person shall move or assist in moving any building, over any way which the Town is obliged to keep in repair, without the written permit of the Selectmen being first obtained; nor, having obtained such permit, without complying with the restrictions and provisions thereof.

SECTION 2. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a police officer; provided that the provisions of this section shall not apply to the placing of ashes, refuse or garbage in proper receptacles for collection under public authority.

Section 3. Any person who intends to erect, repair or take down any building on land abutting on any way which this Town is obliged to keep in repair, and desires to make use of any portion of said way for the purpose of placing thereon building materials or rubbish shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

Section 4. No person shall throw or place or cause to be thrown or placed, any ice or snow into or upon any public way in such a manner as to obstruct traffic or endanger travel upon the public way.

Section 5. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Section 6. No person shall stand on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Section 7. No person shall dig up or obstruct any portion of any way which the Town is obliged to keep in repair without the permit, in writing, of the Selectmen, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these bylaws for such failure, he shall reimburse the Town for all expenses and damages which, or for which, the Town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

Section 8. No person shall ride or drive any beast of burden, carriage or draught, or shall drive or propel or cause to be driven or propelled any bicycle, tricycle, motor vehicle or any vehicle whatsoever, in or over any crossing in any public way at such a rate of speed as to endanger the lives and safety of the public.

Section 9. No person shall permit any vehicle under his care or control to stand across any public way in such a manner as to obstruct the travel over the same for an unnecessary length of time; no person shall stop with any vehicle in any public way so near to another vehicle as to obstruct public travel; and no person shall stop with any vehicle upon or across any crossing in any public way.

Section 10. No person shall coast upon ice or snow upon any public way except one on which the Selectmen or chief of police shall by public notice permit such coasting and no person shall ride any animal or drive, wheel or draw any coach, cart, wheelbarrow, hand cart, velocipede, bicycle, or any vehicle except children's carriages, or coast upon any sidewalk in the Town. Whoever violates the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Section 11. Whoever shall behave in an indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way, or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

Section 12. Any person or persons who shall play or perform on any musical instruments, or sing, parade, march, or congregate in any public way or public place, except in connection with a funeral, without the written permit of the Selectmen shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

Section 13. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Section 14. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons in any public way.

Section 15. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw or stamp the same, or any marks or figures, to or upon any sign board of the Town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall not be less than twenty dollars for each offence.

Section 16. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without complying with the conditions and directions of such permit, shall forfeit and pay a sum not exceeding ten dollars.

Section 17. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe from any house or other buildings whereby filthy water or other unclean matter may be emptied into or upon any such public way or running stream; and whoever shall throw, lead or discharge or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

Section 18. The Selectmen may license hackney carriages or motor vehicles for the conveyance of persons for hire from place to place within the town, and they may revoke such licenses at their discretion, and a record of all licenses so granted or revoked shall be kept by the Selectmen.

No person shall set up, use or drive in the town any unlicensed hackney carriage or motor vehicle for the conveyance of passengers for hire from place to place within the town under a penalty not exceeding twenty dollars for each offence.

Licenses shall expire on the thirtieth day of April next after the date thereof, and shall not be transferred without the consent of the Selectmen indorsed thereon. For each license the sum of one dollar shall be paid to the town treasurer for the use of the town. A license so granted shall become void if the applicant neglects or refuses to take out and pay for his license within ten days after notice that it has been granted.

The Selectmen may grant to the holder of a license under the preceding paragraphs of this section a license to use a certain portion of a public way as a carriage stand for the solicitation of passengers for hire and no person shall use any portion of any public way for such purpose without such license.

Any person who violates any of the provisions of this section shall be punished by a fine of not more than twenty dollars for each offence.

Section 19. No person shall distribute papers, circulars or advertisements through the Town or any portion thereof in such manner as to make a litter or otherwise cause public annoyance.

Section 20. No person shall fire, discharge, explode or set off any gun, firearm, torpedo, firecracker or fireworks in such manner as to disturb the peace or quiet of any neighborhood.

Section 21. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

Section 22. No person shall own or keep a dog which by barking, biting or howling or in any other manner disturbs the peace and quiet of any neighborhood or endangers the safety of any person.

Section 23. No person shall burn anything so as to emit noxious odors to the discomfort of the neighborhood.

Section 24. No person shall place or suffer to accumulate on his premises any refuse, animal or vegetable matter, rubbish or filth, whereby any offensive or noxious stench or effluvia shall be created so as to endanger the health or comfort of the neighborhood.

Section 25. The Selectmen may license suitable persons to be dealers in and keepers of shops for the purchase, sale, or barter of junk, old metals, or second-hand articles from place to place in the Town. They may also license suitable persons as junk collectors, to collect, by purchase or otherwise, junk, old metals, and second-hand articles from place to place in the Town; and they may provide that such collectors shall display badges upon their persons, or upon their vehicles, or upon both, when engaged in collecting, transporting, or dealing in junk, old metals, or second-hand articles; and may prescribe the design thereof. They may also provide that such shops and all articles of merchandise therein, and any place, vehicle or receptacle used for the collection or keeping of the articles aforesaid, may be examined at all times by the Selectmen or by any person by them authorized thereto. The aforesaid licenses may be revoked at pleasure, and shall be subject to the provisions of law. Whoever violates any provision of this section shall forfeit and pay for each offence a fine not exceeding twenty dollars.

Section 26. The Selectmen may order numbers to be affixed to or painted on the buildings on any street in their discretion. The owner of every house shall comply with such order within thirty days thereafter. Whoever violates any provision of this section shall forfeit and pay for each offence a fine not exceeding twenty dollars.

Section 27. Except when otherwise provided by law, prosecutions for offences under the bylaws of the Town may be made by any police officer of the Town.

CHAPTER 7

Building Code

Chapter 7 and 8 is hereby amended by being renumbered as Chapter 7.

The title of said chapter is hereby amended by striking out the words "Building and Plumbing Laws" and inserting in place thereof the words:—Building Code—.

Paragraph (G) of Section I is hereby amended by striking out, in the title, the first, the seventeenth and the twentieth lines, the word "Appeal" and inserting in place thereof the word:—Appeals—.

Paragraph six of Section III is hereby amended by inserting at the end thereof the following new sub-paragraphs:—

(c) No part of a building of wood construction except uncovered steps from the ground to the first floor not exceeding forty-two inches wide, chimneys and eaves not exceeding eighteen inches wide, shall hereafter be erected or placed within six feet of the line of any adjoining lot or of any other building of fire-resisting or slow burning construction; or within twelve feet of any part of any other building of wood construction except uncovered steps from the ground to the first floor not exceeding forty-two inches wide, chimneys and eaves not exceeding eighteen inches wide, on the same lot, unless the wall facing such adjoining lot or building is constructed as a fireproof masonry wall of the thickness provided in section VII and carried twelve inches above the roof, and unless all openings therein are protected by wire glass set in metal sash and frames; provided that the foregoing shall be construed as being additional to and not as limiting or lessening to any extent whatsoever the requirements of section 6 of chapter 10 of the General Bylaws of the Town.

(d) In buildings of fire-resisting or slow burning construction there shall be no openings in walls within six feet of the lines of adjoining lots unless said openings are protected by wire glass set in metal sash and frames.

(e) No building of wood construction other than detached dwellings shall exceed five thousand square feet in horizontal area in any one story unless for every such area an intercepting masonry fire wall is constructed of the thickness provided in section VII and carried twelve inches above the roof, and unless all openings therein are protected by two sets of fire doors separated by the thickness of the wall, provided with approved self-closing devices.

Section XV is hereby amended by inserting at the end thereof the following new paragraph:—

3. Fees: The following fees shall be charged on all permits issued by the Inspector of Wires for repairs or installing electric wiring, plants or appliances:

(a) Original installations	$3.00
(b) Repairs or additional installations equal to or greater in extent than fifty per cent of the installations in the same building already approved	2.00
(c) Repairs or additional installations not greater in extent than fifty per cent of the installations in the same building already approved	1.00

Fees shall accompany the application and shall be refunded if the permit is not granted.

Paragraph (A) of Section XVII is hereby amended by inserting at the end thereof the following new sub-paragraph:—

8. The following fees shall be charged on all permits issued by the Plumbing Inspector:

(a) Original installations	$3.00
(b) Repairs or additional installations	1.00

Fees shall accompany the application and shall be refunded if the permit is not granted.

Paragraph 10 of Section XIII is hereby amended by striking out sub-paragraphs (c), (d) and (f) and inserting the following new paragraph:

(c) In wooden buildings the exterior walls at each floor level, and all spaces between joists over girders and bearing partitions, and from plate to roof boarding, shall be firestopped with wood, sheet metal of not less than twenty (20) gauge, asbestos lumber, masonry, or other material satisfactory to the Building Inspector.

Section XVII, Sub-section (G), is hereby amended:

By inserting in said Sub-section (G), after paragraph 3 of said section, the following paragraphs, to be numbered 3A:

3A. Cross Connections:

(a) Any connection in piping, whereby a public or private water supply used for drinking and/or culinary purposes is connected with a secondary supply or a supply of questionable quality or whereby polluted matter may enter the supply used for drinking and/or culinary purposes, shall be considered a cross connection.

(b) No cross connection shall be installed unless the piping connections and valves connected thereto have been approved by the inspector of plumbing after tests showing that no polluted matter from such fixtures can enter the water supply system used for drinking and/or culinary purposes and all existing cross connections shown to be improper by test as herein indicated shall be removed.

(c) Check valves or other uni-flow devices may be considered as suitable mechanical means of separation only if these devices are accessible for overhauling or inspection and equipped with drains and test outlets and the installation is approved by the inspector of plumbing. Temporary connection shall not be permitted.

(d) Valves of the positive type which include gate, globe, stop and similar valves are not considered as adequate protection.

(e) Any cross connection permitted with a fire service supply shall be protected by a properly installed and adequately supervised all-bronze, rubber-seated double check valve of a type approved by the State Board of Plumbing Examiners.

Section XVII, Sub-section (D), is hereby amended:

By striking out sub-paragraph (c) of paragraph 3 of Sub-section(D) and inserting in its place the following new sub-paragraph (c):

(c) The use of Standard soil pipe is prohibited and only extra heavy soil pipe shall be used, and shall conform to the following minimum requirements:

Average Pounds Per Length (5 feet)

Pattern	Sizes (in inches)								
	2	3	4	5	6	8	10	12	15
Single Hub	25	45	60	75	95	150	215	270	375
Double Hub	26	47	63	78	100	157	225	285	395

Section I is hereby amended:

First. By adding after subsection (A)2 in said Section I a new subsection to be numbered 3 and to read as follows:

"3. For further restrictions upon heights and uses of buildings and upon building areas, reference is made to Chapter 10 of the General Bylaws designated as 'Zoning'. In all cases in which the provisions of said Zoning Bylaws are inconsistent or in conflict with this bylaw, the provisions of that bylaw shall govern."

Second. By substituting in said Section I for subsection (B) the following paragraphs to be numbered as indicated:

(B) BUILDING DEPARTMENT:

1. There shall be a department to be called the BUILDING DEPARTMENT, which shall be furnished at the expense of the Town with office room, telephone, and such supplies for the transaction of its business as the Town may provide.

2. No officer or employee connected with the Department shall be interested in the doing of work or the furnishing of materials or appliances for the construction, alteration, or maintenance of any buildings, or in the making of plans or specifications thereof, unless he is the owner thereof. No such officer or employee shall be engaged in any work which is inconsistent with his duties or with the interests of the Department.

3. *Building Inspector:* The Board of Selectmen shall annually in April appoint a Building Inspector to serve for the term of one year from the first day of May following, or until his successor is appointed and qualified. His salary or compensation shall be such as the Town may from time to time vote. He shall be either an architect, builder, or structural engineer of at least ten years' practice. He may be removed from office by the Selectmen for cause and shall be so removed for cause stated in charges filed with the Board of Selectmen by any citizen, and after a hearing has been held, of which at least five days' notice has been given by registered mail to the complainant or complainants and the Building Inspector, if in the judgment of the Board the charges are sustained and constitute adequate cause.

4. The Building Inspector shall be charged with the inspection of buildings and the enforcement of this bylaw.

5. He shall report to the Department of Public Safety any violations of the regulations of the Commonwealth of Massachusetts in relation to the construction of buildings that may come to his notice.

6. The Building Inspector, subject to the approval of the Board of Selectmen, and within such appropriation as may be provided for his department, shall have authority to appoint and compensate a Deputy Building Inspector, a Clerk, and such other subordinates as the work requires, and to remove the same or any of them for cause. The Deputy Building Inspector shall be either an architect, builder, or structural engineer of at least ten years' practice. He shall assist the Building Inspector in the performance of his duties and, in the absence from the Town or disability of the Building Inspector, shall possess all the powers and perform all the duties of the Building Inspector. He shall hold office until removed by the Building Inspector or until his successor is appointed and qualified.

7. *Records and Reports:* The Building Inspector shall keep a record of the business of the Department, shall submit to the Board of Selectmen a yearly report of such business together with such recommendations for the revision of this bylaw as he may deem advisable for the best interests of the Town, and such other reports as they may call for.

8. *Examination of Structures:* The Building Inspector or Deputy Inspector shall examine all structures:

(a) for which applications have been made for permits to alter or remove;

(b) in the course of erection, alteration, or removal as frequently as is necessary;

(c) reported dangerous, dilapidated or damaged by fire or accident.

He shall, in each case, make a record of such examination, stating the street and number of the premises, the name of the owner, the architect, master builder, or occupant as the case may require; make a record of all violations of this bylaw and of Chapter 10 of the General Bylaws designated as "Zoning," in the erection, alteration or removal of any structure and, in the case of a dangerous, dilapidated or damaged structure, shall record the nature and extent of the dilapidation, danger or damage, and the purpose for which the property is used or occupied, and shall within twenty-four hours of such examination submit a duplicate copy of the record of examination to the Board of Selectmen with recommendations for action. The records required by this section shall also be open to the inspection of the Town Engineer, the Board of Appeals, the Fire Department, or any officer of the Town, and of any person the value of whose property may be affected by the matters to which such records relate.

9. *Zoning:* He shall enforce the provisions of Chapter 10 of the General Bylaws designated as "Zoning" and shall have the powers and duties therein specified or provided.

Third. By substituting in said Section I for subsection (E)1(a) thereof the following paragraph to be numbered and designated as follows:

(E) PERMITS:

1. *Applications:* Before the erection, construction, or alteration of any building or part of any building, structure or part of any structure, wall, or any platform or flooring to be used for standing or seating purposes, is commenced, the owner or lessee, or agent of either, or the architect or builder employed by such owner or lessee in connection with the proposed erection or alteration, shall, except for ordinary repairs, apply to the Building Inspector for a permit to do the work, and no work shall be done until such permit is granted. The person seeking such permit shall submit to the Building Inspector a detailed description of the location, purpose and construction of the proposed structure or work, on proper blanks to be furnished by the Building Inspector, and full and complete copies of the plans of such proposed work, structural detail drawings and computations as the Building Inspector may require. All applications for building permits shall be accompanied by a plot in duplicate drawn to scale, made by a competent engineer showing the actual dimensions of the lot to be built upon, the streets upon which it abuts, the size and location of the building or buildings to be erected or altered, with offset distances from all lines, distances from any existing building either on or adjacent to the lot in question, and such other information as may, in the opinion of the Building Inspector, be necessary for the enforcement of this bylaw or Chapter 10 of the General Bylaws designated as "Zoning." All plans and plots shall be signed by the person seeking any permit and, if required by the Building Inspector, accompanied by a statement in writing sworn to before a Notary Public or Justice of the Peace, giving the full name and residence of each of the owners of the structures or premises concerned. The Building Inspector shall approve no plan for the erection or alteration of any building or part thereof the plans and specifications and intended use of which are not in all respects in conformity with the provisions of this bylaw and Chapter 10 of the General Bylaws designated as "Zoning." Deviation from the terms and dimensions shown on the plot shall constitute violation of the terms of a permit.

Section III is hereby amended:

By adding in subsection (A)5(b) after the word "Commonwealth" the following:

"or in Chapter 10 of the General Bylaws designated as 'Zoning' "
so that said subsection as amended will read as follows:

"(b) The Building Inspector shall have power, in his discretion, to waive any or all requirements of this Code (other than those also contained in any statute of the Commonwealth, or in Chapter 10 of the General Bylaws designated as 'Zoning') in the case of small dairy rooms, root cellars, poultry houses, farm and storage sheds, and other similar small structures to be so located on the owner's property as not to menace the property of another."

CHAPTER 8

Town Ways

Section 1. Every way that shall be laid out for the acceptance of the Town as a town way shall be not less than fifty feet in width, provided, however, that this section shall not prevent the layout of any way, which, prior to the time this amendment takes effect, shall have been duly approved by the Board of Survey. Provided, however, that upon written certification by the Board of Survey, in respect to the layout of a particular way, that the requirement of a width of fifty feet will cause practical difficulty or unnecessary hardship, such way, or ways, may be laid out less than fifty feet but not less than forty feet in width.

Section 2. If an existing private way the fee of which is in the abutters shall be laid out for the acceptance of the Town as a town way such way shall not be accepted unless and until the Selectmen shall have certified in writing that such way is well built, and as constructed it is equal to the average construction of existing highways of the Town; provided, however, that this section shall not apply to ways laid out subject to the provisions of law relating to the assessment of betterments.

Section 3. Whenever any way shall have been laid out or altered by the Selectmen and accepted and allowed by the Town, no entry for the purpose of constructing any part of such laying out or alteration shall be made until all claims for damages by reason thereof shall have been finally adjusted or determined, unless such entry shall be authorized by special vote of the Town.

CHAPTER 9

Billboards

Section 1. No person or corporation shall erect or maintain a billboard sign or other outdoor advertising device, except as provided in Section 32 of Chapter 93 of General Laws, on any location within three hundred feet of any public park or playground or Metropolitan Park or Parkway, if within public view from any portion of such parks, playgrounds, or parkways; or within three hundred feet of any other public way and within public view from any portion of the same, if such billboard, sign or device exceeds five feet in height or eight feet in length, and no billboard, sign or device placed within three hundred feet of any such public way and within public view shall be nearer than fifty feet to any other such billboard, sign or device; or at the corner of any public ways and within the radius of one hundred and fifty feet from the point where the center lines of such ways intersect; or in any place unless the lowest portion of such billboard, sign or device is at least three feet from the ground, and the entire structure, including its braces and supports, is maintained in good repair, painted, and free from accumulation of rubbish and filth and from the pupae, eggs and caterpillars of gypsy and brown-tail moths and other tree and shrub destroying pests; provided that this section shall not apply to signs or other devices which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertise the property itself or any part thereof if for sale or to let.

CHAPTER 10

Zoning

SECTION I. **Definitions.**

A. In this by-law the following terms, unless a contrary meaning is required by the context or is specifically prescribed, shall have the following meanings:

1. *Street.* The word ''street'' shall include public ways established by or maintained under public authority, private ways open for public use, and private ways plotted or laid out for ultimate public use, whether or not constructed.
2. *Lot.* A ''lot'' is a single area of land in one ownership defined by metes, bounds or boundary lines in a recorded deed or on a recorded plan. After this By-law is adopted new lots may be established by recording the same or by filing with the Building Inspector as a part of an application for a building permit the plan of the lot appurtenant to the building signed by the owner or owners of the lot and defining the lot by metes and bounds on such plan. In determining lot areas no part thereof within the limitation of the street shall be included.
3. *One Ownership.* The term "one ownership" means an undivided ownership by one person or by several persons whether the tenure be joint, in common, or by the entirety.
4. *Recorded.* The term "recorded" or "of record" means recorded or registered in the Norfolk County Registry of Deeds or a record title to a parcel of land disclosed by any or all pertinent public records.
5. *Building.* The word "building" shall include "structure."
6. *Erected.* The word ''erected'' shall include the words ''built,'' ''constructed," "reconstructed," "altered," "enlarged," and "moved."

SECTION II. **Establishment of Districts.**

A. Classes of Districts. The town of Milton is hereby divided, as shown on the Zoning Map entitled "Map of Milton, Massachusetts, showing Zoning Districts," dated January 7, 1938 and filed with the Town Clerk, and hereby declared a part of this by-law, into four classes of districts:

1. Residence A districts;
2. Residence B districts;
3. Residence C districts;
4. Business districts.

B. Boundaries of Districts. The boundaries of Business Districts hereunder shall continue to be as existing immediately prior to the adoption of this by-law. The boundaries of Residence A Districts, Residence B Districts and Residence C Districts shall be as shown on the Zoning Map. Unless otherwise specifically indicated on the Zoning Map the boundaries between districts are either the center lines of streets or boundary lines of lots, or lines parellel to and a dimensioned distance from the nearest side lines of streets.

(Zoning map changed by vote passed under Article 57 at the March 9, 1940 Town Meeting.)

C. Lots in Two Districts. Where a district boundary line divides a lot recorded prior to the time this bylaw is adopted, the regulations and restrictions of the less restricted portion of such lot shall govern such portion of such lot as shall be within the more restricted district and shall lie within thirty feet of said boundary line; provided the lot has a frontage on a street in the less restricted district.

SECTION III. **Use Regulations.**

A. Residence A, B, and C. District Uses. In a Residence A, B, or C District, except as herein otherwise provided, no building or land shall be used and no building shall be erected or altered which is intended or designed to be used for a store or

shop, or for manufacturing or commercial purposes, or for other purposes except one or more of the following:

1. Detached one-family dwelling;
2. Church;
3. Educational use, not conducted for profit;
4. Agricultural use, selling only produce raised on the premises; provided, however, that this paragraph 4 shall not be deemed or construed to permit or authorize the use or maintenance of any building or structure;
5. Municipal use. Public parks, playgrounds, recreation buildings, water towers and reservoirs;
6. Accessory use on the same lot with and customarily incident to any of the above permitted uses, or to the uses permitted in accordance with the following sub-section numbered 7, and not detrimental to a residential neighborhood;
7. Any of the following uses, if authorized by permit issued by the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part of the permit;
   - (a) Private club not conducted for profit;
   - (b) Cemetery, not conducted for profit;
   - (c) The garaging or maintaining of more than three automobiles when accessory to a dwelling;
   - (d) Greenhouse or nursery selling only produce raised on the premises;
   - (e) Charitable or philanthropic use, hospital or sanitarium, not conducted for profit;
   - (f) Riding stable;
   - (g) Public utility or public communications building not including a service station or outside storage of supplies;
   - (h) A two-family house (as defined below) if the lot on which it will stand lies between two lots on which are buildings designed for occupancy by two or more families each, located on the same side of the street and less than 100 feet apart. A two-family house is a residential building fitted to be occupied by two families which are independent of each other as regards the preparation of food;
   - (i) A dwelling used primarily and principally for residential purposes may be used incidentally but without public display of goods or wares, or signs except as permitted in subsection *B 1* (g) hereof, for the sale of food or of goods of home manufacture prepared or made therein by the occupants of such dwelling, or for other incidental purposes which are not primarily industrial, trade, manufacturing, or commercial purposes, provided, in each case, the Board of Appeals shall determine that the use of such building is incidental only and that such use will not be substantially detrimental to the use of other property in the neighborhood;
   - (j) Removal for sale of sod, loam, sand, gravel or quarried stone, provided that when such removal is incidental to and in connection with the construction of a building on the premises for which a building permit has been issued in accordance with the building law, no permit from the Board of Appeals shall be required;
   - (k) Buildings or structures used or maintained on or in connection with land devoted to agricultural use permitted in paragraph 4 of this Section III A.

B. Accessory Uses in Residence A, B and C Districts.

1. In Residence A, B and C Districts the following are hereby specifically declared not to be "accessory uses" within the meaning of this by-law:
   - (a) The garaging or maintaining on any lot of a total of more than three automobiles at any time, unless a special permit is granted by the Board of Appeals pursuant to the provisions of Section VIII hereof;
   - (b) The garaging or maintaining on any lot of more than one commercial automobile, except in the case of a lot used for agriculture or for a municipal use;
   - (c) The garaging or maintaining on any lot used for agriculture of more than four commercial automobiles;
   - (d) The sale of produce not raised on the premises unless, in the case of a commercial greenhouse established and doing business prior to the adoption of this by-law, a special permit is granted by the Board of Appeals pursuant to the provisions of Section VIII hereof;
   - (e) The accommodation of, or renting of space to, more than four lodgers, boarders, or paying guests;
   - (f) Accessory use shall not include dwellings, except that there may be constructed as part of a garage or stable, family living quarters for and to be occupied only by an employee of the owner or occupant of the dwelling to which such garage or stable is an accessory use;
   - (g) An accessory use shall not include an advertising sign except a real estate sign advertising for sale or rent the property on which it is placed, but may include a sign not over one square foot in area, bearing a name and the designation of any authorized occupation and being such a sign as is customarily used for a purpose permitted by this section of this by-law.

C. Business District Uses. In a Business District no building shall be erected, altered or used and no land shall be used for any purpose injurious, noxious or offensive to a neighborhood by reason of the emission of odor, fumes, dust, smoke, vibration, or noise, or other cause, or for any purpose whatsoever except the following purposes:

1. Any use permitted in a Residence A, B or C District;
2. Offices, banks, assembly halls or places of amusement;
3. Signs permitted in a Residence A, B or C District and signs advertising goods or services offered by an occupant of the premises for sale, hire, or use;
4. Retail or wholesale stores, shops for custom work where the product is sold directly by the producer to the consumer, places where services are performed, places of the building trades, sales rooms and repair shops for motor vehicles, garages, filling stations, storage warehouses, restaurants and other places for serving food and drink, places of business of bakers, dyers, confectioners, launderers, photographers, printers and undertakers. Other uses of substantially the same character may be permitted only if authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit all in accordance with the provisions of Section VIII, C.

SECTION IV. Non-conforming Uses of Buildings and Land.

A. Continuation of Non-conforming uses of Buildings and Land. Any building or use of a building or use of land or part thereof lawful and existing at the time this by-law is adopted may be continued, unless and until abandoned, although such building or use does not conform to the provisions hereof. No increase in the extent of the non-conforming use of the building or land may be made except that any

such non-conforming building may be added to, enlarged, reconstructed or replaced, and such addition, enlargement, reconstruction or replacement used for the purpose, or for a purpose substantially similar to the purpose, for which the original building may lawfully be used if authorized by the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part of the permit. As a basis for such permit the Board of Appeals must be satisfied that such addition, enlargement, reconstruction or replacement and the use to be made thereof will not substantially increase any detrimental or injurious effect of the building or use on the neighborhood.

SECTION V. Height Regulations.

A. Building Heights in Residence A, B and C Districts. In a Residence A, B or C District no building shall be erected or altered to exceed two and one-half stories in height unless it is set back from each street and lot line 15 feet farther than is required by Section VI. No building shall in any event exceed three stories in height. The term "half-story" shall mean a story in a sloping roof, the area of which story at a height four feet above the floor does not exceed two-thirds the floor area of the story immediately below it.

B. Building Height in Business District. In a Business district no building shall be erected or altered to exceed three stories in height.

C. Height Exceptions. Chimneys, elevators, poles, spires, tanks, towers, and other projections not used for human occupancy may extend above the height limits herein fixed.

SECTION VI. Area Regulations.

A. Lot Sizes and Frontages.

1. In a Residence A District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 40,000 square feet each and having each a frontage of not less than 150 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot of less than 80,000 and more than 64,000 square feet may be divided into lots containing not less than 32,000 square feet each and each having a frontage of not less than 150 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 80,000 square feet and if after division into as many lots as practicable, each containing not less than 40,000 square feet and each having a frontage of not less than 150 feet, there remains a lot of 32,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 150 feet, and (c) one dwelling may be erected on a lot containing less than 40,000 square feet, or having a frontage of less than 150 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.
2. In a Residence B District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 20,000 square feet each and having each a frontage of not less than 100 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot with a frontage of not less than 160 feet and with an area of not less than 32,000 square feet may be divided into two lots containing not less than 16,000 square feet each and each having a frontage of not less than 80 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 40,000 square feet and if after division into as many lots as practicable, each containing

not less than 20,000 square feet and each having a frontage of not less than 100 feet, there remains a lot of 16,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 80 feet, and (c) one dwelling may be erected on a lot containing less than 20,000 square feet, or having a frontage of less than 100 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.

3. In a Residence C District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 7,500 square feet each and having each a frontage of not less than 75 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot with a frontage of not less than 120 feet and with an area of not less than 12,000 square feet may be divided into two lots containing not less than 6,000 square feet each and each having a frontage of not less than 60 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 15,000 square feet and if after division into as many lots as practicable, each containing not less than 7,500 square feet and each having a frontage of not less than 75 feet, there remains a lot of 6,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 60 feet, and (c) one dwelling may be erected on a lot containing less than 7,500 square feet, or having a frontage of less than 75 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.
4. Frontage, as required in the foregoing provisions of this section, shall be determined as follows: In the case of a lot fronting on a street, the distance shall be measured along the street line from one side line of the lot to the other and the distance shall also be measured between said side lines along a line which marks the required front setback of the dwelling on such lot, and the longer of said distances shall determine the frontage of such lot. In the case of a lot not fronting on any street, the distance shall be measured from one side line of the lot to the other along the line designated as the front line of the lot on the plot filed in accordance with this by-law with the Building Inspector as a part of an application for a building permit, and such distance shall determine the frontage of such lot.
5. Notwithstanding the foregoing provisions of this section, if adjacent lots, any of which has less area or frontage than required by this section, are recorded as all in the same ownership at the time this by-law is adopted, and if (a) substantial expenditures have been incurred, prior to that time, toward the improvement of these lots or approved ways giving access thereto, or toward utilities serving such lots, which improvements or utilities would be diminished in value in a substantial amount by a literal enforcement of the terms of this section, or if (b) adjoining areas have been, prior to that time, developed to a substantial extent by the construction of houses on lots generally smaller than is prescribed by this section and the standard of the neighborhood so established does not reasonably require a subdivision of the applicant's land into lots as large as is hereby prescribed, then the owner of these lots may apply to the Board of Appeals for relief from the terms of this section as apply-

ing to any of these lots, and the Board of Appeals may grant such relief by making special exceptions to the terms of this section, subject to appropriate conditions and safeguards in harmony with the general purpose and intent of this by-law, where desirable relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purposes of this by-law.

B. Front Yards.

1. In a Residence A District no building shall be erected within 30 feet of the line of the street on which it fronts, provided that no building need be set back more than 30 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 30 feet being counted as though occupied by a building set back 30 feet.
2. In a Residence B District no building shall be erected within 25 feet of the line of the street on which it fronts, provided that no building need be set back more than 25 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 25 feet being counted as though occupied by a building set back 25 feet.
3. In a Residence C District no building shall be erected within 20 feet of the line of the street on which it fronts, provided that no building need be set back more than 20 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 20 feet being counted as though occupied by a building set back 20 feet.
4. In Residence A, B and C Districts no part of an accessory building shall be located within 40 feet of the front line of the lot, unless such accessory building is within the body of a dwelling or attached to a dwelling and such accessory building complies with the setback from said front line established for such dwelling.

C. Side Yards.

1. No building except a one-story building of accessory use shall be erected or maintained in a Residence A District within 15 feet of a side lot line, or within 30 feet of any other building on an adjacent lot, in a Residence B District within 12 feet of a side lot line or within 24 feet of any other building on an adjacent lot, or in a Residence C District within 10 feet of a side lot line.
2. No building of accessory use shall be erected or maintained within 10 feet of a side lot line in a Residence A District or a Residence B District nor within 8 feet of a side line in a Residence C District.
3. On a lot abutting on two intersecting streets no building shall be erected or maintained in a Residence A District within 30 feet, in a Residence B District within 25 feet, and in a Residence C District within 20 feet of the line of the side street.
4. The provisions of this section shall not reduce to less than 25 feet the buildable width of any lot in a Residence A, B or C District recorded at the time this by-law is adopted, provided, however, that no building shall extend within 6 feet of a side lot line.
5. In a Business District no building shall be erected or maintained within 6 feet of a side line of any lot unless the wall adjoining such side be either a party wall or a wall with its outer face coincident with the lot side line.

D. Rear Yards.

1. In a Residence A, B or C District no building except a one-story building of accessory use shall be erected or maintained within 30 feet of the rear lot line, provided that no building need be set back from the rear lot line more than 30 per cent of the mean depth of the lot.
2. In a Business District no dwelling shall be erected or maintained within 20 feet of the rear lot line.
3. No building of accessory use shall be erected or maintained within 10 feet of a rear lot line in a Residence A District nor within 8 feet of a rear lot line in a Residence B or a Residence C District.

E. Appurtenant Open Space.

No yard or other open space required for a building by this by-law shall, during the existence of such building, be occupied by or counted as open space for another building.

F. Projections.

Nothing herein shall prevent the projection of steps, eaves, chimneys and cornices not exceeding 18 inches in width, windowsills, or belt courses into any required yard or open space.

G. Corner Clearance.

On lots in Residence A, B and C Districts no building, fence, or other structure shall be erected and no tree, shrub or other planting shall be planted, or allowed to exist, which prevents an unobstructed view through the space between 4 feet and 8 feet above the ground within the area formed by the intersecting side lines forming the corner of the intersecting streets and a line joining points on such lines 25 feet distant from the point of intersection in a Residence A District, or 20 feet distant from the point of intersection in a Residence B or a Residence C District, provided, however, that where the junction of the side lines of two streets forms a curve, the clearance area shall be determined and certified by the Town Engineer as nearly as may be in accordance with the foregoing and having regard to the safety of the public, and the foregoing provisions shall apply to the area thus determined.

SECTION VII. Administration.

A. Enforcement.

1. The Inspector of Buildings shall enforce the provisions of this by-law. If the Inspector of Buildings shall be informed or have reason to believe that any provision of this by-law or of any permit or decision thereunder has been, is being, or is about to be violated, he shall make or cause to be made an investigation of the facts, including the inspection of the premises where the violation may exist, and, if he finds any violation, he shall give immediate notice in writing to the owner or his duly authorized agent and to the occupant of the premises.
2. If, after such notice, such violation continues, with respect to any use contrary to the provisions of this by-law, the Inspector of Buildings shall forthwith revoke any permit issued in connection with the premises, and shall take such other action as is necessary to enforce the provisions of this by-law.
3. Where a special permit from or relief by the Board of Appeals is required pursuant to the provisions of this by-law, or where an appeal from an order or decision of an administrative officer, or an appeal or petition

involving a variance is pending, the Building Inspector shall issue no building permit until so directed in writing by said Board.

B. Submission of Plots.

All applications for building permits shall be accompanied by a plot in duplicate drawn to scale, showing the actual dimensions of the lot to be built upon, the streets upon which it abuts, the size and location of the building or buildings to be erected or altered, and such other information as may, in the opinion of the Building Inspector,.be necessary for the enforcement of this by-law. A careful record of such applications and plots shall be kept in the office of the Building Inspector. Deviation from the terms and dimensions shown on the plot shall constitute violation of the terms of the permit.

C. Occupancy Permit.

It shall be unlawful to use or permit the use of any land, building, or structure or part thereof which is erected or altered, wholly or partly, in its use or construction, or moved, or which has its open spaces in any way reduced, until the Building Inspector shall have certified on the building permit, or, in case no permit is required, shall have certified in a certificate of occupancy that the building and premises have been regularly inspected by the Building Inspector and apparently conform to the statutes and by-laws relating to the construction and occupancy of buildings and land in the town of Milton.

SECTION VIII. Board of Appeals.

A. Appointment.

The Board of Appeals is and shall be the board of appeal appointed from time to time pursuant to Chapter 7 of these by-laws known as the Building Code, and said board of appeal under said Building Code is hereby constituted the Board of Appeals pursuant to the provisions of Section 30 of Chapter 40 of the General Laws, as amended.

B. Notice.

When an appeal, application or petition is filed with the Board of Appeals pursuant to any of the provisions of this by-law, the Board shall give notice thereof and hold a hearing pursuant to its rules and regulations and to the law. The Building Inspector shall be entitled to receive notice in all cases involving the issuance of a building permit.

C. Special Permits.

Where a special permit by the Board of Appeals is required pursuant to the provisions of this by-law, the applicant shall make written application and shall show to the satisfaction of the Board, in addition to any specific requirements herein or in the law contained, that the desired relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purpose of this by-law. The Board of Appeals may make appropriate conditions and limitations necessary in its opinion to safeguard the legitimate use of the property in the neighborhood and the health and safety of the public, such conditions and limitations to be stated in writing by the Board and made a part of the permit.

D. Variances and Appeals.

Appeals from an order or decision of an administrative officer and appeals or petitions involving variances from the terms of this by-law shall be dealt with by the Board of Appeals in accordance with the provisions of General Laws, Chapter 40, Section 30, as amended.

E. Relief.

When relief is applied for pursuant to the provisions of Section VI, A, 5 hereof the applicant shall file with the Board a plan, map, drawing, or document sufficient clearly to show all of the local real estate holdings of the applicant in the neighborhood, the date or dates of the recording of the lots involved, and such other pertinent documentary evidence as the Board may require, and shall show to the satisfaction of the Board that the facts requisite for such relief exist.

SECTION IX. **Other By-laws, Rules or Regulations.**

The provisions of this by-law shall be construed as being additional to and not as annulling, limiting or lessening to any extent, whatsoever the requirements of any other by-law, rule or regulation, provided that, unless specifically excepted, where this by-law is more stringent it shall control.

SECTION X. **Penalty.**

Any person, firm, or corporation who violates, disobeys, neglects, or refuses to comply with any of the provisions of this by-law shall be fined in a sum not to exceed twenty dollars ($20.00) for each offence.

SECTION XI. **Validity.**

The invalidity of any section or provision of this by-law shall not invalidate any other section or provision hereof. If for any reason the area requirements in any district shall be or become invalid or inoperative, then the area requirements of the next less restricted district shall be and become the area requirements for such more restricted district.

SECTION XII. **Amendments.**

The Planning Board, upon petition of not less than ten citizens of the Town, or upon its own initiative, shall from time to time hold public hearings, twenty days' published notice of which shall be given, for the consideration of proposed amendments to the Zoning Map or to this by-law and report to a regular or special Town Meeting its recommendations as to what action should be taken.

CHAPTER 11

Planning Board

A Planning Board is hereby established under the provisions of General Laws (Ter. Ed.), Chapter 41, Section 81A (Acts of 1936, Chapter 211) and any amendments thereto, with all the powers and duties therein and in any existing by-laws of the Town provided, to consist of five members to be elected by ballot at the annual Town Meeting in March, 1939, one for a term of one year, one for a term of two years, one for a term of three years, one for a term of four years, and one for a term of five years and thereafter in accordance with the provisions of the statute.

The existing Board of Appeals appointed from time to time pursuant to Chapter 7 of the General By-laws known as the Building Code and acting as the Board of Appeals pursuant to Chapter 10 of the General By-laws designated as Zoning shall act as and be the Board of Appeals under General Laws (Ter. Ed.), chapter 41, Section 81-I (Acts of 1936, Chapter 211).

Milton, Mass.,
April 6, 1934.

I HEREBY CERTIFY, That the foregoing is a true copy of the General Bylaws as amended under Article 53 of the Warrant for the annual Town Meeting held March 10, 1934.

A true copy.
Attest.

G. FRANK KEMP,
Town Clerk.

(Seal)

Boston, Mass., June 1, 1934.

The foregoing bylaws are hereby approved.

JOSEPH E. WARNER,
Attorney General.

The amendments to Chapters 4, 7 and 10 voted at the Annual Town Meeting held March 9, 1935, were approved by the Attorney General, June 10, 1935.

The amendment to Chapter 7 voted at the Annual Town Meeting held March 14, 1936, was approved by the Attorney General, April 3, 1936.

The amendment to Chapter 10 voted at the Special Town Meeting held January 29, 1938, was approved by the Attorney General, February 10, 1938.

The amendments to Chapters 7, 10 and 11 voted at the Annual Town Meeting held March 12, 1938, were approved by the Attorney General, April 11, 1938.

The amendments to Chapter 10 voted at the Annual Town Meeting held March 9, 1940, were approved by the Attorney General, April 11, 1940 and May 1, 1940.

The amendments to Chapters 2, 3 and 4, voted at the annual Town Meeting held March 8, 1941, were approved by the Attorney General, March 20, 1941.

LEGISLATIVE ACTS ACCEPTED BY THE TOWN OF MILTON

March 19, 1866. **Voted,** To establish a high school, according to the provisions of Section 2 of Chapter 38 of the General Statutes. (Repealed 1898, Chapter 496, Section 36.)

March 2, 1874. **Voted,** To accept the provisions of Chapter 265 of the Acts of 1873, relative to public landing places in the town of Milton. (Special Act.)

March 4, 1878. **Voted,** To accept the provisions of Sections 23 to 32 of Chapter 24 of the General Statutes, relative to the establishment of a board of fire engineers. (General Laws, Chapter 48, Section 45.)

March 3, 1879. **Voted,** To accept the provisions of Section 21 of Chapter 38 of the General Statutes, relative to the election of School Committee. (General Laws, Chapter 41, Section 1.)

December 8, 1879. **Voted,** To accept the provisions of Section 1 of Chapter 234 of the Acts of 1878, relative to truants and neglected children. (Repealed, 1919, Chapter 363, Section 16.)

March 7, 1881. **Voted,** To accept the act of the Legislature, Chapter 158 of the Laws of 1871, entitled, "An Act to Provide for the Election of Road Commissioners." (General Laws, Chapter 41, Section 1.)

March 5, 1883. **Voted,** To accept the provisions of Section 10 of Chapter 48 of the General Statutes, relative to truants and neglected children. (Repealed 1898, Chapter 496, Section 36.)

March 3, 1890. **Voted,** To accept the first nine sections of Chapter 51 of the Public Statutes, said Chapter being entitled, "Of Betterments and other Assessments on Account of the Cost of Public Improvements." (General Laws, Chapter 80.)

February 12, 1891. **Voted,** To accept the act authorizing towns and cities to lay out public parks within their limits; being Chapter 154 of the Acts of 1882. (General Laws, Chapter 45, Sections 1 to 11.)

March 2, 1891. **Voted,** To accept the provisions of Chapter 386 of the Acts of 1890, relative to the election of town officers. (Repealed, 1893, Chapter 417, Section 345.)

February 3, 1894. **Voted,** That the town does hereby accept the provisions of Section 268 of Chapter 417 of the Acts of 1893, relative to the election of a separate Board of Assessors. (General Laws, Chapter 41, Section 1.)

November 28, 1894. **Voted,** To accept the provisions of Chapter 324 of the Acts of 1894, entitled an "Act Relative to the Reservation of Spaces in Public Ways." (General Laws, Chapter 82, Section 34.)

March 4, 1895. **Voted,** That the town hereby accepts the provision of Chapter 309 of the Acts of 1885, authorizing towns to license groves to be used for picnics and other lawful amusements. (General Laws, Chapter 140, Sections 188 to 190.)

March 4, 1895. **Voted,** To accept the provisions of Section 272 of Chapter 417 of the Acts of 1893, relative to the election of Sewer Commissioners. (General Laws Chapter 41, Section 1.)

March 4, 1895. **Voted,** To accept the provisions of Chapter 462 of the Acts of 1893 relative to the establishment of a building line on Public Ways. (Repealed, Acts of 1917, Chapter 344, Part 8, Section 1.)

March 4, 1895. **Voted,** To accept the provisions of Chapter 218 of the Acts of 1894 as amended by Chapter 473 of that same year, relative to the election of Boards of Health in towns. (General Laws, Chapter 41, Section 1.)

March 4, 1895. **Voted,** To accept the provisions of Sections 20 and 21 of Chapter 50 of the Public Statutes, relative to the establishment and grading of sidewalks by the Selectmen. (General Laws, Chapter 83, Section 25.)

June 29, 1895. **Voted,** To accept the provisions of Chapter 304 of the Acts of 1895, authorizing the town of Milton to construct one or more systems of sewerage. (Special Act.)

March 1, 1897. **Voted,** To accept the provisions of Chapter 101 of the Public Statutes relative to the suppression of common nuisances. (General Laws, Chapter 139.)

March 7, 1898. **Voted,** To accept the provisions of Section 11 of Chapter 481 of the Acts of 1894, relative to the regulation and inspection of buildings. (General Laws, Chapter 143, Section 3.)

March 5, 1900. **Voted,** To accept the provisions of Chapter 344 of the Acts of 1899, relative to eight-hour day for town employees. (General Laws, Chapter 149, Section 31.)

March 3, 1902. **Voted,** To accept the provisions of Section 18 of Chapter 122 of the Revised Laws (General Laws, Chapter 166, Section 32), relative to the appointment of an Inspector of Wires by the Selectmen.

July 14, 1902. **Voted,** To accept the provisions of Chapter 307 of the Acts of 1902, relative to water supply. (General Laws, Chapter 92, Section 10.)

August 16, 1902. **Voted,** To accept the provisions of Sections 58 to 64, inclusive, of Chapter 48 of the Revised Laws, relative to the jurisdiction of towns over highways and county bridges. (General Laws, Chapter 82, Sections 17 to 20.)

March 2, 1903. **Voted,** To accept the provisions of Sections 20 and 21 of Chapter 25 of the Revised Laws, relative to public baths. (General Laws, Chapter 40, Section 12.)

March 2, 1903. **Voted,** To accept the provisions of Section 339 of Chapter 11 of the Revised Laws, relative to the election of Overseers of the Poor. (General Laws, Chapter 41, Section 1.)

March 7, 1904. **Voted,** To accept the provisions of Section 70 of Chapter 75 of the Revised Laws, relative to privy vaults. (General Laws, Chapter 111, Section 126.)

March 6, 1905. **Voted,** To accept the provisions of Chapter 103 of the Revised Laws, relative to the supervision of plumbing. (General Laws, Chapter 142.)

July 21, 1905. **Voted,** To accept the provisions of Chapter 381 of the Acts of 1905, relative to the suppression of gypsy and brown-tail moths. (General Laws, Chapter 132.)

March 1, 1909. **Voted,** To accept the provisions of Chapter 476 of the Acts of 1908, relative to vacations for members of the Police Department. (General Laws, Chapter 92, Section 62, and Chapter 147, Sections 14 and 17.)

March 8, 1910. **Voted,** To accept the provisions of Sections 43 of Chapter 49 of the Revised Laws, relative to the grading and construction of sidewalks. (General Laws, Chapter 83, Section 25.)

March 6, 1911. **Voted,** To accept the provisions of Section 359 of Chapter 560 of the Acts of 1907, relative to the election of Moderators. (General Laws, Chapter 41, Section 1.)

March 6, 1911. **Voted,** To accept the provisions of Section 362 of Chapter 560 of the Acts of 1907, relative to the election of four constables. (General Laws, Chapter 41, Section 1.)

November 7, 1911. **Voted,** To accept the provisions of Chapter 634 of the Acts of 1911, relative to the establishment by counties of the retirement system for employees. (General Laws, Chapter 32.)

March 4, 1912. **Voted,** To accept the provisions of Chapter 146 of the Acts of 1911, relative to the establishment of an Art Commission. (General Laws, Chapter 41, Sections 82 to 84.)

March 4, 1912. **Voted,** To accept the provisions of Chapter 468 of the Acts of 1911, relative to the extension of Civil Service Acts to Chiefs of Police. (General Laws, Chapter 31, Section 49.)

March 4, 1912. **Voted,** To accept the provisions of Chapter 314 of the Acts of 1911, relative to the expending of money by the School Committee for the supervision of sports. (General Laws, Chapter 71, Section 47.)

March 4, 1912. **Voted,** To accept the provisions of Chapter 367 of the Acts of 1911, relative to the use of school halls for other than school purposes. (General Laws, Chapter 71, Section 71.)

November 5, 1912. **Voted,** To accept the provisions of Chapter 503 of the Acts of 1912, relative to the pensioning of laborers in the employ of the town. (General Laws, Chapter 32, Section 77.)

March 3, 1913. **Voted,** To accept the provisions of Chapter 327 of the Acts of 1904, relative to the pensioning of permanent members of the Police and Fire Departments. (General Laws, Chapter 32, Section 85.)

March 3, 1913. **Voted,** To accept the provisions of Chapter 498 of the Acts of 1908, relative to the pension funds for teachers in the public school. (General Laws, Chapter 32, Section 42.)

March 3, 1913. **Voted,** To accept the provisions of Chapter 635 of the Acts of 1912, relative to tenement house regulation. (General Laws, Chapter 145.)

March 3, 1913. **Voted,** To accept the provisions of Chapter 191 of the Acts of 1907, relative to the establishment of a Board of Survey. (General Laws, Chapter 41, Sections 73 to 81.)

November 4, 1913. **Voted,** To accept the provisions of Chapter 807 of the Acts of 1913, relative to the compensation of certain employees for injuries sustained in the course of their employment. (General Laws, Chapter 152, Section 69.)

March 2, 1914. **Voted,** To accept the provisions of Chapter 807 of the Acts of 1913, relative to workmen's compensation. (General Laws, Chapter 152, Section 69.)

March 2, 1914. **Voted,** To accept the provisions of Section 42 of Chapter 514 of the Acts of 1909 as amended by the provisions of Chapter 494 of the Acts of 1911, relative to the eight-hour day for city and town employees. (General Laws, Chapter 149, Sections 30 to 33.)

November 3, 1914. **Voted,** To accept the provisions of Chapter 217 of the Acts of 1914, relative to vacations for town laborers. (General Laws, Chapter 41, Section 111.)

March 13, 1915. **Voted,** To accept the provisions of Chapter 296. of the Acts of 1913, relative to the appointment of a Bird Warden. (General Laws, Chapter 131, Section 76.)

March 10, 1917. **Voted,** To accept the provisions of Chapter 15 of the Special Acts of 1917, revoking the reservation of space for use of street railway on Blue Hill Avenue. (Special Act.)

March 2, 1918. **Voted,** To accept the provisions of Chapter 140 of the Acts of 1917, amending Chapter 291 of the Acts of 1916, relative to the tenure of office of Chiefs of Fire Departments in the Metropolitan Fire Prevention District. (General Laws, Chapter 48, Section 58.)

March 2, 1918. **Voted,** To accept the provisions of Chapter 575 of the Acts of 1913, relative to the furnishing of lunches for school children. (General Laws, Chapter 71, Section 72.)

March 9, 1918. **Voted,** To accept the provisions of Chapter 305 of the Special Acts of 1917, relative to the management of the property received under the terms of the will of Edwin W. Wadsworth. (Special Act.)

March 8, 1919. **Voted,** To accept the provisions of Chapter 293 of the Acts of 1916, relative to the licensing of motor vehicles carrying passengers for hire. (General Laws, Chapter 159, Sections 45 and 46.)

March 8, 1919. **Voted,** To accept the provisions of Chapter 17 of the Special Acts of 1919, relative to the payment of an annuity to Catherine M. Moran. (Special Act.)

March 8, 1919. **Voted,** To accept the provisions of Chapter 16 of the Special Acts of 1919, relative to the payment of an annuity to Katherine K. McDermott.

March 13, 1920. **Voted,** To accept the provisions of Chapter 186 of the Acts of 1907, relative to the pensioning of widows and children of members of the Police and Fire Departments. (General Laws, Chapter 32, Section 88.)

May 3, 1920. **Voted,** To accept the provisions of Chapter 240 of the Acts of 1920, relative to sports and games on the Lord's Day. (General Laws, Chapter 136, Sections 21 to 28.)

November 2, 1920. **Voted,** To accept the provisions of Chapter 166 of the Acts of 1920, relative to the granting of one day off in every eight days to police officers without loss of pay. (General Laws, Chapter 147, Sections 16 and 17.)

March 12, 1921. **Voted,** To accept the provisions of Section 25A of Chapter 41 of the General Laws, relative to the appointment and renewal of Assistant Assessors by the Assessors.

March 3, 1923. **Voted,** To accept the provisions of Chapter 516 of the Acts of 1922, relative to the adoption of the State accounting system.

June 12, 1923. **Voted,** To accept the provisions of Section 20 of Chapter 39 of the General Laws, relative to precinct voting.

March 8, 1924. **Voted,** To accept the provisions of Chapter 26 of the Acts of 1923, relative to Boards of Public Welfare.

March 8, 1924. **Voted,** To accept the provisions of Chapter 337 of the Acts of 1921, relative to the pensioning of call men.

March 8, 1924. **Voted,** To accept the provisions of Chapter 391 of the Acts of 1923, relative to the collection of water rates.

March 14, 1925. **Voted,** To accept Chapter 9 of the Acts of 1925, authorizing the retirement and pensioning of John H. Higgins of the Police Department.

March 5, 1927. **Voted,** To accept Chapter 27 of the Acts of 1927, an act to erect and constitute in the Town of Milton representative town government by limited town meetings.

March 10, 1928. **Voted,** To accept the provisions of Sections 42, 43 and 44 of Chapter 48 of the General Laws to establish a Fire Department to be under the control of an officer to be known as the Chief of the Fire Department.

March 11, 1933. **Voted,** To accept the provisions of Section 26 of Chapter 46 of the General Laws, limiting the aggregate compensation to be allowed to the Town Clerk.

November 3, 1936. **Voted,** To accept Chapter 318 of the Acts of 1936 entitled "An Act for contributory retirement systems for cities and towns."

March 5, 1938. **Voted,** To accept Chapter 231 of the Acts of 1937, providing for increasing the amount of certain annual allowances payable by the Town of Milton to widows of members of its police or fire force killed or dying from injuries received in the performance of duty.

March 11, 1939. **Voted,** To accept Section 27-A and 30-A of Chapter 40 of the General Laws appearing in section 1 and 2 of Chapter 133 of the Acts of 1938 entitled "An act tending to prevent multiplicity of proposals for the same changes in Zoning ordinances or bylaws in their application."

March 14, 1942. **Voted,** To accept Sections 6 to 12 inclusive, of Chapter 143 of the General Laws (Ter. Ed.), relating to the Inspection of Buildings.

March 13, 1943. **Voted,** to accept Section 11-A of Chapter 85 of the General Laws (Ter. Ed.) as appearing in Section 1 of Chapter 710 of the Acts of 1941, relating to the registration and operation of bicycles.

March 4, 1944. **Voted,** to accept Section 6C of Chapter 40 of the General Laws, an act authorizing cities and towns to appropriate money for the removal of snow and ice from private ways therein open to public use.

MILTON TOWN RECORDS IN THE MUNICIPAL YEAR

1944

1944

WARRANT

MARCH MEETING

Commonwealth of Massachusetts,
Norfolk, ss.

To any of the Constables of the Town of Milton in said County, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

In Precinct 1. Tucker School Hall, Blue Hills Parkway,
In Precinct 2. Basement, Mattapan Branch Library, Blue Hills Parkway,
In Precinct 3. Police Station, Central Avenue,
In Precinct 4. Assembly Hall, Vose School, Walnut Street,
In Precinct 5. Town Hall, Canton Avenue,
In Precinct 6. Basement, East Milton Branch Library, Edge Hill Road,
In Precinct 7. Belcher School, Church Street,

on **Saturday, March fourth** next, at fifteen minutes before six o'clock in the forenoon, then and there to bring in to the Precinct Officers of their respective Precincts their votes on one ballot respectively for the following named Town Officers, to wit:

A Moderator for the term of one year.
A Town Clerk for the term of one year.
A Town Treasurer for the term of one year.
A Collector of Taxes for the term of one year.
Three Selectmen and Surveyors of Highways for one year term.
One Assessor for the term of three years.
Two members of the Board of Public Welfare for the term of three years.
One Sewer Commissioner for the term of three years.
A Tree Warden for the term of one year.
Two members of the School Committee for the term of three years.
One member of the Board of Health for the term of three years.
One Trustee of the Cemetery for the term of five years.
Three Library Trustees for the term of three years.

One Park Commissioner for the term of three years.
One Water Commissioner for the term of three years.
One Trustee of the Wadsworth Fund for the term of three years.
One member of the Planning Board for the term of five years.
Four Constables for the term of one year.

One hundred Town Meeting Members as follows:

Precinct 1.	Fourteen for three years.
	Three for two years to fill vacancies.
Precinct 2.	Eleven for three years.
Precinct 3.	Eleven for three years.
	One for two years to fill vacancy.
Precinct 4.	Twelve for three years.
	One for one year to fill vacancy.
Precinct 5.	Sixteen for three years.
	One for one year to fill vacancy.
Precinct 6.	Fifteen for three years.
	One for two years to fill vacancy.
Precinct 7.	Fourteen for three years.

Also to vote on the acceptance of the following Question:

> Shall the Town vote to accept the provisions of Section Six C of Chapter Forty of the General Laws which authorize cities and towns to appropriate money for the removal of snow and ice from private ways therein open to public use? YES NO

For these purposes the polls will be open at each and all of said precincts at fifteen minutes before six o'clock in the forenoon and will be closed at four o'clock in the afternoon.

And thereupon, by adjournment of said meeting, to meet on the following Saturday, to wit, March eleventh next, at thirty minutes past one o'clock in the afternoon at the Town Hall in said Milton, then and there to act upon the following Articles, to wit:

ADJOURNED TOWN MEETING, MARCH 11, 1944

Town Meeting Members Present: 198; Absent: 101.

The meeting was opened at 1:30 P.M. with prayer by the Rev. Vivian T. Pomeroy. The Moderator, Charles S. Pierce, read the following list of Town Meeting Members who had passed away since the last town meeting and the meeting was requested to stand:

Edward J. Chamberlain
Dr. Walter C. Kite
William G. Rodd

Selectman, Charles F. Batchelder, Jr., made the following announcement:

"Resolved, that the Members of the 1944 Milton Town Meeting express their appreciation of the twenty-five years of devoted service given to the Town by our Moderator, Charles Sumner Pierce, by rising in a standing vote of thanks."

The Town Meeting Members arose and the Moderator expressed his thanks.

ARTICLE 1. To choose all such Town Officers as are not required to be chosen by ballot.

Voted, The following officers were elected viva voce, namely: George E. Burt and Carl R. Horne, Measurers of Lumber.

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committes.

Voted, That the report of the Town Accountant be accepted and placed on file.

Voted, That the report of the Legislative Committee be accepted and placed on file.

ARTICLE 3. To see what sum of money the Town will appropriate for temporary adjusted compensation for the calendar year 1944 of officers and regular employees of the Town, in addition to amounts otherwise appropriated for the several officers, employees and departments of the Town, and to act on anything thereto.

Voted, To appropriate for the several officers and departments of the Town the amounts set against their respective designations in the list hereinafter included, to provide for temporary adjusted compensation for the calendar year 1944, for the officers and regular employees of the Town, such amounts to be in addition to the amounts otherwise appropriated for such officers and departments, and such additional compensation to be in the amount of $260.00 to each individual in full time employment, and a portion of this amount for part time employees, and in cases of termination of employment or commencement of employment after January 1, 1944, to be adjusted proportionately; expenditures may be made at the same rate in January and February 1945 in accordance with the provisions of General Laws, Ter. Ed., Chapter 44, Sec. 13.

HEALTH AND SANITATION

ARTICLE 25. To see what sum of money the Town will vote to appropriate for Health and Sanitation the present year and for unpaid bills of previous years:

1. Health—General
2. Dental Dispensary for Schools
3. Inspector of Animals
4. Sewer Maintenance
5. Maintenance and Repairs of Norfolk County Hospital
6. Maintenance of Tuberculosis Clinic.

Voted, That the following appropriations be made for:

1. Health—General	$ 9,050.00
2. Dental Dispensary for Schools	650.00
3. Inspector of Animals	300.00
4. Sewer Maintenance	6,557.00
Including the sum of $1,050.00 for new equipment.	
5. Maintenance and Repairs of Norfolk County Hospital	14,334.55
6. Maintenance of Tuberculosis Clinic	850.00

ARTICLE 26. To see what sum of money the Town will vote to appropriate for the disposal of garbage, ashes and other refuse and offal the present year, and to see if the Town will authorize the Board of Health to make a contract therefor in the name and behalf of the Town for not more than three years commencing May 1, 1944, under the provisions of Chapter 40, Section 4, of the General Laws, and act on anything relating thereto.

Voted, That the Board of Health be and is hereby authorized to make a contract in the name and behalf of the Town for the disposal of garbage, ashes and other refuse, and offal, for a term of not more than two years commencing May 1, 1944 at a rate of $29,832 per year, and that the sum of $28,174.67 be appropriated for the above purpose for the present year.

ARTICLE 27. To see what sum of money the Town will vote to appropriate for the Water Department for the current year, and to provide for the disposition of obsolete property, and act on anything relating thereto.

Voted, To appropriate the sum of $159,192.00 for the general uses of the Water Department during the present year, to be expended by the Water Commissioners in accordance with the Acts of 1902, Chapter 307, and Acts in amendment thereof and in addition thereto, said uses to include:

(a) the Metropolitan Water Assessment;
(b) the retirement of bonds and/or notes due in 1944;

(c) the interest on bonds and/or notes outstanding in Town of Milton water loans;
(d) a sum not exceeding $7,000.00 for extensions of and/or improvements of the system of mains;
(e) all other lawful expenditures;
(f) the sum of $1,500.00 for new equipment and/or replacement of present equipment and/or property and that the Water Commissioners are specifically authorized to exchange old equipment as an additional consideration in the purchase of new;
(g) the sum of $150.00 for the necessary expenses of the officers and employees of the Department, incurred outside the Commonwealth in securing information upon matters in which the Town is interested or which may tend to improve the service in the Department;

and that to meet said appropriation $126,509.50 be raised from the tax levy, and $32,682.50 be transferred from the available Water Department surplus as of December 31, 1943.

ARTICLE 28. To see what sum of money the Town will vote to raise and appropriate for the installation of water mains of not less than six inches in diameter and their appurtenances and to act on anything relating thereto.

Voted, That no appropriation be made.

ARTICLE 29. To see what sum of money the Town will vote to expend for the construction of sewers for sanitary purposes and for sewage disposal and to raise and appropriate money for the same and to act on anything relating thereto.

Voted, That the Town appropriate the sum of $42,802.00 for the construction of sewers for sanitary purposes and for sewage disposal; and that to meet said appropriation there be raised in the tax levy of the current year the sum of $42,802.00.

ARTICLE 30. To see if the Town will vote to raise and appropriate the sum of $250.00 for the purpose of maintaining during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

Voted, To raise and appropriate the sum of $250.00 for the purpose of maintaining during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

ARTICLE 31. To see what sum of money the Town will vote to appropriate for the maintenance and improvement of the Cemetery the present year.

Voted, That the sum of $22,314.60 be appropriated, including the sum of $50.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department.

ARTICLE 32. To see what sum of money the Town will vote to appropriate for the general use of the Board of Park Commissioners the present year.

Voted, To appropriate the sum of $6,910.00 for the general use of the Board of Park Commissioners the present year.

ARTICLE 33. To see if the Town will vote to accept Chapter 287 of the Acts of 1943 which authorizes cities and towns to make appropriations prior to January first, Nineteen hundred and forty-six for the suppression and eradication of ragweed, and appropriate money therefor and to authorize officials of the Town and their agents, representatives or employees to enter upon land within the limits thereof to carry out the purposes for which appropriation is voted, and act on anything relating thereto.

Voted, That the Town do not so vote and that no money be appropriated.

SCHOOLS AND LIBRARIES

ARTICLE 34. To see what sum of money the Town will vote to appropriate for the support of schools for the year 1944, and for unpaid bills of 1943 and to act on anything relating thereto.

Voted, To appropriate for the support of schools the present year the sum of $383,446.00 including the sum of $150.00 for the necessary expenses of officers and employees of the School Committee incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of our schools in 1944, and the sum of $500.00 for new equipment, the Committee being specifically authorized to exchange old equipment as an additional consideration in the purchase of new.

ARTICLE 35. To see what sum of money the Town will vote to appropriate for Vocational Education under the provisions of General Laws (Ter. Ed.), Chapter 74, and act upon anything relating thereto.

Voted, That the sum of $1,500.00 be appropriated for Vocational Education under the provisions of General Laws (Ter. Ed.), Chapter 74.

ARTICLE 36. To see what sum of money the Town will vote to appropriate for the Public Library the present year.

Voted, That the sum of $25,915.00 be appropriated for the Public Library the present year.

HIGHWAYS

ARTICLE 37. To see what sum of money the Town will vote to appropriate for the Street Department the present year:

1. General Expense, including removal of snow and ice from private ways open to public use.
2. Drainage
3. Permanent Construction
4. Private Work
5. New Equipment

Voted, That the following appropriations be made for:

1. General Expense Including removal of snow and ice from private ways open to public use.	$66,562.00
2. Drainage	6,329.85
3. Permanent Construction	1,500.00
4. Private Work	1,500.00
5. New Equipment	3,947.69

ARTICLE 38. To see what sum of money the Town will vote to appropriate for the care and maintenance of Granite Avenue Bridge over the Neponset River, under Chapter 58, General Acts of 1915.

Voted, To appropriate the sum of $7,677.56 for the care and maintenance of Granite Avenue Bridge over the Neponset River, under Chapter 58, General Acts of 1915.

ARTICLE 39. To see what sum the Town will appropriate for maintaining, repairing, improving and constructing ways under the provisions of General Laws (Ter. Ed.), Chapter 90, said sum, or any portion thereof, to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose, and to act on anything relating thereto.

Voted, That the Town appropriate the sum of $1,000.00 for the maintenance of ways under the provisions of General Laws (Ter. Ed.), Chapter 90, said sum, or any part thereof, to be used in conjunction with any money which may be allotted by the State or County, or both, for this purpose.

ARTICLE 40. To see if the Town will vote to accept part of Clifton Road, running from Highland Street to public portion, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept part of Clifton Road, running from Highland Street to public portion, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 47.

ARTICLE 41. To see if the Town will vote to accept part of Ferncroft Road, running from Hudson Street 810 feet west, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept part of Ferncroft Road running from Hudson Street 810 feet west, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 47.

ARTICLE 42. To see if the Town will vote to accept Kenilworth Road, running from Otis Street to Westvale Road, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relative thereto.

Voted, To accept Kenilworth Road, running from Otis Street to Westvale Road, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 47.

ARTICLE 43. To see if the Town will vote to accept Lawndale Road, running from Otis Street to Kenilworth Road, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept Lawndale Road, running from Otis Street to Kenilworth Road, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 47.

ARTICLE 44. To see if the Town will vote to accept part of Lawrence Road, running from Elton Road to private land, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept part of Lawrence Road, running from Elton Road to private land, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 47.

ARTICLE 45. To see if the Town will vote to accept part of Pagoda Street and part of Pagoda Circle, running from Blue Hill Avenue to Hudson Street, as Town Ways, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept part of Pagoda Street and part of Pagoda Circle, running from Blue Hill Avenue to Hudson Street, as Town Ways, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 47.

ARTICLE 46. To see if the Town will vote to accept Westvale Road, running from Edge Hill Road to Pleasant Street, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept Westvale Road, running from Edge Hill Road to Pleasant Street, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 47.

ARTICLE 47. To see what sum of money the Town will vote to appropriate or raise by borrowing or otherwise, for original construction of public ways, including land damages and the cost of pavement and sidewalks laid at the time of construction, accepted under Articles 40, 41, 42, 43, 44, 45, 46 or any of them, and to act on anything relating thereto.

Voted, That the sum of $60,902.05 be appropriated to be expended for original construction as follows:

Article 40.	Clifton Road	$ 9,735.00
Article 41.	Ferncroft Road	8,597.15
Article 42.	Kenilworth Road	8,167.40
Article 43.	Lawndale Road	8,839.30
Article 44.	Lawrence Road	5,833.20
Article 45.	Pagoda Street and part of Pagoda Circle	9,430.00
Article 46.	Westvale Road	10,300.00
		$60,902.05

and that to meet said appropriation there be raised from the tax lavy of the current year the sum of $19,233.97 and that the unexpended street betterment balances of $1,668.08, as itemized below, be transferred to this account:

Buckingham Road	$ 141.69
Clark Road	435.75
Elton Road	17.97
Glendale Road	638.33
Hurlcroft Road	127.24
McKinnon Avenue	307.10
	$1,668.08

and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of $40,000.00 and to issue bonds or notes, on the face the words "Town of Milton, Street Construction Loan 1944" and to be payable in accordance with Section 19 of Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than ten years from the date of the first bond or note, or such earlier date as the Treasurer or Selectmen may determine. Each bond or note shall be in coupon form and shall be subject to registration as to principal and may be exchanged in compliance with the statutory provisions for a registered certificate representing an equivalent obligation for pincipal and interest. The coupon bonds shall not be obligatory without the authenticating certificate thereon of a National Bank or Trust Company located in Boston, Mass.

(Unanimous Vote)

ARTICLE 48. To see if the Town will vote to accept the relocation and alteration of Granite Avenue and Squantum Street at the northwesterly corner of the junction of said two public ways, as laid out by the Selectmen, and to act upon anything relating thereto.

Voted, To accept the relocation and alteration of Granite Avenue and Squantum Street at the northwesterly corner of the junction of said two public ways, as laid out by the Selectmen and that no appropriation be made.

ARTICLE 49. To see what sum of money the Town will vote to authorize the Assessors to use out of the Excess and Deficiency Account in fixing the tax rate for 1944.

Voted, To authorize the Assessors to use the sum of $125,000 out of the Excess and Deficiency Account in fixing the tax rate for 1944.

ARTICLE 50. To see what sum of money the Town will vote to appropriate for the Reserve Fund for extraordinary or unforeseen expenditures during the current year and to apply from overlay reserve such amount as the Town shall determine to meet in whole or in part such appropriation, and to act on anything relating thereto.

Voted, That the sum of $22,000.00 be appropriated for the Reserve Fund for extraordinary or unforeseen expenditures during the current year and that to meet said appropriation the sum of $22,000.00 be transferred from the Overlay Reserve accumulated as of December 31, 1943.

ARTICLE 51. To see if the Town will vote to appropriate from overlay reserve the amount necessary to make up the deficit in the overlay for 1943, and to act on anything relating thereto.

Voted, That the Town so vote and that the sum of $10,897.59 be transfered from the Overlay Reserve Account to the Overlay Account for the 1943 deficit in the Overlay.

ARTICLE 52. To see if the Town will vote to instruct the Moderator to appoint a Committee of three citizens to prepare a list of the citizens of the Town who are in War Service; and to see what sum of money, if any, the town will vote to appropriate for the use of such Committee.

Voted, To instruct the Moderator to appoint a Committee of three citizens to prepare a list of the citizens of the Town who are in War Service and that the sum of $100.00 be appropriated for the use of such Committee.

COMMITTEE

Dorothy Davis, 363 Centre Street
Everett E. Shorey, 9 Westbourne Street
Frederick A. York, Jr., 25 Waldo Road

ARTICLE 53. To see if the Town will vote to raise and appropriate, or transfer from available funds in the treasury, a sum of money for the purchase of defense bonds, war bonds, or other bonds issued by the Federal Government, or other bonds that are legal investments for savings banks, in order to establish a post-war rehabilitation fund, in accordance with the provisions of Chapter 5, Acts of 1943, and act on anything relating thereto.

Voted, That the Town do not so vote and that no appropriation be made.

ARTICLE 54. To see if the Town will vote to authorize the Board of Selectmen to sell four automobiles, formerly used by the Police Department and not now required by said Department, for such consideration and on such terms and conditions as the Board of Selectmen shall determine, or otherwise to provide for the disposition of said automobiles and act on anything relating thereto.

Voted, To authorize the Board of Selectmen to sell four automobiles formerly used by the Police Department and not now required by said Department, for such consideration and on such terms and conditions as the Board of Selectmen shall determine, or otherwise to provide for the disposition of said automobiles.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the post offices of said Town seven days at least before said fourth of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date

Hereof fail not, and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said fourth day of March, next.

Given under our hands at Milton, the Seventeenth day of February, Nineteen hundred and Forty-four.

(Signed)

DANIEL E. DUGGAN
CHARLES F. BATCHELDER, JR.
JOSIAH BABCOCK

Commonwealth of Massachusetts, Norfolk, ss. February 26, 1944.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town and leaving attested copies at the dwellings of the inhabitants.

(Signed)

WILLIAM B. LADD,
Constable.

March 11, 1944. 3:18 P. M. Voted that the meeting be dissolved.

The foregoing meeting was opened March 4, 1944 at 5:45 A. M. by the Wardens in the several precincts.

G. FRANK KEMP,
Town Clerk.

WARRANT

APRIL PRIMARIES

Commonwealth of Massachusetts,
County of Norfolk, ss.

To any of the Constables of the Town of Milton in said County: Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Primaries to meet at the several designated polling places in their respective Precincts in said Milton, to wit:

In Precinct 1. Tucker School Hall, Blue Hills Parkway,
In Precinct 2. Basement, Mattapan Branch Library, Blue Hills Parkway,
In Precinct 3. Police Station, Central Avenue,
In Precinct 4. Assembly Hall, Vose School, Walnut Street,
In Precinct 5. Town Hall, Canton Avenue,
In Precinct 6. Basement, East Milton Branch Library, Edge Hill Road,
In Precinct 7. Belcher School, Church Street,

on **Tuesday the Tweny-fifth Day of April, 1944** at 12 o'clock Noon, for the following purposes:

To bring in their votes to the Primary Officers for the Election of Candidates of Political Parties for the following offices:

7 Delegates at Large to the National Convention of the Republican Party.
7 Alternate Delegates at Large to the National Convention of the Republican Party.
12 Delegates at Large to the National Convention of the Democratic Party.
12 Alternate Delegates at Large to the National Convention of the Democratic Party.
2 District Delegates to the National Convention of the Republican Party—Thirteenth Congressional District.
2 Alternate District Delegates to the National Convention of the Republican Party—Thirteenth Congressional District.
4 District Delegates to the National Convention of the Democratic Party—Thirteenth Congressional District.
4 Alternate District Delegates to the National Convention of the Democratic Party—Thirteenth Congressional District.
District Members of State Committee—(One Man and One Woman) for each political party for the Second Norfolk Senatorial District.
35 Members of the Republican Town Committee.
10 Members of the Democratic Town Committee.

All the above candidates are to be voted for upon one ballot.

The polls will be open from 12 o'clock Noon to 8 o'clock P. M.

And you are directed to serve this warrant by posting attested copies thereof in each of the post offices of said Town seven days at least before said meeting and leaving printed copies thereof at the dwelling houses of said Town at least four days before said meeting.

Hereof fail not and make return of this warrant with your doings thereon to the Town Clerk before said meeting.

Given under our hands at Milton this Sixth day of April, Nineteen hundred and forty-four.

(Signed)
DANIEL E. DUGGAN,
CHARLES F. BATCHELDER, JR.,
JOSIAH BABCOCK,
Selectmen of Milton.

APRIL PRIMARIES

Commonwealth of Massachusetts, Norfolk, ss. April 19, 1944.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town and leaving attested copies at the dwellings of the inhabitants.

(Signed)
WILLIAM B. LADD,
Constable of Milton.

WARRANT

JULY PRIMARIES

Commonwealth of Massachusetts,
County of Norfolk, ss.

To any of the Constables of the Town of Milton in said County: Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Primaries to meet at the several designated polling places in their respective Precincts in said Milton, to wit:

In Precinct 1. Tucker School Hall, Blue Hills Parkway,
In Precinct 2. Basement, Mattapan Branch Library, Blue Hills Pkwy.,
In Precinct 3. Police Station, Central Avenue,
In Precinct 4. Assembly Hall, Vose School, Walnut Street,
In Precinct 5. Town Hall, Canton Avenue,
In Precinct 6. Basement, East Milton Branch Library, Edge Hill Road,
In Precinct 7. Belcher School, Church Street,

on **Tuesday**, the **Eleventh Day of July, 1944** at 12 o'clock Noon, for the following purposes:

To bring in their votes to the Primary Officers for the Nomination of Candidates of Political Parties for the following offices:

Governor, Lieutenant Governor, Secretary, Treasurer and Receiver-General, Auditor, Attorney General, Senator in Congress (to fill vacancy); all of this Commonwealth.
Representative in Congress for the Thirteenth Congressional District.
Councillor for the Second Councillor District.
Senator for the Second Norfolk Senatorial District.
Two Representatives in General Court for the Fourth Norfolk Representative District.
Two County Commissioners for the County of Norfolk.
Sheriff for the County of Norfolk.
County Commissioner (to fill vacancy) for the County of Norfolk.

The Polls will be open from 12 o'clock Noon to 8 o'clock P. M.

And you are directed to serve this warrant by posting attested copies thereof in each of the post offices of said Town seven days at least before said meeting and leaving printed copies thereof at the dwelling houses of said Town at least four days before said meeting.

Hereof fail not and make return of this warrant with your doings thereon to the Town Clerk before said meeting.

Given under our hands at Milton this Twenty-second day of June, Nineteen hundred and forty-four.

(Signed)

DANIEL E. DUGGAN,
CHARLES F. BATCHELDER, JR.,
JOSIAH BABCOCK,
Selectmen of Milton.

Commonwealth of Massachusetts, Norfolk, ss. July 5, 1944.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town and leaving attested copies at the dwellings of the inhabitants.

(Signed)

WILLIAM B. LADD,
Constable of Milton.

WARRANT

NOVEMBER MEETING

Commonwealth of Massachusetts,
County of Norfolk, ss.

To any of the Constables of the Town of Milton in said County: Greeting:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in elections and in town affairs to meet at the several designated polling places in their respective precincts in said Milton, to wit:

In Precinct 1.	Tucker School Hall, Blue Hills Parkway,
In Precinct 2.	Basement, Mattapan Branch Library, Blue Hills Pkway.,
In Precinct 3.	Police Station, Central Avenue,
In Precinct 4.	Assembly Hall, Vose School, Walnut Street,
In Precinct 5.	Town Hall, Canton Avenue,
In Precinct 6.	Basement, East Milton Branch Library, Edge Hill Road,
In Precinct 7.	Belcher School, Church Street,

on **Tuesday**, the **Seventh Day of November**, 1944, at 6 o'clock in the Forenoon, then and there to bring in their ballots for Presidential Electors for President and Vice-President; Governor, Lieutenant Governor, Secretary, Treasurer, Auditor, Attorney General, Senator in Congress (to fill vacancy), all of this Commonwealth; Representative in Congress for the Thirteenth Congressional District; Councillor for the Second Councillor District; Senator for the Second Norfolk District; Two Representatives in General Court for the Fourth Norfolk District; Two County Commissioners for the County of Norfolk; Sheriff for the County of Norfolk; County Commissioner for the County of Norfolk (to fill vacancy); also to vote on the acceptance of the following questions:

QUESTION I.

Proposed Amendment to the Constitution.

Shall an amendment to the constitution to provide for a Fair, Concise Summary, instead of a Description, of Each Proposed Amendment to the Constitution and Each Law submitted to the People, under the Initiative and the Referendum, and Certain Changes relative to the Filing of Initiative Petitions which is further described as follows:

This amendment amends Article XLVIII of the Amendments to the Constitution by striking out section three under the heading "The Initiative. II. Initiative Petitions" and inserting in place thereof a new section which provides,—

That an initiative petition for a constitutional amendment or a law shall first be signed by ten qualified voters of the Commonwealth and shall be submitted to the Attorney General not later than the first Wednesday of the August before the assembling of the General Court into which it is to be introduced. It may be filed with the Secretary of the Commonwealth if the Attorney General shall certify that the measure and its title are in proper form and that it is not, affirmatively or negatively, substantially the same as any measure which has been qualified for submission or submitted to the people at either of the two preceding biennial state elections, and that it contains only subjects not excluded from the popular initiative and which are related or which are mutually dependent.

The Secretary shall provide blanks for the use of subsequent signers. He shall print at the top of each blank a fair, concise summary of the proposed measure, as determined by the Attorney General as it will appear upon the ballot, together with the names and residences of the first ten signers. All such petitions, with the first ten signatures attached, shall be filed with the Secretary not earlier than the first Wednesday of the September before the assembling of the Legislature into which they are to be introduced, and the remainder of the required signatures shall be filed not later than the first Wednesday of the following December.

Section 3 of that part of said Article XLVIII under the heading "The Referendum. III. Referendum Petitions." is also amended by striking out the second sentence of such section and inserting in place thereof provisions that the Secretary shall provide blanks for the use of signers of a referendum petition on a law requesting that the operation of such law be suspended subsequent to the first ten signers and shall print at the top of each blank a fair, concise summary of the proposed law as determined by the Attorney General as it will appear upon the ballot, together with the names and residences of the first ten signers.

Section 4 of that part of said Article XLVIII under the heading "The Referendum III. Referendum Petitions.", is also amended by striking out the third sentence of such section and inserting in place thereof provisions that the Secretary shall provide blanks for the use of signers subsequent to the first ten signers of a referendum petition asking for the repeal of an emergency law or of a law which takes effect because the referendum petition does not contain a request for suspension, and shall print at the top of each blank a fair concise summary of the proposed law as such summary will appear on the ballot together with the names and residences of the first ten signers.

Article XLVIII is further amended by striking out subheading "III. Form of Ballot" and subheading "IV. Information for Voters" under the heading "General Provisions" and inserting in place thereof new subheadings III and IV, which provide, respectively:

III. Form of Ballot

A fair, concise summary of each proposed amendment to the Constitution and each law submitted to the people, as determined by the Attorney General shall be printed on the ballot. The Secretary shall give each question a number and cause such question, except as otherwise authorized in said article of amendment, to be printed on the ballot in the following form:

In the case of an amendment to the constitution: Do you approve of the adoption of an amendment to the constitution summarized below, (here state, in distinctive type, whether approved or disapproved by the general court, and by what vote thereon)? YES — NO.

(Set forth summary here)

In the case of a law: Do you approve of a law summarized below, (here state, in distinctive type, whether approved or disapproved by the general court, and by what vote thereon)? YES — NO.

(Set forth summary here)

IV. Information for Voters

The Secretary shall print and send to each registered voter the full text of every measure to be submitted to the people, together with a copy of the legislative committee's majority and minority reports, with the names of the majority and minority members and a fair, concise summary of the measure as such summary will appear on the ballot and, in such manner as may be provided by law, other arguments for and against the measure,—

which proposed amendment was approved by the General Court and in a joint session of the two branches held July 8, 1941, received 201 votes in the affirmative and 2 in the negative, and in a joint session of the two branches held May 12, 1943, received 214 votes in the affirmative and 5 in the negative,—be approved? YES NO

QUESTION II.

Proposed Amendment to the Constitution.

Shall an amendment to the constitution to provide that the General Court may prescribe the terms and conditions under which pardons of offences which are felonies may be granted which is further described as follows:—

This article of amendment to the Constitution of Massachusetts annuls Article VIII of section 1 of chapter II of Part the Second of the Constitution, which vested the Governor, by and with the advice of the Council, with the full and unrestricted power of pardoning offences of which a person is convicted, except such as persons may be convicted of before the Senate by an impeachment of the House, and adopts a new Article VIII in place thereof.

This new article VIII vests the pardoning power in the Governor, by and with the advice of the Council, but provides further that if the offence to be pardoned is a felony the Legislature shall have power to prescribe the terms and conditions upon which a pardon may be granted.

The new Article VIII contains the same provision as the old with relation to the ineffectiveness of pardons granted before a conviction,

which proposed amendment was approved by the General Court and in a joint session of the two branches held July 8, 1941, received 199 votes in the affirmative and 1 in the negative, and in a joint session of the two branches held May 12, 1943, received 198 votes in the affirmative and 0 in the negative,—be approved? YES NO

QUESTION III.

Proposed Amendment to the Constitution.

Shall an amendment to the constitution restoring Annual Sessions of the General Court and an Annual Budget which is further described as follows:

This amendment to the Constitution of Massachusetts annuls Article LXXII of the amendments which provided for biennial sessions of the Legislature and a biennial budget, and makes effective those earlier provisions of the Constitution and its amendments which were annulled or affected by said Article LXXII,—

which proposed amendment was approved by the General Court and in a joint session of the two branches held July 8, 1941, received 172 votes in the affirmative and 38 in the negative, and in a joint session of the two branches held May 12, 1943, received 188 votes in the affirmative and 52 in the negative—be approved? YES — NO.

QUESTION IV.

Proposed Amendment to the Constitution.

Shall an amendment to the constitution providing for Absent Voting by

Qualified Voters who by Reason of Physical Disability are unable to vote in Person which is further described as follows:—

This amendment to the Constitution of Massachusetts annuls Article XLV of the Amendments to the Constitution which related to absentee voting and adopts in its place a new Article XLV which authorizes the Legislature to provide for voting, in the choice of any officer to be elected or upon any question submitted at an election, by qualified voters of the Commonwealth who at the time of such an election are absent from the city or town of which they are inhabitants or are unable by reason of physical disability to cast their votes in person—

which proposed amendment was approved by the General Court and in a joint session of the two branches held July 8, 1941, received 171 votes in the affirmative and 30 in the negative, and in a joint session of the two branches held May 27, 1943, received 184 votes in the affirmative and 61 in the negative,—be approved, YES — NO.

QUESTION V.

Law Submitted Upon Referendum After Passage.

Shall a law described as follows:—This law amends Chapter 271 of the General Laws by striking out section 22A, as previously amended, and inserting in place thereof a new section 22A, which provides that conducting or promoting a game of whist or bridge in connection with which prizes are offered to be won by chance, or allowing such a game to be conducted or promoted, shall not authorize the prosecution, arrest or conviction of any person for such acts under chapter 271 of the General Laws, which deals with crimes against public policy, if the entire proceeds of the charges for admission to such game are donated solely to charitable, civic, educational, fraternal or religious purposes. This new section does not contain, as did the section now stricken out, provisions authorizing the licensing and conducting of the game of beano,—

which section was approved by both branches of the General Court by vote not recorded,—be approved? YES NO

QUESTION VI.

To obtain a full expression of opinion, voters should vote on all three of the following questions:

(a) If a voter desires to permit the sale in this town of any and all alcoholic beverages to be drunk on and off the premises where sold, he will vote "YES" on all three questions.

(b) If he desires to permit the sale herein of wines and malt beverages only to be drunk on and off the premises where sold, he will vote "NO" on question one, "YES" on question two and "NO" on question three.

(c) If he desires to permit the sale herein of all alcoholic beverages but only in packages, so called, not to be drunk on the premises where sold, he will vote "NO" on questions one and two and "YES" on question three.

(d) If he desires to permit the sale herein of wines and malt beverages to be drunk on and off the premises where sold and in addition other alcoholic beverages but only in packages, so called, not to be drunk on the premises where sold, he will vote "NO" on question one and "YES" on questions two and three.

(e) If he desires to prohibit the sale herein of any and all alcoholic beverages whether to be drunk on or off the premises where sold, he will vote "NO" on all three questions.

1. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)? YES — NO.

2. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages)? YES — NO.

3. Shall licenses be granted in this town for the sale therein of all alcoholic beverages in packages, so called, not to be drunk on the premises? YES — NO.

All to be voted for on one ballot.

The polls will be open from 6 o'clock A. M. to 8 o'clock P. M. and you are directed to warn said inhabitants qualified as aforesaid to meet at the time and places and for the purpose herein mentioned by posting attested copies of this Warrant in each of the post offices of said Town seven days at least before said meeting and leaving printed copies thereof at the dwelling houses of said Town at least four days before said meeting.

Hereof fail not, and make due return of this Warrant or a certified copy thereof with your doings thereon to the Town Clerk, as soon as may be and before said meeting.

Given under our hands at Milton this Nineteenth day of October, Nineteen hundred and forty-four.

(Signed)

DANIEL E. DUGGAN,
CHARLES F. BATCHELDER, JR.,
JOSIAH BABCOCK,
Selectmen of Milton.

Commonwealth of Massachusetts, Norfolk, ss. October 30, 1944.

Pursuant to the within warant I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town and leaving attested copies at the dwellings of the inhabitants.

(Signed)

WILLIAM B. LADD,
Constable of Milton.

G. FRANK KEMP,
Town Clerk.
November 17, 1944.

Fourth Norfolk Representative District

We the undersigned Town Clerks of the Towns of Milton, Randolph and Holbrook, comprising Representative District number Four in the County of Norfolk, hereby certify:

That at an election duly held in said towns upon the seventh day of November, A. D. 1944, for two candidates to represent said district at the next General Court, the following number of votes were given in for the person hereinafter named, to wit:

	Josiah Babcock	Eliz. L. Dowling	Roy C. Smith	Blanks	Total No. of Ballots
Milton	8,354	4,468	5,024	5,736	11,791
Holbrook	1,073	317	1,396	958	3,744
Randolph	1,799	1,260	1,930	2,067	7,056
Totals	11,226	6,045	8,350	8,761	22,591

Josiah Babcock of Milton and Roy C. Smith of Holbrook were elected.
Given under our hands at Milton this 17th day of November, A. D. 1944.

(signed) G. FRANK KEMP,
Town Clerk, Milton

" EMILY T. McGAUHEY,
Town Clerk, Holbrook

" MARION L. BAILEY,
Town Clerk, Randolph

REPORTS OF SPECIAL COMMITTEES

REPORT OF MILTON COMMITTEE ON PUBLIC SAFETY

Milton, Massachusetts, January 15, 1945.

To the Citizens of Milton:

During the year air raid demonstrations and drills were held on January 9, February 28, March 26, and June 11. The town was blacked out in the February 28 and March 26 drills. After June 11 regular drills were suspended.

During the last week in February the Police Department took over the twenty-four hour watch of the Report Center, and the Civilian Defense organization has been on an "on-call" basis since that time.

Milton Academy has generously continued to reserve the space for the Report Center for the use of Civilian Defense and their equipment is still available there. The Mounted Patrol under Captain Rooney, has continued active with weekly meetings all summer and monthly meetings throughout the fall. At a meeting of town Mounted Patrols sponsored by Weston, the Milton unit was awarded two 1st prizes, two 2nd, and three 3rd, the greatest in number awarded to any single town group.

The Victory Garden Committee, of which Dr. Randolph K. Byers was Chairman, arranged for 126 Victory Gardens in eight plots, seven of which were loaned by generous individuals. These gardens were supervised by Mr. Frederick W. Swan, which proved of great assistance to some of the amateur gardeners.

The Executive Committee is planning to keep the organization on the present basis until ordered otherwise by the State Committee. Details of the expenditures of your Committee will appear in the report of the Town Accountant.

Respectfully submitted,

CARLETON R. RICHMOND,

Chairman.

The Executive Committee, in addition to the Chairman, consists of the following:

Merritt Hewett, Deputy Chairman
Edward C. Hunt, Deputy Chairman
Lincoln Bryant, Treasurer
Warren Murdock, Secretary
Mrs. Harold W. Melvin, Executive Secretary
G. Newell Hurd, Chairman, Protective Division
Samuel C. Bennett, Chairman, Publicity Division
Mrs. Maxwell Macdonald, Chairman, Women's Activities
Thomas M. Gibbons, Chairman, Health and Social Services
Dr. Maxwell Macdonald, Chairman, Medical Aid Division
Paul F. Dudley, Chairman, Services and Supplies
Christopher G. Hammond, Chairman, Evacuation Committee

REPORT OF MILTON WAR FINANCE COMMITTEE

Milton, Mass., January 15, 1945.

To the Citizens of Milton:

The following report is submitted as a matter of record.

There were three War Loan Drives held during 1944. In the Fourth War Loan Drive held in February, the total sales of $2,013,000.00 greatly exceeded the quota of $1,126,000.00. The sales of E Bonds amounting to $408,000.00 were also well in excess of the quota of $282,000.00.

For the Fifth War Loan Drive, the quota was increased to $1,708,000.00, but again sales ran well in excess of this quota amounting to $3,007,000.00. Total sales of E Bonds amounted to $282,000.00 against a greatly increased quota of $400,000.00. The success of these two drives was due in large part to Mr. Jesse B. Baxter, who was chairman.

In the Sixth War Loan Drive, the quota was again increased to $1,900,000.00, but again sales exceeded the quota totaling $2,506,000.00. Our E Bond quota of $247,000.00 was more than met with sales of $249,000.00.

Respectfully,

STANDISH T. BOURNE, Chairman,

REPORT OF MILTON WAR TRANSPORTATION COMMITTEE

January 10, 1945.

To the Honorable Board of Selectmen,

Gentlemen:

This Committee reiterates its request of the past two years that the residents of our Town continue to cooperate to the fullest by conforming to the directives and requests of the Office of Defense Transportation, of the Rationing Boards, and of other governmental agencies. Our Committee continually emphasizes the urgent need to conserve not only tires and gasoline, but the very automotive parts and accessories, most of which are and will be irreplaceable for the duration.

The Committee calls attention to the Directives of the Office of Defense Transportation requesting that no conventions be held during 1945 and that privately owned automobiles, buses, or trucks be not used to transport passengers to or from horse, dog or motor vehicle races.

The Committee wishes to emphasize that in all the releases to it from the Office of Defense Transportation it is stressed that the emergency as to transportation is still very grave.

The Committee is proud of and grateful for the splendid, patriotic cooperation of our fellow citizens, who, often at grievous inconvenience conform to the many burdensome but necessary limitations and restrictions upon travel.

May we hope that this same splendid spirit shall prevail until Victory.

Respectfully,

JOHN J. MURRAY,
Local Administrator.

REPORT OF THE MILTON SALVAGE COMMITTEE

January 8th, 1945.

To the Honorable Board of Selectmen,

Gentlemen:

The Milton Salvage Committee, which acts under the supervision of the Massachusetts Salvage Committee of the War Production Board, submits below a report of its activities for the year 1944.

Salvage Collected:	
Paper Collections (5 in all)	487½ tons
Tin Can Collections (5 in all)	67 tons
Kitchen Fats (Partly estimated)	26 tons
Totals for year	580½ tons

Financial Statement:	
Receipts—	
Balance of Cash January 1st, 1944	$ 163.68
Sale of Paper Salvage:	
January Collection	1,322.13
March Collection	1,191.07
June Collection	1,500.99
September Collection	1,505.51
Tin Can Collections (5 in all)	411.20
Miscellaneous	1.00
	$6,095.58
Expenditures—	
Gifts to Milton Organizations:	
Milton War Service Fund (sponsored by Rotary Club of Milton)	$1,322.13
Milton Chapter 1944 American Red Cross War Fund	1,191.07
Milton Visiting Nurse & Social Service League	1,500.99
The Milton Hospital	1,505.51
Troop No. 3 Milton Boy Scouts (Salvage of Paper Bombs)	25.00
Newspaper Advertising	295.00
All other miscellaneous	151.63
	$5,991.33
Cash on hand December 31st, 1944	104.25
	$6,095.58

Note:—Proceeds of sale of paper from December 29th collection does not show in 1944 fiscal year, as money not received until in January, 1945.

Paper salvage was far and away the largest item in tonnage. The amount 487½ tons compares with only 28½ tons in 1943. The collection of tin cans and kitchen fats showed little change over last year. No metal scrap was collected.

The five house-to-house paper collections held in 1944 would not have been possible without (#1) the patriotic cooperation of all the householders who did such an outstanding job of paper salvage; (#2) the permission granted to the Milton Salvage Committee by your Board of Selectmen who (under Executive Order #64 of the Governor dated November 8th, 1943) granted us the use of the man-power and truck-power of the various town departments for the drives. You gave us this permission under the Governor's Executive Order, and we quote in part from the Order: "Provided that any proceeds derived from such scrap or the sale thereof as may be collected by such trucks, trucking facilities and employees are used for charitable or public purposes."

As our report shows, we distributed the sums received from the proceeds of the sale of such scrap to Milton organizations, selecting the same four as we did in 1943.

The collections have all been under the able supervision of Forrest J. Maynard, Superintendent of Streets, assisted by James McGrath, Acting General Foreman.

Town Department Heads and Departments that have assisted us in every way possible include Highway, Water, Sewer, Cemetery, Forestry, and Park Departments, and we are deeply grateful to each and every one of them. Also, we are indebted to the School Department, various business concerns, and many others for making Milton's Salvage record in 1944 one that we all may be proud of.

The June collection topped all other towns in Massachusetts of comparable size, and as a result the town received special praise from the Massachusetts Salvage Committee.

Your Committee expects that the saving of paper, tin, and kitchen fats will be vitally necessary as long as the war lasts. We are confident that Milton will live up to in 1945, if not surpass, its wonderful record of 1944.

Respectfully submitted,

MILTON SALVAGE COMMITTEE

Mrs. Weston Howland,
Mrs. Maxwell E. Macdonald,
George L. Campbell,
Forrest J. Maynard,
C. Fisher Luther, Chairman.

REPORT OF THE LOCAL MILEAGE ADMINISTRATOR

Milton, Mass., January 10, 1945.

To the Honorable Board of Selectmen,

Gentlemen:

I herewith submit the second Annual Report of the Local Mileage Administrator for the Town of Milton for the year ending December 31, 1944. This office is a war measure, introduced to help effect a saving in gasoline, oil, and rubber.

During the year this office has received speedometer readings from all town departments monthly. These readings have been compiled and compared with those of a year ago. During 1944 some town departments have used more gasoline than a year ago and some less. During 1944 there was an increase in the use of gasoline over 1943.

The base set to figure annual savings from is the year 1941, prior to rationing. The goal set was a 40% saving. This office has made quarterly reports to the State Mileage Administrator in the State House.

There has been a fine spirit of cooperation shown by all town departments, and monthly readings have been sent in regularly.

Respectfully submitted,

FORREST J. MAYNARD,

Local Mileage Administrator.

REPORT OF MILTON COMPANY, MASS. STATE GUARD

19th Company, 26th Infantry

Cunningham Gymnasium, Milton, Mass.

Milton, Mass., January 10, 1945.

To the Citizens of Milton:

I herewith submit my report of the 19th Co., 26th Inf., M.S.G., for the year ending December 31, 1944.

Drill

The Company meets at the Cunningham Gymnasium every Wednesday night from 8 P. M. to 10 P. M. The drill periods consist of Infantry Drill, Guard Duty, Extended Order, Special Formations, Riot Formations, and Lectures on Map Reading and First Aid.

Change in Officer Personnel

2nd Lieut. William F. Flaherty was commissioned 1st Lieut. in the Massachusetts Organized Militia on April 6, 1944 and attached to the 19th Co. 26th Infantry.

Change in Uniform

In September the unit was issued the regular Army O.D. uniforms to take place of the original green uniforms.

Fire Arms

In September the shot guns were returned and the 1917 Enfield Rifle was issued to the company. In the coming year each member will be qualified on the new rifle.

Mobilization

On September 14, 1944 the entire Company was mobilized at 6 P. M. and stood in readiness until 4 A. M. for any emergency arising from the hurricane.

The Milton Company wishes to take this opportunity to express its sincere appreciation for the co-operation extended it by the Board of Selectmen, Police and Fire Departments, as well as the Committee on Public Safety. We also wish to express our appreciation to Mr. Jesse B. Baxter who has been instrumental in making many improvements at the Cunningham Gymnasium for the benefit of the Company.

To the members of the Company I wish to express my utmost appreciation for their unflinching sacrifices of time and effort and their willingness to assist me in every way to fill the duty which I assume as Commanding Officer.

Respectfully submitted,

CAPT. WILLIAM C. GREEN,
Commanding Officer.

Officers:
1st Lieut. William F. Flaherty
2nd Lieut. Warren Murdock

REPORT OF THE WARRANT COMMITTEE

March Meeting, 1944

Milton, February 25, 1944.

To the Citizens of Milton:

The Warrant Committee respectfully presents its recommendations upon articles in the Warrant for the annual Town Meeting, and a comparison of our recommendations for 1944 with the appropriations voted in 1943.

All budget requests have been carefully considered and all those desiring to appear before the committee were heard. The budget forms which have been in use for the last several years are of great help to this committee. The expenses of each department are shown to the smallest item and our subcommittees and the heads of the departments go over these in complete detail.

As has been the case for the last two years the deliberations and recommendations of the Committee have been influenced by War conditions. The inflationary trend of this year has placed upon us new problems with which even the most experienced have not previously been confronted. Following we are outlining our recommendations and explanations under separate headings. We have placed at the head of this list one of the most important factors growing out of War conditions and the attendant higher living costs; the subject of Adjusted Compensation.

Adjusted Compensation

At the annual Town Meeting of 1943 the Town employees, by vote of the Town, were granted compensation in addition to their base rates in the form of Adjusted Compensation. The amount voted for the year 1943 was $200.00 for each full time employee and a portion of this for part time employees. The 1943 Warant report outlined in very complete detail the background and present problem of Compensation. The Cost of Living Index established by the Massachusetts Division of Necessaries of Life was used as the basis of last year's determination. We publish this chart again and have changed the right hand per cent column to agree with that now in use by the Division of Necessaries of Life. In this column the years 1935-1939 are considered as 100%, and as of January, 1944 the cost of living was at 121%. The figure for the left hand scale was 163.7 as of January, 1944. This is one point above the level of last year.

This year a request has been made to the Selectmen by all Town employees for a substantial increase in Adjusted Compensation. This request is based on the fact that employees have reasoned that last year's adjustment did not sufficiently meet increased living costs. The School Committee has recommended a 15% increase with a ceiling established at $350.00 and a floor of $250.00. The other Town employees in the General Departments request a flat sum of $350.00 for the year 1944.

The reasons for the consideration of Adjusted Compensation are obvious. These reasons are known to each family. The cost of necessary commodities and supplies has jumped ahead of what were considered basic salaries and wages. In making our analysis we have taken into consideration that some of our citizens, other than Town employees, have financially benefited by employment in one of the War industries. It is not our intention that the Town should compete with the wages paid by War industries nor should the Town be called

upon to do so. The employee of a municipality enjoys permanent employment in most cases, plus the advantage of an extremely sound retirement system, while employment in the War industries may be temporary at best. We have also considered that there are many taxpayers whose income has not increased but who have been faced with the same increased cost in living. There are some whose actual net income is now less than previously.

The considerations above outlined for the Town employees and for the taxpayer have both been given long careful thought. We have borne in mind that a satisfied employee is the best assurance of good work for the Town. We have also considered the added burden of taxation. We do not feel that the Town should be called upon to meet the full extent of the increased cost of living for the Town employees when the citizenry as a whole are themselves faced with this same increased cost of living. In considering a basis which would be both sound and fair, we gave consideration to the suggestion of the School Committee's recommendation of a per cent increase with a floor and ceiling. Also we attempted to devise a method of paying Adjusted Compensation based on a dependency status. While both of these methods have considerable merit some inequities were found and it seems that a perfect system is almost impossible to attain. Your Committee as a whole felt this year, as they did last year, that the most practical method is a flat sum, since this would be fairest to all employees and still be fair to the taxpayer.

The Town has 364 employees. Of these 202 are in the General Government Departments and 162 in the School Department. Included in these figures are 27 part time employees in the General Department and 8 in the schools. We recommend that the Town appropriate as "Adjusted Compensation for the calendar year 1944" a sum of $260.00 per year for each full time employee and elected official of the Town whose principal means of livelihood is derived from the Town. We have also recommended a portion of the Adjusted Compensation for part time employees and have included the sums in the separate department totals.

Since this amount is a direct addition to the tax levy, your Committee has placed it as a separate article in the Warrant so that the citizens of the Town may know the total amount involved. Adjusted Compensation reflects current emergency conditions; it provides some relief from the increased cost of living and we feel is eminently fair to both Town employees and taxpayers. This procedure, since it is a temporary increase, also provides for a return to normal when, as, and if normal conditions prevail.

Welfare

The number of people receiving relief from the Town last year has dropped, due largely to the fact that we have practically no unemployment in the Town at the present time. We entered 1944 with 36 cases less than a year ago; a total of only 177 cases in charge of the Department of Public Welfare as follows:

9	general relief
9	aid to dependent children
159	old age assistance

Because of the new State law requiring higher average payments the actual cost of old age assistance rose over last year despite the drop in the over all number of cases. Despite the decrease in number of cases, the actual work and detail, and the actual payments in this department has increased. A large share of the total cost of relief is borne by the Federal and State Governments as shown on the chart on the opposite page.

General Government

The total bonded debt of the Town as of January 1, 1944 was $782,000.00 which is the lowest it has been since 1924. Since the Water Department bonds, amounting to $316,000.00 are self-liquidating from the Water Department revenue, the actual bonded debt of the Town is $466,000.00. By retiring $77,000.00 of Town bonds out of the tax levy this year the funded debt will be cut to $389,000.00. The Water Department is retiring $45,000.00 leaving a balance of Water bonds amounting to $271,000.00.

Your Committee is recommending that the Town issue bonds to the extent of $40,000.00 for Betterment Streets. Since this bond issue represents approximately that portion of the cost of construction which is paid for by the abutters, these bonds are in effect self-liquidating. It should be considered too that this year we are retiring high interest bonds, some as high as 4%, whereas the bonds we are recommending may be issued as low as 1%.

The Insurance budget includes an item of War Risk Insurance with premiums in the amount of $1,901.88. Neither your Committee nor the Selectmen would take the responsibility of removing this item from the insurance budget. A substitute motion can place this issue squarely before the Town Meeting Members for them to decide.

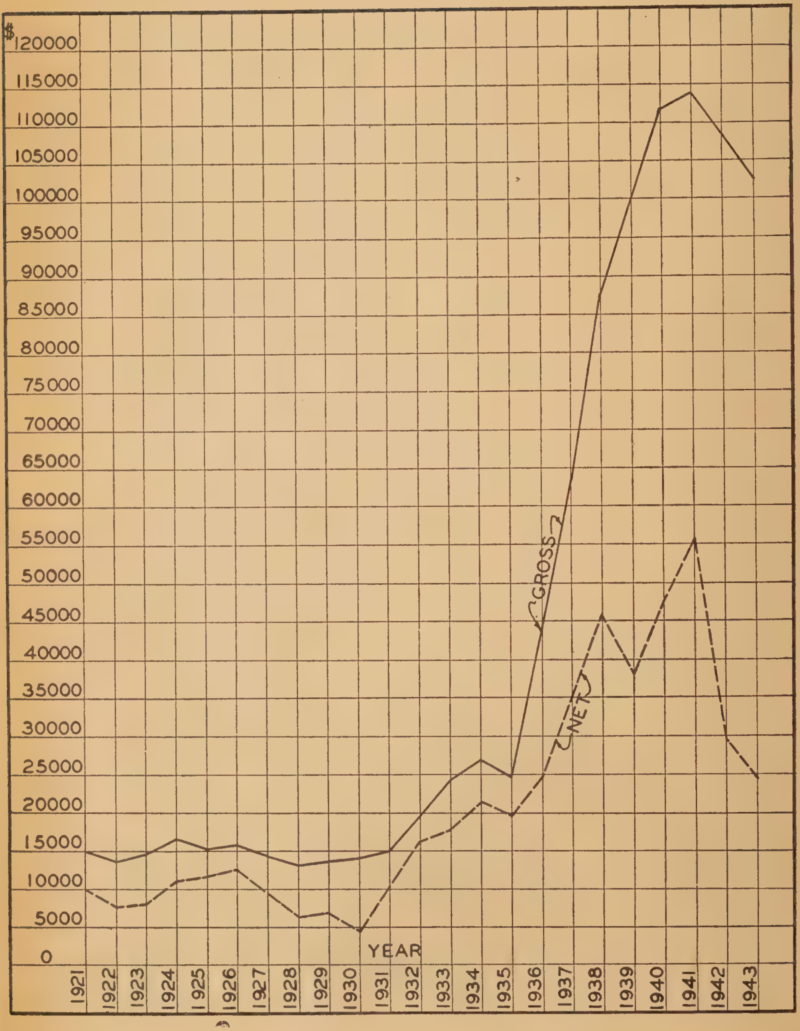
Protection of Persons and Properties

The budget request of the Milton Committee on Public Safety is an estimate of the probable amount needed to carry out the instructions of the Federal and State Office of Civilian Defense. We recommend a sum which is substantially less than the request, and this is based on using an unexpended balance which, as of February 1944, was $3,700.00. Your Committee discussed this with the Chairman of the Committee on Public Safety and mutual agreement was reached. It is felt that with possible declining activity this amount should be sufficient to carry out their needs.

Of recent years the Police Department has purchased new cruising or prowl cars each year. Early in 1943 because of restrictions in purchasing new automobiles, it was decided to attempt running prowl cars for two years and no budget request was made at the 1943 Town Meeting. During the fall of 1943 the cars, with speedometer readings of approximately 100,000 miles each, were giving constant trouble. It became apparent that new cars were needed immediately and furthermore that the number of cars available was becoming more limited each day. The procedure of advertising and listing for bids as required in the By-laws was followed and four new cars were purchased with a transfer arranged fom the reserve fund. Section 10 of Chapter 4 of the By-laws denied the Police Department the privilege of turning in the used cars. Article 54 in this year's Warrant covers the By-law requirement for authority to sell the cars.

The Police Department's request for new radio equipment has been deferred. The present equipment has been repaired and the Police Department report its operation is entirely satisfactory at the present time.

The Fire Depatrment this year includes a request for additional new equipment. In recommending that a new "Pumper" be bought your Committee has studied the present equipment and is listing it below by location.



WELFARE COSTS IN MILTON 1921-1943

Name	Purchased	Location
Combination No. 4 American LaFrance	1915	Atherton St. Station
NOTE: When purchased in 1915 this piece was put into service as Comb. No. 1; after four years it was transferred and operated as Comb. No. 4 and continued to operate as such until 1935; since this time it has been retained as an emergency piece of apparatus.		
Engine No. 4 American LaFrance	1916 (Pumper) pump and body 1919 (2 Tank Com.) chassis and motor	Atherton St. Station
Note: The above two pieces were converted in 1940 to one piece to operate as a pumping unit. **This is the piece necessary to be replaced in 1944.**		
Engine No. 2 Maxim	1934 in good condition	East Milton Station
Ladder No. 2 65′ Seagrave Aerial	1943	East Milton Station
This piece of apparatus was put into service July 31, 1943 and is in excellent condition.		
Ladder No. 1 American LaFrance	1926	Central Fire Station
Note: For a piece of apparatus seventeen years old, it is in fair condition.		
Combination No. 1 Diamond T	1938 in good condition	Central Fire Station
Engine No. 1	1940 in excellent condition	Central Fire Station
Chrysler Sedan Chief's Car	1941 in good condition	Central Fire Station

Your Committee feels that the equipment at the Atherton Street Station should be brought up to date. It is definitely a weak spot in our fire protection system. The Fire Department advise it impossible to replace, with military substitutes, on a temporary basis, the members who are now in the Armed Forces. Operating with fewer employees makes it essential that our equipment be kept right up to the best possible standards.

The Wire Department budget includes an item for replacing fire alarm cable from the Central Fire Station to Hose No. 4. Under present conditions it is almost impossible to receive or send out a fire alarm in this section if there is trouble in this wiring. The change was recommended by the New England Insurance Exchange (municipal protection) after a survey of the Town in 1938. The Wire Department has been working on part of the recommendations of that report each year and this will practically complete the carrying out of the recommendations of the entire report.

Health and Sanitation

In this year's Warrant is the subject of a new contract for the disposal of garbage, ashes and offal for the present year. The Board of Health secured a number of bids and we are recommending the acceptance of the lowest one. The subject of the length of term in the contract was given much deliberation. In the past these contracts have been written on a three year basis. This year we recommend a two year basis. We are not in a position to predict what labor rates may be even in the near future. We believe the present rates are high and in fairness to both the contractor and the Town it seems to your Committee that the contract should not be signed for longer than the two year period at the rate recommended.

The Water Department has been doing a minimum amount of new construction work. War time regulations have made it impossible for them to secure the materials needed. However, these limitations restricting new construction have brought about a large reduction in the bonded indebtedness of this department and will carry them in the Postwar era in an excellent position.

The Sewer Department has asked for a budget which should enable them to build sewers on 18 streets with a total footage of approximately 8,600 feet. Some of this work is now in progress. In recommending less than this request, your Committee has in mind that the Sewer Department use $6,000.00 of surplus which they have available and also that we keep in line with the average yearly expense in this department. Your Committee is recommending that we pay out of current income the entire cost of this program in order to keep the bonded debt of the Town low.

Cemetery Trustees have requested funds for the building of approximately 1,000 feet of permanent road in the cemetery. Your Committee has recommended that the amount for this work be appropriated.

Schools and Libraries

The Warrant Committee has enjoyed excellent cooperation with the School Committee this year. The school budget is the largest by far of any of the Town appropriations. Of this budget 85.60% is for salaries, 7.85% is for fixed charges, and 6.55% is for variables. The salaries of principals, teachers and janitors are all on a definite schedule with yearly increments and a basic maximum. In studying this budget it is important to note that a sum reverts to the Town from the State reducing the annual cost of our school operations. The reimbursement for 1943 under Chapter 70 of the General Laws was $26,227.00. The amount we are recommending for the 1944 appropriation is less than the original request based on an amended budget from the School Committee.

The Library Trustees presented its budget in its usual efficient manner and there were no unusual demands.

Highways

This year the Board of Selectmen received renewed petitions for Betterment Streets some of which could not be done last year because materials were not obtainable. All of the required materials have now been made available without restrictions. It was felt, therefore, that the construction covering seven streets totaling .965 miles should be recommended. This total recommendation for Street Betterment is $60,902.05 and we recommend that $40,000.00 of this amount be raised by bond issue and that the sum of $1,668.05, which is the balance in the Betterment Street account be also used and that the remainder, $19,234.00 be raised in the tax levy.

The amount requested for Betterment Streets is offset to some extent by our recommendation for a decrease in the amount of permanent construction, drainage and private work. The total recommendation is in line with that of previous years with the exception, of course, of 1943 when 22 men, approximately half of the highway force, were working for the Sewer Department.

The Granite Avenue Bridge requires immediate repairs of the masonry, both of the piers and abutments. The Milton approach of the Granite Avenue Bridge is at a slight incline to the street. Automobiles and heavily loaded trucks constantly hitting this incline over a period of years have pushed forward the granite blocks forming the abutment to the bridge, thereby destroying the masonry between these blocks. In order to hold the abutments in place it is necessary at this time not only to point up the surface but also to "gun" to insure proper peneration in the joints between the stones. This action is recommended by Mr. Thanisch, Engineer for the City of Boston which is paying one-half of the cost of the work and it is also considered essential by Mr. Maynard, Engineer for the Town of Milton.

Reserve Fund

Last year the Town appropriated a reserve fund of $20,000.00. This year we recommend that the sum of $22,000.00 be appropriated and that the entire amount be taken from the overlay reserve. With the possible return of Town employees, now in the Armed Forces, to full employment, there would be heavy demands upon the reserve fund. The following transfers were made from the 1943 reserve fund:

Granite Avenue Bridge	$ 905.77
Board of Appeals	350.00
Fire Department	890.10
Engineering Department	1,900.63
Insurance Department	114.61
Police Department	5,415.16
Tree Warden, General	3,000.00
State and Military Aid	45.00
Vocational Education	530.42
Old Age Assistance, Relief	1,250.00
Total Transfers	$14,401.69
Balance to Revenue	5,598.31
	$20,000.00

Miscellaneous

Article 33 is a petition covering the acceptance of a permissive act authorizing cities and towns to make appropriations for the suppression and eradication of ragweed. This Act becomes inoperative January 1, 1946. A copy of this Act is printed on page 44 of this Warrant. Your Committee heard the petitioners for the acceptance of this Act and the matter was given full consideration. The Sub-committee on Health investigated thoroughly and found that neither the State Board of Health nor the Town Board of Health favor action under this Act. Both of these departments believe there should be State wide control of this problem since local control is considered unsuccessful.

Article 48 covers the relocation and alteration of Granite Avenue and Squantum Street and on page 45 is printed a map of this area. The Selectmen have been able to secure from the owners the necessary land at no cost to the Town. Your Committee recommends that the Town so vote.

Article 51 is a request that the Town vote to transfer from Overlay Reserve a sum of $10,897.59 to the Overlay account to make up for the 1943 Overlay deficit. The Overlay is the amount raised by the assessors in excess of appropriations and other charges for the purpose of creating a fund to cover abatements granted. This may not exceed 5% of the current tax levy. Any balance in the Overlay account of a given year in excess of the amount of taxes for such year not collected or abated is transferred to Overlay Reserve. The only way to make use of any balance in the Overlay Reserve is by vote at Annual Town Meeting. In voting this money from the Overlay Reserve to the Overlay account it puts to use a balance of money lying idle and makes it unnecessary to appropriate against the tax levy to meet the deficit. Your Committee recommends that the Town so vote.

Article 53 in this year's Warrant raises the question of investing Town funds in War Bonds, or other bonds that are legal investments for Savings Banks. The Act under which these bonds can be purchased forbids the sale of the bonds for the duration of the War. It limits the use of the proceeds to capital expenditures except by appeal to a State Board. Your Committee consulted with the Town Treasurer in this matter and has reached the same conclusion as last year. We feel that under present conditions the Town is wise to increase its Excess and Deficiency account and keep its funds liquid under its own control. We recommend on Article 53 that the Town "Do not so vote."

Tax Rate

Milton along with many other communities in Massachusetts finds this year a surplus account far in excess of what was anticipated a year ago. As of January 1, 1944, our Excess and Deficiency account stood at $296,000.00. This increase has been caused by:

1. Increased income from State-shared revenues (income tax, corporation tax, etc.).
2. The fact that some departments have not been able to carry on their normal services resulting in the unexpended amounts remaining in free cash.
3. Conservative estimates of income and expense by the Assessors in annually fixing the tax rate.
4. Exceptionally good tax collections.

We are recommending that the assessors be authorized to use the sum of $125,000.00 in fixing the tax rate for the current year. This would leave the Excess and Deficiency account at $171,000.00 which sum, in normal times, would seem somewhat larger than desirable. However, it must be remembered that some major capital expenditures may be necessary in the not too distant future and it is well to accumulate sufficient reserves to offset the necessity of unusually large borrowings later on.

The Warrant Committee this year was unable to secure the usual figures showing State and County Taxes and State controlled payments to the town. These are normally furnished before this time to the assessors by the State Tax Commissioner's office. Since these figures are not yet available it has been necessary to use estimates. While these figures, therefore, are not actual, they are furnished by the Commissioner's office, and we believe are reasonably reliable and close enough to estimate the tax rate accurately.

If the Town Meeting does not appropriate more than we recommend and if it makes the transfers and issues the bonds we recommend we estimate the tax rate for 1944 can be maintained at the present rate, namely $25.00. If all departmental requests were granted in full, we estimate the 1944 tax rate would be $26.40.

The By-laws require the Warrant Committee to include in its report an estimate of the tax rate for the ensuing year. The actual tax rate is fixed by the assessors. In working out the estimate of the above tax rate your Committee consulted several times with the Board of Assessors who agree that the above estimate is reasonable.

Warrant Committee

Mr. William B. Wood was appointed to the Committee last fall to replace Mr. Theodore Clark who resigned.

At the present time most members of the Warrant Committee serve for two years with seven new members being appointed each year. The Town is growing and experienced members of the Committee will be urgently needed particularly in view of the long range planning now in process. We suggest that the members of the Committee serve for three years and that a new panel of five be appointed each year. Furthermore, we believe that the Warrant Committee should employ the services of a clerk during its active period. There is a growing amount of detail work now required of the Committee and a clerk on a part time basis would be of great assistance not only to the Secretary and Chairman, but to the whole Committee, with great benefit to the Town.

The Chairman of the Warrant Committee wishes to express sincere thanks to each member of the Committee and to the Secretary for the fine spirit of cooperation and sincere interest with which they worked in deliberating on the problems which have come before us.

For the Committee, we wish to express to the Department Heads and their personnel, our thanks for their cooperation in our study of their budget requirements. In particular, we wish to thank those Department Heads who furnished the Committee with their budgets at an early date. Many of the budgets can be made available early in December and we hope that all the Department Heads will make extra effort in this respect. Cooperation along these lines will be appreciated.

DEPARTMENT REPORTS

REPORT OF SELECTMEN

Milton, Mass., January 10, 1945.

To the Citizens of Milton:

The Selectmen submit the following report for the year ended December 31, 1944.

On March 4th the following were elected to the office of Selectmen: Daniel E. Duggan, Josiah Babcock and Charles F. Batchelder, Jr. and on March 9th the Board organized with Daniel E. Duggan, Chairman, and Charles F. Batchelder, Jr., Secretary.

The Board has been confronted with the usual problems connected with Town Government, but these problems have been met by the Board with open minds.

One of the problems this year has been the liquor question. Although the Town, according to its population, is entitled to four Package Goods licenses, the Board still feel that the two existing licenses, one in East Milton and one in Milton Village, are adequate to meet the demands of our Town. Nevertheless three additional applications were filed for licenses to sell Package Goods in the Milton Village section and one additional in East Milton. The Board denied all four applications. One applicant, who desired a license in Milton Village, appealed to the Alcoholic Beverages Control Commission from the refusal of this Board to grant him a license and the Commission, after a public hearing, voted to sustain the action of this Board. Another application was then received for a license in East Milton. This was refused and this applicant also appealed to the Alcoholic Beverages Control Commission, but hearing on this appeal is pending.

During the year, with the approval of the War Production Board, we were able to purchase a Public Address System for use in connection with indoor and outdoor functions of the Town. It was first put into operation at the Armistice Day exercises and was received by the public with great enthusiasm. Heretofore we have been obliged to hire this equipment and now that the Town owns this equipment this rental expense will be eliminated in the future.

As you all know we were obliged to turn over the use of the Banquet Hall in the Town Hall to the Rationing Board. When this space was first planned for a banquet hall the lighting was installed with that in mind, but when it was put to constant use by an office force the lighting proved inadequate. Once again we appealed to the War Production Board and were granted permission to install fluorescent lighting in this room. This change has been a great improvement and has been most gratefully received by the personnel of that office.

The capacity of the Town Hall is now at its peak. When the Banquet Hall was taken over by the Rationing Board the last available space was utilized, thus making it rather difficult to find space for special committees who desire space in the hall for their meetings. This would prove to the citizens of the Town that consideration will have to be given in the not too distant future to plans for a new and more spacious building.

Our post war program is progressing with very fine cooperation from all departments. One of the first projects to be undertaken during the year 1945 is the insulation of the Thacher Building, which houses the Water Department, Engineering Department, Town Accountant and the American Legion Headquarters. This building is just a frame building and consequently is very drafty, which results in a noticeable loss of heat, which we are especially asked to conserve during this critical War period. Despite the fact that the area of the Thacher Building is 82,360 cubic feet less than the area of the Town Hall the amount of fuel used in the Thacher Building in the last three heating seasons was 18% more than was used in the heating of the Town Hall and even then the Thacher Building was uncomfortably cool and drafty. The Selectmen feel that this is a worthwhile expenditure and are convinced that there will be a fuel saving of at least 20%, which saving would absorb the outlay for this insulation in the next five years.

Since Armistice Day 1943 the numbers on the Town Service Flag have increased from 1838 citizens in the armed forces to 2470 and from 17 who have given their lives to 48 at the present time. This flag has been transferred from the flagstaff in front of the Town Hall to the front entrance where it hangs above the steps and may be seen at all times to better advantage.

Petitions for the acceptance and construction under the Betterment Act of the following private ways during 1945 were received:

Crown Street—from Essex Road 281 feet northwesterly
Denmark Avenue—from Squantum Street to Private Land
Essex Road—from Decker Street 400 feet west
Greenleaf Road—from Standish Road to Windsor Road
Holborn Street—from Otis Street to Private Land
Mingo Street—from Canton Avenue to Park Street
Park Street—from Canton Avenue to Blue Hills Reservation
Revere Street—from Warren Avenue to Pine Tree Brook
Rockwell Place—from Rockwell Avenue to Private Land
Victory Avenue—from Quincy Line to Private Land
Wildwood Road—from Clifton Road to Town Land

Public Hearings were held on these petitions and all interested were given an opportunity to speak. After giving the matter a great deal of consideration the Selectmen, in view of the fact that all streets voted at the March Meeting to be constructed during 1944 had not been completed, decided that it would be best to only undertake construction of the following during 1945:

Crown Street from Essex Road 281 feet northwesterly
Denmark Avenue from Squantum Street to Private Land
Essex Road from Decker Street 400 feet west
Greenleaf Road from Windsor Road to Standish Road
Holborn Street from Otis Street to Private Land
Rockwell Place from Rockwell Avenue to Private Land
Victory Avenue from the Town Line to Private Land
Wildwood Road from Clifton Road to Town Land

The Board also received a petition from citizens of the Town, who are either residents or users of Eliot Street requesting that the Board consider the reconstruction of Eliot Street between Central Avenue and Valley Road. This street was constructed many years ago and never has had proper drainage and with the heavy traffic has been a constant source of danger and annoyance. An appropriation for this work has been included in the Highway budget for 1945.

In compliance with the request of the Governor the Board of Selectmen have appointed the Milton Advisory Committee for Veterans to centralize the efforts of the various organizations of the Town, which will be available to help returning veterans work out their problems of readjustment to civilian life. Similar committees are being organized in practically all the cities and towns of the Commonwealth.

The Board wishes to take this occasion to thank all Town Boards, Department Heads and employees for their fine cooperation this past year.

Respectfully submitted,

DANIEL E. DUGGAN,
JOSIAH BABCOCK,
CHARLES F. BATCHELDER, JR.,
Selectmen of Milton.

REPORT OF THE TOWN COUNSEL

Milton, January 1, 1945.

To the Board of Selectmen:

Gentlemen:

I herewith submit my report for the fiscal year 1944.

My annual retainer, or salary, of $2,000 covers all legal matters, except cases in court and proceedings and hearings before boards or commissions similar to court cases. It includes opinions upon request to all Town boards, examination and reports to the Board of Selectmen of claims made against the Town from time to time in connection with alleged defects in ways or for other reasons, adjustment of claims for damages on account of takings where no suits have been brought, collection of claims by the Town against persons or corporations, drafting layouts and takings for streets, sewers, and drainage and other projects, contracts and other instruments necessary in connection with various town activities, by-laws, articles, and votes for the Town Warrant, and licenses, permits, etc.

Tax Foreclosure Proceedings

Three cases have been disposed of by foreclosure.

One case is pending on account of absence in military services of a party interested.

Six cases brought in the latter part of the year are pending.

Litigation

1. Decree has been obtained on a petition to register the title of a tract of land bounded on Lyman Road, Spruce Street, City of Quincy, and several individuals, containing about thirty-nine acres, and a marketable title vested in the town. These parcels of land were obtained on tax foreclosures and banks and others who loan money on mortgages are not satisfied to approve titles obtained under foreclosure proceedings until the same are authenticated by the Land Court in proceedings for registration.

2. In three instances it has been found necessary to bring suits in the Superior Court to compel compliance with the Zoning By-law. The three cases were tried and decree in each case was entered in behalf of the town.

3. Two cases of tort in the Superior Court on account of damages claimed in connection with a collision with a truck of the Sewer Department were adjusted by settlement.

I have entered appearances for the town in connection with five petitions in the Land Court to register land in Milton to enable the Town Engineer to verify street lines claimed in the petitions of streets adjoining the premises in question. Upon approval of the plan by the Town Engineer, appearances have later been withdrawn in the above cases.

Hydrants, police-boxes, and other town appliances along the ways have been fairly free from damage by careless drivers. One claim, amounting to $45.55, has been collected. Settlement of a claim from a previous year on account of damage to a hydrant, in the sum of $88.24, has been made; check to come after January 1, 1945.

I desire to express my appreciation for the continued consideration shown me by your Board during the year. I have had prompt and efficient cooperation from the departments of the Town in connection with legal matters.

Respectfully submitted,

LINCOLN BRYANT,

Town Counsel.

REPORT OF BOARD OF APPEALS

Milton, Mass., January 3, 1945.

To the Citizens of the Town of Milton:

The Board of Appeals presents the following report for the year 1944.

Mr. Edward C. Johnson, 2d, whose term expired in March, was reappointed to serve until the Annual Town Meeting to be held in March, 1947.

During the year we have held ten hearings as follows:

Date of Hearing	Name of Applicant	Nature of Appeal	Decision
Mar. 27	Est. of Mary A. Tucker et al. by J. Edward Tucker, Admr. and Roy H. Hurd	Variance to permit conveyance of part of existing lot located at 151 Eliot Street to Roy H. Hurd	Granted
Apr. 10	Charlotte H. Bartol	Variance to permit erection of a shelter at corner of Blue Hill Ave. and Dollar Lane within 6 ft. of line of street	Granted
Apr. 24	James S. Russell, by Robbins, Noyes & Jansen, Attorneys	Special Permit to remove gravel from upland in marshland on northerly side of Granite Ave.	Granted
May 25	Francis E. and Helen F. Sweeney	Variance to permit extension of existing breezeway at rear of house No. 4 Magnolia Rd. within 11 ft. 11 in. of rear lot line	Granted
June 26	Milton Hospital and Convalescent Home, by C. H. Sayre Merrill, President	Special Permit to use buildings and land at No. 92 Highland Street for the purpose of a hospital and convalescent home	Granted
June 27	Emma C. Higgins	Variance to permit erection of addition to sunporch of dwelling No. 110 Blue Hills Pkwy. within 7.5 feet of side lot line	Granted
June 27	Emma C. Higgins and Clarence B. Higgins, M.D.	Special Permit at No. 110 Blue Hills Parkway for medical office	Granted
Aug. 1	Edith M. Safford	Variance to permit creation of a lot approx. 29,300 sq. ft. in area from land at No. 145 Hillside St., maintenance of bldg. thereon and sale of said lot and bldg.	Withdrawn

Sept. 20	Augustine M. Monast	Variance to permit erection of a one car cement block garage at No. 87 Waldeck Road, 1.5 ft. from a side lot line	Denied
Nov. 14	Lucy G. Holden	Variance to permit division of lot at 158-162 Eliot St. into 2 lots in order to sell house No. 162	Granted

Respectfully submitted,

EDWARD C. JOHNSON, 2d, Chairman,
JOHN M. CURLEY,
GEORGE F. SHEPARD,
Board of Appeals.

REPORT OF ENGINEERING DEPARTMENT

Milton, Mass., January 10, 1945.

To the Honorable Board of Selectmen,

Gentlemen:

I herewith submit my annual report of the Engineering Department for the year ending December 31, 1944, in accordance with the By-laws of the Town.

Your Engineering Department continues to carry on in spite of the interference of the war, which has upset nearly every schedule. Because most of the employees are new men and unfamiliar with the Town and the work, a hardship has been placed on the few older employees.

During the year, topography was taken and the area completed bounded by Pleasant Street, Fullers Lane, the Milton-Quincy line, and Quarry Lane. Within this area ten parcels of land were surveyed last year, comprising a fifty acre tract, and lines were run throughout the whole scrub oak land. This simplified the work and was a great saving in time and money, for had this job been delayed and new lines run later, the scrub growth would have had to be cut a second time. Already this plan has been found most helpful in deciding questions regarding refuse dumping ground and possible future drainage.

During the year the Department has been of great assistance to other Town Departments in projecting their six year programs. The Cemetery Trustees depend entirely on us to produce maps and future engineering ideas for their enlargement of the cemetery area.

Another project accomplished this year was a complete survey and location line, complete with levels and cross-sections, of Pine Tree Brook from Brookside Park through to Canton Avenue, a distance of 12,150 feet, or 2.30 miles. This work is recommended by the Milton Planning Board and is proposed for Post-War work. Should an emergency arise making it necessary to put one hundred men to work, Milton is prepared to do so. The office work and plans for this job will be made during 1945.

An appropriation was allotted us in 1944 for an additional draftsman to assist in our work and that of the Planning Board. Because the war and war work have absorbed all such available men, we were unable to obtain a man. Therefore the sum of $1,058.65 is being returned to the Town. The clerk and one draftsman in this office do part-time work for the Planning Board. Because of the difficulty in getting the weekly payrolls signed by a majority of the Planning Board each week, and to simplify the bookkeeping, their full time pay is appropriated on the Engineering Department's budget.

A diary of the Engineers' activities is kept during the year and is used by the State Accounting Department of the Commonwealth. The distribution of activities is as follows:

Plans and Surveys for 1945 Budget Estimates	25.22%
Street Betterments—1944	21.23
Post-War Planning	17.29
Planning Board	13.31
General Highway Work	5.78
General Departmental Work	5.13
Assessors' Department	4.00
Water Department	3.66
Cemetery Department	1.92
Building Department	1.17
Victory Gardens	0.56
Wire Department	0.36
School Department	0.24
Park Department	0.13
	100.00%

Highway Department

This work requires the services of one engineer and two helpers the greater part of their time, laying out work, giving lines and grades, replacing stakes destroyed, and a constant check on all work as it progresses.

Drainage

The bulk of drainage work was on Robbins Street. This old road now has an adequate drainage system from Canton Avenue to Blue Hill Avenue. All storm water that used to flow onto private land is now arrested before it gathers in any great volume and is caught in catch basins and conducted into Trout Brook through underground pipes.

Another drain was installed on Highland Street between an old culvert at the Whitney and DeNormandie line and extended across Spafford Road to Buckingham Road. This line will work eventually into the development of Highland Street when the Pierce land, taken for hospital purposes, is improved. Thus all storm water collected in this drain line will be discharged into the brook at the foot of the hill near Canton Avenue.

On Clifton Road, the Betterment street drain was extended across Highland Street to intercept a brook beside the road so that this brook which formerly flowed along Highland Street across the DeNormandie estate, is now non-existent. Thus a saving is effected in sanding the road, which formerly, during freezing weather, became very icy due to the overflowing of this stream.

On Hinckley Road the drainage from a low place near Windsor Road was extended towards Ridge Road about halfway between the two streets, and catch basins were installed.

The following is a list of drainage installed during 1944:

Location	Length	Size	No. Catch Basins	No. Manholes
Clifton Road*	112.1	8″		
	459.7	12″	5	2
Clifton Road	268.7	12″		1
Ferncroft Road*	59.0	10″		
	106.5	8″	6	
Highland Street	467.0	10″		2
Hinckley Road	30.0	8″		
	368.5	10″	2	2
Kenilworth Road*	60.8	8″		
	71.9	12″		
	267.6	10″	2	2
Lawndale Road*	114.9	8″		
	350.2	10″	5	2
Lawrence Road*	52.8	8″	2	
Pagoda Circle*	235.2	10″		
	16.3	8″	1	1
Pagoda Street*	50.0	10″		
	32.8	8″	2	1
Robbins Street	517.0	10″	6	4
Westvale Road*	194.2	8″	7	
	3835.2		38	17

* Betterment Streets

Number of Catch Basins in Town January 1, 1944	1445
Number of Catch Basins Constructed During 1944	38
	1483

Betterment Streets

There were seven streets constructed under the Betterment Act this year. The construction of these roads to make them city streets was carried out in the usual manner. Adequate drainage was installed and all corners intersecting with public streets were curbed with circular curbing.

The following is a list of Betterment Streets constructed during 1944:

Street	From	To	Length	Width
Clifton Road*	Highland Street	Public Portion	929	40
Ferncroft Road*	Hudson Street	S. prop. line lot 61	810	40
Kenilworth Road	Otis Street	Westvale Road	626	50
Lawndale Road	Otis Street	Kenilworth Road	676	50
Lawrence Road	Elton Road	Private Land	488	40
Pagoda St. & Circle*	Blue Hill Avenue	Hudson Street	747	40
Westvale Road	Edge Hill Road	Pleasant Street	825	50
			5101	

* Partially constructed. To be completed in 1945

There were eleven more streets petitioned for to be constructed under the Betterment Act. All surveys, plans, and estimates were made in this office. Hearings were held, the plans exhibited and explained to petitioners at the time. The production of these plans demands several weeks' work of the entire Engineering corps, and these plans when complete will pass all Land Court requirements. The following is a list of plans for Betterment street construction proposed for 1945:

Street	From	To	Length	Width
Crown Street	Essex Road	283.95′ No'westerly	283.95′	40′
Denmark Ave.	Squantum St.	Private Land	663.00	40
Essex Road	Decker Street	367.04′ Westerly	367.04	40
Greenleaf Rd.	Windsor Road	Standish Road	288.80	40
Holborn St.	Otis Street	Private Land	274.81	40
Mingo Street	Canton Avenue	Park Street	871.65	40
Park Street	Canton Avenue	M.D.C. Line	877.82	40
Revere Street	Warren Avenue	Pine Tree Brook	1018.98	40
Rockwell Pl.	Rockwell Ave.	Private Land	238.37	40
Victory Ave.	Town Line	Private Land	166.00	40
Wildwood Rd.	Clifton Road	Town Land	409.11	40
			5459.53′	

Curbing

The usual amount of curbing has been installed on street corners. The following list shows where curbing has been installed:

Location	Circular Feet	Straight Feet	Corner Blocks
Central Avenue*		219.5	
Clifton Road	72.3	24.0	
Ferncroft Road	44.5	12.0	1
Kenilworth Road	214.1	36.0	1
Lawndale Road	419.8	96.0	
Lawrence Road	37.0	12.0	
Pagoda Circle	57.1	12.0	
Pagoda Street	185.5	48.0	
Reedsdale Road		125.0	1
Westvale Road	188.2	48.0	
	1218.5	632.5	3

*Reset

In the not too distant future, curbing is going to be a necessity on our main thoroughfares in the more populated areas. Because of parking and the splashing of water, it is impossible to maintain tree lawns.

Permanent bounds were set as follows during the year:

Location	No. Bounds Set
Cemetery	2
Central Avenue	1
Clifton Road	2 Reset
Kenilworth Road	4
Lawndale Road	1
Lawrence Road	2
Westvale Road	2
	14

REPORT OF ENGINEERING DEPARTMENT

Permits

This office issues all permits for street occupancy and street opening and issues bills for all repairs made. We have issued eighty-seven permits this year and bills have been sent out for the collection of $754.39.

Assessors

The Assessors' Department demands more and better plans this year. They have requested that owners' names be put on all their plans, which required several weeks of additional work besides the regular inspection of all deeds and the necessary changes of lines where land lines have been altered. There are annually approximately 1500 cards to go over. This is all necessary work, assisting us in keeping our Town plans up to date.

Cemetery Department

Because the population in Milton is increasing yearly in proportion, there is more call for burial lots in the Milton Cemetery. Nearly all of the available land is occupied and this department has been called on to lay out lots on any and nearly all available spaces in the older parts of the cemetery. Also, the recently developed areas have been plotted, laid out, and plot plan sketches made and furnished the Milton Cemetery Department. During the year we have laid out a total of 139 new burial lots.

Victory Gardens

The Engineering Department engaged the plowmen and supervised the preparation of the grounds for the Victory Garden Committee. Plot plan sketches were supplied the district men for allotting the various garden plots.

Recommendations

I recommend the continuance of the Six-Year plan of budgeting, but refer you to the Planning Board graph showing "Growth of Population from 1920 to 1943 and Possible Increase to 1950." This chart, published in the 1943 Town Report on page 156, shows how difficult it would be for department heads to predict six years in advance everything that they would need. Since Milton is a suburb of Boston, there will be an ever increasing demand for improvements. To obtain good results, a great amount of elasticity in budgeting must be provided in view of the increase in population.

Again I recommend the widening of Adams Street between Hollis Street and the Milton-Quincy line. I would suggest that the taking of lands be made at least a year before construction is started.

I recommend also that the Town continue with the type of Betterment construction now in vogue. The first Betterment street was constructed nineteen years ago and no money of any great amount has been spent on it to date. It still is a fine piece of roadway, free from holes, with a smooth surface.

Appreciation

Considering the upset condition of world affairs because of the war, I wish to thank the citizens of Milton who have called on this department for their consideration in not getting prompt service as usual. I want to thank the Board of Selectmen for their advice and assistance in carrying on the year's work, and other department heads who have cooperated with the Engineering Department. I also thank the employees of this department who have tried so hard to make 1944 a successful year.

Respectfully submitted,

FORREST J. MAYNARD,
Town Engineer.

REPORT OF ASSESSORS OF TAXES

December 30, 1944.

To the Citizens of the Town of Milton:

The Assessors herewith submit their report for the year 1944. At the annual election of the town officers for 1944 Robert Bowie was elected for a three year term, and on March 16th the Board organzied as follows: Robert Bowie, Chairman; William C. Hoxie, Secretary. Miss Bertha M. Johnson was appointed Clerk to the Board, and Mrs. Alice L. Stephens and Miss Ruth A. Dodd were appointed Assistant Clerks.

On November 16th the Board of Assessors were notified by the Chairman of the Board of Retirement that a vacancy existed in the Board of Assessors by reason of the retirement of Mr. Robert Bowie, pursuant to provisions of Section 11, Chapter 41 of the General Laws.

Subsequently at a joint meeting, November 24, 1944, of the Board of Selectmen and the remaining members of the Board of Assessors, namely, Mr. William C. Hoxie and Mr. George S. Murray, Mr. Bowie was unanimously elected to fill the vacancy, under provisions of Chapter 16 of the Acts, Special Session, 1942.

On December 1, 1944 the Board organized and Mr. Robert Bowie was elected Chairman.

The total number of tax bills committed to the Collector during the year was as follows: 6,176 Real Estate; 598 Personal Property; 6,818 Poll; and 6,131 Motor Vehicle Excise.

The following are the figures used by the Assessors in determining the tax rate for the year 1944:

1944 EXPENSES

ESTIMATED STATE AND COUNTY ASSESSMENTS (Commissioner's Estimates)*

				Actual Amounts Assessed by State and County
County			$ 45,134.80	$ 45,134.80
County Tax paid in 1943 in Excess of Amt. Raised			4,602.25	4,602.25
Tuberculosis Hospital Assessment			14,334.55	14,334.55
			$ 64,071.60	$ 64,071.60
State Tax		$ 77,198.00		77,198.00
State Audit of Municipal Accounts		1,051.94		1,051.94
State Examination of Retirement System		128.80		128.80
Metropolitan Districts Area:				
Charles River Basin		3,156.40		3,156.40
Metro. Parks Reservations		6,262.04		8,168.96
Nantasket Beach Maintenance		759.26		
Boulevards		1,147.66		
Metropolitan Sewerage South System		17,135.58		17,077.33
Metropolitan Water		49,044.73		49,044.73
Boston Metro. District Expenses		100.30		100.30
Smoke Inspection Service		418.22		418.22
Metro. Taxes paid in 1943 in Excess of Estimates Raised		7,334.28		7,334.28
			$163,737.21	$163,678.96
Town Appropriations	$1,429,242.59			
Less—Metro. Water Loan Sinking Fund	49,044.73

		$ 32,543.97
Total Excise		$ 32,600.12

In accordance with the foregoing calculations the tax-rate was fixed at $25.00 for 1944.

In recent years the Commonwealth's Commissioner of Corporations and Taxation has sought, under his general authority over local taxation, to require Assessors throughout the Commonwealth to submit their figures and proposed tax-rate to him for his approval before publicly announcing the rate. This we have done.

This year the Commissioner endeavored, as he did in 1943 also, to persuade the Assessors to raise the rate from $25.00 to $26.00. This we refused to do. Accordingly the tax-rate again was promulgated without the Commissioner's approval. We believe our decisions in 1943 and 1944 to maintain the tax-rate at $25.00, over the Commissioner's objections, were correct as demonstrated by subsequent final figures.

For some two months preceding the 1944 Town Meeting, at the request of the Chairman of the Warrant Committee we worked closely with him in an effort fully to acquaint the Committee with the Town's financial position from the Assessors' point of view. On March 4, 1944, we wrote as follows:

REPORT OF ASSESSORS OF TAXES

Benjamin F. Jaques, Esq.,
Chairman,
1944 Warrant Committee,
Milton, Mass.

Dear Mr. Chairman:

You have asked us to assist you in estimating the tax rate for 1944 so that you may meet the requirement of the General Bylaws Chapter 3, Section 4b that the Warrant Committee shall include in its report of recommendations for the annual Town Meeting, an estimate of the tax rate for the ensuing year if its recommendations are adopted. This letter will confirm our various discussions and numerous telephone conversations in recent weeks concerning that subject.

Our estimate is based on your figures of gross total appropriations of $1,537,387.17, which, after deductions for amounts to be raised by issue of bonds, transfers, and adjustments is reduced to $1,366,526.58.

Certain final figures annually provided by law by the Commonwealth's Commissioner of Corporations and Taxation and required to be used by local Assessors are not yet available. However, we have had the help and advice of the Commissioner's office and our estimates for State determined and distributed expenses and receipts have been discussed with that office and the suggestions from that source have been adopted.

If the Town Meeting votes appropriations *not in excess* of those recommended by your Committee (after reduction in the Highway Department appropriation of such amount as you propose to recommend because of decreased snow removal expense this winter), *and* if the Meeting votes the recommended transfers, including $125,000 from the Excess and Deficiency Account for use by the Assessors in fixing the 1944 tax rate, it is our opinion that the present tax rate of $25.00 per thousand dollars of valuation assessed on Real and Personal property, can be continued in 1944, subject of course to the State-controlled final figures being not substantially different from our present estimates.

There are certain factors in the Town's overall situation respecting appropriations, valuations and resulting tax rate which we think the Townspeople would like to know. These factors are particularly important this year, and we discuss them below.

Surely, in this fourth year of the War with its unprecedented tax burdens levied in one form or another on all our citizens, the Town Meeting will want to grant some measure of tax relief locally, if possible. We shall endeavor to summarize some of these general factors and point out their application with respect to maintaining the tax rate of $25.00 in 1944.

In 1939 it became clear that during the previous decade there had been a decided decline in real estate values in Zoning Residence Districts A and B, and parts of C bordering on A and B.

Changing modes of living, accentuated by the financial depression following 1929 seemed to be the cause of the fall in value of the large parcels of real estate in Districts A and B. The decrease in market values of such properties was further accelerated beginning about 1935, and again still further accelerated since our entry into the War. The Assessors have been much concerned since 1939 in adjusting "fair cash valuation" assessment valuations to the falling values repeatedly established by actual sales in those Districts.

The Assessors in 1939 started to make highly necessary adjustments in

Districts A and B as rapidly as possible without abruptly or seriously disturbing the Town's current financial condition in any one year. Regrettable as those losses in value were for all concerned, nevertheless the requirements of the law respecting annually assessing at "fair cash valuation" and the Assessors oath of office, which, if taken seriously, forbids intentional over-assessment, required that these losses in value be recognized in reduced, realistic, honest assessments.

Certainly, Milton's fine record in municipal government and the fine Town spirit which has been one of its by-products should not be sullied by the evils which come of ghost valuations which have ruined and are ruining other less fortunate communities!

In the preceding five year period, 1939 through 1943, loss in assessed value in Districts A and B and parts of C has been about $3,600,000, including about $200,000 loss in personal property valuation. However, it is our present belief that, unless there is a collapse in the market for the sort of real estate in Districts A and B, the present January 1, 1944 valuations are sound, reasonable and not likely to have to be reduced further, except where actual sales may require further downward revision on occasion.

Of course some of this loss was offset in the earlier part of the five year period by new building. The *net* decline, 1939 to 1944, in Real and Personal Valuation for the whole Town has been held to $1,800,000.

War time restrictions brought new building to a virtual standstill in 1943 so that new buildings assessed were less than $25,000 in 1944. Thus 1944 is more acutely affected from the valuation stand-point than any of the preceding five years during which the Assessors have endeavored gradually to absorb these large annual losses by careful annual adjustments.

The War also has caused still another loss in the form of reduced total Town Valuation of Motor Vehicles for our local excise tax, which is assessed at the average State Tax Rate, which is $10 or $12 or more per $1,000 than our local tax rate. Since by law motor vehicle valuations for local excise tax purposes are based from year to year on declining percentages of original new car value, war time restrictions on new cars have caused a *net* loss of about $1,400,000 in this valuation base since 1941. This is a loss in *annual* income in 1944, compared to 1941, of about $50,000.

So you see the War first, further accelerated loss of value in Residence Districts A and B, second, eliminated the new building value, and third, destroyed substantial motor vehicle excise valuations. Total *net losses* from peak valuations of the *last five years in* real, personal, and excise *valuations* are about $3,200,000, from $42,700,000.

The Assessors set up very substantial overlays in 1939, 1940 and 1941 to provide for valuation abatement in those years. The unused balances of these overlays provided about $50,000 which went into Overlay Reserve. From this $20,000 was provided for the 1943 Reserve Fund thus reducing the amount to be raised in the 1943 tax levy by $20,000. There remains in the Overlay Reserve this year $36,000 which, if the Town Meeting follows the Warrant Committee's recommendations, can provide $10,000 for the overlay deficit of 1943 (resulting from the small overlay set-up in 1943 and the unusually large demands for abatements), and also provide your 1944 proposed Reserve Fund of $22,000, without having to include the combined amount of $32,000 in the 1944 tax levy.

As a result of this policy regarding overlay the Assessors thus provided in the last five years $50,000 which appeared as free cash against Overlay Reserve Account and became available in 1943 and 1944 to reduce the amounts to be raised in the tax levies.

In addition, by their conservative policy of under-estimating annual income from the motor vehicle excise levies during this last five year period of 1939 through 1943, there has been made available as free cash against Excess and Deficiency Account $62,000.

Also, and similarly, in their estimate of income from local sources, which is solely the responsibility of the Assessors to determine, subject to the provision of law that estimates in any one year shall not exceed actual receipts from the same source in the previous year, the Assessors have been conservative. As a result there was thus made available as free cash for Excess Deficiency Account in the same five year period the further sum of $72,000.

This sort of policy practiced by the Assessors has added to free cash for Overlay Reserve Account and Excess and Deficiency Account, an aggregate of $184,000 in the past five years. The State Commissioner of Corporations and Taxation has also made a substantial contribution to the present very strong current financial position of the Town by his conservative underestimate of annual income from State sources as compared to subsequent actual receipts. Since the Assessors must, by law, use the Commissioner's estimates, any receipts above the estimates appear as free cash for Excess and Deficiency Account.

In this past five year period we have been discussing the Commissioner's policy added $135,000 to the Town's free cash and Excess and Deficiency Account, of which $36,000 was in 1943.

Summarized, another way the strong current financial position of the Town has its origin, in addition to the contribution of good tax collections, in these large amounts which have been made available as described above, and also by return to revenue of unexpended balances of annual appropriations which are so generally, conscientiously administered by Milton's Town Officials. In the years 1939 to 1943 inclusive there has gone into free cash for Overlay Reserve Account and Excess and Deficiency Account, $462,000 as follows:

Assessors, a/c Overlay Reserve	$50,000	
Assessors, a/c Conservative Estimates, to E & D		$134,000
Tax Commissioner, a/c Conservative Estimates, to E & D		135,000
Departmental Balances, and Other, to E & D.....		143,000
		$412,000
	$50,000	50,000
		$462,000

Interestingly enough if Excess and Deficiency Account alone is reviewed, in the five year period about ⅔ of its accretions came from conservative estimates in figuring the tax rate, with the amounts attributable to the Assessors and Tax Commissioner about the same, and slightly over ⅓ of the total from return of unexpended Departmental appropriation balances.

Of this there has been voted for the Assessors to use in fixing the tax rates of the last five years a total of $355,000, and $20,000 transferred from Overlay Reserve. In other words the losses in valuation and the tax rates of those years were "cushioned" from these funds made available as we have described by cautious and careful planning and careful spending by conscientious Town Officials.

So much for that part of the picture! Your Committee, it seems to the Board of Assessors, has handled this year's business admirably and the results of your work as finally presented in your recommendations deserve the confidence and gratitude of the Town Meeting and Townspeople!

By your efforts you have made it possible to continue to include a substantial amount (about $2.30 of the $25.00 tax rate) for adjusted compensation for Town employees in recognition of increased War-time living costs, while at the same time keeping recommended appropriations at a level which gives the Town Meeting an opportunity conservatively to take advantage of the good current financial condition and give the tax-payer the help he needs in these times by as low a tax rate as possible consistent with maintaining a sound position.

We believe that, on the basis of present sound valuations and under all the circumstances, *$25.00 is a low* tax rate, but nevertheless one which the Milton Taxpayer is entitled to, at least this year. Future tax rates are bridges yet to be crossed but they can be approached with confidence!

You and your Committee are to be congratulated that you can go before the Town Meeting in the confident frame of mind that must come from knowing that the Town is in exceedingly strong current financial condition, and (if you will take our assurances) soundly and realistically valued with valuation losses of recent years fully absorbed and currently on a "fair cash valuation" basis, and also a financial history of the past five years featured by:

1. tax rates constantly decreased from $27.40 in 1939 to $25.00 in 1943, with the prospect of maintaining $25.00 in 1944.
2. over-valuations soundly decreased in keeping with actual conditions.
3. debt constantly decreased with still further reductions scheduled for 1944.
4. payroll increased in an endeavor to maintain real-wage standards in a period of rising living costs.
5. municipal services for the Townspeople maintained at a high standard.
6. strong current financial condition with large surplus funds in Overlay

Reserve, and Excess and Deficiency Account at an all-time high!

We here express to you personally our thanks and appreciation for your cooperation and the vigorous effort which you have put into the discharge of your responsibilities, particularly in your relations with us concerning the subject matter of this letter.

With every good wish for a successful Town Meeting, we are

Very truly yours,

ROBERT BOWIE,
WILLIAM C. HOXIE,
GEORGE S. MURRAY,
Assessors of Milton.

gsm: nrh

A review of 1945 prospects shows that the continuation of the War has further reduced the prospective proceeds from the motor vehicle excise tax so that they will probably not exceed 70 per cent of those of 1944 and, because of the total lack of new building, completely eliminated the normal pre-war increased annual income from that source. But, even in normal pre-war times annual income from motor vehicle excise and new building was relatively minor compared to the annual contribution demanded of real estate by the tax-rate.

In 1944 the tax levy, at $25.00 per thousand of valuation on real and personal property assessed, was $965,000. Of this real estate was taxed $887,000! In other words, real estate carries the load locally!

In our letter to the 1944 Warrant Committee Chairman we said in paragraph 11: "In the preceding five year period, 1939 through 1943, loss in assessed value in Districts A and B and parts of C has been about $3,600,000, including about $200,000 loss in personal property valuation. However, it is our present belief that, unless there is a collapse in the market for the sort of real estate in Districts A and B, the present January 1, 1944 valuations are sound, reasonable and not likely to have to be reduced further, except where actual sales may require further downward revision on occasion."

Milton's Zoning By-Law Residence Districts A and B comprise half or more of the Town's area. Those Districts are characterized by the large areas and, for the most part, large structures.

Those estates and the financial means which was their support and the basis of their full occupancy and enjoyment a half century ago, served to justify the comment of many years, before the adoption of the State Income Tax Law in 1917, "Milton is one of the two richest towns in the United States." Changed modes of living and economic conditions have destroyed their values. There is no longer a demand for such estates at prices even approaching their former values. Their value lies largely in the land (with exceptions of course) for future development purposes.

Fortunately for the Town the Zoning By-Law and the Board of Survey Act protect the Town in its future development. However sales prices, the fundamental determinant of Assessors' "fair cash valuation" for such properties, suffer. Aside from War time effects, they also suffer because of the area requirements of the Zoning By-Law, the street construction and service utility requirements of the Board of Survey Act, and the large amount of real estate in those districts actively and potentially for sale.

Paragraph 11 referred to above might well be qualified at this time, with the benefit of hindsight, by saying that while there has not been a collapse in values in A and B Districts the declining trend has continued since last year, although at what seems to be a lesser rate than during the previous year or two.

These areas A and B which we are discussing while comprising half or more of the Town's area are in turn comprised of approximately 400 parcels of real estate, of a total of 6200 in the town, and of a total assessed value of approximately $6,300,000 of the Town's total assessed real estate value of $35,300,000. Quantitatively, that is the problem.

Until it is possible to begin to develop these large areas and create values by the construction of streets, the establishment of lots, and the erection of dwellings it seems clear that the Town must face lesser total overall values in Residence A and B Districts until the downward trend in market values is halted. If values as established by sales continue to decline the Assessors are bound to recognize such decreased values by assessments not in excess of sales prices.

In the meantime if the Assessors *continue* to be guided by law concerning "fair cash valuation," *continue* to avoid intentional over-assessments, *continue* to use every effort to value the whole Town honestly and realistically without attempting to follow every whim of the market, there will accrue to the Town the collateral benefits of giving notice to all future citizens who are to participate in Milton's certain development and growth, that they will be fairly and honestly dealt with under the tax assessment law.

By such policies we hope the Town will continue to enjoy its present excellent financial condition and, based on sound valuations, maintain as reasonable tax-rates as it has enjoyed over recent years.

Respectfully submitted,

ROBERT BOWIE,
GEORGE S. MURRAY,
WILLIAM C. HOXIE,
Assessors of Milton

REPORT OF THE TRUSTEES OF THE CEMETERY

Milton, Mass., January 9, 1945.

To the Citizens of the Town of Milton:

The Trustees of the Cemetery Department report as follows for the year 1944:

Perpetual care was placed on 84 lots, 13 single graves and for the semi-annual cleaning of the monuments on one lot. Part payments toward perpetual care was accepted on 29 lots. Total $14,797.50.

There were 36 lots and 21 single graves taken by residents.

Burials numbered 208.

Foundations were built for 58 monuments and 23 markers were set without foundations.

One hundred twenty-one lots were laid out and furnished with corner-posts.

Continuing the policy of filling in the gravel paths, Acanthus Path was filled, graded and seeded. Part of Petunia Path and part of Hazel Path were removed, sub-graded and made ready for loam to be added next year.

Approximately 1,000 square yards of permanent road was built on Centennial Avenue where frequent washouts required constant repair.

Additional land for Cemetery use has now become available and the Trustees are unanimous in urging the purchase.

Total expenditures were $28,227.01. Cash receipts and interest from various funds totalled $22,345.02, making a net cost to the Town $5,881.99.

Respectfully submitted,

PERCY E. SHELDON, Chairman,
ALEXANDER H. LADD, JR., Secretary,
REGINALD L. ROBBINS,
W. PRESCOTT WOLCOTT,
G. NEWELL HURD,
Trustees.

REPORT OF THE FIRE DEPARTMENT

Milton, Massachusetts, January 2, 1945.

To the Honorable Board of Selectmen,

Gentlemen:

I herewith submit my report of the Fire Department for the year ending December 31, 1944.

Alarms

There were 597 alarms received during the year: 180 Bell alarms, three of them being General Alarm fires, and 417 Still alarms.

Alarms Each Month

January	34	May	80	September	40
February	41	June	41	October	40
March	77	July	28	November	29
April	117	August	34	December	36

Mutual Aid

Milton to Boston	3	Boston to Milton	9
Milton to Quincy	28	Quincy to Milton	17

Other Calls

Inhalator for drowning persons and heart attack victims; accidents; persons locked out of homes; gas leaking from refrigerators; leaking oil tanks and heater explosion.

Property at Risk—Loss—Insurance Paid

Value	$634,825.00	Loss	$49,895.00	Insurance paid	$46,245.38

Work Performed

Feet of hose laid (2½ inch)	26,950	Gallons of water:	
Feet of hose laid (1½ inch)	19,950	Booster tanks	62,728
Feet of ladder raised	3,011	Gallons of chemicals	282½

Inspections Made and Permits Issued

Oil Burners	29	Oil storage	63
Range oil burners	31	Explosives	7
Oil tank replacement	11	Others	1
Underground tanks	1		
Out of door fires	657	Stores, garages, etc.	571

REPORT OF FIRE DEPARTMENT

Personnel

Edward J. Byrnes, callman since December 6, 1912 resigned as of August 1, 1944.

Joseph E. McGrath, permanent fireman, since April 27, 1939, resigned as of November 1, 1944 to enter private industry.

Philip V. Manning, callman, was transfered as of December 15, 1944 from the call to the permanent force.

IN MEMORIAM

Lieutenant John F. Tolman, retired

Died—November 23, 1944

Six members of the department still remain on leave of absence for the duration of the National Emergency thus the department remains short handed. I am most grateful to the members of the department for extra assistance and cooperation rendered when requests have been made of them.

Apparatus

All the apparatus is in good condition, although now a year older, with the exception of Ladder No. 1 which is now nineteen years old and request is being made for its replacement in 1945; Combination No. 1 and Engine No. 2 must have complete motor overhauling and check-ups as to pump operation.

The new 750-gallon triple combination Maxim pump was delivered and put into service as Engine No. 4 on December 21, 1944.

Recommendations

In addition to the apparatus recommendations mentioned above, I strongly urge alterations to the front of Headquarters Station building which will provide three automatic overhead main doors and a control room.

I wish to thank your Honorable Board, Department heads and employees for their very fine and sincere cooperation during the past year.

Respectfully submitted,

JAMES F. HANNA,

Chief of Fire Department.

REPORT OF THE TREE WARDEN DEPARTMENT

Milton, Mass., January 8, 1945.

To the Citizens of the Town of Milton:

The most serious storm this past year was the September hurricane which, while not as bad as the 1938 storm, did do a lot of damage to the trees of the town. The trees have also suffered from several heavy windstorms.

Planting

We have done no planting of new trees for the past three years but hope to be able to plant some in 1945.

Private Work

Because of the labor shortage we have only been able to do a small amount of private work.

Saw Mill

The building and equipment have now been replaced and the saw mill is now in working condition.

Equipment

Our equipment is all in good condition except the trucks which are old and will have to be replaced in the near future.

Respectfully submitted,

ARTHUR O. ALLEN,

Superintendent.

REPORT OF THE MOTH DEPARTMENT

Milton, Mass., January 8, 1945.

To the Citizens of the Town of Milton:

Except in the south section of the town we have had no trouble from the gypsy moth during the past year. The elm leaf beetle was quite plenitful in some parts of the town and we had some trees badly eaten. The cankerworm seems to be coming back again and will have to be watched this coming season.

Our spraying machines are getting old and will have to be replaced in the near future. We were unable to use but one spraying machine last season on account of the shortage of labor.

Respectfully submitted,

ARTHUR O. ALLEN,

Superintendent.

REPORT OF THE BOARD OF HEALTH

Milton, Mass., December 31, 1944.

To the Citizens of the Town of Milton:

The number of diseases dangerous to the Public Health reported to the Board of Health for the past seven years has been as follows:

	1944	1943	1942	1941	1940	1939	1938
Anterior Poliomyelitis	2	0	0	0	0	0	0
Chicken Pox	97	183	188	98	132	11	44
Dog Bite	50	41	55	38	45	65	47
Dysentery, Bacillary	0	0	0	0	1	0	0
Encephalitis Lethargica	0	0	0	0	0	0	1

The Board organized March 6, 1944. Mr. Harvey W. King was elected Chairman and Mr. C. H. S. Merrill, Secretary. The following appointments were made: Agent, Paul W. Kimball; Inspector of Milk, S. R. Ramsdell; Agent for Issuing Burial Permits, G. F. Kemp; General Contractors, H. C. Snow, J. S. Hannon; Inspector of Slaughtering, Dr. R. H. Sewell.

One establishment for the bottling of non-alcoholic beverages was inspected and licensed.

All milk sold in the Town of Milton is required to be pasteurized whether from tuberculin tested herds or not, the only exception being certified milk. The report of the Milk Inspector shows that forty-seven licenses were issued for the sale of milk and cream. Thirteen dealers are licensed to sell oleomargarine, an increase of four from last year. Two establishments were licensed to pasteurize milk and one to manufacture ice cream.

The average quantity of milk sold daily in Milton is 10,150 quarts. The average amount of milk produced daily in Milton is 3700 quarts. 347 samples of milk, cream and ice cream were tested for fats, solids and bacteria content.

Diphtheria Prevention Clinics were held as usual this year in cooperation with the School Department. A total of 474 treatments were given this year at an average cost of 21 cents each. No cases of diphtheria have been reported in Milton for ten years with the single exception of one case in 1937, which occurred in an adult uninoculated maid who had only been in Milton for two days.

27 cases of Scarlet Fever were reported in Milton, the smallest number in twenty years with the exception of 1941 when 23 cases were reported.

Only one case of rabies in animals was reported throughout the Commonwealth against 4 for 1943.

It is evident that the inoculation of dogs against rabies is having a cumulative effect in lessening the incidence of rabies.

In view of this decline the Board of Health did not ask the Selectmen to order a period of restraint for dogs that had not been inoculated within a year. The Board strongly recommends that all dogs be inoculated annually and intends to publish a notice urging all dog owners to have their dogs inoculated either by their own veterinarian or by Dr. Sewell as in past years.

Attention is called to the report of the Director of the Tuberculosis Clinic indicating an increased use of the facilities of the clinic over 1943. A survey which was completed in 1944 discloses 61 tuberculous families comprised of 340 members. The Tuberculosis Clinic is concerned with helping these 340 potential patients of Norfolk County Hospital to avoid the necessity of hospital treatment.

Respectfully submitted,

HERVEY W. KING, Chairman,
PAUL R. WITHINGTON, M.D.,
C. H. S. MERRILL,
Milton Board of Health.

REPORT OF MILTON TUBERCULOSIS CLINIC

Milton, Massachusetts, December 31, 1944.

To the Milton Board of Health,

Gentlemen:

I have the honor to submit a report of the Milton Tuberculosis Clinic for the past year.

The statistics presented herewith show a decided rise in the total number of clinic visits over those of 1943.

The number of new patients is also greater, being made up largely of contact cases.

A much larger number of X-Ray examinations have been made, which is in line with the present trend of using this method of examination more extensively.

	1940	1941	1942	1943	1944
Number of Clinics	11	11	12	12	12
Total Clinic Visits	167	154	151	78	115
New Patients	23	21	44	20	32
Contacts	8	13	18	6	21
Suspects	15	7	18	13	11
Arrested Cases	0	1	5	1	0
X-Ray Examinations	26	44	44	18	42
Tuberculin Tests	69	43	50	22	19
Negative	68	42	45	21	17
Positive	1	1	5	1	2
Discharged Cases	14	15	39	22	28
Hospitalized	—	—	—	0	1
Died	—	—	—	1	0
In service	—	—	—	4	15
Moved away	—	—	—	2	10
Negative	—	—	—	15	2
Nurses Home Visits	313	443	609	400	426

Once again mention should be made of the high quality of the service rendered to the Community by the Nursing Service.

Respectfully submitted,

CLEAVELAND FLOYD, M.D.

REPORT OF COLLECTOR OF ASHES AND GARBAGE

Milton, Mass., Dec. 31, 1944.

To the Board of Health:

I hereby submit my report for the year ending Dec. 31, 1944.

There have been collected 32,251 yards of ashes, rubbish and paper, and 342 cords of garbage.

Respectfully submitted,
SAMUEL G. CRAIG

REPORT OF THE INSPECTOR OF SLAUGHTERING

December 31, 1944.

To the Board of Health:

Two hogs were slaughtered and passed as food during the year 1944.

Respectfully submitted,
ROBERT H. SEWELL,
Inspector of Slaughtering.

REPORT OF GENERAL CONTRACTORS

Milton, Mass., December 31, 1944.

To the Board of Health,

Gentlemen:

I herewith submit my report for the year ending December 31, 1944.

32 cesspools cleaned.

63 loads removed from same.

Respectfully submitted,
ALVAH D. SNOW.

To the Board of Health,

Gentlemen:

I herewith submit my report for the year ending December 31, 1944.

110 cesspools cleaned.

25 grease traps cleaned.

Respectfully submitted,
JAMES S. HANNON.

REPORT OF INSPECTOR OF MILK

Milton, Mass., January 6, 1945.

To the Board of Health,

Gentlemen:

During the year 1944, licenses were issued as shown by the following tabular form, which also includes those for 1943.

	1943	1944
Milk and Cream:		
Vehicles	26	26
Stores	21	21
Total	47	47
Sale of Oleomargarine	9	13
Pasteurization of Milk	2	2
Manufacture of Ice Cream	2	1

Fees for the above licenses amounting to $205 have been collected and turned over to the Town Treasurer.

The average quantity of milk sold daily in Milton during 1944 was 10,150 quarts, which is about 1% higher than for 1943.

The daily production of commercially produced milk in Milton amounts to 3700 quarts, part of which is sold in neighboring cities and towns.

During the past year, 347 samples of milk, cream and ice cream have been collected and tested for fat, milk solids and bacterial content.

Respectfully submitted,

SHERMAN R. RAMSDELL,
Milk Inspector.

REPORT OF FENCE VIEWERS

January 9, 1945.

To the Honorable Board of Selectmen,

Gentlemen:

We have conscientiously complied with all requests for our services.

Respectfully submitted,

JOHN H. MARR,
RICHARD H. SCHMIDT,
Fence Viewers.

REPORT OF WIRE DEPARTMENT

Milton, Massachusetts, January 5, 1945.

To the Honorable Board of Selectmen,

Milton, Massachusetts.

Gentlemen:

I herewith submit my report of the Wire Department for the year ending December 31, 1944.

Number of inspections made	263
Number of certificates issued	6
Number of incandescent lamps wired	785
Number of motors installed	62
Total horse power	25 7/12
Number of heaters and ranges installed	27
Total watts	114,760

Permits were issued as follows:

Month	Number of Permits	Permit Fees
January	3	$ 3.00
February	7	9.00
March	8	8.00
April	4	4.00
May	12	12.00
June	10	10.00
July	3	4.00
August	13	16.00
September	17	17.00
October	18	18.00
November	17	19.00
December	14	14.00
Totals	126	$134.00

Fees for the above permits amounting to one hundred and thirty-four dollars ($134.00) have been collected and paid to Town Treasurer.

Fire and Police Signal Systems

A new air horn was installed outside of Engine No. 2 abandoning the use of the tower bell of the East Congregational Church. The location of Fire Alarm Box No. 73 was changed from Granite Avenue at Thistle Avenue to Granite Avenue at Courtland Circle. A new four-digit transmitter has replaced the old transmitter of the Fire Alarm System in order to handle the increased number of boxes and special signals throughout the town. When necessary wires were replaced on various streets as a result of storms during September and October. The air raid whistle has been removed from Milton Academy and has been put in service at Walter Baker & Company, Inc., for use in connection with the Fire Alarm System.

On the Police Alarm System a new underground cable has been installed from a point on Adams Street to Randolph Avenue for stepping up the receiving unit of the radio from Fire headquarters to Police headquarters. Police Box No. 21 has been relocated from the westerly to the easterly side of Eliot and Adams Streets. The relays on all air raid sirens in the town have been increased to 30 amperes.

Traffic Lights

As a result of automobile accidents during the year it was found necessary to replace the traffic light standards at the intersections of Brook Road and Randolph Avenue, at Granite Avenue and Adams Street, and at the Granite Avenue Bridge. All traffic signals were painted and bulbs replaced where needed.

Lights — Wired

We have done a considerable amount of work for town departments including the wiring of an air compressor at the Police Station, the wiring of the garage at the Highway Department, the wiring of the sawmill at the Moth Department, the installation of receptacles in the Engineering Department Office, and the replacement of all lighting fixtures in the Rationing Board Office.

I wish to thank your Board for your advice and assistance during the year.

Respectfully submitted,

ROBERT E. PARK,

Inspector of Wires.

REPORT OF INSPECTOR OF ANIMALS

December 31, 1944.

To the Honorable Board of Selectmen:

I herewith submit my report for the year ending December 31, 1944.

Additions to herds (Dairy Cattle) shipped interstate have been reported.

During the year it was necessary to restrain 54 dogs that had bitten people.

The annual inspection of cattle and premises was not ordered this year.

Respectfully submitted,

ROBERT H. SEWELL, D.V.M.,

Inspector of Animals.

REPORT OF BUILDING DEPARTMENT

Milton, Massachusetts, January 5, 1945.

Honorable Board of Selectmen,
Milton, Massachusetts.

Gentlemen:

I herewith submit my report for the Building Department for the year ending December 31, 1944.

Month	No. of Permits	Permits for Garages	All Other	Permits for Alterations	Valuation	Permit Fees
January	11	....	1	10	$ 5,715.00	$ 11.50
February	15	....	3	12	2,269.00	15.00
March	18	....	2	16	3,310.00	18.00
April	38	1	5	32	7,451.00	38.50
May	41	....	2	39	8,698.00	41.00
June	47	....	5	42	10,193.00	47.50
July	53	1	3	49	12,325.00	54.50
August	33	1	2	30	5,867.00	33.00
September	46	....	1	45	7,600.00	46.00
October	61	1	2	58	15,139.00	61.50
November	30	....	1	29	20,504.00	37.50
December	19	2	....	17	3,780.00	19.00
Totals	412	6	27	379	$102,851.00	$423.00

On May 1st, 1944, Lorenzo E. Young, Inspector of Plumbing, and Bernard F. Murray, Deputy Inspector of Plumbing, were appointed for one year.

All violations of the Zoning By-law and the Building Code that have been brought to my attention have been attended to.

I wish to thank your Honorable Board for your sincere cooperation during the year.

Respectfully submitted,

CARL R. HORNE,

Building Inspector.

REPORT OF INSPECTOR OF PLUMBING

Milton, Mass., December 31, 1944.

Carl R. Horne, Inspector
Building Department
Milton, Massachusetts

Dear Sir:

Report of the work of the Department of Inspection of Plumbing for the year ending December 31, 1944, is respectfully submitted:—

Month	Total No. Permits Granted	Original	Alterations	Fees Received	Valuation of Work
January	6	0	6	$ 6.00	$ 355.00
February	7	0	7	7.00	401.00
March	8	0	8	8.00	386.00
April	12	0	12	12.00	612.00
May	12	0	12	12.00	1,137.00
June	12	0	12	12.00	1,359.00
July	10	1	9	12.00	2,163.00
August	15	0	15	15.00	2,760.00
September	9	0	9	9.00	905.00
October	11	0	11	11.00	1,500.00
November	6	0	6	6.00	565.00
December	5	0	5	5.00	483.00
	113	1	112	$115.00	$12,626.00

Fees received for permits, in the amount of One Hundred and Thirteen Dollars ($113.00) have been paid to the Town Treasurer, whose receipts for such I hold.

Automobile mileage for 1944 — 616 miles.

Respectfully submitted,

LORENZO E. YOUNG,

Inspector of Plumbing.

REPORT OF SEALER OF WEIGHTS AND MEASURES

Milton, Mass., Jan. 6, 1945.

To the Honorable Board of Selectmen,

Gentlemen:

I herewith submit my report of services of Sealer of Weights and Measures.

All moneys received on account of sealing and adjusting fees have been paid to Town Treasurer. This amounts to $86.10.

Number Scales, Weights and Measures sealed	555
Number adjusted	77
Number not sealed	2
Number condemned	7
Number reweighings	889
Number found underweight	258
Number found overweight	630
Number found correct	1
Hawkers' and Peddlers' licenses inspected	20
Hawkers' and Peddlers' scales inspected	7
Junk dealers' licenses and scales inspected	3
Violations of Hawkers' and Peddlers' law found	3

Goods Underweight and Ordered Repacked

Butter	51 lbs.
Coal in Transit—shortage ordered made up	1 delivery
Onions	240 lbs.

Respectfully submitted,

FREDERICK L. RIPLEY,

Sealer of Weights and Measures.

REPORT OF THE BOARD OF PARK COMMISSIONERS

Milton, Mass., January 8, 1945.

To the Citizens of the Town of Milton:

At the Town Meeting election in 1944 Mr. Richard A. Wallace was elected to the Board of Park Commissioners for a term of three years. At a joint meeting of the Boards of Selectmen and Park Commissioners on March 23rd Mr. Harold S. Halliday was appointed to succeed Mr. William G. Rodd who died on March 9th after serving on the Board of Park Commissioners for twenty-two years.

At an organization meeting of the Board on April 4th Mr. John L. Kelly was re-appointed Superintendent and Mr. Aaron H. Yeaton playground director. Mr. John Taylor, the Misses Gunvor Henriksen, Ruth Johnstone and Jeanne Yeaton were appointed playground supervisors.

The usual routine work of putting the grounds and tennis courts in order proceeded as usual.

The high school track and baseball schedules were carried out at the Brook Road Playground.

Playground programs were carried on during July and August at the Brook Road Playground, Andrews Playground and the Tucker School Playyard.

The Highway Department filled and leveled a large area on Pagoda Park from materials excavated from streets under construction in that vicinity. It is hoped that in the postwar era we may finish grading and improvements on this park.

During the autumn months over five hundred feet of chain-link boundary fence was painted.

We ask for an appropriation of $7,649.00 to conduct the department for the year 1945.

R. A. WALLACE, Chairman,
HAROLD S. HALLIDAY,
J. F. KERRIGAN,

Board of Park Commissioners.

REPORT OF POLICE DEPARTMENT

January 10, 1945.

To the Honorable Board of Selectmen,

Gentlemen:

I herewith submit my report for the year ending December 31, 1944.

Arrests

Total	124
Males	112
Females	12
Residents	38
Non-residents	86

Offences

Accosting		1
Assault		6
Breaking and entering and larceny		2
Cruelty to animals		1
Delinquency		16
Disturbing the peace		1
Drunkenness		48
False alarm of fire		2
Gaming and present at		2
Illegitimate child act, violating		1
Larceny		10
Larceny of automobile		1
Motor Vehicle Laws, violating		24
(Operating to endanger	4)	
(Operating under the influence	13)	
Neglect of family		1
Non-payment of wages		1
Tramp		1
Suspicious person		3
Using motor vehicle without authority		1
Violation of probation		1
Violation of Town By-law		1

Miscellaneous Work

Automobile accidents reported (129 personal injuries and 1 death)	126
Ambulance Calls	149
Automobiles found abandoned	19
Automobiles reported stolen and recovered	10
Buildings found open and secured or owners notified	261
Buildings broken into	49
Cases investigated by officers	2971
Defective bridges	7
Defective hydrants and pipes	14

Defective poles	30
Defective sidewalks and streets	41
Defective trees	34
Defective wires	37
Disturbances suppressed	21
Dogs ordered confined on account of biting people	45
Houses reported vacant and special attention requested	274
Lost children restored	44
Milton writs served by other departments	32
Missing persons	21
Officers detailed at request of citizens	207
Writs served for other departments	357

There was a noticeable decrease in crime during the year. We have felt the spread of juvenile delinquency in the Town but many cases were settled at the police station instead of bringing the offenders to Court giving them a record.

We have continued the registration of bicycles and now have a total of 2480 registered. This has helped considerably in the prevention of larceny of bicycles.

Our radio is only in fair condition and the purchase of a new set will be considered in the Post-War program.

If automobiles are available, our cruising cars should be replaced during the coming year as each has gone over 55,000 miles.

Traffic conditions remain about the same. We have painted traffic lanes on many streets which are helpful to motorists and pedestrians.

Patrolman Luke J. Higgins left the Department February 16th to join the armed forces. Patrolman Edward J. Leary was discharged from the Army and returned to duty December 7th. Four members of the Department are still in the service. Sergeant John J. Haley (Retired) died June 16th.

I take pleasure in reporting my confidence in the force. The conduct and discipline has been good and the work performed has been creditable to the Department.

I wish to thank your Honorable Board, the Justices of the Courts and their assistants for advice and courtesies extended. I am grateful to others who have aided the Department in any way.

Respectfully submitted,

JOHN B. SHIELDS,
Chief of Police.

REPORT OF THE MILTON PLANNING BOARD

Milton, Mass., January 15, 1945.

To the Citizens of Milton:

No changes in the membership of the Milton Planning Board occurred during the year.

In accordance with Article 10 of the Town Meeting of 1938, authorizing and requesting "the Planning Board to include in its report to the Annual Town Meeting in March, 1939, a comprehensive, preliminary plan . . ." the Planning Board herewith respectfully reports that, under the present war conditions and within the necessary limits of the budget, it has proved to be impracticable to add to the staff anyone especially experienced in city planning procedure. The Board has, however, used the present staff as far as was reasonable, considering its depleted state, and has made considerable progress toward the preparation of some parts of a comprehensive plan.

There is now approaching completion a plan of all the thoroughfares in Milton, showing their connections with the surrounding communities and the amounts of traffic which have traversed each of them before the war.

Also under preparation is a corresponding plan for the future, showing what in the opinion of the Planning Board is the sequence of improvements in these thoroughfares and in the creation of new ways, which should be made to channelize the great amount of through traffic which is to come and to avoid its congesting residential streets.

During the year the Planning Board has prepared a pamphlet of revised Rules and Regulations for its procedure. It has cooperated closely with the Board of Sewer Commissioners and the Board of Water Commissioners in the inclusion in this pamphlet by reference under the rules for subdivisions, of the requirements as to sewers and as to water supply as well as those as to streets, so that any intending subdivider may be completely informed, and the procedure be more equitable.

The designated members of the Planning Board have served on the Post-War Committee. The Planning Board wishes to express here its interest in the work of this committee, and in the preparation of a general Six-Year Budget Plan for the Town's capital expenditures as a necessary basis for intelligent, forward-looking decisions by the Town.

Respectfully submitted,

JOSEPH D. LELAND, Chairman,
ALFRED BECK, JR.,
FRANK B. FREDERICK,
HENRY V. HUBBARD,
WILLIAM P. MELLEY.

REPORT OF BOARD OF PUBLIC WELFARE

Milton, Mass., January 6, 1945

To the Citizens of the Town of Milton:

We hereby submit our report for the year ending December 31, 1944.

Comparison of active cases on December 31st:

	1940	1941	1942	1943	1944
General Relief	38	29	16	9	7
Old Age Assistance	188	183	184	159	151
Aid to Dependent Children	22	19	13	9	8
	248	231	213	177	166

Data on Old Age Assistance 1944:

	Applications	Granted	Denied or Withdrawn	Pending	Closed
Men	12	10	2	0	9
Women	10	9	1	0	18
	22	19	3	0	27

This makes 46 changes with a net decrease of 8.

Reasons for closing were as follows:

12 deaths (4 men and 8 women)
6 moved out of town
8 relatives now able to support
1 committed
—
27

At the close of the year the number of Old Age Assistance cases being aided in other cities and towns was somewhat lower; viz, 4 in 4 towns and 14 in 4 cities. If proposed new legislation is enacted, we will be relieved of this cost, but on the other hand, will not be able to bill the State and other cities and towns for 46 cases now aided in Milton; viz., 29 with no legal settlement, 3 with settlements in 3 towns and 14 with settlements in 4 cities.

We end the year with all bills against the State and other cities and towns paid to the collector, with the exception of $129.23 against two cities and both bills are now in process of payment.

On the whole, the year has been comparatively quiet but we realize that when the end of the war comes, aid to many now employed will gradually impose an increasing number of problems with its accompanying increase in necessary expenditures.

Following the death of Dr. Lester D. Watson on June 14, 1944, our Board passed the following resolution:

The following action was taken in regard to the death on June 14, 1944 of Dr. Lester D. Watson, a faithful member of this Board from March 1933 until his resignation on December 17, 1943 to enter the United States Public Health Service.

Voted: That all the members of the Board of Public Welfare desire to have spread upon the record some expression of their feelings with respect to the recent and unexpected death of a former member of the Board, Doctor Lester Dow Watson.

It is hard for us even to give a small description of what Dr. Watson meant to our Board. He understood the people of the Town in all walks of life. His work among them must, of course, have contributed greatly to his amazingly penetrating and sympathetic insight into their longings, hopes, and fears. He had a serenity and calmness of approach in every case coming before the Board which always made his fellow members feel that they could be sure that their decision would be not only just, but would give full weight to the human elements always present. Where those cases came up which involved excitable elements, or where the tendency was so strong in personal prejudices and emotions to influence the ordinary person's decision, his warm understanding of all sides and absolute impartiality were tremendously inspiring and comforting to his associates. His was the temperament and understanding which would have made him a fine judge or priest, since he was so well fitted for any position where warring human elements need a sympathetic and understanding personality. His mind always cut through the layers of circumstance surrounding any case, both relevant and misleading, and went directly to the matter of policy and human relations which lie at the center of most problems which a board of public welfare has to pass upon.

If he is no longer with us now, the memory of his warm and kindly personality and of his strong and steady hand will stay with the Board as long as any member sits there who knew him and worked with him; and it will continue even longer than that, because we members who did know him cannot fail to pass on to new Board members something of what he gave to us. The memory of his character and ideas have become a permanent part of our Board of Public Welfare, which, although its members change from time to time, continues indefinitely.

Respectfully submitted,

JOHN TALBOT, Chairman,
THOMAS M. GIBBONS,
EDWARD C. JOHNSON, 2d,
EDITH ENDICOTT STEBBINS,
FLORENCE CLOTHIER WISLOCKI, M.D.

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

Milton, Mass., January 12, 1945.

To the Citizens of the Town of Milton:

The past year has brought several changes in the Board of Trustees. In October Mr. Scaife resigned as Chairman but remained a member of the Board. He was elected to the Board in 1917 and has served continuously on the Book Committee since then and on the Executive Committee since 1920. He was elected Chairman in October, 1938. His resignation was received with regret, and appreciation of his past services. He has given able and devoted attention to the affairs of the Library during his whole time of service, and particularly as Chairman. His resignation was accepted on October 27th, 1944 and Mr. Charles M. Rogerson was elected Chairman. Two months later Mr. Rogerson died. His sudden death was a severe blow to all who knew him and especially to his associates on the Board of Trustees with whom he had served since his election in 1937. His clear insight into the needs and opportunities of the Library and his sound judgment in the solution of its problems were of inestimable value. He will be sadly missed.

In the year 1944 the circulation of books increased somewhat over the previous year, the total being 152,714 volumes and this in spite of the general decline all over the country. The gain was principally at the East Milton Branch. It was possible to keep this building open on regular hours as fuel oil was available for the purpose. In addition to the circulation of books, the staff has been actively engaged in assisting with reference problems both school students and others. They have not time to answer telephone inquiries to advise those who take part in radio quizzes but will help all who come to the Library for information. Much work has been done during the year in indexing and arranging material in the Milton Collection which has been accumulating over a period of years and which has a direct bearing on Milton history. Books and pamphlets by Milton Authors, books about Milton people, town documents and reports of special committees, in fact anything in print about Milton that is obtainable is kept in this room. Few people know that the library owns such a valuable source of information about our town. The Library is desirous of increasing this collection and particularly solicits gifts of material of this description.

The Library has continued to be of growing service to the community in furnishing meeting places for many activities. Red Cross, United War Fund, Girl Scouts, Health Clinic, Youth Canteen, and numerous others are in this list.

Many exhibits of unusual interest have been displayed and a number of gifts have been received and gratefully acknowledged.

The demand for books on the War, non fiction as well as fiction has been heavy and it is expected that there will be an increasing demand for literature on peace plans and social readjustments. The library will endeavor to meet these demands with books that are of more than ephemeral interest.

The multifarious uses of the library grow from year to year. There is no reason that it should be confined only to the circulation of books. Its activities in collateral branches are constantly increasing and this is as it should be.

Therefore, the Trustees have asked the Town to appropriate the sum of $26,751 for the coming year. Last year the amount appropriated was $25,915. The apparent increase is due to the fact that about $348 of the appropriation for coal could not be used, as the coal for all the current season could not be purchased before the end of the fiscal year and this sum reverts to the Town. It is, therefore, added to and included in the appropriation requested for the year 1945.

REPORT OF THE SEWER COMMISSIONERS

January 1, 1945.

The Board of Sewer Commissioners makes the following report of operations of the Sewer Department during the year ending December 31, 1944.

General

Population by the Assessors' Census of 1944	21,502
Estimated length of streets of the town (miles)	89.99
Percentage of length provided with sewers	50.69%
Method of disposal	Metropolitan System

Collection Mains

	For Sewage			
	Town-built Sewers	Privately-built Sewers	Total, Town and Private	
Linear Feet:				
Total, Dec. 31, 1943	231,745.3	21,305.7	253,051.0	700 (storm overflow)
Extended, 1944	7,077.3	....	7,077.3	
Total, Dec. 31, 1944	238,822.6	21,305.7	260,128.3	
Miles	45.232	4.035	49.267	

Number of manholes	1,392
Number of inverted siphons	3
Number of storm overflows	1
Number of emergency overflows	7
Number of automatic pumping stations	3
Linear feet of force main (8″)	2,236.7
Linear feet of force main (12″)	960.6
Number of gate chambers on force main	1

House Connections

Number made during the year		62
Includes connections laid from sewer to house (completed)	62	
and connections laid from sewer to side line of street only (incomplete)	0	
Number relaid during year		0
Number of stoppages coming to the notice of the department		33

Discharge of Sewers

Estimated population using the sewer system		17,826
Number of buildings connected		3,971
Includes:		
No. of buildings connected as of Dec. 31, 1943	3,909	
No. of buildings connected completely from sewer to house during 1944	58	
No. of buildings connected from end of house connection previously run out to side line of street only	4	
	3,971	

Financial

Total cost of collection mains to December 31, 1944, (including the East Milton sewer and drain through Babcock Park district)	$1,064,223.99
Bonded debt at date (including East Milton sewer and drain bonds)	$93,000.00
Average rate of interest on bonds	1.637%

For details of sewer construction and maintenance accounts, reference is made to the Financial Report compiled by the Town Accountant, as shown elsewhere.

The sewer extensions made during the year were as follows:

Street	Size of pipe	Length (feet)	No. of M.H.'s
Adanac Road			
from Truro Lane to Blue Hill Avenue	8″	732.6	3
Alvin Avenue			
from Emerson Road to Wood Street	8″	385.1	2
Blue Hill Avenue (West Side)			
from Robbins Street to Vose Hill Road	8″	527.2	3
Blue Hill Avenue (East Side)			
from Prince Street to Lafayette Street	8″	167.1	1
Crown Street			
from Essex Road to Opp. Ho. #61	8″	245.5	1
Dexter Street			
from Prince Street to Opp. Ho. #73	8″	262.7	1
Easement			
from Metropolitan Sewer to Roosevelt St. (at Lafayette St.)	10″ 12″	409.2 20.5	2 1

Wood Street			
from Alvin Avenue to Opp. Ho. #110	8″	283.1	1
Total		7,077.3	36

Respectfully submitted,

FRED Y. MARSHALL,
JAMES F. CAMPBELL,
STANLEY CUNNINGHAM,
Board of Sewer Commissioners.

REPORT OF HIGHWAY DEPARTMENT

Milton, Massachusetts, January 10, 1945.

To the Honorable Board of Selectmen:

I herewith submit my annual report for the year ending December 31, 1944.

This has been a very active year for the Highway Department in spite of the fact that we have less employees than in other years due to the war. We have had to resort to mechanized equipment as far as possible to do so. During the year John Mullen and John Higgins were retired because of infirmities and due to the manpower shortage we have been unable to replace them. There are several employees of the Highway Department who are approaching the retirement age of seventy.

This year we were allotted a very full program. There were seven streets constructed under the Betterment Act and these totaled a mile in length changed from country roads into city streets. We installed drainage in old public streets and did considerable seal coating of roadways throughout the Town. In addition to these, many days of the year were contributed to the war effort by the collection of waste paper and tin cans for salvage, and also to the Garden Clubs in Milton for the Clean-Up Week campaign. Because so much time was consumed for these donations, some of the road construction had to be carried over into 1945.

The following listing of accounts shows the amounts appropriated, the amounts expended and the balances:

Highway—General Expense:

Appropriation		$66,562.00		
Transfer		1,000.00		
		$67,562.00	$67,444.55	$ 117.45
Drainage		6,329.85	6,329.85	
Permanent Construction		1,500.00	1,500.00	
Private Work		1,500.00	1,500.00	
Clifton Road Construction		9,735.00	9,196.58	538.42*
Ferncroft Road Construction		8,597.15	4,794.20	3,802.95*
Kenilworth Road Construction		8,167.40	7,861.84	305.56
Lawndale Road Construction		8,839.30	8,593.77	245.53
Lawrence Road Construction		5,833.20	4,913.26	919.94
Pagoda Street & Circle Construction		9,430.00	8,456.40	973.60*
Westvale Road Construction		10,300.00	9,739.93	560.07
Chapter 90: Appropriation:	$1,000.00			
Temporary Loan for State and County's Share:	2,000.00			
		3,000.00	3,000.00	
Adjusted Compensation		10,920.00	10,818.33	101.67

*To be completed in 1945.

General Expense

The appropriation for this account is broken down in our records into many headings and under these are kept detailed costs of all jobs done during the year.

A great deal of small road repair jobs and patching were done this year.

In our seal coating work we used less tar and more rapid curing cutback asphalt this year using stone chips for cover. The following list shows where seal coating was done, the cost coming under the Highway—General and the Chapter 90 accounts.

Seal Coating With Cutback Asphalt

Street	Length Feet	Width Feet	Area Square Yards	Gals. of Cutback Asphalt	Tons Stone	Cost
Beacon Street	338	20.75	861	263	9	$ 50.93
Blue Hill Terrace Street from Crown Street to Blue Hills Parkway	357	23.00	912	350	15	73.62
Brush Hill Rd. (Chap. 90) from Neponset Valley Pkwy. to Milton St.	536	21.50	1280	625	22	128.92
Canton Avenue (Chap. 90) from Brook Road to Adams Street	3817	26.50	11239	4302	167	934.34
Church Street from Adams Street to between Church Place and Franklin Street	940	23.50	2455	1000	35	183.64
Churchills Lane from Brook Road to Centre Street	1120	18.50	2302	942	36	189.25
Columbine Road from Ridge Road to Central Avenue	1992	19.00	4205	1101	55	224.13
Granite Place from Belcher Circle to end	1126	15.00	1877	686	30	143.72
Milton Street (Chap. 90)	2665	23.50	6959	2455	120	617.71
Norway Road	575	20.50	1310	425	23	99.48
Smith Road	554	22.00	1354	425	27	105.74
Woodland Road	800	12.50	1111	400	10	68.42
	14820 feet or 2.806 miles		35865	12974	549	$2819.90

Cost per square yard $.0786

Gallons of asphalt per square yard .3617

Pounds of stone per square yard 30.603

Seal Coating with Tar

Street	Length Feet	Width Feet	Area Square Yards	Gals. of Tar	Tons Sand	Cost
Brush Hill Rd. (Chap. 90) from Blue Hill Ave. to Neponset Valley Pkwy.	4238	20.00	9418	3265	126	$561.36
Brush Hill Road from Smith Road to Neponset River Pkwy.	1328 112	23.50 10.00	3592	1155	67	224.43
Cheever Street	1200	22.50	3000	750	51	145.26
Washington Street	1410	23.00	3603	900	41	164.34
	8288 feet or 1.569 miles		19613	6070	285	$1095.39

Cost per square yard $.0558

Gallons of tar per square yard .309

Pounds of sand per square yard 29.082

Sidewalk repairs is an item that requires special mention. We spent $3,425.38 on this work. Most of the sidewalks in Milton are in very poor condition, principally because Milton has a great many street shade trees. As these trees grow older and get bigger, their roots spread out and enlarge and because most of the nourishment for trees comes from the land abutting the street the roots extend from the tree lawn under the sidewalk. Thus the walks are lifted and pavements deformed causing hazards to pedestrians and we get many complaints because of this condition. After the war when there is more manpower available a much larger appropriation must be used on this type of work which requires much hand labor to make repairs and renew old sidewalks.

Roadside mowing is a very necessary item. The cost for one cutting of the roadsides in Milton including the cutting and disposal was $1,199.93 which was made up as follows: Labor $1,142.89, repairs to mowing machine $24.25, gasoline $31.01, and motor oil $1.78. Our roadsides are mowed twice a year and in many places three times. In this way we are able to practically eliminate the ragweed nuisance especially at the time of year when it is most injurious to the health of many.

The repairing and cleaning of drains requires many men and is an item that is increasing yearly. As we construct more streets it increases the length of storm water pipe lines and the number of catch basins to be cleaned. This year we spent $5,750.00 on this type of work. In the near future it will be necessary to purchase a catch basin cleaning machine and this has consideration in our six year budget.

Snow and Ice is an item that fluctuates according to the season. This work includes sanding and snow removal as well as plowing. This last year because of the labor shortage I hired a tractor with an overhead loader attachment equipped to handle snow. It did a good job on our streets and proved to be much more economical than hand labor. I have started this winter with another hired snow loading machine.

Under the maintenance section of our Highway-General account is the upkeep of our automotive equipment. We have heated garages for all of our rolling stock and a good mechanic to keep the equipment in repair. With a good place to store our vehicles we are sure of quick starting on cold mornings and as the temperature is kept at 45° or over all machines are free from ice and dry when starting the day's work. The shop is equipped with all necessary tools, air compressor, battery charger, drills, grinder, etc., so that all minor overhauling and repairing is done there. Besides automobiles and trucks there are tractors, road rollers, portable air compressor, roadgrader, and small pumping engines to be maintained.

Street Betterments

This work includes streets constructed under the Betterment Act, one-third of the money is paid by the Town and the other two-thirds is assessed to the abuttors. One of the reasons why three of the seven streets being constructed this year were not completed was because of the rough, rocky terrain. About 25% of the work is being carried over to be done in the spring of 1945. These streets are listed in the first part of this report and also the lengths and widths are given in the Town Engineer's report.

A remark was made at the hearing on Betterment Streets held in the Town Hall on December 14, 1944, that "The life of a Betterment Street is not longer than ten years." I wish to report that the first Betterment Street was constructed in Milton nineteen years ago and was built with a gravel and oil roadway surface. That road is Crown Street and it is as good today as the day when it was completed. The streets now built have a gravel sub-base of ten inches of good leaching gravel, three inches of broken stone rolled and penetrated with asphalt and a one-inch wearing surface of asphaltic concrete. These roadways since constructed have never had any maintenance and for nineteen years no Betterment Street has shown any failure in any part except where they have been broken into for sewer, water, or gas connections. This statement can be substantiated by talking with residents on these streets.

Permanent Construction

The amount of $1,500.00 is rather small with which to do any great amount of reconstruction so that it was decided to use the money to resurface roadways that already had a good foundation. Cedar Terrace Street had been built under the Betterment Act several years ago and a new sewer had recently been installed in part of it so after the sewer surface repair had been made the Permanent Construction money was used to lay an asphalt concrete surface the entire length of the street from Hope Avenue to Squantum Street. The balance of the money was used for the same kind of surface patching on Adams Street between East Milton Square and the Milton-Quincy line.

Conclusion

Requests come to this office for almost every conceivable kind of service. All calls are courteously answered and recorded. There were over 400 calls received and all that could possibly be handled by this Department were taken care of.

The highway bridges of the Town are in good condition. The Central Avenue bridge had the underneath iron work painted and a new wearing surface of two-inch plank laid during the year. The Granite Avenue bridge, which is one-half Boston's maintenance, had the granite piers and abutments gunnited with cement and grout. The motors were checked and put in good condition. There should be no expense for repairs for another year or more.

I wish to thank your Honorable Board for the assistance and cooperation given during the year. I also wish to thank the employees of the Highway Department for their cooperative spirit through a trying war year. We have been short-handed on nearly every job we have done this year and all the employees have given the best service possible to the taxpayers and the Town of Milton.

Respectfully submitted,
FORREST J. MAYNARD,
Superintendent of Streets.

REPORT OF BOARD OF WATER COMMISSIONERS

Milton, Mass., January 11, 1945.

To the Citizens of Milton:

As shown by figures in the Superintendent's report our surplus as at December 31, 1944 was $38,715.66, $6,033.16 more than at the end of the previous year. This increase represents the excess of cash receipts over expenditures. The following were the principal factors which contributed to the larger surplus:

1. Increased sales of water resulting from the prolonged drought extending through the greater part of the summer season.
2. Expenditures including bond interest were kept at their lowest level in some years despite an increase in the Metropolitan Water Assessment and to the fact that more mains were installed than in the previous two years.

Resulting directly from the small amount of new construction, our bonded indebtedness and expense is growing less as is shown in the following figures:

	1940	1941	1942	1943	1944	1945
Bonds issued	$ 30,000	$ 30,000	None	None	None	None
Bonds retired	43,000	45,000	$ 47,000	$ 47,000	$ 45,000	$ 43,000
Interest on bonds	13,936	12,896	11,664	10,231	8,836	7,493
Bonds outstanding 12/31	425,000	410,000	363,000	316,000	271,000	228,000

As at the end of 1945 the principal amount of outstanding bonds will have been reduced 44% in the four war years, 1942 to 1945 inclusive.

If the war continues through 1945 and the limitations on manpower are still restrictive our bond condition will be so much improved that we will be in a more healthy condition to prepare for the expected heavy demand for new mains after the close of the war.

However, your Board, while conscious of this improvement is apprehensive regarding the post-war period, with its expected demand for new houses requiring additional main installations.

Since 1924 the Water Department has been self-supporting. It has paid all its expenses including the retirement of and interest on bonds out of receipts and has been able to reduce rates.

Ten years ago, the bonded indebtedness of the Water Department was over a half million dollars. We are concerned now with the possibility of again shouldering a similar or even larger debt. To avoid this we have developed a plan which will require the cost of installation of mains in new subdivisions to be borne by the developer rather than by consumers in their water rates.

The direct result will be that the expenses of mains installed in new subdivisions will be borne finally by those directly benefiting. Water rates should be prevented from increasing and we hope, may be reduced when conditions return to normal.

Articles providing for the proposed plan have been inserted in the Town Warrant.

We are proud to record that Miss Alice R. White, chief clerk in the Water Department office, became a member of the WAC in September and is in training.

Respectfully submitted,

ERNEST E. ERICKSON,
JOHN B. MOORE,
PAUL F. DUDLEY,
Board of Water Commissioners.

REPORT OF WATER DEPARTMENT SUPERINTENDENT

Milton, Mass., January 11, 1945.

To the Board of Water Commissioners:

Herewith is submitted the report of activities of the Water Department for the year ended December 31, 1944.

The pages following this report contain tables outlining the receipts and expenditures of the Department, distribution data and charts showing the classification of financial transactions.

Main Extensions

Installation of mains has continued at a minimum. Restrictions on materials have been considerably lightened but the shortage of labor has prevented any but the most urgent work of this sort being undertaken.

Water from private wells in the area south of Mathaurs Street was certified by the Massachusetts Department of Public Health to be unfit for drinking and this Department, despite a lack of manpower, installed 1,158 feet of main under the guarantee method to assure the homeowners in this locality of a supply of pure water.

Maintenance and Operating

The employment of our skeleton crew on the work outlined in the previous paragraph prevented us from doing some of the maintenance planned for 1944.

It was impossible to clean and cement-line mains or to inspect individual service shut-offs as planned, hence, this important work was deferred.

Work of this sort is necessary for the continuance of the system in good operating condition and it is expected that we will next year pick up where we left off in 1943.

Accounts Receivable

Our books carried the following outstanding balances as at December 31, 1944:

Sale of Water	$10,010.26
Service Installations	69.30
Sundries	683.47
Liens Added to Tax Bills	589.87
Tax Titles	732.80
Total	**$12,085.70**

May I continue to express publicly my gratitude to the Board of Water Commissioners for their wise guidance, to the other Departments of the Town for their willing cooperation and to the employees of the Water Department who have aided in keeping the service offered the consumers at a high level.

Respectfully submitted,

WILLIAM P. MELLEY,

Superintendent.

COMPARATIVE FINANCIAL STATEMENT

REPORT OF THE BOARD OF RETIREMENT

Milton, Mass., January 22, 1945.

To the Honorable Board of Selectmen:

Submitted herewith is the report of the Board of Retirement activities for the year ending December 31, 1944.

No unusual problems were brought before the Board last year.

Due to the fact that no session of the State Legislature was held in 1944 no new acts were passed affecting the retirement system.

During 1944 eleven new employees became members of the system, all in Group I. Twelve members left the employ of the town and withdrew from the system. Two members were retired for superannuation. The net membership shows a loss of one for the year.

Group I includes all system members except firemen and policemen who are classified in Group II.

MEMBERSHIP

Group I

Membership, January 1, 1944	120		
Enrolled during 1944	11		
		131	
Members pensioned	2		
Members withdrew	11		
		13	
Group I, Active Members, January 1, 1945			118

Group II

Membership, January 1, 1944	28		
Enrolled during 1944	0		
		28

FINANCIAL STATEMENTS

REPORT OF THE TOWN ACCOUNTANT

Milton, Massachusetts, January 18, 1945.

To the Honorable Board of Selectmen:

I herewith submit the report of the Town Accountant for the year ending December 31, 1944, arranged as follows:

1. Detailed accounts of all moneys received by the town as classified in accordance with the requirements of the Division of Accounts of the State.
2. Details of all departmental accounts showing the appropriations, credits, expenditures and balances. The expenditures are classified in accordance with the requirements of the Division of Accounts.
3. Balance sheet as of December 31, 1944, showing debit and credit balances on all open ledger accounts.

All original bills and vouchers on which moneys have been paid from the treasury for the year ending December 31, 1944, and all Trust Funds in the custody of the Town Treasurer and Library Trustees have during the year been examined and found to be correct.

Respectfully submitted,

FRED N. KRIM,

Town Accountant.

REPORT OF
LINCOLN BRYANT, SAMUEL H. WOLCOTT AND THEODORE T. WHITNEY, JR.
TRUSTEES OF THE WADSWORTH FUND

Milton, Mass., December 30, 1944.

The trustees of the Wadsworth fund, pursuant to the decree of the Supreme Judicial Court, delivered to the Milton Hospital and Convalescent Home all the securities held in the trust, as shown by the report of the trustees to the town dated December 31, 1943.

As the purposes of the trust have now been fulfilled, the trustees have caused to be filed with the legislature a petition for legislation repealing Chapter 305 of the Special Acts of 1917, which is the act under which the management of the trust was established.

The repealing act will be submitted to the town for action at the Town Meeting in March, 1945.

THEODORE T. WHITNEY, JR.,
SAMUEL H. WOLCOTT,
LINCOLN BRYANT.

William B. Weston Bequest

The $6,000 Hospital Fund left with the Massachusetts Hospital Life Insurance Company, with accrued interest to December 31, 1944, now amounts to $17,576.49, income for the year having been $344.64.

The $15,000 Poor Fund left with Francis C. Welch, Trustee, is held in the Weston Estate, the Boston Safe Deposit & Trust Company now being Trustee. Copy of the Will is in the custody of the Town Treasurer.

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held December 31, 1944 .... $198,158.75

This Fund is held by the Town Treasurer in accordance with Chapter 82, Sections 15-18, of the Public Statutes.

Mary L. Peabody Fund

Amount held December 31, 1944 .... $5,481.50

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, $5,000 to be invested and the income thereof to be distributed annually to the poor at Christmas."

E. T. L. Reed Park Fund

Amount held December 31, 1944 .... $9,428.59

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All the rest, residue and remainder of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

. . . .

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said town as a fund to be known as the 'Jason Reed Fund,' and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said town, in such manner as said authorities may deem advisable.

"I make the foregoing bequests in favor of.............., the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of said town, and of my own profound desire for the welfare of said town and of the citizens thereof."

Jason Reed Fund

Amount held December 31, 1944 .... $2,626.67

Sarah G. Vose Fund

Amount held December 31, 1944 .... $1,170.63

E. G. Tucker Fund

Amount held December 31, 1944 .... $1,168.48

Herrick Fund

Amount held December 31, 1944 .... $8,000.00

Charles T. Pierce Fund

Amount held December 31, 1944 .... $1,335.42

Charles T. Pierce, late of Brooklyn, N. Y., and Greenwich, Conn., bequeathed to the Milton Cemetery the sum of $1,000.00, "the income to be used for the care of my family lot."

Mary L. Peabody Cemetery Care Fund

Tuell & Hallowell Good Citizenship Prize Fund

Amount held December 31, 1944	$1,219.04

EXCERPT FROM SCHOOL COMMITTEE RECORDS—SEPTEMBER 10, 1923

The Chairman presented to the Committee the following correspondence:

"To the School Committee of the Town of Milton:

"The Tuell Alumni Association herewith presents, through your Board, to the Town of Milton, the sum of One Thousand Dollars ($1,000) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown in the highest degree, those qualities that make for good citizenship; the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School, who, in the opinion of the above said faculty has shown similar qualities.

"The prizes are to be awarded each year at the graduation exercises. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year."

PERCY E. SHELDON,
President, Tuell Alumni Association

June 22, 1923.

Nathaniel T. Kidder Fund

The following is an extract from the will of Nathaniel Thayer Kidder. Eighteenth:

"I give and bequeath to the State Street Trust Company . . . the sum of twenty-five thousand dollars ($25,000), in Trust . . . the income only of which shall be paid at such times as the Trustee may from time to time determine, to said Town of Milton for the uses of the Milton Public Library system as the Trustees thereof for the time being may in their absolute discretion determine."

*Leave of absence.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of the Town of Milton:

The School Committee herewith submits its report for the year 1944.

The School Committee wishes to record its appreciation of the co-operation and sincere interest of the entire personnel of the Milton School system. They have not only accepted the many responsibilities required of them but have given much of their professional time to individual needs and extracurricular activities.

Redistricting of the Vose and Tucker School Areas

As the Vose School district had outgrown the school accommodations it was necessary to redistrict the Vose and Tucker School areas. The increased enrollment at the Vose School due to the growth in population of this area of the town was met temporarily in 1942 and 1943 by the addition of two reconstructed classrooms. This relieved the situation for two years only. This fall the School Committee again faced the situation that the building would not accommodate all the children in this area. The Tucker School enrollment had decreased somewhat so that it was possible to transfer about ninety-seven pupils. Those pupils formerly transported by bus to the Vose School are now accommodated at the Tucker School.

The School Committee increased the area of the Tucker School district to include part of the district formerly served by the Vose School and established new boundaries, namely: the northerly line of Blue Hills Reservation from the Neponset River at Paul's Bridge to Blue Hills Parkway easterly side to Pine Tree Brook, thence along Pine Tree Brook to a point one hundred feet from Central Avenue, thence in a line across Eliot Street midway between Allen Circle and Francis Street to Neponset River Reservation, thence in a westerly direction following the Boston City Line to the point of beginning.

It was also necessary to establish lunchroom facilities at the Tucker school to accommodate the pupils transfered by bus.

Handwriting System

The School Committee adopted the Rinehart Functional Handwriting System in the elementary grades to improve and modernize penmanship in the Milton schools. This system is used with excellent results in many commnuities. Its objective is to adapt the handwriting program to each pupil's needs through study of individual differences, rather than attempting to make all pupils conform to a handwriting system and the arm-movement technique of penmanship. The plan of instruction includes materials and the following professional services:

1. Instruction of teachers in monthly teachers' meetings as long as necessary.

2. An individual diagnosis of the handwriting of each child monthly, based on a formal handwriting test, same to be reported to the teacher as an instrument for remedial instruction.

3. Monthly classroom visitation for a period of twenty minutes for the purpose of grading from one to four samples of informal handwriting, the number of papers depending on the advancement of the grade; also, for the purpose of placing master copies of the assignment on the blackboard with colored chalk to aid the teacher in presenting the instructional material to her pupils.

4. During the classroom visit, the supervisor will instruct, diagnose difficulties, and be generally helpful as the occasion demands.

This plan can be extended a grade each year until all grades receive this instruction.

Resignation

During the last school year the Milton School Committee accepted with sincere regret the resignation of Miss E. Jennie Farrell, fourth grade teacher at the Tucker School. Miss Farrell had been a loyal and able teacher in the school system for thirty-three years.

One Session Versus Two Sessions

Because of the redistricting and transfer of pupils from a one-session to a two-session school, the question of one versus two sessions came to the attention of the School Committee. After consideration and a number of hearings, it was decided to continue with one session at the Vose School, but to extend the school lunch period from forty-five minutes to sixty minutes to facilitate the operation of the lunchroom and to make available a longer lunch period for the children who go home to lunch. At the Tucker School it was impossible to adopt a single session plan because of limited lunchroom facilities and lack of funds for any capital expenditure. A subcommittee of three members of the School Committee was appointed to make a further study of the whole situation.

Change in Salary Schedule

The Milton School Committee has had a salary schedule established in 1928 which has functioned for the best interest of school employees and the town. It has contributed to a marked degree to maintain the high standard and morale of school employees and has eliminated petty jealousies and prejudices. It was changed to conform with amendment to Section 40 of Chapter 71 of the General Laws, namely:

> **Entrance Salary of Teachers**—Teachers without experience but with three years of professional training beyond the secondary school shall be given an entrance salary of not less than $1200; four years of training, not less than $1300. Teachers entering the service with previous experience may be given a salary allowance for such experience as determined by vote of the School Committee.

Appropriation for 1945

The School Committee has, after careful and extended consideration of the estimated cost of schools for the year 1945, unanimously recommended the sum of $399,666. This is an increase of $15,845 over the budget for 1944. This increase is necessary principally because of the necessity of replacing teachers, filling vacancies due to resignation with qualified teachers at higher salaries under war conditions, and increased amount for maintenance of plant.

Maintenance of Plant

This last year the Committee reduced its apportionment for maintenance of plant to $7,000, nearly fifty per cent below the five year average. This was done principally to reduce the total budget and help keep the tax rate down in face of high federal taxes. The Town of Milton has approximately two and one-half million dollars invested in school property which the School Committee must keep in repair. A complete detailed report of the condition of the school property shows approximately $30,212 of needed repairs. While the Committee realizes that not all of these repairs are of emergency nature, yet most of them must be attended to in the near future to protect the Town's investment and avoid unnecessary larger expenditures later. It is apparent from a study of these annual repair lists during recent years that there should be appropriated annually a sum equal to approximately one per cent of the total valuation of school property, namely: $25,000.

Adjusted Compensation

The School Committee believes in the principle of adjusted compensation and is recommending for 1945 the amount as determined by vote of the town for all town employees.

Gifts

The School Committee acknowledges with deep appreciation receipt of the following gifts:

High School
- $102.19 for Electric Basketball Score Board—Class of 1944.
- Amblyoscope—Anonymous.
- Airplane Engine—Abraham Noble.
- M. H. S. Banner—Joseph Lannon.

Belcher School
- Minerals—Specimens—Howard Cobbett.
- Nature Study Specimens—Sister Catherine Paula.
- Pictures for Study—Mrs. Michael McDonnell, Mrs. Alice Linde.

Collicot School
- $ 50 for Fresh Air Room—East Milton Neighborhood Club.
- $250 for Fresh Air Room—Public Health Committee if Milton Woman's Club.

Glover School
- 4 Framed Colored Prints—Glover School Mothers' Club.
- 1 Picture—The Child Handel by Dixon—Emily Cunningham.

Vose School
- Air Age Globe—Vose School Parent-Teacher Association.
- 2 Blankets—Vose School Parent-Teacher Association.

Respectfully submitted,

FRANCIS C. BATES, Chairman,
JOSEPH GOOSTRAY, Secretary,
E. LILLIAN DOWLING,
GLADYS L. HILL,
JAMES F. BALLARD,
*BENJAMIN R. ALEXANDER.

*Military Substitute for Major Roland S. Fulton.
January 9, 1945.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Milton School Committee:

It is my belief that an over-all view at this time of what the schools are accomplishing is of value, not as a cause of satisfaction, but as a vantage point from which to see the possibilities for improved service to the town in the months that lie ahead. This is particularly true in the absence of financial stress and criticism.

A remarkable flexibility in adapting education to current and long-time needs of the children and youth of Milton is noticeable. Expressions from those now in military service, who have gone from our high school into training classes with those drawn from other parts of the country, indicate the high degree to which our schools have succeeded in helping them to develop not only their basic general education, but also their specific education gained in the high school pre-induction courses conducted as recommended by the war department. In respect to direct employment after graduation from high school, employers have voluntarily expressed satisfaction with graduates from Milton. Although the year just passed has been a time when personal services were in great demand, it is not without significance that, before the close of the last school year, every high school senior who wanted a permanent position had been placed to begin work after graduation in June. It is worthy of note that not many years ago the yardstick for measuring the success or failure of high school education was the number of graduates who were qualified to pass college entrance examinations. Now, although preparation for admission to college has suffered no let-down, it is no longer the sole criterion for measuring the value of the schools to the community.

Adaptation to individual needs of pupils in Milton has made noticeable progress. Some fifteen years ago definite provision was made in school organization to clear the way for each pupil to progress at a rate best suited to his own development so far as limitations imposed by numbers of pupils, teachers, and type of equipment might permit. The principle involved seems to check with reason and common-sense. Every parent and every teacher who faces the matter squarely recognizes the fact that all children differ among themselves, that no two are alike. A school procedure of regimented progress from grade to grade for all pupils is so obviously unfair that I hesitate to write of it at all at this time. My reason for doing so is that there still lingers in the thoughts of some the more or less indefinite conception that great or little capacity to learn is synonymous with superior or inferior quality of the child. Doubtless the publicity of high scholarship awards and prizes has long obscured the abilities of many whose later accomplishments place the winners of these awards in the position of second best. But if we allow a program to function that embarrasses and discourages some children by requirements beyond their ability to keep up with others who assimilate meaning from the printed page more readily, or on the other hand that permits idleness and unrest in those capable of more rapid achievement, we are remiss in meeting the school's responsibility. Yet sound progress in public school education is slow. The degree to which individual pupils advance at their optimum rate is conditioned by numerous factors both outside and within the schools. The gap between school policies and the opinions of parents and other citizens busily engaged in other matters is not easily bridged. Many are too busy with other interests to assimilate the information essential to intelligent understanding of all that the schools are doing. The bridge is more specifically known as informed understanding. If through the eyes and ears of children and youth, we can sense the baffling maze of conditions in which they do their thinking today, we can understand their behavior better and direct their development more intelligently. This is true in both home and school. Within the schools there is a growing appreciation among teachers of all that area of resistance to education which exists in the sensibilities of their pupils. The curriculum in actual use is not confined to segregated blocks of subject-matter. It has become a working plan of school activities with pupil behavior directed to influence children and youth along the highway of better individual development. A free exchange of information between parents and teachers is important here. Such understanding makes for more intelligent teaching. It appears that there has been substantial progress in this respect as reflected in the attitude of pupils.

The impact of war conditions on public school education is causing closer scrutiny of all that is involved in the process from underlying philosophy to methods and materials of teaching. It is well to keep in mind the fact that change is not synonymous with progress. Much of the accelerated program of education and training for adults in compulsory military service is not adaptable to use in the public schools; some of it appears to have definite value. The extensive use of visual aids in training for military efficiency has given great impetus to that medium of education. Much has been accomplished in our school system this year within the restrictions imposed by war-time conditions. About two hundred fifty motion picture films were used for instruction purposes. These were rented for nominal fees. The total expenditure for rental, supplies, and repairs to equipment was less than three hundred dollars for all schools. However, this is a very meager program. Each school should have the necessary equipment and film service, still, silent, and sound, to use at the most opportune time for maximum teaching value. Adequate conditions for projecting are necessary for each classroom. Teachers and the most capable pupils can operate the projectors satisfactorily. I believe no further time should be lost in providing a larger program of visual education with all necessary direction and equipment.

In common with other school systems, Milton has experienced the problems arising from the acute shortage of well qualified candidates for teaching positions. This is particularly true when vacancies arise after the school year has begun. The regulation which states that the marriage of a woman teacher shall operate as a resignation of her position has removed some excellent teachers from our schools. Although they may continue for awhile as substitute teachers, the greatly reduced pay for the same services is not sufficient to retain them.

When these war years are past and the activities of the Milton schools during the period can be viewed in retrospect, the influence of our teachers multiplied many-fold through inspiration in the lives of the youth who for a time have touched their personalities and walked along with them, will stand out as the most valuable of war-time services. More than a thousand of these boys and girls are now in military service, some have received citations for outstanding bravery, clear thinking, and quick action; some are not coming back; all have acquitted themselves honorably. The measure of all that their teachers contributed to their ability to stand up under the heavy responsibilities placed upon them can never be determined. Their teachers were paid salaries for their teaching. I am certain beyond any doubt that these teachers have given of themselves far in excess of any monetary returns. I commend them to you.

No attempt is made in this report to present all the details of the school system in action that might be of interest. The process by which the annual school appropriation of money is transmuted into life-time human character is exceedingly complex and does not lend itself to adequate treatment here. Specific information will be provided on any part of the educational program at the time it may be up for consideration. The reports that follow have to do with more detailed activities in special areas of the public school program and are worthy of your attention and study. The usual statistics are assembled in the appendix. The statement of the annual school budget prepared under separate cover for your Committee and the Warrant Committee includes in detail all maintenance items for the year 1945 that can be anticipated at this time, as well as supporting information relating to all items of proposed expenditure.

I express my thanks at this time to you, the School Committee, for the efficient manner in which you have acted upon matters which I have brought to you as difficult problems in anticipation, and my appreciation for the progress arising from their solution. I have enjoyed working in company with the excellent personnel of teachers and other employees and commend to you their loyalty and devotion to duty.

Respectfully submitted,

HORACE F. TURNER,

Superintendent of Schools.

January 9, 1945.

REPORT OF THE PRINCIPAL OF THE HIGH AND CENTRAL JUNIOR HIGH SCHOOL

My dear Mr. Turner:

The past twelve months have recorded much worthy and significant achievement in the high school. The panorama of children evolving into adults, even under pressure, has been a gratifying picture to us entrusted with their guidance. The school life of this 'teen age generation has been quickened by war crises so incessantly that high school youngsters accept stimulation as normal. Recognizing the inordinate importance of youth in the world transition, they expect the schools to prepare them for major roles. They wish to translate quickly their latent power into useful activity.

Enrollment

The impact of war has had very noticeable effects upon the school. The enrollment is the smallest it has been for several years. The low birthrate of the depression made a smaller enrollment inevitable; moreover, work inducements and selective service have caused a slow seepage out of school. There has been a marked tendency for the sixteen year old boy who classifies himself as non-academic to seek trade school or industrial opportunities. The pupil who has been excessively retarded over a period of years has been called by the selective service board before the normal completion of high school. The surge toward early enlistment, however, has very much abated. Recruiting officers have not been so active among the schools. Official military advisers have prudently and painstakingly advised young people to remain in school. Enlistment in a wave of patriotic fervor no longer exists. There is, nevertheless, a tendency to enlist immediately prior to a selective service call in order to choose one's branch of service.

The present senior class is smaller than those in the immediate past. The expressed intention to remain in school is very evident. Boys intend either to go to college or to war. Only two boys have expressed a desire to enter employment at once. This fact is remarkable in view of the many lucrative opportunities now offered. Boys with college aspirations intend to study one, two, or three college semesters before they enter the armed services. The young age at which many graduate in Milton and the accelerated college programs make possible even now considerable civilian collegiate education.

The immediate opportunities for our girl graduates are more varied, more urgent and more remunerative than formerly. Many more girls look forward to higher education. Although girls' colleges of liberal arts have increased their admittance quotas, they, nevertheless, have long waiting lists of applicants. As a result, girls' schools are crowded, and admission is more difficult to procure. The general explanation is that parents have more money to spend on education and they are spending it on girls. In past years there has been a tendency for the middle class in moderate financial circumstances to invest less money in the education of their girls than in the education of their boys.

Work Experience

During the current school year nearly all of the older pupils of the school have accepted work opportunities as minor war activities; yet only a few have permitted work commitments to interfere seriously with their school obligations. A year ago quite a few pupils tried to attend school and work a split shift in a factory. The school work of all of these pupils deteriorated to a very low level. Educational worth that the school might well evaluate and allow credit frequently accrues from work experience. The responsibility which work entails is worthwhile character development. It is doubtful, however, whether the school could recognize any kind of work experience which it could not designate and supervise. Probably work experience with responsibility and monetary recompense would be a wholesome venture for all youth, provided the exactions of the work did not infringe upon the time and functions of formal school life. The school is frequently disrupted by seasonal employment surges. The pre-Christmas rush of the postoffice department causes the most severe raid on Milton school attendance.

Credit for Sevicemen

In accordance with the national plan during the past year, pupils who joined the military service have been granted one semester or one half year credit at the successful completion of basic or recruit training. Several former members of the Class of 1944 thereby qualified for a diploma last June. There will be a few members of the present senior class who may wish to qualify in this manner. In addition, numerous non-graduates are in specialized service schools or are working through the correspondence courses of the Armed Forces Institute to supplement their prewar education in order to qualify.

The few non-graduate former students based at quiet sectors evince much interest in acquiring sufficient education to warrant a diploma. The army itself apparently has dispelled the illusion that an educational diploma ought to be granted as a bonus for military service. Eventually, veterans will be returning with a need for further education and rehabilitation. Because the great majority of Milton servicemen are already high school graduates, our school problem ought not to be large in numbers. The accessibility of the specialized educational facilities of Greater Boston will relieve the problem somewhat. These older, more mature, and more experienced people ought not to be placed in the same classes with young people of normal high school maturity. The disparity between the social outlooks of the two groups has been very grave wherever the combination has been attempted. Should such an eventuality arise, I recommend that the principal be authorized to institute a unit contract system between individual teachers and individual pupils. Returning veterans will need to learn the specific informations that can best be acquired under competent guidance. The growth, social competence, and civic attributes which in time accrue from fellowship in school should already have been developed by the national service experience.

Graduates in the Armed Services

In World War I, the high school graduates provided only four percent of the armed services. In World War II, the per cent has sky-rocketed. Especially on the eastern seaboard a large majority of the recruits have the educational background essential in the training for mechanized warfare. This is one of the many advantages which automatically result from a system of free public education.

Many more than a thousand of our graduates are in the armed forces. Among recent classes almost the entire contingent of boys is in uniform. The casualty lists keep the student body conscious of the crucial years through which they are passing. Already sixteen graduates have paid the supreme sacrifice. Several others are missing. There are prisoners of war in Germany. The sick and wounded are too numerous to list. Several times a year the Democracy Club and the Students' Association mail hundreds of letters containing the current news of alumni in the armed forces and of the school to servicemen all around the globe. The enthusiastic and widespread response to these messages of cheer indicates that the contact is deeply appreciated by the distant ones. It is one more tie to link the men with their youth and home.

The school is a mecca for servicemen at home on leave. Rarely does a day pass without at least one visitor. Frequently, there are several groups. These men return to the building primarily to visit their classroom teachers. Many, however, visit the wartime courses and some relate their experiences in foreign lands.

Although requests for transcripts of records and recommendations have tapered off, there are still several hundred such requests each year. The army personnel department demands the same kind of pertinent personal and educational data that the colleges have long utilized. The filed personal and educational information in the high school office is of great value to these graduates.

There has always been a maximum response in our school to the A 12-V-12 army-navy testing program. As a result, there are now many of the younger graduates of Milton High School in the V-12 college program or the A S T units of the army, located in colleges throughout the country.

Physical Fitness

The importance of a physical fitness progam is accentuated in wartime. This school does not, however, pretend to approach the national ideal of one period a day of strenuous physical exercise for every pupil in the building. The gymnasium facilities are inadequate even for the present allotment of two periods each week. Daily physical education periods for all pupils would mean a milling crowd of two hundred each period in the day in a congested area. The age variation would be ten to eighteen, and the weights would vary from sixty pounds to two hundred pounds. The percentage of serious accidents under such conditions would be enormous. The body building exercises in the regular physical education classes at present are made as exacting and as strenuous as is deemed wise for immature boys. Frequently individuals are given individual programs to fit their special needs.

The intra-mural sports for girls in all six grades and for boys of junior High School age continue to flourish. These programs bring into active competition many of the school who are not varsity squad members. They increase total participation. Intra-mural sport is an excellent method of providing additional emphasis to physical fitness. Among older boys in wartime a junior varsity schedule does not function well. Older boys are either members of varsity squads or they do not participate in organized afternoon sports. Opportunities for remunerative afternoon employment are too alluring. Afternoon work is not entirely an educational or developmental loss. Supplementary to the monetary recompense, there are involved the advantages of work experience: responsibilities, practical work knowledges, work attitudes, and the usual big muscle activity. These boys are not employed for part-time desk jobs. The school realized that they acquire much social poise from this rubbing with the public. They also acquire a wholesome respect for non-clerical work, which is an attitude difficult for the school to inculcate.

Athletics

Transportation restrictions have modified somewhat the varsity sport program. At the beginning of the war the entire school sport program was threatened with extinction. More recently, school sport programs have had governmental sanction with the suggestion that schedules be made with the transportation ease as a major guide. As a result, games have been scheduled with schools located on regular bus lines. Because of the public nature of interscholastic athletic competition, its true worth is not always properly evaluated. The importance to the participants involved is in the contribution to physical and character development. Determination, persistence, forthrightness under trying conditions are attendant results. The discipline, initiative, leadership, cooperation, responsibility, and fair play sportsmanship practiced by coaches and players have a definite part in education. A program of sports is a safety valve and a morale builder, even among pupils who lack stamina or physical agility. Although interscholastic sports provide a public spectacle and the participants benefit by learning to perform under public gaze, the schools are under no educational obligation to provide a recreational spectacle for the public.

Throughout the past two years the varsity teams have been uniformly successful in winning a major part of the scheduled games.

During the past four months the school has been a focus for much of the effervescent school spirit. Its appearance, music, and general demeanor at assemblies, games, and public functions elicited general commendation. It strongly supported the athletic program by filling in gaps at athletic contests, and leading organized release expressions of enthusiasm. In return the athletic association responded with financial support of the band.

Program of Studies

The subjects inserted in the curricula as a result of the war contingency have all proved their worth. The initial enthusiasm that headlights any change has now subsided. My personal belief is that the benefits wrought by the introduction of the new subjects far surpass the inherent advantages of those supplanted. The instructors of those subjects concur in the opinion. Although the scholastic work is more stringent from a mental viewpoint, a majority of the pupils approach it with gusto. I think the concept of aeronautics, automotive mechanics, machines, and electricity as war subjects should receive careful scrutiny and evaluation before they are dropped for our prewar program.

Interest in basic scientific knowledge is definitely on the increase among young people. Perhaps this is a reflection of a growing parental attitude that knowledge of science is really scientific and therefore truly cultural. Elections of scientific subjects by the pupils are more in evidence. Moreover, the courses themselves appear to be more stimulating than in former years. Textbooks are more graphic. Scientific magazines are numerous and intriguing. The visual aids department also finds the science branches a very fertile area in which to render assistance. There is more teaching of science from raw evidence than from the printed page.

Pressure groups comprize a typical phenomenon in American life. The teaching of United States History is especially vulnerable to the attacks of patriotic organizations and economic interests. In recent years a New York newspaper made a sensational indictment of the ignorance of young people concerning their forebears.

For a decade the United States History instruction in the high school at Milton has been very competently directed. The pupil participation at graduations has given some indication of the sound and liberal viewpoints with which the pupils were grounded. Problems of industrialized civilization, race intelligence, rather than race prejudice, historical trends rather than isolated facts, Latin American and Far East connections, guided discussion subsequent to realistic and meaningful research are cardinal features of the United States history instruction which is an endeavor to promote comprehension and appreciation of the evolution of American democracy.

Teachers

There are on the staff of this school several teachers whose worth to the school is very great. They are really brilliant classroom teachers. They are available and accessible for individual and afternoon assistance. They control large groups with ease and yet spark an effective learning process. They are genuine leaders in extracurricular activities. These teachers make school work transcend a job. They incorporate the life of the school into their own lives. I believe that the intrinsic worth of such teachers is so valuable to the school department that substantial recognition should be made of their teaching merit.

Permit me to thank you and the school committee for the co-operating assistance and support during the past twelve months. It has been an effective school year.

Respectfully submitted,

GEORGE C. MARSDEN,

Principal of the High and
Central Junior High Schools.

REPORT OF THE PRINCIPAL OF THE MARY A. CUNNINGHAM JUNIOR HIGH SCHOOL

Dear Mr. Turner:

As we enter the fourth year of this war it probably is well to pause a while and consider some of the things that are happening in the field of education, that may effect us in the immediate future.

It is true that at the outbreak of war, the schools were discovered by our government as an instrument for reaching into every home within the community. Witness the rationing program, and the sale of war bonds and stamps, our salvage problem, farming program, and numerous other requests made of the schools for the dissemination of information, and to assist in the prosecution of this war.

Our enemies, particularly Germany, first discovered educational institutions as a means of molding the minds of its people. They not only used their own schools for this purpose, but distributed propaganda material to schools throughout the world. Before we declared war on Germany, and while the battle in Europe was raging, numerous pamphlets were received at this office from the "German Travel Bureau", New York City, New York, which seemed at the time quite harmless, and logical in their statements. For the most part they urged our isolationist policy. Perhaps I should add that they found their way to the waste basket promptly. This was a general practice as attested to by all school men with whom I have talked. Later the Federal Bureau of Investigation acted and no more has been heard of this organization.

Today movements are widespread throughout educational organizations, on a world-wide basis, for post-war plans in the field of education. The most active parts are being played by Great Britain, in the Joint Commission of the Council of Education, and in the United States, by the Educational Policies Commission of the National Education Association; other educational groups are also assisting. Their plans call for the following:—

1. The establishment of an agency which will exercise supervisory and advisory functions over education throughout the world for the purpose of:—
   - a. Removing from the minds of peoples the teaching that war is always inevitable.
   - b. Removing nationalistic prejudices.
   - c. Dealing with race prejudices.
   - d. Developing a spirit of international cooperation.
   - e. Teaching the necessity of world citizenship as the basis of world solidarity.

In general, the office would promote principles and practices for education in tolerance, justice, and peace.

Utopian? Yes, but unless someone takes the first step, will not the schools become the tool of power politics and power politicians, for the furtherance of their own selfish and destructive ends. If we accept the belief that this scourge of mankind, namely war, must stop,—shouldn't we give ear to any plan, utopian though it be, that will act as an instrument to out-mode such practices from the face of the earth.

There will no doubt be other post-war adjustments in the field of education. To mention one or two,—the problem of educating the discharged veteran,—

the adoption of new methods of teaching as brought out from the Army and Navy teaching program. This is particularly true in the field of languages. There will probably be more complete education in the field of things mechanical and scientific for those who enter the trades, as well as for those preparing for college.

In this report, I have chosen to emphasize the international aspect, and the function a school should play in developing the idea of world citizenship. If schools exist for the betterment of humanity, then I feel it our solemn duty as educators to do all within our power to imbue in youth, the necessity of destroying all hate, all venom, all selfishness, not only within themselves and their community, but through the world.

The half-circle area in front of our school was landscaped this past year. It was done as a tribute to all pupils who have entered the service of their country, and who once attended this school.

Respectfully submitted,

GEORGE L. CAMPBELL,
Principal.

January 2, 1945.

REPORT OF THE SCHOOL PHYSICIAN

Dear Mr. Turner:

The school health for the past year shows an improvement over the previous year, as there was a reduction on the whole in the number of communicable diseases. There were no major disabilities from accidents on the school grounds or on the athletic field.

The teachers are on guard to detect any symptoms that suggest infection in the classroom, and if any are observed, they are referred to me. Those of a contagious nature are sent home, and the remaining pupils in the room are examined in an effort to keep down any cross infection. These classroom inspections are repeated on succeeding days.

Examinations of the ears and eyes were conducted by the school nurse and any defects that were found reported to the parents for treatment by physicians of their own selection.

There are still a large number of carious teeth found in the grammar grades. Some of these children are sadly neglected by their parents as, after receiving notice from the school physician, no remedial measures are taken to correct the defects, and they come up again with the teeth in the same or worse condition.

The general physical examinations of the pupils and new members of the teaching staff were completed by Thanksgiving. In this work I had the assistance of Dr. Wilhelmina Van Dyke, who examined the girls in the upper classes.

I am glad to report that there was a large increase in the number of preschool children who reported for physical exmainations at the end of last spring term. This examination gives the parents an opportunity to have any defects which are found corrected before entering school in the fall.

With the aid of the State and Milton Board of Health, the tuberculin patch test was applied to the upper grades in the senior and junior high schools. This is a very valuable procedure in the fight against tuberculosis, as it brings to light latent and incipient cases. The positive reactors are followed up with X-ray.

In closing I wish to emphasize the merits of the Fresh Air Room, where, under supervision, the health of the handicapped, physically under par pupil receives special attention.

Respectfully submitted,

GEORGE W. WINCHESTER, M.D.,
School Physician.

January 2, 1945.

REPORT OF THE SCHOOL NURSE

My dear Mr. Turner:

This is my third annual report. It is an opportune time to review the objectives of the School Health Department and to see how nearly we have accomplished these.

Dr. C. E. A. Winslow stated in his definition of Public Health: "It is the science and art of preventing disease, prolonging life, promoting physical and mental health and efficiency, through organized community efforts for the sanitation of the environment, the control of communicable infections, the education of the individual in the principles of personal hygiene, the organization of medical and nursing services for the early diagnosis and preventative treatment of disease, and the development of the social machinery which will ensure to every individual in the community a standard of living adequate for the maintenance of health."

The school, of necessity, must play a major role in providing "health education", (Health Education Report of Joint Committee National Education Association of the United States), the sum of experiences that will favorably influence habits, attitudes, and knowledge relating to individual, community, and racial health.

Miss Jean V. Latimer, (co-ordinator of Health Education, Massachusetts Department of Public Health) held three conferences with the School Nurse, the teachers, and the principals of the Belcher and Collicot Schools, and three with the High School teachers (of related science, health, and social subjects) the principal and the School Nurse, March 1944.

An analysis of the health teaching being done at various grade levels showed that individual teachers did a remarkable piece of work. There exists in our present curriculum, however, the common tendency (see How May School Health Education be Improved, J. Latimer, M.D., P. H. The Common Health, Vol. 24, No. 3) to fit "health" "onto" the already functioning school prgoram. The ideal of course is to talk about "health in the school program", an integration of all the pupils' interests, experiences, and environment in such a way that desirable health outcomes result. With the trend of the whole process of general education into learning units (a series of interrelated learnings which involve a definite theme or topic) there is offered an opportunity for building with the pupils an appropriate background of health knowledge, insights, skills, wants, ideals, and conventions. There is a need of the organization of such teaching—learning units beginning with the fourth grade and continuing throughout high school.

The participation of the pupil in the actual experience of Diphtheria Toxoid inoculation, attendance at the school dental clinic, receiving the Tuberculin Skin Test and Chest X-ray develops skills, accumulates and uses scientific knowledge relating to the acquirement and improvement of health, and the cause, spread, and known method of prevention of certain specific conditions and diseases.

In the 1944 Tuberculosis clinic the ninth and eleventh grades (397 pupils) were Tubercular Patch tested. The funds were provided by the Christmas Seal Sale. Those reacting positively to the test, those known contacts, and any of the school personnel wishing to take advantage of the opportunity were X-rayed by the Massachusetts Department of Public Health portable clinic in the school. The Milton Board of Health provided the funds for the X-rays. Dr. Winchester, Miss F. Knight, Field Supervisor of the Division of Tuberculosis, applied the test with the assistance of Miss E. J. Campbell, Supervisor of the Milton Visiting Nurse Association, and the School Nurse.

Sixty-seven school children and one hundred ten pre-school children were given three Diphtheria Toxoid treatments. Dr. C. Rowe and Dr. George Winchester each had two clinics a day, at three-week intervals. To take care of those unavoidably absent for one treatment Dr. Winchester generously consented to holding an extra clinic.

The planned program for the care of accidents and sudden illnesses occurring in school necessitated three hundred home visits. Depending on the circumstances, seriousness, and particular needs of the condition the services of the school physician, family physician, or Milton Hospital were provided.

In attempting to prevent and control communicable disease and infection, classroom inspection is made periodically. When a pupil is found to be suffering from a condition of this kind he is excluded according to the Board of Health regulations. Measures are practiced that are deemed advisable beyond regulations, such as excluding an individual infected with pediculosis until he is entirely free of the infection. There were sixty-four so infected this year. A home visit was made in each case.

The pre-school physical examinations were held in June. One hundred forty-one children were examined at the school clinic by Dr. Winchester, fifty-two were examined by their family physicians. Those defects found were taken care of during the summer months, with very few exceptions.

The annual school physical examinations were accomplished by November 23. As in the past dental caries ranked highest in the type of defect found. The school dentist's services are sorely missed. Four hundred students were found to have need for dental care. As I previously stated in a specific dental report, these were in varying degrees of need, from multiple caries and gingivitis to the loss of one filling. Eye and ear examinations revealed some defects. These with one exception received the necessary medical attention. An attempt is being made to follow each student with a defect of any kind and guide him to the source of medical and dental treatment. Needless to say this is a colossal task. The elementary school teachers and principals and the office staffs of the junior and senior high schools have been most helpful in this regard.

Our special classrooms for physical and mentally retarded children are continuing to serve and make incalculable contributions to the youngsters needing the extra assistance to make a full and happy life. It is particularly important to note that these children though segregated for their own benefit, are not entirely out of touch with their associates. Every opportunity is made to include them in any class or group that they can benefit from. Thus the social side of their education is not neglected.

There is a growing recognition of the emotionally maladjusted child. A special effort is being made to help him. The loss of the services of the State Psychiatric Clinic that formerly came to the schools is unfortunate. The Quincy Child Guidance Clinic Services are at our disposal, however, and the possibility of an especially trained teacher in Psychometric testing will fill the gap.

Individual cases that require concentrated and long-time effort and specialized services are directed to the Milton Social Service League. Miss J. Birnbaum, Social Worker, reported twenty-one cases were referred to the League from the school in the past year. The help given to those individuals and families cannot be justly accounted for here. They have been directed to sources able to take care of their particular problems in the shortest possible time and with lasting effect.

In sincere appreciation for the help and co-operation of all the school personnel, the assistance given by all the agencies in the community and Dr. Winchester's untiring service I am

Respectfully,

FRANCES L. CROSKERY,

School Nurse.

January 4, 1945.

REPORT OF THE SUPERVISOR OF ATTENDANCE

Dear Sir:

I hereby submit my report as Supervisor of Attendance for the year ending December 31, 1944.

Number of cases investigated	23
Number of calls made	37
Number of court cases	3
Number of conferences with parole officer	6
Total Number of absences investigated	27
Absence due to illness	9
Detention by parent	4
Absence due to truancy	11
Other causes	3

Respectfully submitted,

GLADYS LEWIS,

Supervisor of Attendance

January 1, 1945.

APPENDIX

SPECIAL REPORTS

AND

STATISTICS

QUOTATIONS FROM RULES AND REGULATIONS OF THE SCHOOL COMMITTEE

1. Admission to Kindergarten and to First Grade.

Section 45. Children who will be five years old before January 1 of the following year may be admitted to the kindergarten during the month of September. Children who will be six years of age before January 1 of the following year may be admitted ot the first grade during the month of September. Provided further that children mentally above the age requirement limit may be admitted to school during the first month of the school year, or later, if their residence in Milton began after the beginning of the school year.

2. Tuition Pupils.

Section 69. Tuition fees at the rate of $125 (One Hundred Twenty-five Dollars) per year in the High School, $100 (One Hundred Dollars) per year in the Junior High School, and $75 (Seventy-five Dollars) per year in the elementary schools shall be paid by non-resident pupils to the Town Treasurer at the beginning of each term. Pupils whose term bills have not been paid at the end of the second week from the time the bills have been rendered shall be required to discontinue their attendance at school.

3. No-School Signal.

Section 61. The signal 2-2 sounded four times on the fire alarm at:

7:15 means no school sessions for all schools for entire day.

7:30 means no school sessions for all schools below the Junior High High School for the entire day.

11:40 means no afternoon session for schools below the Junior High. This signal will not be sounded if the 7:15 or the 7:30 signal has been sounded. The session at the Vose School will not be affected by this signal.

The 7:15 signal will rarely be sounded, as it includes the closing of the High and Junior High Schools.

Through courtesy of Radio Stations WNAC and WEEI the no-school signal will be announced at 7:30, 7:45, or 8:00 o'clock in the morning.

The widely varying conditions in the several parts of Milton make it difficult to reach decisions equally fair to all interests. Parents are, therefore, expected to exercise discretion in regard to their own children.

} Special Signals for Fires in the Blue Hills Reservation

*Special Signals.

Directions for Sounding an Alarm

Open outside door of Fire Alarm Box, then pull the hook down ONCE and let go. Remain at Box until arrival of Firemen and direct them to the Fire.

Signals

1 One blow, 7:30 a.m., 12 m., 5:45 p.m. **Fire Alarm Tests.**
1—1 Two blows, Recall.
1—1—1 Three blows followed by four rounds of box number, General Alarm.

Signal for No School

The signal 2—2 sounded four times on the fire alarm at

7:15 o'clock means no school sessions for all schools for entire day.

7:30 o'clock means no sessions for all schools below the Junior High School for the entire day.

11:40 o'clock means no afternoon sessions for all schools below the Junior High School—this signal will not be sounded if the 7:15 signal has been sounded.

The 7:15 signal will rarely be sounded as it includes the closing of the High and Junior High Schools.

If the 7:15 signal is given, the 7:30 signal will be unnecessary.

JAMES F. HANNA, Chief of Department.

Emergency call for Fire Department should be "Milton Fire Department—Emergency"

PRECINCT OFFICERS APPOINTED BY THE SELECTMEN

Under Provisions of Chapter 149 of the Acts of 1928

Precinct 1

Roy W. Lincoln	28 Blue Hill Avenue	R	Warden
Harold V. Burt	151 Blue Hill Avenue	R	Deputy Warden
Henry A. Donovan	91 Brook Road	D	Clerk
Charles R. Quirk	53 Aberdeen Road	D	Deputy Clerk
Lewis A. Sprague	163 Blue Hill Avenue	R	Inspector
Edwin W. Hurd	139 Blue Hills Parkway	R	Inspector
William F. Walsh	21 Tucker Street	D	Dep. Inspector
John J. Donovan	91 Brook Road	D	Dep. Inspector

Precinct 2

Frank H. Rein	6 Columbia Park		Warden
Frank Delaney	28 Dyer Avenue	R	Deputy Warden
Herbert H. Kaler	176 Brook Road	R	Clerk
Walter H. Cavanaugh	36 Marilyn Road	R	Deputy Clerk
Bayard T. Duke	129 Thacher Street	R	Inspector
Theodore E. Parker	55 Marilyn Road		Inspector
Edward P. Chandler	38 Curtis Road	R	Dep. Inspector
Decran J. Gulesian	20 Kahler Avenue	R	Dep. Inspector

Precinct 3

Patrick F. Mahoney	49 Maple Street	D	Warden
T. Francis Fallon	161 Eliot Street	D	Deputy Warden
Percy A. Horne	300 Eliot Street	R	Clerk
Leonard E. Littlefield	69 Adams Street	R	Deputy Clerk
Herman F. Clark	224 Eliot Street	R	Inspector
W. Russell Pierce	14 Rock View Road	R	Inspector
Francis J. Ward	85 Adams Street	D	Dep. Inspector
Horace J. Lawrence	13 School Street	D	Dep. Inspector

Precinct 4

Charles E. Cross	51 Houston Avenue	R	Warden
Frank W. Cappers	47 Elm Street	R	Deputy Warden
Lawrence F. Sullivan	11 Houston Avenue	D	Clerk
John H. Burt	16 Winthrop Street	R	Deputy Clerk
Benjamin B. B. Coleman	360 Thacher Street	R	Inspector
Joseph M. Smythe	17 Revere Street	R	Inspector
Edward J. Mooney	15 Audubon Road		Dep. Inspector
Robert J. Shaughnessy	26 Houston Avenue	D	Dep. Inspector

Precinct 5

Frederick W. Kurth	15 Wildwood Road	R	Warden
M. Lyman Boyer	324 Randolph Avenue	R	Deputy Warden
John J. Monohan	98 Pleasant Street	D	Clerk
William F. Cohan	16 Clifton Road	D	Deputy Clerk
Nathan L. Pond	212 Centre Street	R	Inspector
Alfred L. Mullen	36 Pleasant Street	R	Inspector
J. Robert Byrnes	70 Lodge Street	D	Dep. Inspector
Edward H. Downey	503 Brook Road	D	Dep. Inspector

Precinct 6

Douglas G. MacMillan	39 Governors Road		Warden
Frank G. Wade	75 Reservation Road	D	Deputy Warden
Reuben Standeven	346 Pleasant Street	R	Clerk
Herbert H. Miller	365 Pleasant Street	R	Deputy Clerk
Stephen F. Sullivan	33 Hazel Street	D	Inspector
Emil B. Trochsler	307 Edge Hill Road	R	Inspector
Cecil L. Kaye	584 Pleasant Street	R	Dep. Inspector
Ralph E. Dumoulin	78 Reservation Road		Dep. Inspector

Precinct 7

George H. Moodie	559 Adams Street	R	Warden
Henry A. McCurdy	12 Bunton Street	R	Deputy Warden
Maurice Murphy	34 Cedar Terrace Street	D	Clerk
Prescott Skinner	23 Mechanic Street	R	Deputy Clerk
Charles F. Thompson	10 Brackett Street	R	Inspector
George E. Johnson	162 Church Street	R	Inspector
James S. Gallagher	78 Granite Place	D	Dep. Inspector
Thomas W. McCormack	48 Collamore Street		Dep. Inspector

GENERAL BYLAWS

Town of Milton, March 10, 1934

AS AMENDED

CHAPTER 1

General Provisions

Section 1. The bylaws of the Town adopted March 2, 1902, may be designated as heretofore, as the "Revised Bylaws," but said revised bylaws as heretofore or at this meeting amended may be designated as the General Bylaws.

Section 2. So far as the provisions of these bylaws are the same in effect as those of previously existing bylaws, they shall be construed as a continuation of such bylaws, but, subject to said limitations and the provisions of the next section, all bylaws of the Town heretofore in force are hereby repealed; provided that this repeal shall not apply to or affect any bylaw, order, or article heretofore adopted, accepting or adopting the provisions of any statute of the Commonwealth.

Section 3. These bylaws and the repeal of all bylaws heretofore in force shall not affect any act done, any right accrued, any penalty or liability incurred, or any suit, prosecution, or proceeding, pending at the time when they take effect; nor shall the repeal of any bylaw thereby have the effect of reviving any bylaw theretofore repealed or suspended.

Section 4. When in a bylaw anything is prohibited from being done without the license or permission of a certain officer, officers or board, such officer, officers, or board shall have the power to license or permit such thing to be done.

Section 5. In all these bylaws the following words and expressions shall, unless inconsistent with the manifest intent, be severally construed as follows:—

The word public way shall include any highway, town way, road, bridge, street, avenue, boulevard, roadway, parkway, lane, sidewalk or square; the owner or occupant of a building or land shall include any sole owner or occupant, and any joint tenant and tenant in common of the whole or of any part of a building or lot of land; words purporting to give a joint authority to three or more officers or other persons shall give such authority to a majority of such officers or persons; the word person may include corporations; words importing the singular number may apply to the plural number, and words importing the masculine gender may apply to the feminine gender.

Section 6. Whoever violates any of the provisions of these bylaws whereby any act or thing is enjoined or prohibited, shall, unless other provision is expressly made, forfeit and pay a fine not exceeding twenty dollars for each offence.

Section 7. Whoever shall refuse or neglect to obey any lawful order of any Town officer or board of Town officers, issued under any of these bylaws, directed to him and properly served upon him, shall, in cases not otherwise provided for, forfeit and pay for every such offence a fine not exceeding twenty dollars.

Section 8. Prosecutions for the breach of any of the provisions of these bylaws shall be commenced within six months from such breach.

Section 9. Any or all of these bylaws may be repealed or amended or other bylaws may be adopted, at any Town meeting, annual or special, an article containing the subject-matter of the proposed change having been inserted in the warrant for such meeting.

CHAPTER 2

Town Meetings

SECTION 1. The warrants for all Town meetings shall be directed to the constables of the Town, and notice of such meetings shall be given by posting attested copies of the warrant in each of the post-offices of the Town at least seven days, and by leaving printed copies thereof at the dwelling-houses in the Town at least four days, before the day of such meetings.

SECTION 2. The annual meeting for the election of Town Officers shall be held upon the first Saturday of March, the polls to be open from eight o'clock in the forenoon until six o'clock in the afternoon for the election of such Town Officers and the determination of such matters as by law are required to be elected or determined by ballot. All such officers shall be voted for and all such matters shall be determined on official ballots.

SECTION 3. All business except the election of such officers and the determination of such matters as by law are required to be elected or determined by ballot shall be considered at an adjournment of the annual meeting to the second Saturday of March at one-thirty o'clock in the afternoon.

SECTION 4. All motions shall, if required by the Moderator, be reduced to writing before being submitted to the meeting. If a motion is susceptible of division it shall be divided and the question put separately upon each part thereof if ten town meeting members so request.

SECTION 5. Upon taking the question, the sense of the meeting shall be taken by the voices of the town meeting members and the Moderator shall first announce the vote as it appears to him by the sound.

If the Moderator is unable to decide by the sound of the voices or if his announcement made thereupon is doubted by seven town meeting members arising in their places for that purpose, the Moderator shall request the town meeting members to be seated, and shall appoint tellers; the question then shall be distinctly stated, and those in the affirmative and negative respectively shall be requested to rise and stand in their places until they are counted by the tellers, who shall report their count to the Moderator, who thereupon shall announce the vote. If the vote is further doubted and twenty-five town meeting members arise in their places and ask for a division of the meeting by the taking of the yeas and nays, then the roll of the meeting shall be called in alphabetical order by the Town Clerk and the Moderator shall announce the vote. No town meeting member shall be allowed to vote after the vote is declared.

SECTION 6. No vote shall be reconsidered at the same meeting, except upon a motion made within one hour of the adoption of such vote, unless ordered by two-thirds of the town meeting members present and voting thereon, provided that the time which shall elapse between any adjournment and the next calling to order of the meeting following such adjournment shall be excluded in computing the hour since the adoption of said vote.

SECTION 7. If a motion for the previous question is adopted by vote of the meeting no person shall speak to the motion then under consideration more than once or for longer than five minutes without a vote of permission of the meeting, except that the Chairman of the Warrant Committee may speak again to close the debate, but not for more than five minutes.

SECTION 8. When a question is before the meeting, the following motions, viz:—

to adjourn,
to lay on the table,
for the previous question,
to postpone to a certain time,
to commit (or recommit) or refer,
to amend or substitute,

shall have precedence in the order in which they are placed in this section; but no

article in the warrant shall be finally disposed of by a vote to lay on the table, to postpone indefinitely, or to take no action thereunder. In proposed amendments, involving amounts or dates, the smallest amount and the shortest time shall be put first.

SECTION 9. Any person who is employed as an attorney by another person interested in any matter under discussion at a Town meeting shall disclose the fact of his employment before speaking thereon.

SECTION 10. No appropriation of a sum of money exceeding five hundred dollars shall be made until the subject matter thereof has been considered and estimates reported to the Town, either by the Selectmen or other town officers, or by the Warrant Committee or some committee chosen for the purpose in pursuance of a vote of the Town.

CHAPTER 3

The Warrant Committee

SECTION 1. After the final adjournment of the annual Town meeting fifteen legal voters shall be appointed by the Moderator, who shall constitute an advisory committee to be known as the Warrant Committee. The persons so appointed shall continue as members of said committee until the final adjournment of the annual Town meeting of the ensuing year.

SECTION 2. The Warrant Committee shall, within two weeks after their appointment, meet, at the call of the member thereof first named, for organization by the choice of a chairman and secretary. And they shall meet thereafter from time to time as they may deem advisable.

a. They shall have power to fill vacancies in their number by vote, attested copy of which shall be sent by the secretary to the Town Clerk.

SECTION 3. It shall be the duty of the Warrant Committee to inform themselves concerning those affairs and interests of the Town, the subject-matter of which is generally included in the warrants for its Town meeting; and the officers of the Town shall, upon their request, furnish them with facts, figures, and any other information pertaining to their several departments; provided, however, that any such information may be withheld when, in the opinion of the officer or board of officers so requested, the communication thereof might injuriously affect the interests of the Town or its citizens.

SECTION 4. The Warrant Committee shall consider the various articles in the warrants for all the Town Meetings held during the period for which they were appointed including the various articles in the warrant for the annual Town Meeting next after their appointment; they shall also consider all questions submitted to the voters of the Town at any meeting, including State elections; and they shall report in print before all such meetings their estimates and recommendations for the action of the Town. Copies of such reports shall be left at the dwelling houses in the Town at least four days before the day set for consideration of the various articles in the warrant considered by them and at least four days before the day upon which the voters are to consider questions submitted to them at any meeting including State elections.

a. On or before January first of each year each board, committee or officer of the Town shall file with the Selectmen, who shall transmit the same to the Warrant Committee, a statement in detail of the appropriation or appropriations recommended by such board, committee or officer for the work under its or his charge for the ensuing year.

b. The Warrant Committee shall include in its report of recommendations for the annual Town Meeting a statement setting forth the total appropriations so requested, the appropriations recommended, and the totals of such appropriations requested and recommended, and an estimate of the tax rate for the ensuing year if such recommendations are adopted.

CHAPTER 4

The Town's Finances and Property

SECTION 1. The Selectmen shall annually, not less than seven days before the annual town meeting, cause to be printed such number of copies of the annual town report as they shall determine to be sufficient for the use of the inhabitants. Such report shall contain a detailed report of all moneys received into and paid out of the Town treasury during the financial year next preceding, with such information and recommendations as the Selectmen may deem proper; the report of the school committee; the records of the meetings of the Town held since the last annual report; the report of the collector of taxes, of receipts, payments and abatements; a list of births, marriages and deaths, to be furnished by the town clerk; statements concerning the condition and funds of the public library and of the cemetery, to be furnished by the trustees thereof respectively, and statements of all other funds belonging to the Town or held for the benefit of its inhabitants; a statement of the liability of the Town on bonds, notes, certificates of indebtedness, or otherwise, and of the total money paid the Town for perpetual care of cemetery lots; and such other matters as the said report is required by law to contain, or as may be inserted by the Selectmen under the discretion granted them by law.

SECTION 2. No officer of the Town shall in his official capacity make or pass upon or participate in making or passing upon, any sale, contract or agreement or the terms or amount of any payment in which the Town is interested and in which such officer has any personal interest.

SECTION 3. The Warrant Committee shall send to the Selectmen and to the town accountant certified copies of all votes whereby transfers are made out of the Reserve Fund for extraordinary or unforeseen expenditures.

SECTION 4. The Selectmen shall have full authority as agents of the Town to institute and prosecute suits in the name of the Town or its officers in their official capacity and to appear and defend suits brought against it or its officers in their official capacity, unless otherwise ordered by a vote of the Town.

SECTION 5. Whenever it shall be necessary to execute any deed conveying land or other instrument required to carry into effect any vote of the Town, the same shall be executed by the Selectmen, or a majority thereof, in behalf of the Town. unless otherwise ordered by a vote of the Town.

SECTION 6. The Selectmen shall appoint a Town Accountant who shall perform the duties prescribed by law. There shall annually be an audit of the accounts of the Town under the supervision of the State Director of Accounts, as provided in General Laws, Chapter 44, section 35.

SECTION 7. Whenever damages may be recovered against the Town under General Laws, chapter 79, entitled "Eminent Domain," the Selectmen, unless otherwise provided by vote of the Town, may exercise in the name and behalf of the Town all the powers granted in section 39 of said chapter relative to settlement of damages, assumption of betterments, offers of settlement, and other matters in said section contained.

SECTION 8. The collector of taxes shall collect, under the title of Town Collector, all accounts due the Town, excepting interest on investments of sinking or trust funds. If it shall seem advisable to the town collector that suit or suits should be instituted and prosecuted in the name of the Town, in connection with the collection of any accounts due to the Town, he shall so advise the Selectmen who shall have authority as agents of the Town to institute and prosecute the same.

SECTION 9. In addition to the authority to them granted by section 8, the selectmen shall have authority as agents of the town to settle claims against the town, after receiving the advice of the town counsel, payment for such settlements to be taken from the appropriation for the law department.

Section 10. Any Board or Officer in charge of a department may, with the approval of the Selectmen, sell any personal property or material not required by said department to an aggregate amount not exceeding $300 in value in any one fiscal year.

Section 11. Except as otherwise provided by law the Selectmen shall have custody of deeds, of bonds of Town officers, of insurance policies and of other similar documents owned by the Town.

Section 12. No contract shall be awarded for any work or service, other than professional service, to be performed for the Town by an independent contractor, and no purchase of materials, supplies or equipment shall be made, the estimated cost of which in either case is $300 or more, unless competitive bids have been invited therefor. Such bids shall be invited by the sending of letters of invitation on the same day to such number of vendors, contractors or other qualified persons deemed by the Town Officer, Board or Committee sufficient to obtain fair competition, and, in the case of all such contracts and of purchases estimated to cost $1,000 or more such bids shall also be invited by public advertisement by at least one insertion in a newspaper of general circulation in the Town, said letters to be mailed and said advertisements to be published at least ten days before the time stated for the opening of bids. Such invitation shall state where plans and specifications for proposed work or purchases may be obtained, or may contain such plans and specifications, and shall state the time and place at which bids shall be opened and shall reserve to the Board, Officer or Committee the right to reject any or all bids. All bids shall be opened in public at the time and place specified therefor. No purchase or work for which a contract is proposed shall be split or divided for the purpose of evading the provisions of this Section. This Section shall not apply in cases of emergency requiring immediate action for the preservation of life or the protection of property, nor to the purchase of materials, supplies or equipment for which there is no reasonable substitute by reason of natural or actual monopoly, peculiarity of design or type of article, patent right or copyright, certified by the officer, Board or Committee. All bids submitted, plans and specifications, certificates setting forth the reasons why competitive bids were not invited and contracts shall as soon as practicable be filed with the Town Accountant and shall be kept on file at least three years and shall be open to public inspection at reasonable times.

Section 13. Every contract for construction work, whether for alterations, repairs or original construction, the estimated cost of which amounts to $5,000 or more, shall be accompanied by a suitable bond for the performance of the same, or by the deposit of money or security to the amount of the estimated cost.

Section 14. The Town Treasurer shall be the custodian of all moneys, properties and securities of all trust funds, including Cemetery trust funds, heretofore or hereafter given, devised or bequeathed to the Town, and shall with the approval of the Board of Selectmen invest and reinvest the same and expend therefrom moneys as directed by the Board of Selectmen. The Town Treasurer shall have power with the approval of the Board of Selectmen in the name and behalf of the Town to sell, transfer and deliver any and all securities and properties so held for such prices or considerations and on such terms and conditions as he and they shall determine. The foregoing provisions shall be subject to and not in derogation of any and all directions or provisions made by donors in wills or other instruments of gift in respect to any such fund or funds.

CHAPTER 5

The Cemetery

Section 1. The sole care, superintendence, management and control of the Cemetery shall be intrusted to a Board of five Trustees to serve for the period of five years; one of said Board shall retire and a new member be elected at each annual meeting of the Town.

In case of vacancies in the Board of Trustees the remaining members may fill the same, but any member so chosen shall hold office only until the next annual Town meeting, when a Trustee shall be elected for the unexpired term.

SECTION 2. Citizens of Milton who are heads of families and have been residents of the Town not less than five years shall be entitled to lots in the Cemetery, allowing one lot to a family subject to these bylaws and the regulations of the Trustees, upon payment of the charges for putting the lot in order; but by unanimous consent of the Trustees the five years' residence requirement may be waived.

SECTION 3. The Trustees may sell lots, when and at such rates as they may deem advisable; provided that the rate shall not be less than two dollars a square foot, and the purchasers shall in some way be connected with Milton people.

SECTION 4. The proprietor of each lot shall cause to be erected, at his own expense, corner-stones, and a step with his name and the number of the lot inscribed on the same, and shall cause his lot to be kept in proper order; and if the proprietor shall omit for thirty days after notice to erect such land marks and to keep the lot in order, the Trustees shall have authority to have the same done at the expense of said proprietor.

SECTION 5. No lot shall be used for any other purpose than as a place of burial for the dead, and no proprietor shall suffer the remains of any person to be deposited within the bounds of his lot for hire; nor shall any proprietor sell or transfer the whole or any part of his lot without the consent of the Trustees.

SECTION 6. If in the judgment of the Trustees any trees or shrubs in any lot shall become detrimental to the adjacent lots or avenues, or dangerous or inconvenient, it shall be the duty of the Trustees to enter upon said lot and to remove said trees and shrubs, or such parts thereof as are thus detrimental, dangerous or inconvenient.

SECTION 7. There shall be no structure or inscription placed in, upon or around any lot which the Trustees shall deem offensive or improper; and it shall be the duty of the Trustees to remove all offensive or improper objects.

SECTION 8. The Trustees shall have authority to purchase any tomb in the Cemetery offered for sale, paying for the same such sums as, in their judgment, may be fair and reasonable. They shall also have authority to give for any tomb a lot to be constructed on the land occupied by the tomb, or to be selected at some other point in the Cemetery grounds, as they may agree with the proprietor of the tomb. Should there be no living proprietors, or legal representatives of deceased proprietors, the Trustees may take possession of such Tomb, carefully remove its contents to a lot prepared for the purpose and erect over the remains a suitable memorial stone.

SECTION 9. The following regulations shall be posted within the Cemetery:—

1. All persons are prohibited from driving on the borders.

2. No horse shall be left upon the grounds without a keeper, unless fastened to posts provided for the purpose.

3. All persons are prohibited from discharging firearms within the grounds of the Cemetery, except in connection with military memorial services.

4. All persons are prohibited from writing upon or otherwise defacing any sign, monument, fence, or other structure.

5. All persons are prohibited from gathering flowers, or breaking any tree, plant or shrub.

6. Dogs are not allowed within the Cemetery grounds.

CHAPTER 6

Police Regulations

Section 1. No person shall move or assist in moving any building, over any way which the Town is obliged to keep in repair, without the written permit of the Selectmen being first obtained; nor, having obtained such permit, without complying with the restrictions and provisions thereof.

Section 2. No person shall place or cause to be placed, upon any public way or sidewalk, any lumber, iron, wood, coal, trunk, bale, box, crate, cask, barrel, package or other thing, and allow the same to remain for more than one hour, or more than ten minutes after being notified by a police officer; provided that the provisions of this section shall not apply to the placing of ashes, refuse or garbage in proper receptacles for collection under public authority.

Section 3. Any person who intends to erect, repair or take down any building on land abutting on any way which this Town is obliged to keep in repair, and desires to make use of any portion of said way for the purpose of placing thereon building materials or rubbish shall give notice thereof to the Selectmen. And thereupon the Selectmen may grant a permit in writing to occupy such portion of said way to be used for such purpose as in their judgment the necessity of the case demands and the security of the public allows; such permit in no case to be in force longer than ninety days, and to be on such conditions as the Selectmen may require; and especially in every case, upon condition that during the whole of every night, from twilight in the evening until sunrise in the morning, lighted lanterns shall be so placed as effectually to secure all travellers from liability to come in contact with such building materials or rubbish.

Section 4. No person shall throw or place or cause to be thrown or placed, any ice or snow into or upon any public way in such a manner as to obstruct traffic or endanger travel upon the public way.

Section 5. Whoever, without the written permission of the Selectmen, shall place or cause to be placed in or upon any public way, or sidewalk, any ashes, dirt, rubbish or filth of any kind, or any animal or vegetable substance, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Section 6. No person shall stand on any sidewalk or in any public place in such a manner as to obstruct a free passage for foot passengers, after having been requested by a police officer to move on. Any person who shall violate the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Section 7. No person shall dig up or obstruct any portion of any way which the Town is obliged to keep in repair without the permit, in writing, of the Selectmen, nor, having obtained such permit, shall fail to comply with the conditions thereof; and in addition to any penalty to which he may be subjected under these bylaws for such failure, he shall reimburse the Town for all expenses and damages which, or for which, the Town may be compelled to pay by reason of such unauthorized use, or any failure to comply with said conditions.

Section 8. No person shall ride or drive any beast of burden, carriage or draught, or shall drive or propel or cause to be driven or propelled any bicycle, tricycle, motor vehicle or any vehicle whatsoever, in or over any crossing in any public way at such a rate of speed as to endanger the lives and safety of the public.

Section 9. No person shall permit any vehicle under his care or control to stand across any public way in such a manner as to obstruct the travel over the same for an unnecessary length of time; no person shall stop with any vehicle in any public way so near to another vehicle as to obstruct public travel; and no person shall stop with any vehicle upon or across any crossing in any public way.

Section 10. No person shall coast upon ice or snow upon any public way except one on which the Selectmen or chief of police shall by public notice permit such coasting and no person shall ride any animal or drive, wheel or draw any coach, cart, wheelbarrow, hand cart, velocipede, bicycle, or any vehicle except children's carriages, or coast upon any sidewalk in the Town. Whoever violates the provisions of this section shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Section 11. Whoever shall behave in an indecent or disorderly manner, or use profane, indecent, or insulting language in or upon any sidewalk, public way, or other public place, to the annoyance or disturbance of any other person there being or passing in a peaceable manner, shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

Section 12. Any person or persons who shall play or perform on any musical instruments, or sing, parade, march, or congregate in any public way or public place, except in connection with a funeral, without the written permit of the Selectmen shall forfeit and pay a sum not less than one dollar nor more than twenty dollars for each offence.

Section 13. Whoever shall be or remain on any doorstep, portico, or other projection from any house or building, or upon any wall or fence on or near any public way or public place, after being requested by the occupant of the premises or by any police officer to remove therefrom, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence.

Section 14. No person shall throw stones, snowballs, sticks, or other missiles, or kick a football or play at any game in which a ball is used, or fly any kites or balloons in any public way.

Section 15. Whoever shall affix, by paste or otherwise, any handbill, placard, notice, or advertisement, or paint, draw or stamp the same, or any marks or figures, to or upon any sign board of the Town, or to or upon any building, fence, wall, tree or structure, without the permission of the owner of such building, fence, wall, tree or structure, shall forfeit and pay a sum not less than one dollar nor more than ten dollars for each offence; and if such handbill, placard, notice, advertisement, mark, or figure be obscene or indecent, the penalty shall not be less than twenty dollars for each offence.

Section 16. Whoever shall undertake to enter a particular drain into a common sewer without a permit in writing from the Sewer Commissioners or without complying with the conditions and directions of such permit, shall forfeit and pay a sum not exceeding ten dollars.

Section 17. Whoever shall lead or cause to be led into any public way, or running stream, any drain or pipe from any house or other buildings whereby filthy water or other unclean matter may be emptied into or upon any such public way or running stream; and whoever shall throw, lead or discharge or cause to be thrown, led or discharged, into any public way, or running stream, any noxious or poisonous matter or substance, or any matter or substance which shall cause an offensive smell or odor, or which shall be destructive of, or injurious to, animal life, shall forfeit and pay a sum not less than five dollars nor more than twenty dollars.

Section 18. The Selectmen may license hackney carriages or motor vehicles for the conveyance of persons for hire from place to place within the town, and they may revoke such licenses at their discretion, and a record of all licenses so granted or revoked shall be kept by the Selectmen.

No person shall set up, use or drive in the town any unlicensed hackney carriage or motor vehicle for the conveyance of passengers for hire from place to place within the town under a penalty not exceeding twenty dollars for each offence.

Licenses shall expire on the thirtieth day of April next after the date thereof, and shall not be transferred without the consent of the Selectmen indorsed thereon. For each license the sum of one dollar shall be paid to the town treasurer for the use of the town. A license so granted shall become void if the applicant neglects or refuses to take out and pay for his license within ten days after notice that it has been granted.

The Selectmen may grant to the holder of a license under the preceding paragraphs of this section a license to use a certain portion of a public way as a carriage stand for the solicitation of passengers for hire and no person shall use any portion of any public way for such purpose without such license.

Any person who violates any of the provisions of this section shall be punished by a fine of not more than twenty dollars for each offence.

SECTION 19. No person shall distribute papers, circulars or advertisements through the Town or any portion thereof in such manner as to make a litter or otherwise cause public annoyance.

SECTION 20. No person shall fire, discharge, explode or set off any gun, firearm, torpedo, firecracker or fireworks in such manner as to disturb the peace or quiet of any neighborhood.

SECTION 21. No person shall wilfully deface or injure any public playground, planting space, flower bed, tree, shrub or grass border.

SECTION 22. No person shall own or keep a dog which by barking, biting or howling or in any other manner disturbs the peace and quiet of any neighborhood or endangers the safety of any person.

SECTION 23. No person shall burn anything so as to emit noxious odors to the discomfort of the neighborhood.

SECTION 24. No person shall place or suffer to accumulate on his premises any refuse, animal or vegetable matter, rubbish or filth, whereby any offensive or noxious stench or effluvia shall be created so as to endanger the health or comfort of the neighborhood.

SECTION 25. The Selectmen may license suitable persons to be dealers in and keepers of shops for the purchase, sale, or barter of junk, old metals, or second-hand articles from place to place in the Town. They may also license suitable persons as junk collectors, to collect, by purchase or otherwise, junk, old metals, and second-hand articles from place to place in the Town; and they may provide that such collectors shall display badges upon their persons, or upon their vehicles, or upon both, when engaged in collecting, transporting, or dealing in junk, old metals, or second-hand articles; and may prescribe the design thereof. They may also provide that such shops and all articles of merchandise therein, and any place, vehicle or receptacle used for the collection or keeping of the articles aforesaid, may be examined at all times by the Selectmen or by any person by them authorized thereto. The aforesaid licenses may be revoked at pleasure, and shall be subject to the provisions of law. Whoever violates any provision of this section shall forfeit and pay for each offence a fine not exceeding twenty dollars.

SECTION 26. The Selectmen may order numbers to be affixed to or painted on the buildings on any street in their discretion. The owner of every house shall comply with such order within thirty days thereafter. Whoever violates any provision of this section shall forfeit and pay for each offence a fine not exceeding twenty dollars.

SECTION 27. Except when otherwise provided by law, prosecutions for offences under the bylaws of the Town may be made by any police officer of the Town.

CHAPTER 7

Building Code

Chapter 7 and 8 is hereby amended by being renumbered as Chapter 7.

The title of said chapter is hereby amended by striking out the words "Building and Plumbing Laws" and inserting in place thereof the words:—Building Code—.

Paragraph (G) of Section I is hereby amended by striking out, in the title, the first, the seventeenth and the twentieth lines, the word "Appeal" and inserting in place thereof the word:—Appeals—.

Paragraph six of Section III is hereby amended by inserting at the end thereof the following new sub-paragraphs:—

(c) No part of a building of wood construction except uncovered steps from the ground to the first floor not exceeding forty-two inches wide, chimneys and eaves not exceeding eighteen inches wide, shall hereafter be erected or placed within six feet of the line of any adjoining lot or of any other building of fire-resisting or slow burning construction; or within twelve feet of any part of any other building of wood construction except uncovered steps from the ground to the first floor not exceeding forty-two inches wide, chimneys and eaves not exceeding eighteen inches wide, on the same lot, unless the wall facing such adjoining lot or building is constructed as a fireproof masonry wall of the thickness provided in section VII and carried twelve inches above the roof, and unless all openings therein are protected by wire glass set in metal sash and frames; provided that the foregoing shall be construed as being additional to and not as limiting or lessening to any extent whatsoever the requirements of section 6 of chapter 10 of the General Bylaws of the Town.

(d) In buildings of fire-resisting or slow burning construction there shall be no openings in walls within six feet of the lines of adjoining lots unless said openings are protected by wire glass set in metal sash and frames.

(e) No building of wood construction other than detached dwellings shall exceed five thousand square feet in horizontal area in any one story unless for every such area an intercepting masonry fire wall is constructed of the thickness provided in section VII and carried twelve inches above the roof, and unless all openings therein are protected by two sets of fire doors separated by the thickness of the wall, provided with approved self-closing devices.

Section XV is hereby amended by inserting at the end thereof the following new paragraph:—

3. Fees: The following fees shall be charged on all permits issued by the Inspector of Wires for repairs or installing electric wiring, plants or appliances:

(a) Original installations	$3.00
(b) Repairs or additional installations equal to or greater in extent than fifty per cent of the installations in the same building already approved	2.00
(c) Repairs or additional installations not greater in extent than fifty per cent of the installations in the same building already approved	1.00

Fees shall accompany the application and shall be refunded if the permit is not granted.

Paragraph (A) of Section XVII is hereby amended by inserting at the end thereof the following new sub-paragraph:—

8. The following fees shall be charged on all permits issued by the Plumbing Inspector:

(a) Original installations	$3.00
(b) Repairs or additional installations	1.00

Fees shall accompany the application and shall be refunded if the permit is not granted.

Paragraph 10 of Section XIII is hereby amended by striking out sub-paragraphs (c), (d) and (f) and inserting the following new paragraph:

(c) In wooden buildings the exterior walls at each floor level, and all spaces between joists over girders and bearing partitions, and from plate to roof boarding, shall be firestopped with wood, sheet metal of not less than twenty (20) gauge, asbestos. lumber, masonry, or other material satisfactory to the Building Inspector.

Section XVII, Sub-section (G), is hereby amended:

By inserting in said Sub-section (G), after paragraph 3 of said section, the following paragraphs, to be numbered 3A:

3A. Cross Connections:

(a) Any connection in piping, whereby a public or private water supply used for drinking and/or culinary purposes is connected with a secondary supply or a supply of questionable quality or whereby polluted matter may enter the supply used for drinking and/or culinary purposes, shall be considered a cross connection.

(b) No cross connection shall be installed unless the piping connections and valves connected thereto have been approved by the inspector of plumbing after tests showing that no polluted matter from such fixtures can enter the water supply system used for drinking and/or culinary purposes and all existing cross connections shown to be improper by test as herein indicated shall be removed.

(c) Check valves or other uni-flow devices may be considered as suitable mechanical means of separation only if these devices are accessible for overhauling or inspection and equipped with drains and test outlets and the installation is approved by the inspector of plumbing. Temporary connection shall not be permitted.

(d) Valves of the positive type which include gate, globe, stop and similar valves are not considered as adequate protection.

(e) Any cross connection permitted with a fire service supply shall be protected by a properly installed and adequately supervised all-bronze, rubber-seated double check valve of a type approved by the State Board of Plumbing Examiners.

Section XVII, Sub-section (D), is hereby amended:

By striking out sub-paragraph (c) of paragraph 3 of Sub-section (D) and inserting in its place the following new sub-paragraph (c):

(c) The use of Standard soil pipe is prohibited and only extra heavy soil pipe shall be used, and shall conform to the following minimum requirements:

Average Pounds Per Length (5 feet)

Pattern	Sizes (in inches)								
	2	3	4	5	6	8	10	12	15
Single Hub	25	45	60	75	95	150	215	270	375
Double Hub	26	47	63	78	100	157	225	285	395

Section I is hereby amended:

First. By adding after subsection (A)2 in said Section I a new subsection to be numbered 3 and to read as follows:

"3. For further restrictions upon heights and uses of buildings and upon building areas, reference is made to Chapter 10 of the General Bylaws designated as 'Zoning'. In all cases in which the provisions of said Zoning Bylaw are inconsistent or in conflict with this bylaw, the provisions of that bylaw shall govern."

Second. By substituting in said Section I for subsection (B) the following paragraphs to be numbered as indicated:

(B) BUILDING DEPARTMENT:

1. There shall be a department to be called the BUILDING DEPARTMENT, which shall be furnished at the expense of the Town with office room, telephone, and such supplies for the transaction of its business as the Town may provide.

2. No officer or employee connected with the Department shall be interested in the doing of work or the furnishing of materials or appliances for the construction, alteration, or maintenance of any buildings, or in the making of plans or specifications thereof, unless he is the owner thereof. No such officer or employee shall be engaged in any work which is inconsistent with his duties or with the interests of the Department.

3. *Building Inspector:* The Board of Selectmen shall annually in April appoint a Building Inspector to serve for the term of one year from the first day of May following, or until his successor is appointed and qualified. His salary or compensation shall be such as the Town may from time to time vote. He shall be either an architect, builder, or structural engineer of at least ten years' practice. He may be removed from office by the Selectmen for cause and shall be so removed for cause stated in charges filed with the Board of Selectmen by any citizen, and after a hearing has been held, of which at least five days' notice has been given by registered mail to the complainant or complainants and the Building Inspector, if in the judgment of the Board the charges are sustained and constitute adequate cause.

4. The Building Inspector shall be charged with the inspection of buildings and the enforcement of this bylaw.

5. He shall report to the Department of Public Safety any violations of the regulations of the Commonwealth of Massachusetts in relation to the construction of buildings that may come to his notice.

6. The Building Inspector, subject to the approval of the Board of Selectmen, and within such appropriation as may be provided for his department, shall have authority to appoint and compensate a Deputy Building Inspector, a Clerk, and such other subordinates as the work requires, and to remove the same or any of them for cause. The Deputy Building Inspector shall be either an architect, builder, or structural engineer of at least ten years' practice. He shall assist the Building Inspector in the performance of his duties and, in the absence from the Town or disability of the Building Inspector, shall possess all the powers and perform all the duties of the Building Inspector. He shall hold office until removed by the Building Inspector or until his successor is appointed and qualified.

7. *Records and Reports:* The Building Inspector shall keep a record of the business of the Department, shall submit to the Board of Selectmen a yearly report of such business together with such recommendations for the revision of this bylaw as he may deem advisable for the best interests of the Town, and such other reports as they may call for.

8. *Examination of Structures:* The Building Inspector or Deputy Inspector shall examine all structures:

(a) for which applications have been made for permits to alter or remove;

(b) in the course of erection, alteration, or removal as frequently as is necessary;

(c) reported dangerous, dilapidated or damaged by fire or accident.

He shall, in each case, make a record of such examination, stating the street and number of the premises, the name of the owner, the architect, master builder, or occupant as the case may require; make a record of all violations of this bylaw and of Chapter 10 of the General Bylaws designated as "Zoning," in the erection, alteration or removal of any structure and, in the case of a dangerous, dilapidated or damaged structure, shall record the nature and extent of the dilapidation, danger or damage, and the purpose for which the property is used or occupied, and shall within twenty-four hours of such examination submit a duplicate copy of the record of examination to the Board of Selectmen with recommendations for action. The records required by this section shall also be open to the inspection of the Town Engineer, the Board of Appeals, the Fire Department, or any officer of the Town, and of any person the value of whose property may be affected by the matters to which such records relate.

9. *Zoning:* He shall enforce the provisions of Chapter 10 of the General Bylaws designated as "Zoning" and shall have the powers and duties therein specified or provided.

Third. By substituting in said Section I for subsection (E)1(a) thereof the following paragraph to be numbered and designated as follows:

(E) PERMITS:

1. *Applications:* Before the erection, construction, or alteration of any building or part of any building, structure or part of any structure, wall, or any platform or flooring to be used for standing or seating purposes, is commenced, the owner or lessee, or agent of either, or the architect or builder employed by such owner or lessee in connection with the proposed erection or alteration, shall, except for ordinary repairs, apply to the Building Inspector for a permit to do the work, and no work shall be done until such permit is granted. The person seeking such permit shall submit to the Building Inspector a detailed description of the location, purpose and construction of the proposed structure or work, on proper blanks to be furnished by the Building Inspector, and full and complete copies of the plans of such proposed work, structural detail drawings and computations as the Building Inspector may require. All applications for building permits shall be accompanied by a plot in duplicate drawn to scale, made by a competent engineer showing the actual dimensions of the lot to be built upon, the streets upon which it abuts, the size and location of the building or buildings to be erected or altered, with offset distances from all lines, distances from any existing building either on or adjacent to the lot in question, and such other information as may, in the opinion of the Building Inspector, be necessary for the enforcement of this bylaw or Chapter 10 of the General Bylaws designated as "Zoning." All plans and plots shall be signed by the person seeking any permit and, if required by the Building Inspector, accompanied by a statement in writing sworn to before a Notary Public or Justice of the Peace, giving the full name and residence of each of the owners of the structures or premises concerned. The Building Inspector shall approve no plan for the erection or alteration of any building or part thereof the plans and specifications and intended use of which are not in all respects in conformity with the provisions of this bylaw and Chapter 10 of the General Bylaws designated as "Zoning." Deviation from the terms and dimensions shown on the plot shall constitute violation of the terms of a permit.

Section III is hereby amended:

By adding in subsection (A)5(b) after the word "Commonwealth" the following:

"or in Chapter 10 of the General Bylaws designated as 'Zoning' "
so that said subsection as amended will read as follows:

"(b) The Building Inspector shall have power, in his discretion, to waive any or all requirements of this Code (other than those also contained in any statute of the Commonwealth, or in Chapter 10 of the General Bylaws designated as 'Zoning') in the case of small dairy rooms, root cellars, poultry houses, farm and storage sheds, and other similar small structures to be so located on the owner's property as not to menace the property of another."

CHAPTER 8

Town Ways

Section 1. Every way that shall be laid out for the acceptance of the Town as a town way shall be not less than fifty feet in width, provided, however, that this section shall not prevent the layout of any way, which, prior to the time this amendment takes effect, shall have been duly approved by the Board of Survey. Provided, however, that upon written certification by the Board of Survey, in respect to the layout of a particular way, that the requirement of a width of fifty feet will cause practical difficulty or unnecessary hardship, such way, or ways, may be laid out less than fifty feet but not less than forty feet in width.

Section 2. If an existing private way the fee of which is in the abutters shall be laid out for the acceptance of the Town as a town way such way shall not be accepted unless and until the Selectmen shall have certified in writing that such way is well built, and as constructed it is equal to the average construction of existing highways of the Town; provided, however, that this section shall not apply to ways laid out subject to the provisions of law relating to the assessment of betterments.

Section 3. Whenever any way shall have been laid out or altered by the Selectmen and accepted and allowed by the Town, no entry for the purpose of constructing any part of such laying out or alteration shall be made until all claims for damages by reason thereof shall have been finally adjusted or determined, unless such entry shall be authorized by special vote of the Town.

CHAPTER 9

Billboards

Section 1. No person or corporation shall erect or maintain a billboard sign or other outdoor advertising device, except as provided in Section 32 of Chapter 93 of General Laws, on any location within three hundred feet of any public park or playground or Metropolitan Park or Parkway, if within public view from any portion of such parks, playgrounds, or parkways; or within three hundred feet of any other public way and within public view from any portion of the same, if such billboard, sign or device exceeds five feet in height or eight feet in length, and no billboard, sign or device placed within three hundred feet of any such public way and within public view shall be nearer than fifty feet to any other such billboard, sign or device; or at the corner of any public ways and within the radius of one hundred and fifty feet from the point where the center lines of such ways intersect; or in any place unless the lowest portion of such billboard, sign or device is at least three feet from the ground, and the entire structure, including its braces and supports, is maintained in good repair, painted, and free from accumulation of rubbish and filth and from the pupae, eggs and caterpillars of gypsy and brown-tail moths and other tree and shrub destroying pests; provided that this section shall not apply to signs or other devices which advertise or indicate either the person occupying the premises in question or the business transacted thereon, or advertise the property itself or any part thereof if for sale or to let.

CHAPTER 10

Zoning

SECTION I. Definitions.

A. In this by-law the following terms, unless a contrary meaning is required by the context or is specifically prescribed, shall have the following meanings:

1. *Street.* The word ''street'' shall include public ways established by or maintained under public authority, private ways open for public use, and private ways plotted or laid out for ultimate public use, whether or not constructed.
2. *Lot.* A ''lot'' is a single area of land in one ownership defined by metes, bounds or boundary lines in a recorded deed or on a recorded plan. After this By-law is adopted new lots may be established by recording the same or by filing with the Building Inspector as a part of an application for a building permit the plan of the lot appurtenant to the building signed by the owner or owners of the lot and defining the lot by metes and bounds on such plan. In determining lot areas no part thereof within the limitation of the street shall be included.
3. *One Ownership.* The term "one ownership" means an undivided ownership by one person or by several persons whether the tenure be joint, in common, or by the entirety.
4. *Recorded.* The term "recorded" or "of record" means recorded or registered in the Norfolk County Registry of Deeds or a record title to a parcel of land disclosed by any or all pertinent public records.
5. *Building.* The word "building" shall include "structure."
6. *Erected.* The word ''erected'' shall include the words ''built,'' ''constructed," "reconstructed," "altered," "enlarged," and "moved."

SECTION II. Establishment of Districts.

A. Classes of Districts. The town of Milton is hereby divided, as shown on the Zoning Map entitled "Map of Milton, Massachusetts, showing Zoning Districts," dated January 7, 1938 and filed with the Town Clerk, and hereby declared a part of this by-law, into four classes of districts:

1. Residence A districts;
2. Residence B districts;
3. Residence C districts;
4. Business districts.

B. Boundaries of Districts. The boundaries of Business Districts hereunder shall continue to be as existing immediately prior to the adoption of this by-law. The boundaries of Residence A Districts, Residence B Districts and Residence C Districts shall be as shown on the Zoning Map. Unless otherwise specifically indicated on the Zoning Map the boundaries between districts are either the center lines of streets or boundary lines of lots, or lines parellel to and a dimensioned distance from the nearest side lines of streets.

(Zoning map changed by vote passed under Article 57 at the March 9, 1940 Town Meeting.)

C. Lots in Two Districts. Where a district boundary line divides a lot recorded prior to the time this bylaw is adopted, the regulations and restrictions of the less restricted portion of such lot shall govern such portion of such lot as shall be within the more restricted district and shall lie within thirty feet of said boundary line; provided the lot has a frontage on a street in the less restricted district.

SECTION III. Use Regulations.

A. Residence A, B, and C. District Uses. In a Residence A, B, or C District, except as herein otherwise provided, no building or land shall be used and no building shall be erected or altered which is intended or designed to be used for a store or

shop, or for manufacturing or commercial purposes, or for other purposes except one or more of the following:

1. Detached one-family dwelling;
2. Church;
3. Educational use, not conducted for profit;
4. Agricultural use, selling only produce raised on the premises; provided, however, that this paragraph 4 shall not be deemed or construed to permit or authorize the use or maintenance of any building or structure;
5. Municipal use. Public parks, playgrounds, recreation buildings, water towers and reservoirs;
6. Accessory use on the same lot with and customarily incident to any of the above permitted uses, or to the uses permitted in accordance with the following sub-section numbered 7, and not detrimental to a residential neighborhood;
7. Any of the following uses, if authorized by permit issued by the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part of the permit;
    - (a) Private club not conducted for profit;
    - (b) Cemetery, not conducted for profit;
    - (c) The garaging or maintaining of more than three automobiles when accessory to a dwelling;
    - (d) Greenhouse or nursery selling only produce raised on the premises;
    - (e) Charitable or philanthropic use, hospital or sanitarium, not conducted for profit;
    - (f) Riding stable;
    - (g) Public utility or public communications building not including a service station or outside storage of supplies;
    - (h) A two-family house (as defined below) if the lot on which it will stand lies between two lots on which are buildings designed for occupancy by two or more families each, located on the same side of the street and less than 100 feet apart. A two-family house is a residential building fitted to be occupied by two families which are independent of each other as regards the preparation of food;
    - (i) A dwelling used primarily and principally for residential purposes may be used incidentally but without public display of goods or wares, or signs except as permitted in subsection *B 1* (g) hereof, for the sale of food or of goods of home manufacture prepared or made therein by the occupants of such dwelling, or for other incidental purposes which are not primarily industrial, trade, manufacturing, or commercial purposes, provided, in each case, the Board of Appeals shall determine that the use of such building is incidental only and that such use will not be substantially detrimental to the use of other property in the neighborhood;
    - (j) Removal for sale of sod, loam, sand, gravel or quarried stone, provided that when such removal is incidental to and in connection with the construction of a building on the premises for which a building permit has been issued in accordance with the building law, no permit from the Board of Appeals shall be required;
    - (k) Buildings or structures used or maintained on or in connection with land devoted to agricultural use permitted in paragraph 4 of this Section III A.

B. *Accessory Uses in Residence A, B and C Districts.*

1. In Residence A, B and C Districts the following are hereby specifically declared not to be "accessory uses" within the meaning of this by-law:
    - (a) The garaging or maintaining on any lot of a total of more than three automobiles at any time, unless a special permit is granted by the Board of Appeals pursuant to the provisions of Section VIII hereof;
    - (b) The garaging or maintaining on any lot of more than one commercial automobile, except in the case of a lot used for agriculture or for a municipal use;
    - (c) The garaging or maintaining on any lot used for agriculture of more than four commercial automobiles;
    - (d) The sale of produce not raised on the premises unless, in the case of a commercial greenhouse established and doing business prior to the adoption of this by-law, a special permit is granted by the Board of Appeals pursuant to the provisions of Section VIII hereof;
    - (e) The accommodation of, or renting of space to, more than four lodgers, boarders, or paying guests;
    - (f) Accessory use shall not include dwellings, except that there may be constructed as part of a garage or stable, family living quarters for and to be occupied only by an employee of the owner or occupant of the dwelling to which such garage or stable is an accessory use;
    - (g) An accessory use shall not include an advertising sign except a real estate sign advertising for sale or rent the property on which it is placed, but may include a sign not over one square foot in area, bearing a name and the designation of any authorized occupation and being such a sign as is customarily used for a purpose permitted by this section of this by-law.

C. *Business District Uses.* In a Business District no building shall be erected, altered or used and no land shall be used for any purpose injurious, noxious or offensive to a neighborhood by reason of the emission of odor, fumes, dust, smoke, vibration, or noise, or other cause, or for any purpose whatsoever except the following purposes:

1. Any use permitted in a Residence A, B or C District;
2. Offices, banks, assembly halls or places of amusement;
3. Signs permitted in a Residence A, B or C District and signs advertising goods or services offered by an occupant of the premises for sale, hire, or use;
4. Retail or wholesale stores, shops for custom work where the product is sold directly by the producer to the consumer, places where services are performed, places of the building trades, sales rooms and repair shops for motor vehicles, garages, filling stations, storage warehouses, restaurants and other places for serving food and drink, places of business of bakers, dyers, confectioners, launderers, photographers, printers and undertakers. Other uses of substantially the same character may be permitted only if authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit all in accordance with the provisions of Section VIII, C.

SECTION IV. Non-conforming Uses of Buildings and Land.

A. *Continuation of Non-conforming uses of Buildings and Land.* Any building or use of a building or use of land or part thereof lawful and existing at the time this by-law is adopted may be continued, unless and until abandoned, although such building or use does not conform to the provisions hereof. No increase in the extent of the non-conforming use of the building or land may be made except that any

such non-conforming building may be added to, enlarged, reconstructed or replaced, and such addition, enlargement, reconstruction or replacement used for the purpose, or for a purpose substantially similar to the purpose, for which the original building may lawfully be used if authorized by the Board of Appeals and subject to appropriate conditions, limitations, and safeguards stated in writing by the Board of Appeals and made a part of the permit. As a basis for such permit the Board of Appeals must be satisfied that such addition, enlargement, reconstruction or replacement and the use to be made thereof will not substantially increase any detrimental or injurious effect of the building or use on the neighborhood.

SECTION V. Height Regulations.

A. Building Heights in Residence A, B and C Districts. In a Residence A, B or C District no building shall be erected or altered to exceed two and one-half stories in height unless it is set back from each street and lot line 15 feet farther than is required by Section VI. No building shall in any event exceed three stories in height. The term "half-story" shall mean a story in a sloping roof, the area of which story at a height four feet above the floor does not exceed two-thirds the floor area of the story immediately below it.

B. Building Height in Business District. In a Business district no building shall be erected or altered to exceed three stories in height unless authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit, all in accordance with the provisions of Section VIII, C, provided that no such building shall be permitted the maximum height of which exceeds 65 feet above the centre line of the street or way adjacent to the lot on which such building stands.

C. Height Exceptions. Chimneys, elevators, poles, spires, tanks, towers, and other projections not used for human occupancy may extend above the height limits herein fixed.

SECTION VI. Area Regulations.

A. Lot Sizes and Frontages.

1. In a Residence A District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 40,000 square feet each and having each a frontage of not less than 150 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot of less than 80,000 and more than 64,000 square feet may be divided into lots containing not less than 32,000 square feet each and each having a frontage of not less than 150 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 80,000 square feet and if after division into as many lots as practicable, each containing not less than 40,000 square feet and each having a frontage of not less than 150 feet, there remains a lot of 32,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 150 feet, and (c) one dwelling may be erected on a lot containing less than 40,000 square feet, or having a frontage of less than 150 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.
2. In a Residence B District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 20,000 square feet each and having each a frontage of not less than 100 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot with a frontage of not less than 160 feet and

with an area of not less than 32,000 square feet may be divided into two lots containing not less than 16,000 square feet each and each having a frontage of not less than 80 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 40,000 square feet and if after division into as many lots as practicable, each containing not less than 20,000 square feet and each having a frontage of not less than 100 feet, there remains a lot of 16,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 80 feet, and (c) one dwelling may be erected on a lot containing less than 20,000 square feet, or having a frontage of less than 100 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.

3. In a Residence C District no dwelling shall be erected or maintained except on lots as hereinbefore defined, or on lots established after this by-law is adopted, as hereinbefore provided, containing not less than 7,500 square feet each and having each a frontage of not less than 75 feet, and not more than one dwelling shall be erected on each such lot except that (a) a lot with a frontage of not less than 120 feet and with an area of not less than 12,000 square feet may be divided into two lots containing not less than 6,000 square feet each and each having a frontage of not less than 60 feet, and one dwelling may be erected on each such lot, and (b) if a lot contains more than 15,000 square feet and if after division into as many lots as practicable, each containing not less than 7,500 square feet and each having a frontage of not less than 75 feet, there remains a lot of 6,000 square feet or more, one dwelling may be erected on such remaining lot provided that the same has a frontage of not less than 60 feet, and (c) one dwelling may be erected on a lot containing less than 7,500 square feet, or having a frontage of less than 75 feet, if such lot was recorded at the time of the adoption of this by-law, and did not at the time of such adoption adjoin other land of the same owner available for use in connection with said lot.
4. Frontage, as required in the foregoing provisions of this section, shall be determined as follows: In the case of a lot fronting on a street, the distance shall be measured along the street line from one side line of the lot to the other and the distance shall also be measured between said side lines along a line which marks the required front setback of the dwelling on such lot, and the longer of said distances shall determine the frontage of such lot. In the case of a lot not fronting on any street, the distance shall be measured from one side line of the lot to the other along the line designated as the front line of the lot on the plot filed in accordance with this by-law with the Building Inspector as a part of an application for a building permit, and such distance shall determine the frontage of such lot.
5. Notwithstanding the foregoing provisions of this section, if adjacent lots, any of which has less area or frontage than required by this section, are recorded as all in the same ownership at the time this by-law is adopted, and if (a) substantial expenditures have been incurred, prior to that time, toward the improvement of these lots or approved ways giving access thereto, or toward utilities serving such lots, which improvements or utilities would be diminished in value in a substantial amount by a literal enforcement of the terms of this section, or if (b) adjoining areas have been, prior to that time, developed to a substantial extent by the

construction of houses on lots generally smaller than is prescribed by this section and the standard of the neighborhood so established does not reasonably require a subdivision of the applicant's land into lots as large as is hereby prescribed, then the owner of these lots may apply to the Board of Appeals for relief from the terms of this section as applying to any of these lots, and the Board of Appeals may grant such relief by making special exceptions to the terms of this section, subject to appropriate conditions and safeguards in harmony with the general purpose and intent of this by-law, where desirable relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purposes of this by-law.

B. Front Yards.

1. In a Residence A District no building shall be erected within 30 feet of the line of the street on which it fronts, provided that no building need be set back more than 30 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 30 feet being counted as though occupied by a building set back 30 feet.
2. In a Residence B District no building shall be erected within 25 feet of the line of the street on which it fronts, provided that no building need be set back more than 25 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 25 feet being counted as though occupied by a building set back 25 feet.
3. In a Residence C District no building shall be erected within 20 feet of the line of the street on which it fronts, provided that no building need be set back more than 20 per cent of the mean depth of the lot nor more than the average of the setbacks of the buildings on the lots immediately next thereto on either side, a vacant lot or a lot occupied by a building set back more than 20 feet being counted as though occupied by a building set back 20 feet.
4. In Residence A, B and C Districts no part of an accessory building shall be located within 40 feet of the front line of the lot, unless such accessory building is within the body of a dwelling or attached to a dwelling and such accessory building complies with the setback from said front line established for such dwelling.

C. Side Yards.

1. No building except a one-story building of accessory use shall be erected or maintained in a Residence A District within 15 feet of a side lot line, or within 30 feet of any other building on an adjacent lot, in a Residence B District within 12 feet of a side lot line or within 24 feet of any other building on an adjacent lot, or in a Residence C District within 10 feet of a side lot line.
2. No building of accessory use shall be erected or maintained within 10 feet of a side lot line in a Residence A District or a Residence B District nor within 8 feet of a side line in a Residence C District.
3. On a lot abutting on two intersecting streets no building shall be erected or maintained in a Residence A District within 30 feet, in a Residence B District within 25 feet, and in a Residence C District within 20 feet of the line of the side street.
4. The provisions of this section shall not reduce to less than 25 feet the

buildable width of any lot in a Residence A, B or C District recorded at the time this by-law is adopted, provided, however, that no building shall extend within 6 feet of a side lot line.

5. In a Business District no building shall be erected or maintained within 6 feet of a side line of any lot unless the wall adjoining such side be either a party wall or a wall with its outer face coincident with the lot side line.

D. Rear Yards.

1. In a Residence A, B or C District no building except a one-story building of accessory use shall be erected or maintained within 30 feet of the rear lot line, provided that no building need be set back from the rear lot line more than 30 per cent of the mean depth of the lot.
2. In a Business District no dwelling shall be erected or maintained within 20 feet of the rear lot line.
3. No building of accessory use shall be erected or maintained within 10 feet of a rear lot line in a Residence A District nor within 8 feet of a rear lot line in a Residence B or a Residence C District.

E. Appurtenant Open Space.

No yard or other open space required for a building by this by-law shall, during the existence of such building, be occupied by or counted as open space for another building.

F. Projections.

Nothing herein shall prevent the projection of steps, eaves, chimneys and cornices not exceeding 18 inches in width, windowsills, or belt courses into any required yard or open space.

G. Corner Clearance.

On lots in Residence A, B and C Districts no building, fence, or other structure shall be erected and no tree, shrub or other planting shall be planted, or allowed to exist, which prevents an unobstructed view through the space between 4 feet and 8 feet above the ground within the area formed by the intersecting side lines forming the corner of the intersecting streets and a line joining points on such lines 25 feet distant from the point of intersection in a Residence A District, or 20 feet distant from the point of intersection in a Residence B or a Residence C District, provided, however, that where the junction of the side lines of two streets forms a curve, the clearance area shall be determined and certified by the Town Engineer as nearly as may be in accordance with the foregoing and having regard to the safety of the public, and the foregoing provisions shall apply to the area thus determined.

SECTION VII. Administration.

A. Enforcement.

1. The Inspector of Buildings shall enforce the provisions of this by-law. If the Inspector of Buildings shall be informed or have reason to believe that any provision of this by-law or of any permit or decision thereunder has been, is being, or is about to be violated, he shall make or cause to be made an investigation of the facts, including the inspection of the premises where the violation may exist, and, if he finds any violation, he shall give immediate notice in writing to the owner or his duly authorized agent and to the occupant of the premises.
2. If, after such notice, such violation continues, with respect to any use contrary to the provisions of this by-law, the Inspector of Buildings shall

forthwith revoke any permit issued in connection with the premises, and shall take such other action as is necessary to enforce the provisions of this by-law.

3. Where a special permit from or relief by the Board of Appeals is required pursuant to the provisions of this by-law, or where an appeal from an order or decision of an administrative officer, or an appeal or petition involving a variance is pending, the Building Inspector shall issue no building permit until so directed in writing by said Board.

B. *Submission of Plots.*

All applications for building permits shall be accompanied by a plot in duplicate drawn to scale, showing the actual dimensions of the lot to be built upon, the streets upon which it abuts, the size and location of the building or buildings to be erected or altered, and such other information as may, in the opinion of the Building Inspector, be necessary for the enforcement of this by-law. A careful record of such applications and plots shall be kept in the office of the Building Inspector. Deviation from the terms and dimensions shown on the plot shall constitute violation of the terms of the permit.

C. *Occupancy Permit.*

It shall be unlawful to use or permit the use of any land, building, or structure or part thereof which is erected or altered, wholly or partly, in its use or construction, or moved, or which has its open spaces in any way reduced, until the Building Inspector shall have certified on the building permit, or, in case no permit is required, shall have certified in a certificate of occupancy that the building and premises have been regularly inspected by the Building Inspector and apparently conform to the statutes and by-laws relating to the construction and occupancy of buildings and land in the town of Milton.

SECTION VIII. Board of Appeals.

A. *Appointment.*

The Board of Appeals is and shall be the board of appeal appointed from time to time pursuant to Chapter 7 of these by-laws known as the Building Code, and said board of appeal under said Building Code is hereby constituted the Board of Appeals pursuant to the provisions of Section 30 of Chapter 40 of the General Laws, as amended.

B. *Notice.*

When an appeal, application or petition is filed with the Board of Appeals pursuant to any of the provisions of this by-law, the Board shall give notice thereof and hold a hearing pursuant to its rules and regulations and to the law. The Building Inspector shall be entitled to receive notice in all cases involving the issuance of a building permit.

C. *Special Permits.*

Where a special permit by the Board of Appeals is required pursuant to the provisions of this by-law, the applicant shall make written application and shall show to the satisfaction of the Board, in addition to any specific requirements herein or in the law contained, that the desired relief may be granted without substantial detriment to the public good and without substantially derogating from the intent or purpose of this by-law. The Board of Appeals may make appropriate conditions and limitations necessary in its opinion to safeguard the legitimate use of the property in the neighborhood and the health and safety of the public, such conditions and limitations to be stated in writing by the Board and made a part of the permit.

D. Variances and Appeals.

Appeals from an order or decision of an administrative officer and appeals or petitions involving variances from the terms of this by-law shall be dealt with by the Board of Appeals in accordance with the provisions of General Laws, Chapter 40, Section 30, as amended.

E. Relief.

When relief is applied for pursuant to the provisions of Section VI, A, 5 hereof the applicant shall file with the Board a plan, map, drawing, or document sufficient clearly to show all of the local real estate holdings of the applicant in the neighborhood, the date or dates of the recording of the lots involved, and such other pertinent documentary evidence as the Board may require, and shall show to the satisfaction of the Board that the facts requisite for such relief exist.

SECTION IX. **Other By-laws, Rules or Regulations.**

The provisions of this by-law shall be construed as being additional to and not as annulling, limiting or lessening to any extent, whatsoever the requirements of any other by-law, rule or regulation, provided that, unless specifically excepted, where this by-law is more stringent it shall control.

SECTION X. **Penalty.**

Any person, firm, or corporation who violates, disobeys, neglects, or refuses to comply with any of the provisions of this by-law shall be fined in a sum not to exceed twenty dollars ($20.00) for each offence.

SECTION XI. **Validity.**

The invalidity of any section or provision of this by-law shall not invalidate any other section or provision hereof. If for any reason the area requirements in any district shall be or become invalid or inoperative, then the area requirements of the next less restricted district shall be and become the area requirements for such more restricted district.

SECTION XII. **Amendments.**

The Planning Board, upon petition of not less than ten citizens of the Town, or upon its own initiative, shall from time to time hold public hearings, twenty days' published notice of which shall be given, for the consideration of proposed amendments to the Zoning Map or to this by-law and report to a regular or special Town Meeting its recommendations as to what action should be taken.

CHAPTER 11

Planning Board

A Planning Board is hereby established under the provisions of General Laws (Ter. Ed.), Chapter 41, Section 81A (Acts of 1936, Chapter 211) and any amendments thereto, with all the powers and duties therein and in any existing by-laws of the Town provided, to consist of five members to be elected by ballot at the annual Town Meeting in March, 1939, one for a term of one year, one for a term of two years, one for a term of three years, one for a term of four years, and one for a term of five years and thereafter in accordance with the provisions of the statute.

The existing Board of Appeals appointed from time to time pursuant to Chapter 7 of the General By-laws known as the Building Code and acting as the Board of Appeals pursuant to Chapter 10 of the General By-laws designated as Zoning shall act as and be the Board of Appeals under General Laws (Ter. Ed.), chapter 41, Section 81-I (Acts of 1936, Chapter 211).

CHAPTER 12

Board of Water Commissioners

The Board of Water Commissioners may from time to time, on such conditions as may be determined by the Board, receive from prospective developers of lands in the Town, respectively, sums of money sufficient, in the opinion of the Board to cover the estimated expense to the Town, as certified by the Planning Board or such part thereof as is to be incurred by the Town, of constructing water mains with all appurtenances necessary or proper in private ways approved by the Planning Board under the provisions of General Laws (Ter. Ed.) Chapter 41, as amended by St. 1936, C. 211, or as otherwise amended such sums to be paid to the Town Treasurer to the Credit of the Town, each such sum to be held as a special fund marked with the name of the depositor and the way or ways to which the same is applicable, and subject to retention and appropriation by the Town for the purpose of reimbursing the Town for moneys expended in constructing water mains and appurtenances in the respective ways designated for the respective funds and for the return to the depositor of any unexpended balance as certified by the Board of Water Commissioners after completion of such water mains and appurtenances. If such deposit of estimated expense in any case is not sufficient for the work, the developer shall make deposit of a sufficient additional amount.

This bylaw shall be additional to and not in limitation of the powers otherwise vested in said Board or Water Commissioners.

Milton, Mass.,
April 6, 1934.

I HEREBY CERTIFY, That the foregoing is a true copy of the General Bylaws as amended under Article 53 of the Warrant for the annual Town Meeting held March 10, 1934.

A true copy.
Attest.

G. FRANK KEMP,
Town Clerk.

(Seal)

Boston, Mass., June 1, 1934.

The foregoing bylaws are hereby approved.

JOSEPH E. WARNER,
Attorney General.

The amendments to Chapters 4, 7 and 10 voted at the Annual Town Meeting held March 9, 1935, were approved by the Attorney General, June 10, 1935.

The amendment to Chapter 7 voted at the Annual Town Meeting held March 14, 1936, was approved by the Attorney General, April 3, 1936.

The amendment to Chapter 10 voted at the Special Town Meeting held January 29, 1938, was approved by the Attorney General, February 10, 1938.

The amendments to Chapters 7, 10 and 11 voted at the Annual Town Meeting held March 12, 1938, were approved by the Attorney General, April 11, 1938.

The amendments to Chapter 10 voted at the Annual Town Meeting held March 9, 1940, were approved by the Attorney General, April 11, 1940 and May 1, 1940.

The amendments to Chapters 2, 3 and 4, voted at the annual Town Meeting held March 8, 1941, were approved by the Attorney General, March 20, 1941.

The amendments to Chapters 4 and 10 voted at the Annual Town Meeting held March 13, 1943, were approved by the Attorney General, March 24, 1943, and April 13, 1943, respectively.

The amendments to Chapters 2, 4, 10 and 12 voted at the Annual Town Meeting held March 10, 1945, were approved by the Attorney General, March 21, 1945.

LEGISLATIVE ACTS ACCEPTED BY THE TOWN OF MILTON

March 19, 1866. **Voted,** To establish a high school, according to the provisions of Section 2 of Chapter 38 of the General Statutes. (Repealed 1898, Chapter 496, Section 36.)

March 2, 1874. **Voted,** To accept the provisions of Chapter 265 of the Acts of 1873, relative to public landing places in the town of Milton. (Special Act.)

March 4, 1878. **Voted,** To accept the provisions of Sections 23 to 32 of Chapter 24 of the General Statutes, relative to the establishment of a board of fire engineers. (General Laws, Chapter 48, Section 45.)

March 3, 1879. **Voted,** To accept the provisions of Section 21 of Chapter 38 of the General Statutes, relative to the election of School Committee. (General Laws, Chapter 41, Section 1.)

December 8, 1879. **Voted,** To accept the provisions of Section 1 of Chapter 234 of the Acts of 1878, relative to truants and neglected children. (Repealed, 1919, Chapter 363, Section 16.)

March 7, 1881. **Voted,** To accept the act of the Legislature, Chapter 158 of the Laws of 1871, entitled, "An Act to Provide for the Election of Road Commissioners." (General Laws, Chapter 41, Section 1.)

March 5, 1883. **Voted,** To accept the provisions of Section 10 of Chapter 48 of the General Statutes, relative to truants and neglected children. (Repealed 1898, Chapter 496, Section 36.)

March 3, 1890. **Voted,** To accept the first nine sections of Chapter 51 of the Public Statutes, said Chapter being entitled, "Of Betterments and other Assessments on Account of the Cost of Public Improvements." (General Laws, Chapter 80.)

February 12, 1891. **Voted,** To accept the act authorizing towns and cities to lay out public parks within their limits; being Chapter 154 of the Acts of 1882. (General Laws, Chapter 45, Sections 1 to 11.)

March 2, 1891. **Voted,** To accept the provisions of Chapter 386 of the Acts of 1890, relative to the election of town officers. (Repealed, 1893, Chapter 417, Section 345.)

February 3, 1894. **Voted,** That the town does hereby accept the provisions of Section 268 of Chapter 417 of the Acts of 1893, relative to the election of a separate Board of Assessors. (General Laws, Chapter 41, Section 1.)

November 28, 1894. **Voted,** To accept the provisions of Chapter 324 of the Acts of 1894, entitled an "Act Relative to the Reservation of Spaces in Public Ways." (General Laws, Chapter 82, Section 34.)

March 4, 1895. **Voted,** That the town hereby accepts the provision of Chapter 309 of the Acts of 1885, authorizing towns to license groves to be used for picnics and other lawful amusements. (General Laws, Chapter 140, Sections 188 to 190.)

March 4, 1895. **Voted,** To accept the provisions of Section 272 of Chapter 417 of the Acts of 1893, relative to the election of Sewer Commissioners. (General Laws Chapter 41, Section 1.)

March 4, 1895. **Voted,** To accept the provisions of Chapter 462 of the Acts of 1893 relative to the establishment of a building line on Public Ways. (Repealed, Acts of 1917, Chapter 344, Part 8, Section 1.)

March 4, 1895. **Voted,** To accept the provisions of Chapter 218 of the Acts of 1894 as amended by Chapter 473 of that same year, relative to the election of Boards of Health in towns. (General Laws, Chapter 41, Section 1.)

March 4, 1895. **Voted,** To accept the provisions of Sections 20 and 21 of Chapter 50 of the Public Statutes, relative to the establishment and grading of sidewalks by the Selectmen. (General Laws, Chapter 83, Section 25.)

June 29, 1895. **Voted,** To accept the provisions of Chapter 304 of the Acts of

1895, authorizing the town of Milton to construct one or more systems of sewerage. (Special Act.)

March 1, 1897. **Voted,** To accept the provisions of Chapter 101 of the Public Statutes relative to the suppression of common nuisances. (General Laws, Chapter 139.)

March 7, 1898. **Voted,** To accept the provisions of Section 11 of Chapter 481 of the Acts of 1894, relative to the regulation and inspection of buildings. (General Laws, Chapter 143, Section 3.)

March 5, 1900. **Voted,** To accept the provisions of Chapter 344 of the Acts of 1899, relative to eight-hour day for town employees. (General Laws, Chapter 149, Section 31.)

March 3, 1902. **Voted,** To accept the provisions of Section 18 of Chapter 122 of the Revised Laws (General Laws, Chapter 166, Section 32), relative to the appointment of an Inspector of Wires by the Selectmen.

July 14, 1902. **Voted,** To accept the provisions of Chapter 307 of the Acts of 1902, relative to water supply. (General Laws, Chapter 92, Section 10.)

August 16, 1902. **Voted,** To accept the provisions of Sections 58 to 64, inclusive, of Chapter 48 of the Revised Laws, relative to the jurisdiction of towns over highways and county bridges. (General Laws, Chapter 82, Sections 17 to 20.)

March 2, 1903. **Voted,** To accept the provisions of Sections 20 and 21 of Chapter 25 of the Revised Laws, relative to public baths. (General Laws, Chapter 40, Section 12.)

March 2, 1903. **Voted,** To accept the provisions of Section 339 of Chapter 11 of the Revised Laws, relative to the election of Overseers of the Poor. (General Laws, Chapter 41, Section 1.)

March 7, 1904. **Voted,** To accept the provisions of Section 70 of Chapter 75 of the Revised Laws, relative to privy vaults. (General Laws, Chapter 111, Section 126.)

March 6, 1905. **Voted,** To accept the provisions of Chapter 103 of the Revised Laws, relative to the supervision of plumbing. (General Laws, Chapter 142.)

July 21, 1905. **Voted,** To accept the provisions of Chapter 381 of the Acts of 1905, relative to the suppression of gypsy and brown-tail moths. (General Laws, Chapter 132.)

March 1, 1909. **Voted,** To accept the provisions of Chapter 476 of the Acts of 1908, relative to vacations for members of the Police Department. (General Laws, Chapter 92, Section 62, and Chapter 147, Sections 14 and 17.)

March 8, 1910. **Voted,** To accept the provisions of Sections 43 of Chapter 49 of the Revised Laws, relative to the grading and construction of sidewalks. (General Laws, Chapter 83, Section 25.)

March 6, 1911. **Voted,** To accept the provisions of Section 359 of Chapter 560 of the Acts of 1907, relative to the election of Moderators. (General Laws, Chapter 41, Section 1.)

March 6, 1911. **Voted,** To accept the provisions of Section 362 of Chapter 560 of the Acts of 1907, relative to the election of four constables. (General Laws, Chapter 41, Section 1.)

November 7, 1911. **Voted,** To accept the provisions of Chapter 634 of the Acts of 1911, relative to the establishment by counties of the retirement system for employees. (General Laws, Chapter 32.)

March 4, 1912. **Voted,** To accept the provisions of Chapter 146 of the Acts of 1911, relative to the establishment of an Art Commission. (General Laws, Chapter 41, Sections 82 to 84.)

March 4, 1912. **Voted,** To accept the provisions of Chapter 468 of the Acts of 1911, relative to the extension of Civil Service Acts to Chiefs of Police. (General Laws, Chapter 31, Section 49.)

March 4, 1912. **Voted,** To accept the provisions of Chapter 314 of the Acts of

1911, relative to the expending of money by the School Committee for the supervision of sports. (General Laws, Chapter 71, Section 47.)

March 4, 1912. **Voted,** To accept the provisions of Chapter 367 of the Acts of 1911, relative to the use of school halls for other than school purposes. (General Laws, Chapter 71, Section 71.)

November 5, 1912. **Voted,** To accept the provisions of Chapter 503 of the Acts of 1912, relative to the pensioning of laborers in the employ of the town. (General Laws, Chapter 32, Section 77.)

March 3, 1913. **Voted,** To accept the provisions of Chapter 327 of the Acts of 1904, relative to the pensioning of permanent members of the Police and Fire Departments. (General Laws, Chapter 32, Section 85.)

March 3, 1913. **Voted,** To accept the provisions of Chapter 498 of the Acts of 1908, relative to the pension funds for teachers in the public school. (General Laws, Chapter 32, Section 42.)

March 3, 1913. **Voted,** To accept the provisions of Chapter 635 of the Acts of 1912, relative to tenement house regulation. (General Laws, Chapter 145.)

March 3, 1913. **Voted,** To accept the provisions of Chapter 191 of the Acts of 1907, relative to the establishment of a Board of Survey. (General Laws, Chapter 41, Sections 73 to 81.)

November 4, 1913. **Voted,** To accept the provisions of Chapter 807 of the Acts of 1913, relative to the compensation of certain employees for injuries sustained in the course of their employment. (General Laws, Chapter 152, Section 69.)

March 2, 1914. **Voted,** To accept the provisions of Chapter 807 of the Acts of 1913, relative to workmen's compensation. (General Laws, Chapter 152, Section 69.)

March 2, 1914. **Voted,** To accept the provisions of Section 42 of Chapter 514 of the Acts of 1909 as amended by the provisions of Chapter 494 of the Acts of 1911, relative to the eight-hour day for city and town employees. (General Laws, Chapter 149, Sections 30 to 33.)

November 3, 1914. **Voted,** To accept the provisions of Chapter 217 of the Acts of 1914, relative to vacations for town laborers. (General Laws, Chapter 41, Section 111.)

March 13, 1915. **Voted,** To accept the provisions of Chapter 296. of the Acts of 1913, relative to the appointment of a Bird Warden. (General Laws, Chapter 131, Section 76.)

March 10, 1917. **Voted,** To accept the provisions of Chapter 15 of the Special Acts of 1917, revoking the reservation of space for use of street railway on Blue Hill Avenue. (Special Act.)

March 10, 1945. **Voted,** To accept Chapter 42 of the Acts of 1945, repealing Chapter 305 of the Special Acts of 1917 relating to the Wadsworth Trust.

MILTON TOWN RECORDS IN THE MUNICIPAL YEAR

1945

1945

WARRANT

MARCH MEETING

Commonwealth of Massachusetts,
Norfolk, ss.

To any of the Constables of the Town of Milton in said County, Greeting:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

Precinct 1.	Tucker School Hall, Blue Hills Parkway,
Precinct 2.	Basement, Mattapan Branch Library, Blue Hills Parkway,
Precinct 3.	Police Station, Central Avenue,
Precinct 4.	Assembly Hall, Vose School, Walnut Street,
Precinct 5.	Town Hall, Canton Avenue,
Precinct 6.	Basement, East Milton Branch Library, Edge Hill Road,
Precinct 7.	Belcher School, Church Street,

on **Saturday, March third** next, at fifteen minutes before six o'clock in the forenoon, then and there to bring in to the Precinct Officers of their respective Precincts their votes on one ballot respectively for the following named Town Officers, to wit:

A Moderator for the term of one year.
A Town Clerk for the term of one year.
A Town Treasurer for the term of one year.
A Collector of Taxes for the term of one year.
Three Selectmen and Surveyors of Highways for one year term.
One Assessor for the term of three years and one for two years.
One member of the Board of Public Welfare for the term of three years.
One Sewer Commissioner for the term of three years.
A Tree Warden for the term of one year.
Two members of the School Committee for the term of three years.
One member of the Board of Health for the term of three years.
One Trustee of the Cemetery for the term of five years.
Three Library Trustees for the term of three years and one for two years.
One Park Commissioner for the term of three years and one for one year.
One Water Commissioner for the term of three years.

One Trustee of the Wadsworth Fund for the term of three years.
One member of the Planning Board for the term of five years and one for two years.
Four Constables for the term of one year.

One hundred four Town Meeting Members as follows:

Precinct 1. Fourteen for three years.
One for two years to fill vacancy.

Precinct 2. Eleven for three years.
Two for two years and one for one year to fill vacancies.

Precinct 3. Eleven for three years.
Two for one year to fill vacancies.

Precinct 4. Twelve for three years.
One for two years to fill vacancy.

Precinct 5. Sixteen for three years.
One for two years to fill vacancy.

Precinct 6. Fifteen for three years.
Two for one year to fill vacancies.

Precinct 7. Fourteen for three years.
One for two years to fill vacancy.

For these purposes the polls will be open at each and all of said Precincts at fifteen minutes before six o'clock in the forenoon and will be closed at four o'clock in the afternoon.

And thereupon, by adjournment of said meeting, to meet on the following Saturday, to wit, March tenth next, at thirty minutes past one o'clock in the afternoon at the Town Hall in said Milton, then and there to act upon the following articles, to wit:

ADJOURNED TOWN MEETING, MARCH 10, 1945

The meeting was opened at 1:30 P.M. by the Moderator, Charles S. Pierce. The Moderator's next procedure was to read the following list of Town Meeting Members who had passed away since the last Town Meeting and the meeting was requested to stand:

John Balch
Harold A. Horracks
William G. Rodd
William Johnstone
Charles M. Rogerson

The attendance of the Town Meeting Members was: Present 228; Absent 70.

ARTICLE 1. To choose all such Town Officers as are not required to be chosen by ballot.

Voted, The following officers were elected viva voce, namely: George E. Burt and Carl R. Horne, Measurers of Lumber.

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees.

Voted, That the report of the Town Accountant be accepted and placed on file.

That the report of the Planning Board be accepted and placed on file.

No report from the Legislative Committee as there were no sessions of the Legislature.

ARTICLE 3. To see what sum of money the Town will appropriate for temporary adjusted compensation for the calendar year 1945 of officers and regular employees of the Town in addition to amounts otherwise appropriated for the several officers, employees and departments of the Town, and to act on anything relating thereto.

Voted, To appropriate for the several officers and departments of the Town the amounts set against their respective designations in the list hereinafter included, to provide for temporary adjusted compensation for the calendar year 1945, for the officers and regular employees of the Town, such amounts to be in addition to the amounts otherwise appropriated for such officers and departments, and such additional compensation to be in the amount of $275.00 to each individual in full time employment and a portion of this amount for part time employees, and in cases of termination of employment or commencement of employment after January 1, 1945, to be adjusted proportionately; expenditures may be made at the same rate in January and February, 1946, in accordance with the provisions of General Laws, Ter. Ed., Chapter 44, Section 13.

WELFARE AND RELIEF

ARTICLE 4. To see what sum of money the Town will vote to appropriate for the Public Welfare Department the present year.

Voted, That the total sum of $64,506.00 be appropriated as follows:

General Relief:	
Relief	$7,200.00
Administration	650.00
Old Age Assistance:	
Assistance	$42,000.00
Administration	3,880.00
Aid to Dependent Children:	
Aid	$9,800.00
Administration	976.00

ARTICLE 5. To see what sum of money the Town will vote to appropriate for Soldiers' Relief the present year.

Voted, That the sum of $15,000.00 be appropriated for Soldiers' Relief the present year.

ARTICLE 6. To see what sum of money the Town will vote to appropriate for Soldiers' Burial the present year.

Voted, That the sum of $100 be appropriated for Soldiers' Burial the present year.

ARTICLE 7. To see what sum of money the Town will vote to appropriate for State and Military Aid under General Laws (Ter. Ed.) Chapter 115, the present year.

Voted, That the sum of $1,200.00 be appropriated for State and Military Aid under General Laws (Ter. Ed.) Chapter 115, the present year.

ARTICLE 8. To see what sum the Town will vote to raise and appropriate to meet the expenses incurred under Chapter 11 of the Acts of 1942 entitled "An Act to provide war allowance, state and military aid and soldiers' relief for certain residents of the commonwealth in the military or naval service of the United States and their dependents, and to provide for the burial of certain indigent soldiers, sailors or marines, their wives, widows, dependent fathers, mothers and children," as amended by Chapter 211 of the Acts of 1943, and act on anything relating thereto.

Voted, That the sum of $500.00 be raised and appropriated to meet the expenses incurred under Chapter 11 of the Acts of 1942 entitled "An Act to provide war allowance, state and military aid and soldiers' relief for certain residents of the commonwealth in the military or naval service of the United States and their dependents, and to provide for the burial of certain indigent soldiers, sailors or marines, their wives, widows, dependent fathers, mothers and children" as amended by Chapter 211 of the Acts of 1943.

GENERAL GOVERNMENT

ARTICLE 9. To see what sum of money the Town will vote to appropriate for General Government for salaries and expenses of the following departments, and other purposes the present year:

1. Warrant Committee
2. Selectmen
3. Accountant
4. Town Engineer
5. Assessors
6. Treasurer
7. Tax Collector and Town Collector
8. Town Clerk
9. Election and Registration
   a. Street Listing
10. Law
11. Town Hall and Lot and Thacher Building
12. Insurance
13. Town Reports
14. Board of Appeals
15. Planning Board
16. Local Rationing Board No. 206.

Voted, That the following amounts be so appropriated:

1.	Warrant Committee	$ 1,500.00
2.	Selectmen	4,661.33
	Including salaries of $500 for each Selectman.	
3.	Accountant	4,197.00
4.	Town Engineer	19,526.19
5.	Assessors	9,006.97
	Including salaries of Chairman $1200, 2nd and 3rd members $800 each.	

6. Treasurer Including $3000 salary.	4,456.00
7. Tax Collector and Town Collector Including Salary at the rate of $3000.	5,861.00
8. Town Clerk Including $1200.00 Salary.	3,222.00

Including $100.00 for Resolution Committee as follows:

Whereas the Town of Milton has been favored and blest by the genial and dignified presiding officer at its Annual Town Meetings—Mr. Charles S. Pierce—for the last 25 years—and

Whereas during those 25 years Mr. Charles S. Pierce has been courteous, painstaking, and eminently fair in his decisions—rulings—and supervision of the Town Meetings therefore—

BE IT RESOLVED that the Town Clerk be and hereby is directed and empowered to appoint a Committee of Town Meeting Members to have prepared and presented to Mr. Charles S. Pierce a suitable engrossed set of Resolutions expressing the regard—esteem and affection of all Town Meeting Members—Past and Present, said Resolutions to be presented to Mr. Pierce as soon as completed, and a copy to be inserted in the Town Records—and that it further

BE RESOLVED that an appropriation not to exceed $100.00 be added to the appropriation granted to the Town Clerk.

Committee appointed by the Town Clerk:

John B. Moore, 27 Thompson Lane
Jesse B. Baxter, 175 Edge Hill Rd.
Tilton S. Bell, 7 Webster Road
Oscar W. Haussermann, 42 Dudley Lane
Roger Wolcott, 1733 Canton Avenue

Mr. Moore was requested to call the committee together.

TO
CHARLES SUMNER PIERCE
Moderator of the Town of Milton, Massachusetts
1920 - 1945

The New England Town Meeting is older than the United States. As a form of local government it has long stood as a wholesome and effective institution of our American democracy. New England townsmen, cherishing the freedom of speech and freedom of action which their town meetings aim to assure, have recognized that, as a practical matter, the achievement of these freedoms depends in large measure upon the quality of the individual who functions as their Town Moderator.

For more than a quarter of a century the people of Milton have had as presiding officer at their town meetings

CHARLES SUMNER PIERCE

During his long tenure of office he has exemplified all the qualities of an ideal Moderator, has upheld the best traditions of that old and honorable office and has carefully and wisely led the Town of Milton along the path of good government. Fairness, tact, dignity and genial humor have marked his conduct of our town meetings and wisdom and judgment have guided the exercise of his appointive powers.

Since his first election the Town has more than doubled in population. Nevertheless, he has kept pace with the times, has drawn into the service of the Town men and women of different talents and points of view and has imbued them with a spirit of public service which has contributed materially to the successful conduct of the business of the Town. It is a tribute to his statesmanlike guidance of Town affairs that the newest and the oldest citizens alike accord to him their confidence, their respect and their admiration.

Signed on behalf of the people of Milton by the committee chosen under authority of a resolution unanimously adopted by the annual Town Meeting of 1945 to express "regard, esteem and affection" for our leading citizen.

/s/ John B. Moore
/s/ Roger Wolcott　　/s/ Oscar W. Haussermann
/s/ Jesse B. Baxter　　/s/ Tilton S. Bell

This is a true copy of the engrossed and framed original presented to Charles S. Pierce by the Committee on December 18, 1945.

Attest: John B. Moore

9.	Election and Registration Including salaries of three appointed members at $100 each.	$ 2,833.00
9a.	Street Listing	1,923.23
10.	Law	5,050.00
11.	Town Hall and Lot and Thacher Building	9,995.00

13.	Town Reports	2,369.70
14.	Board of Appeals	300.00
15.	Planning Board	2,753.00
16.	Local Rationing Board No. 206	180.00

ARTICLE 10. To see what sum of money the Town will vote to appropriate for Interest and Maturing Debt the present year:

1. Interest　　2. Maturing Debt

Voted, That the following appropriations be made for:

1.	Interest	$10,800.00
2.	Maturing Debt	85,000.00

ARTICLE 11. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1945, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws (Ter. Ed.).

Voted, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time in anticipation of the revenue of the financial year beginning January 1, 1945, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws (Ter. Ed.).

(Unanimous Vote)

ARTICLE 12. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow on and after January 1, 1946, in anticipation of the revenue of the financial year ending December 31, 1946.

Voted, That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow on and after January 1, 1946, to an amount not to exceed $250,000.00 from time to time in anticipation of the revenue of the financial year beginning January 1, 1946, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1946.

(Unanimous Vote)

ARTICLE 13. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

Voted, To authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

ARTICLE 14. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before Committees of the General Court.

Voted, To authorize the Selectmen to employ counsel to represent the town at hearings before Committees of the General Court.

ARTICLE 15. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; such committee to hold office for the calendar year next following its appointment, to have full power to fill vacancies in its own number, and to report to the Town Meeting next following the close of its term of office.

Voted, To authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; such committee to hold office for the calendar year next following its appointment, to have full power to fill vacancies in its own number, and to report to the Town Meeting next following the close of its term of office.

COMMITTEE

Lincoln Bryant, 149 Randolph Avenue
Paul F. Dudley, 185 School Street
Frank B. Frederick, 45 Morton Road
Nelson F. Hermance, 592 Brush Hill Road
John J. O'Neill, 435 Canton Avenue

ARTICLE 16. To see what sum of money the Town will vote to appropriate for Pensions and Annuities the present year:

1. Police and Firemen, Section 85, Chapter 32, General Laws (Ter. Ed.) and Section 57 of said Chapter as amended.
2. Annuity, Chapter 16, Special Acts of 1919 and Chapter 231 of Acts of 1937.
3. Annuities, Section 89, Chapter 32, General Laws (Ter. Ed.) as amended.
4. Police and Firemen's Widows' Pensions, Section 88, Chap. 32, General Laws (Ter. Ed.) and Chapter 231 of Acts of 1937.
5. Laborers' Pensions, Section 77, Chapter 32, General Laws (Ter. Ed.) and Section 57 of said Chapter as amended.
6. School Teachers' Pensions, Section 42, Chapter 32, General Laws (Ter. Ed.).

Voted, That the following appropriations be made for:

1.	Pensions, Police and Firemen, Section 85, Chapter 32, G. L. (Ter. Ed.)	$ 5,800.00
2.	Annuity, Chapter 16, Special Acts of 1919 and Chapter 231 of Acts of 1937	1,000.00
3.	Annuities, Section 89, Chapter 32, G. L. (Ter. Ed.) as amended	3,000.00

6.	School Teachers' Pensions, Section 42, Chapter 32, General Laws (Ter. Ed.)	2,500.00

ARTICLE 17. To see what sum of money the Town will appropriate for the Contributory Retirement System as follows:

(1) Annuity Savings Fund
(2) Annuity Reserve Fund
(3) Pension Accumulation Fund
(4) Pension Reserve Fund
(5) Expense Fund
(6) Interest Deficiency

and act on anything relating thereto.

Voted, That the sum of $20,782.26 be appropriated for the Contributory Retirement System as follows:

(1) Annuity Savings Fund
(2) Annuity Reserve Fund
(3) Pension Accumulation Fund
(4) Pension Reserve Fund
(5) Expense Fund
(6) Interest Deficiency

ARTICLE 18. To see what sum of money the Town will appropriate under the provisions of Section 9A of Chapter 708 of the Acts of 1941 as inserted in said Act by Chapter 419 of the Acts of 1943, to provide funds for the payment into a special fund of one-half the amount which would have been paid by the members of the retirement system on military leave of absence had they remained active in the service of the Town.

Voted, That the sum of $826.49 be appropriated under the provisions of Section 9A of Chapter 708 of the Acts of 1941 as inserted in said Act by Chapter 419 of the Acts of 1943, to provide funds for the payment into a special fund of one-half the amount which would have been paid by the members of the retirement system on military leave of absence had they remained active in the service of the Town.

ARTICLE 19. To see what sum of money the Town will appropriate under the provisions of Chapter 419 of the Acts of 1943 to provide funds for the payment into a special fund of one-half the amount which would have been paid by members of the School System on military leave of absence had they remained in the service of the Town.

Voted, That the sum of $428.90 be appropriated under the provisions of Chapter 419 of the Acts of 1943, to provide funds for the payment into a special fund of one-half the amount which would have been paid by members of the school system on military leave of absence had they remained in the service of the Town.

ARTICLE 20. To see what sum of money the Town will vote to appropriate for the observance of Memorial Day, 1945.

Voted, To appropriate the sum of $650.00 for the observance of Memorial Day, 1945.

ARTICLE 21. To see what sum of money the Town will vote to appropriate for the celebration of the Fourth of July, 1945.

Voted, To appropriate the sum of $350.00 for the celebration of the Fourth of July, 1945.

ARTICLE 22. To see what sum of money the Town will vote to appropriate for the observance of Armistice Day, 1945.

Voted, to appropriate the sum of $100.00 for the observance of Armistice Day, 1945.

PROTECTION OF PERSONS AND PROPERTY

ARTICLE 23. To see what sum of money the Town will vote to appropriate for the protection of persons and property the present year:

1. Police Department
2. Fire Department
3. Hydrant Service
4. Wire Department
5. Tree Warden Department
    - For Public Work
    - For Private Work
6. Moth Department
    - For Public Work
    - For Private Work
7. Street Lighting
8. Additional Lights
9. (1) Building Department
    (2) Plumbing Inspector
10. Sealer of Weights and Measures.
11. Traffic Lights.

Voted, That the following appropriations be made for:

1. Police Department	
General	$80,359.63
Private Work	900.00

The above appropriation of $80,359.63 includes the sum of $100.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department.

2. Fire Department	82,739.00

The above appropriation of $82,739.00 includes the sum of $15,300.00 for new equipment, the Department being specifically authorized to exchange old equipment as an additional consideration in the purchase of new, and the sum of $100.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department.

3. Hydrant Service	26,320.00

The above appropriation to be taken from the general taxes for the current year as Hydrant Rental, payable to the Water Department in quarterly installments upon presentation of its bill.

4. Wire Department	14,072.17

Including the sum of $100.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department.

5. Tree Warden	
For Public Work	8,225.00
For Private Work	1,000.00
6. Moth Department	
For Public Work	5,204.00
For Private Work	1,500.00
7. Street Lighting	38,610.85
8. Additional Lights	300.00
9. (1) Building Department	4,822.34
(2) Plumbing Inspector	375.00
10. Sealer of Weights and Measures	1,040.30
11. Traffic Lights	900.00

HEALTH AND SANITATION

ARTICLE 24. To see what sum of money the Town will vote to appropriate for Health and Sanitation the present year and for unpaid bills of previous years:

1. Health—General
2. Dental Dispensary for Schools
3. Inspector of Animals
4. Sewer Maintenance
5. Maintenance and Repairs of Norfolk County Hospital
6. Maintenance of Tuberculosis Clinic.

Voted, That the following appropriations be made for:

1. Health	$ 8,400.00
2. Dental Dispensary for Schools	750.00
3. Inspector of Animals	300.00
4. Sewer Maintenance	5,886.00
5. Maintenance and Repairs of Norfolk County Hospital	11,984.20
6. Maintenance of Tuberculosis Clinic	940.00

ARTICLE 25. To see what sum of money the Town will vote to appropriate for the disposal of garbage, ashes and other refuse and offal the present year.

Voted, That the sum of $29,832.00 be appropriated for the disposal of garbage, ashes and other refuse and offal the present year.

ARTICLE 26. To see if the Town will vote to amend the General Bylaws of the Town by adding thereto a Chapter to be known as Chapter 12, as follows:

CHAPTER XII

BOARD OF WATER COMMISSIONERS

The Board of Water Commissioners may from time to time, on such conditions as may be determined by the Board, receive from prospective developers of lands in the Town, respectively, sums of money sufficient, in the opinion of the Board to cover the estimated expense to the Town, as certified by the Planning Board or such part thereof as is to be incurred by the Town, of constructing water mains with all appurtenances necessary or proper in private ways approved by the Planning Board under the provisions of General Laws (Ter. Ed.) Chapter 41, as amended by St. 1936, C. 211, or as otherwise amended, such sums to be paid to the Town Treasurer to the Credit of the Town, each such sum to be held as a special fund marked with the name of the depositor and the way or ways to which the same is applicable, and subject to retention and appropriation by the Town for the purpose of reimbursing the Town for moneys expended in constructing water mains and appurtenances in the respective ways designated for the respective funds and for the return to the depositor of any unexpended balance as certified by the Board of Water Commissioners after completion of such water mains and appurtenances. If such deposit of estimated expense in any case is not sufficient for the work, the developer shall make deposit of a sufficient additional amount.

This bylaw shall be additional to and not in limitation of the powers otherwise vested in said Board of Water Commissioners.

and to act on anything relating thereto.

Voted, To amend the General Bylaws of the Town by adding thereto a Chapter to be known as Chapter 12, as follows:

CHAPTER XII.

BOARD OF WATER COMMISSIONERS

The Board of Water Commissioners may from time to time, on such conditions as may be determined by the Board, receive from prospective developers of lands in the Town, respectively, sums of money sufficient, in the opinion of the Board to cover the estimated expense to the Town, as certified by the Planning Board or such part thereof as is to be incurred by the Town, of constructing water mains with all appurtenances necessary or proper in private ways approved by the Planning Board under the provisions of General Laws (Ter. Ed.) Chapter 41, as amended by St. 1936, C. 211, or as otherwise amended, such sums to be paid to the Town Treasurer to the credit of the Town, each such sum to be held as a special fund marked with the name of the depositor and the way or ways to which the same is applicable, and subject to retention and appropriation by the Town for the purpose of reimbursing the Town for moneys expended in constructing water mains and appurtenances in the respective ways designated for the respective funds and for the return to the depositor of any unexpended balance as certified by the Board of Water Commissioners after completion of such water mains and appurtenances. If such deposit of estimated expense in any case is not sufficient for the work, the developer shall make deposit of a sufficient additional amount.

This bylaw shall be additional to and not in limitation of the powers otherwise vested in said Board of Water Commissioners.

(Unanimous Vote)

Boston, Mass., March 21, 1945

THE FOREGOING BYLAW IS HEREBY APPROVED.

(signed) Clarence A. Barnes,
Attorney General

ARTICLE 27. To see what sum of money the Town will appropriate for expenditure by the Board of Water Commissioners, said sum to be held in a special account to be known as the Account for Mains in Private Ways and to be expended for the purpose of constructing water mains and appurtenances in private ways as to which deposits shall have been made to reimburse the Town for such expenditures. No such expenditure shall be made in or liability incurred in connection with any such way in excess of the deposit made for such way and until after such deposit has been made, and until after takings have been made of rights and easements necessary for the construction and maintenance of such water mains and appurtenances, and to act on anything relating thereto.

Voted, To appropriate for expenditure by the Board of Water Commissioners, the sum of $5,000.00 to be transferred from Water Department Surplus to a special account to be known as the Account for Mains in Private Ways and to be expended for the purpose of constructing water mains and appurtenances in private ways as to which deposits shall have been made to reimburse the Town for such expenditures. No such expenditure shall be made in or liability incurred in connection with any such way in excess of the deposit made for such way and until after such deposit has been made, and until after takings have been made of rights and easements necessary for the construction and maintenance of such water mains and appurtenances.

ARTICLE 28. To see what sum of money the Town will vote to appropriate for the Water Department for the current year, and to provide for the disposition of obsolete property, and act on anything relating thereto.

Voted, To appropriate the sum of $159,502.00 for the general uses of the Water Department during the present year, to be expended by the Water Commissioners in accordance with the Acts of 1902, Chapter 307, and Acts in amendment thereof and in addition thereto, said uses to include:

(a) the Metropolitan Water Assessment;

(b) the retirement of bonds and/or notes due in 1945;

(c) the interest on bonds and/or notes outstanding in Town of Milton water loans;

(d) a sum not exceeding $4,000.00 for extensions of and/or improvements of the system of mains;

(e) all other lawful expenditures;

(f) the sum of $1,700.00 for new equipment and/or replacement of present equipment and/or property and that the Water Commissioners are specifically authorized to exchange old equipment as an addtional consideration in the purchase of new;

(g) the sum of $150.00 for the necessary expenses of the officers and employees of the Department, incurred outside the Commonwealth in securing information upon matters in which the Town is interested or which may tend to improve the service in the Department;

and that to meet said appropriation $125,786.34 be raised from the tax levy, and $33,715.66 be transferred from the available Water Department surplus as of December 31, 1944.

ARTICLE 29. To see what sum of money the Town will vote to raise and appropriate for the installation of water mains of not less than six inches in diameter and their appurtenances and to act on anything relating thereto.

Voted, That no appropriation be made.

ARTICLE 30. To see what sum of money the Town will vote to expend for the construction of sewers for sanitary purposes and for sewage disposal and to appropriate and raise by borrowing or otherwise money for the same and to act on anything relating thereto.

Voted, That the Town appropriate the sum of $6,519.00 for the construction of sewers for sanitary purposes and for sewage disposal; and that to meet said appropriation there be raised in the tax levy of the current year the sum of $6,519.00.

ARTICLE 31. To see what sum of money the Town will vote to appropriate for the maintenance and improvement of the Cemetery the present year.

Voted, That the sum of $20,863.49 be appropriated, including the sum of $50.00 for the necessary expenses of officers and employees of the Department incurred outside the Commonwealth in securing information on matters in which the Town is interested or which may tend to improve the service of the Department.

ARTICLE 32. To see if the Town will authorize the Selectmen to acquire in the name and behalf of the Town, by purchase the lands hereinafter substantially described for cemetery purposes for an enlargement of the existing cemetery, and to authorize the Selectmen, if, in their judgment it shall seem necessary, to make application to the County Commissioners of the County of Norfolk to take the same by eminent domain on behalf of the Town and to see what sum of money the Town will vote to appropriate and raise by borrowing or otherwise for the purpose of acquiring said lands, and to act on anything relating thereto.

Said lands are substantially bounded and described as follows:

Three certain parcels of land in said Milton, bounded and described as follows:

First Parcel: A certain parcel of land bounded and described as follows: Beginning at a stone bound in the westerly side of the right of way to Centre Street, at land now or formerly of George M. Anderson, then bounded

Northerly by land now or formerly of said Anderson 120 feet; then
Southwesterly by land of the Town of Milton and land now or formerly of George Y. Badger 1598.20 feet; then
Southeasterly by land now or formerly of Mary McPherson and land now or formerly of Michael W. Murray 550.55 feet; then
Southerly by said land of Michael W. Murray 178.48 feet; then
Easterly by land now or formerly of Michael W. Murray 111.84 feet; then
Northeasterly by land now or formerly of J. Henry Brooks 623.88 feet; then
Northerly by land now or formerly of J. Henry Brooks and land of Elinor M. Ladd and land now or formerly of Benjamin F. Dudley Estate 429.20 feet; then
Northerly again by the southerly end of the right of way to Centre Street 20 feet; then
Easterly on the center line of said right of way 550.80 feet; then
Northerly by a portion of the westerly half of said right of way 20 feet to the point of beginning, be all of said measurements more or less.

The above described parcel is subject to and does not include a life estate in Elinor M. Ladd and Alexander H. Ladd, both of said Milton, and the survivor of them in a portion of the above described parcel, bounded and described as follows:

Northerly on other land of said Elinor M. Ladd 271.60 feet and on land now or formerly of J. Henry Brooks 20 feet; then
Northeasterly on land now or formerly of J. Henry Brooks 623.88 feet; then
Southwesterly by a straight line running from the northwesterly corner of land conveyed to Henry G. Brooks by deed dated May 24, 1928, and recorded with Norfolk Deeds, Book 1797, Page 339, to the southwesterly corner of said land of Elinor M. Ladd, measuring about 700 feet, be all of said measurements more or less.

Second Parcel: A certain parcel of land bounded and described as follows:

Northeasterly by Brook Road 425.37 feet; then
Southeasterly by land now or formerly of Rachel W. Brooks 682.35 feet; then
Northerly by said Rachel W. Brooks' land by ten lines measuring together 649.68 feet; then
Westerly by land of said Rachel W. Brooks by two lines measuring 221.55 feet and 401.06 feet; then
Northerly by Brook Road by three lines measuring 474.01 feet, 263.08 feet, and 6.34 feet; then
Easterly by land now or formerly of Forbes and Perkins by two lines measuring 145 feet, more or less, and 55 feet, more or less; then
Southeasterly by land now or formerly of Forbes Real Estate Trust 553 feet; then
Southeasterly but more easterly by said land of Forbes Real Estate Trust 124.4 feet; then

Southerly by land now or formerly of Rachel W. Brooks 200.20 feet; then
Easterly by said land of Rachel W. Brooks 228.67 feet; then
Easterly by land now or formerly of said Forbes Real Estate Trust about 706.33 feet; then
Southerly on Murray Avenue 230.07 feet; then
Westerly by land now or formerly of Henry G. Brooks 137.30 feet; then
Southerly on said land of Henry G. Brooks 120 feet; then
Southerly again by land now or formerly of Bingay 45.08 feet; then
Southwesterly by land now or formerly of Bingay and by the third parcel hereinafter described being land now or formerly of Henry G. Brooks, 322 feet; then
Southeasterly by said land of Henry G. Brooks 140.25 feet; then
Southwesterly by land now or formerly of Alexander H. Ladd 623.88 feet; then
Southeasterly by said land of Alexander H. Ladd 20 feet, more or less; then
Westerly by land now or formerly of Elinor M. Ladd 971.8 feet, to the point of beginning, be all of said measurements more or less.

The above described parcel is to be subject to and not to include the following:

1. A life estate in Rachel W. Brooks of said Milton in a portion of the above described parcel, bounded and described as follows:

Northeasterly by Brook Road 425.37 feet; then
Southeasterly by other land of the said Rachel W. Brooks 682.35 feet; then
Northerly by said land of Rachel W. Brooks by ten lines measuring together 649.68 feet; then
Westerly by said land of Rachel W. Brooks by two lines measuring 221.55 feet and 401.06 feet; then
Northerly by Brook Road by three lines measuring 474.01, 263.08 and 6.34 feet; then
Easterly by land now or formerly of Forbes and Perkins by two lines measuring 145 feet, more or less, and 55 feet, more or less; then
Southeasterly by land now or formerly of Forbes Real Estate Trust 553 feet; then
Southeasterly but more easterly by said land of Forbes Real Estate Trust 124.4 feet; then
Southerly by land now or formerly of Rachel W. Brooks 200.20 feet; then
Southerly by a line commencing at said land of Rachel W. Brooks hereinbefore last mentioned and running westerly to a point distant 250 feet southerly from the northeasterly corner of land of Alexander H. Ladd hereinbefore mentioned, about 560 feet; then
Westerly by said land now or formerly of Alexander H. Ladd 250 feet; then
Southerly by said land now or formerly of Alexander H. Ladd 20 feet; then
Westerly by land now or formerly of Elinor M. Ladd 971.8 feet to the point of beginning, be all of said measurements more or less.

2. An easement belonging to Rachel W. Brooks, her heirs and assigns, appurtenant to all her land on the southerly side of Brook Road to use, maintain, repair, and replace the existing water main extending from a point near the junction of Pleasant Street and Murray Avenue in a northerly direction to said land of Rachel W. Brooks.

3. An easement belonging to said Rachel W. Brooks and her heirs and assigns as appurtenant to all her land on the southerly side of Brook Road during her life and for a period of five years after her death to use for purposes of ingress and egress on foot and in vehicles the carriage road extending from the premises conveyed to her by John Henry Brooks by deed dated April 24, 1907, and recorded with Norfolk Deeds, Book 1052, Page 161, in a general northeasterly direction to Brook Road.

4. To any existing easements belonging to the Town of Milton.

Third Parcel: A certain parcel of land bounded and described as follows:

Easterly by land now or formerly of J. Henry Brooks 165.18 feet; being the land hereinbefore described in Parcel 2; then
Northerly by said land of J. Henry Brooks in Parcel 2, 140.25 feet; then
Westerly by land now or formerly of Alexander H. Ladd 112.36 feet; then
Southerly by land now or formerly of Helena M. Hoy 195.85 feet, be all of said measurements more or less.

Voted, That the Town hereby authorizes the Selectmen to acquire in the name and behalf of the Town by purchase the lands substantially described in Article 32 of the Warrant for cemetery purposes for an enlargement of the existing cemetery and hereby authorizes the Selectmen if in their judgment it shall seem necessary to make application to the County Commissioners of the County of Norfolk to take the same by eminent domain on behalf of the Town and that the Town will permit the use of said lands for burial and that the sum of $39,000 be and hereby is appropriated for acquiring the said lands as aforesaid and expenses of the same and that to meet said appropriation there be raised from the tax levy of the current year the sum of $10,000; and that the Treasurer with the approval of the Selectmen be and hereby is authorized to borrow the sum of $29,000 and to issue bonds or notes, bearing on the face the words "Town of Milton Cemetery Loan 1945" and to be payable in accordance with Section 19 of Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than ten years from the date of the first bond or note, or such earlier date as the Treasurer or Selectmen may determine. Each bond or note shall be in coupon form and shall be subject to registration as to principal and may be exchanged in compliance with the statutory provisions for a registered certificate representing an equivalent obligation for principal and interest. The coupon bonds shall not be obligatory without the authenticating certificate thereon of a National Bank or Trust Company located in Boston, Massachusetts.

(Carried by more than 2/3 vote)

The count under this vote was: Yes 174; No 32.

ARTICLE 33. To see what sum of money the Town will vote to appropriate for the general use of the Board of Park Commissioners the present year.

Voted, To accept part of Holborn Street, running from Otis Street to Private Land, as a Town Way, as laid out by the Selectmen under laws authorizing the assessment of betterments. Appropriation voted under Article 52.

ARTICLE 47. To see if the Town will vote to accept Rockwell Place, running from Rockwell Avenue to Private Land, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept Rockwell Place, running from Rockwell Avenue to Private Land, as laid out by the Selectmen under laws authorizing assesment of betterments. Appropriation voted under Article 52.

ARTICLE 48. To see if the Town will vote to accept part of Victory Avenue, running from the Town Line to Private Land, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept part of Victory Avenue, running from the Town Line to Private Land, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 52.

ARTICLE 49. To see if the Town will vote to accept Wildwood Road, running from Clifton Road to Town Land, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept Wildwood Road, running from Clifton Road to Town Land, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 52.

ARTICLE 50. To see if the Town will vote to accept part of Crown Street, running from Essex Road 281 feet northwesterly, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments, and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept part of Crown Street, running from Essex Road 281 feet northwesterly, as a Town Way, as laid out by the Selectmen under laws authorizing the assessment of betterments. Appropriation voted under Article 52.

ARTICLE 51. To see if the Town will vote to accept part of Essex Road, running from Decker Street 400 feet west, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments and to raise and appropriate money for the same and act on anything relating thereto.

Voted, To accept part of Essex Road, running from Decker Street 400 feet west, as a Town Way, as laid out by the Selectmen under laws authorizing assessment of betterments. Appropriation voted under Article 52.

ARTICLE 52. To see what sum of money the Town will vote to appropriate or raise by borrowing or otherwise, for original construction of public ways, including land damages and the cost of pavement and sidewalks laid at the time of construction, accepted under Articles 44, 45, 46, 47, 48, 49, 50, 51 or any of them, and to act on anything relating thereto.

Voted, That the sum of $32,400.00 be appropriated to be expended for original construction as follows:

Article 44.	Denmark Avenue	$8,100.00
Article 45.	Greenleaf Road	3,500.00
Article 46.	Holborn Street	3,500.00
Article 47.	Rockwell Place	2,800.00
Article 48.	Victory Avenue	1,600.00
Article 49.	Wildwood Road	4,100.00
Article 50.	Crown Street	3,900.00
Article 51.	Essex Road	4,900.00

and that to meet said appropriation there be raised from the tax levy of the current year the sum of $10,368.90 and that the unexpended street betterment balances of $2,031.10 as itemized below, be transferred to this account:

Kenilworth Road	$ 305.56
Lawndale Road	245.53
Lawrence Road	919.94
Westvale Road	560.07
	$2,031.10

and that the Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow the sum of $20,000.00 and to issue bonds or notes, on the face the words "Town of Milton, Street Construction Loan 1945", and to be payable in accordance with Section 19 of Chapter 44 of the General Laws, so that the whole loan shall be paid in not more than ten years from the date of the first bond or note, or such earlier date as the Treasurer or Selectmen may determine. Each bond or note shall be in coupon form and shall be subject to registration as to principal and may be exchanged in compliance with the statutory provisions for a registered certificate representing an equivalent obligation for principal and interest. The coupon bonds shall not be obligatory without the authenticating certificate thereon of a National Bank or Trust Company located in Boston, Mass.

(Unanimous Vote)

ARTICLE 53. To see if the Town will vote to raise and appropriate the sum of $895.35 to offset unpaid balance of Chapter 90, Highway Account of 1938 for Granite Avenue relocation.

Voted, to raise and appropriate the sum of $895.35 to offset unpaid balance of Chapter 90, Highway Account of 1938 for Granite Avenue relocation.

ARTICLE 54. To see what sum of money the Town will vote to authorize the Assessors to use out of the Excess and Deficiency Account in fixing the tax rate for 1945.

Voted, To authorize the Assessors to use the sum of $98,000.00 out of the Excess and Deficiency Account in fixing the tax rate for 1945.

ARTICLE 55. To see what sum of money the Town will vote to appropriate for the Reserve Fund for extraordinary or unforeseen expenditures during the current year and to apply from overlay reserve such amount as the Town shall determine to meet in whole or in part such appropriation, and to act on anything relating thereto.

Voted, That the sum of $22,000.00 be appropriated and that to meet said appropriation the sum of $18,710.25 be transferred from the Overlay Reserve accumulated as of December 31, 1944 and the balance of $3,289.75 be raised in the Tax Levy.

ARTICLE 56. To see if the Town will accept Section 3A of Chapter 115 of the General Laws (Ter. Ed.) providing that no almoner or member of the board of public welfare, or officer performing similar duties, or any agent of any of them, shall directly or indirectly act as agent or disbursing officer of the selectmen for the payment of state or military aid or soldiers' relief; provided, that this section shall not operate to prevent selectmen in towns who are also members of boards of public welfare from acting in their capacity as selectmen or through an agent acting for the selectmen.

Voted, To accept Section 3A of Chapter 115 of the General Laws (Ter. Ed.) providing that no almoner or member of the board of public welfare, or officer performing similar duties, or any agent of any of them, shall directly or indirectly act as agent or disbursing officer of the selectmen for the payment of state or military aid or soldiers' relief; provided, that this section shall not operate to prevent selectmen in towns who are also members of boards of public welfare from acting in their capacity as selectmen or through an agent acting for the selectmen.

ARTICLE 57. To see if the Town will vote to accept Chapter 42 of the Acts of 1945, repealing Chapter 305 of the Special Acts of 1917 relating to the Wadsworth Trust and act on anything relating thereto.

Voted, To accept Chapter 42 of the Acts of 1945, repealing Chapter 305 of the Special Acts of 1917 relating to the Wadsworth Trust.

ARTICLE 58. To see if the Town will vote to adopt an amendment of the provisions of Chapter 10 of the General Bylaws of the Town, known as the Zoning Bylaw, in Section V. Paragraph B thereof, by striking out the period at the end of said paragraph and by inserting at the end of said paragraph the words

> "unless authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit, all in accordance with the provisions of Section VIII, C."

so that the said paragraph shall read:

> B. Building Height in Business District. In a Business district no building shall be erected or altered to exceed three stories in height unless authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit, all in accordance with the provisions of Section VIII, C.
>
> or to adopt said proposed amendment as the same may be amended by the Town at said meeting.

Voted, To amend the amendment of the Zoning Bylaw proposed under Article 58 of the Warrant by striking out the period after the letter C and inserting a comma in place thereof and by adding to such proposed amendment the words "provided that no such building shall be permitted the maximum height of which exceeds 65 feet above the centre line of the street or way adjacent to the lot on which such building stands so that the same shall read:

> B. Building Height in Business District. In a Business district no building shall be erected or altered to exceed three stories in height unless authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit, all in accordance with the provisions of Section VIII, C, provided that no such building shall be permitted the maximum height of which exceeds 65 feet above the centre line of the street or way adjacent to the lot on which such building stands.

(Carried by more than 2/3 vote)

Boston, Mass., March 21, 1945

THE FOREGOING BYLAW IS HEREBY APPROVED.

(signed) CLARENCE A. BARNES,
Attorney General.

ARTICLE 59. To see if the Town will accept Chapter 45 of the Acts of 1945, entitled "An Act authorizing the board of selectmen of the Town of Milton to permit Walter Baker & Company, Inc., to construct and maintain a bridge over Adams Street in the Town of Milton" and act on anything relating thereto.

Voted, That the Town do not so vote.

ARTICLE 60. To see if the Town will vote to amend the provisions of several sections of Chapter 10 of the General Bylaws of the Town known as the Zoning Bylaw and to change the Zoning Map which is part of said Zoning Bylaw, as follows:

Section II, Paragraph A, by inserting at the end thereof after Subsection 4

"5. Industrial Districts."

Section II, Paragraph B, by striking out the first and second sentences thereof and inserting in place of them the following:

"The boundaries of Business Districts hereunder shall continue to be as existing immediately prior to the adoption of this Bylaw except as changed by the setting apart of any portion of a Business District as an Industrial District. The boundaries of Residence A Districts, Residence B Districts, and Residence C Districts, and the Industrial Districts, shall be as shown on the Zoning Map."

Change said Zoning Map with respect to the Business District shown thereon as located in and near Milton Lower Mills, so-called, by setting apart on said Map a portion of said Business District as an Industrial District, the boundary lines of said Industrial District to run and to be shown on said Map as follows:

Beginning at a point on the town line of Milton and Boston at the thread of the Neponset River directly under the center of the main line of the N.Y., N.H. & H. R.R. tracks at the bridge, thence running in a generally southwesterly and westerly direction 1665.80 feet more or less along the center of the main line of the railroad tracks of the N.Y., N.H. & H. R.R., thence turning and running in a northerly direction 33.5 feet more or less to a stone bound which is a common property corner between the Metropolitan District Commission, the N.Y., N.H. & H. R.R., and Walter Baker and Company, Inc., and thence turning and running in a northeasterly direction 167 feet more or less along the property line between the Metropolitan District Commission and Walter Baker and Company, Inc. to the town line of Milton and Boston which is approximately the center of the Neponset River, thence turning and running in a generally easterly, northeasterly and southeasterly direction along the Milton-Boston town line which is approximately the center line of the Neponset River 1692 feet more or less to the point of beginning.

Add to said Zoning Map a Zoning Symbol for the Industrial District which will provide that Industrial Districts shall be shown by solid color.

Section III, by inserting at the end thereof the following new Paragraph D:

"D. Industrial District Uses. In an Industrial District no building shall be erected, altered or used and no land shall be used for any purpose injurious, noxious, or offensive to the neighborhood by reason of the emission of odor, fumes, dust, smoke, vibration, or noise, or other cause, or for any purpose whatever except the following purposes:

1. Any use permitted in a Residence A, B, or C District;
2. Any use permitted in a Business District;

3. Any industrial, trade, manufacturing, commercial or other purpose not prohibited by Sub-paragraph 5 of this section, or by statute or bylaw of the Town;
4. Such purposes as are incidental to or usual in connection with the purposes authorized by this section;
5. No building or structure or part thereof shall be constructed, maintained or used in whole or in part, and no building or structure or part thereof shall be altered, enlarged, reconstructed, or used for any of the following specified purposes, unless such use is incidental to or usual in connection with a use authorized by this section: acetylene gas manufacturing, ammonia, bleaching powder, or chlorine manufacturing, asphalt manufacturing or refining, assaying, other than gold or silver; blast furnace; boiler making, brass, copper, iron or steel manufacturing; candle manufacturing; celluloid manufacturing; treatment, or storage; cement, lime or plaster of paris manufacturing; coal tar products manufacturing; coke manufacturing; cork manufacturing; cremation, except in cemetery; creosote treatment or manufacturing; dextrine, glucose, or starch manufacturing; distillation of bones, coal or wood; dyestuff manufacturing; emery cloth or sandpaper manufacturing; enamel, japan, lacquer, oil, paint, shellac, turpentine, or varnish manufacturing; explosives, fireworks, or gunpowder manufacturing; fat rendering; fertilizer manufacturing; gasoline, naphtha, or petroleum refining; gelatine, glue, or sizing manufacturing; grease, lard, or tallow manufacturing; hydrochloric, nitric, picric, sulphuric, or sulphurous acid manufactuing; incineration or reduction of dead animals; garbage, offal, or refuse, except in a municipal plant; lampblack manufacturing; linoleum or oilcloth manufacturing; match manufacturing; pickle, sauerkraut, sausage, or vinegar manufacturing; potash refining; printing ink manufacturing; pyroxylin plastic manufacturing; rolling mill, rubber, caoutchouc or gutta percha manufacturing; salt manufacturing; shoe blacking, cleaning, or polish manufacturing; slaughtering of animals or fowls, except on premises used for farming, or in the case of fowls to be sold at retail on the premises; smelting of iron; soap manufacturing; soda and soda compound manufacturing; stove blacking or polish manufacturing; sugar refining; tanning, curing, or storage of raw leather, raw hides, or skins, tar distillation or manufacturing; tar roofing or tar waterproofing manufacturing; tobacco (chewing) manufacturing; yeast manufacturing.

Section V, by inserting a new Paragraph B1 as follows:

"B1. Building Height in Industrial District. In an Industrial District no building shall be erected or altered so that the maximum height shall exceed 60 feet above the bench mark of the Town of Milton, which mark is located on the Adams Street Bridge across the Neponset River."
or to adopt said proposed amendments as the same may be amended by the Town at the Town Meeting.

Voted, That the Town do not so vote.

ARTICLE 61. To see if the Town will vote to amend Chapter 2 of the General Bylaws in Section 2 thereof by striking out therefrom the words "from fifteen minutes before six o'clock in the forenoon until four o'clock in the afternoon" and by inserting in place thereof the words:

"from eight o'clock in the forenoon until six o'clock in the afternoon"
so that the same shall read:

Section 2. The annual meeting for the election of Town officers shall be held upon the first Saturday of March, the polls to be open from eight o'clock in the forenoon until six o'clock in the afternoon for the election of such Town officers and the determination of such matters as by law are required to be elected or determined by ballot. All such officers shall be voted for and all such matters shall be determined on official ballots.

Voted, To amend Chapter 2 of the General Bylaws in Section 2 thereof by striking out therefrom the words "from fifteen minutes before six o'clock in the forenoon until four o'clock in the afternoon" and by inserting in place thereof the words:

"from eight o'clock in the forenoon until six o'clock in the afternoon"
so that the same shall read:

Section 3. The annual meeting for the election of Town officers shall be held upon the first Saturday of March; the polls to be open from eight o'clock in the forenoon until six o'clock in the afternoon for the election of such Town officers and the determination of such matters as by law are required to be elected or determined by ballot. All such officers shall be voted for and all such matters shall be determined on official ballots.

(Unanimous Vote)

Boston, Mass., March 21, 1945.

THE FOREGOING BYLAW IS HEREBY APPROVED.

(signed) CLARENCE A. BARNES,
Attorney General.

ARTICLE 62. To see if the Town will vote to amend the General Bylaws of the Town in Chapter 4 thereof by adding at the end of said Chapter the following section:

> Section 14. The Town Treasurer shall be the custodian of all moneys, properties and securities of all trust funds, including Cemetery trust funds, heretofore or hereafter given, devised or bequeathed to the Town, and shall with the approval of the Board of Selectmen invest and reinvest the same and expend therefrom moneys as directed by the Board of Selectmen. The Town Treasurer shall have power with the approval of the Board of Selectmen in the name and behalf of the Town to sell, transfer and deliver any and all securities and properties so held for such prices or considerations and on such terms and conditions as he and they shall determine. The foregoing provisions shall be subject to and not in derogation of any and all directions or provisions made by donors in wills or other instruments of gift in respect to any such fund or funds.

and act on anything relating thereto.

Voted, To amend the General Bylaws of the Town in Chapter 4 thereof by adding at the end of said Chapter the following section:

> Section 14. The Town Treasurer shall be the custodian of all moneys, properties and securities of all trust funds, including Cemetery trust funds, heretofore or hereafter given, devised or bequeathed to the Town, and shall with the appoval of the Board of Selectmen invest and reinvest the same and expend therefrom moneys as directed by the Board of Selectmen. The Town Treasurer shall have power with the approval of the Board of Selectmen in the name and behalf of the Town to sell, transfer and deliver any and all securities and properties so held for such prices or considerations and on such terms and conditions as he and they shall determine. The foregoing

provisions shall be subject to and not in derogation of any and all directions or provisions made by donors in wills or other instruments of gift in respect to any such fund or funds.

(Unanimous Vote)

Boston, Mass., March 21, 1945.

THE FOREGOING BYLAW IS HEREBY APPROVED.

(signed) CLARENCE A. BARNES,
Attorney General.

ARTICLE 63. To see if the Town will vote to authorize the Board of Selectmen to lease or will make other disposition of the forty acres of land received under the will of Governor William Stoughton and the buildings thereon, formerly known as the Town Farm or Town Infirmary, or any part thereof, and to appropriate money therefor and to act on anything relating thereto.

Voted, That the Board of Selectmen be and hereby is authorized in name and behalf of the Town, from time to time until otherwise voted by the Town, to lease forty acres of land received under the will of Governor William Stoughton and the buildings thereon, or any part thereof, for a term or terms not exceeding three years each term, for such rental and on such terms and conditions as the Selectmen shall determine; the net proceeds of such lease or leases to be applied for the benefit of the poor of the Town as the Selectmen shall judge best.

ARTICLE 64. To see if the Town will vote the following:

Appointing officers shall grant to permanent employees of the Town of Milton the following:

For twenty years' service, but less than thirty years' service, vacation allowance of three weeks with pay.

For thirty years' service or more, vacation allowance of four weeks with pay.

The provisions of this rule shall not apply to teachers and supervisors in the School Department whose weeks of service and basis of payment of salary are regulated.

Voted, That the Town do not so vote.

ARTICLE 65. To see if the Town will vote to authorize the Selectmen to appoint an Advisory Committee for Veterans, to furnish information and advice to veterans of the present war upon their return to civilian life, and to appropriate money for the use of said Committee and to act on anything relating thereto.

Voted, To authorize the Selectmen to appoint an Advisory Committee for Veterans, to furnish information and advice to veterans of the present war upon their return to civilian life and that the sum of $250.00 be appropriated to the account of the Selectmen for the use of this committee.

ARTICLE 66. To see if the Town will request the Moderator to appoint a committee of five citizens to consider the selection of a site, and the advisability of erecting thereon a building which will be under the jurisdiction of the Board of Park Commissioners.

This building will contain a swimming pool, and an auditorium to be utilized by the Town as a recreational center and for Town business. The auditorium to be equipped for basketball, badminton and similar athletic activities, and which will also be available for meetings and activities of various organizations in the Town. As well as providing a healthy outlet of activity for the youth of the Town, its use would be available to all of our citizens in its many aspects.

This project is further described in the plan submitted to the Board of Selectmen on January 22 by the Board of Park Commissioners as a major item of the Post-war Capital Budget Plan.

It is proposed that the structure be regarded as a "Memorial Hall" commemorating the men of Milton who have been sacrificed in this war and previous ones as well, and it will be a live memorial in its utilitarian as well as recreational facilities.

Said committee to consider the utilization of said site and building for any or all the above purposes or for such other purposes as to the committee may seem advisable and to report with their recommendations in writing filed in the office of the Board of Selectmen on or before December 31, 1945.

Voted, To request the Moderator to appoint a committee of five citizens to consider the selection of a site, and the advisability of erecting thereon a building which will be under the jurisdiction of the Board of Park Commissioners.

This building will contain a swimming pool, and an auditorium to be utilized by the Town as a recreational center and for Town business. The auditorium to be equipped for basketball, badminton and similar athletic activities, and which will also be available for meetings and activities of various organizations in the Town. As well as providing a healthy outlet of activity for the youth of the Town, its use would be available to all of our citizens in its many aspects.

This project is further described in the plan submitted to the Board of Selectmen on January 22 by the Board of Park Commissioners as a major item of the Post-war Capital Budget Plan.

It is proposed that the structure be regarded as a "Memorial Hall" commemorating the men of Milton who have been sacrificed in this war and previous ones as well, and it will be a live memorial in its utilitarian as well as recreational facilities.

Said committee to consider the utilization of said site and building for any or all the above purposes or for such other purposes as to the committee may seem advisable and to report with their recommendations in writing filed in the office of the Board of Selectmen on or before December 31, 1945.

COMMITTEE

Lincoln W. Pierce, 48 Centre Street
Donald F. Cameron, 80 Cary Avenue
Ernest E. Erickson, 5 Verndale Road
Philip M. Horan, 15 Fairbanks Road
Richard A. Wallace, 45 Thacher Street

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned, by posting attested copies of This Warrant in each of the postoffices of said Town seven days at least before said third of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not, and make due return of this Warrant wtih your doings thereon to the Town Clerk, on or before said third day of March, next.

Given under our hands at Milton, the Fifteenth day of February, Nineteen hundred and forty-five.

(Signed)

DANIEL E. DUGGAN
CHARLES F. BATCHELDER, JR.
JOSIAH BABCOCK
Selectmen of Milton.

Commonwealth of Massachusetts, Norfolk, ss. February 26, 1945.

Pursuant to the within warrant I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the postoffices of the Town and leaving attested copies at the dwellings of the inhabitants.

(Signed)
WILLIAM B. LADD,
Constable.

March 10, 1945. 5:08 P.M. **Voted,** That the meeting be dissolved.

The foregoing meeting was opened March 3, 1945 at 5:45 A.M. by the Wardens in the several precincts.

G. FRANK KEMP,
Town Clerk.

The following is a true copy of the form as posted of the

(SEAL)

GENERAL BYLAWS

Chapter 2 Section 2, Chapter 4 Section 14,
Chapter 10 Section V Paragraph B, and
Chapter 12; as amended at Town Meeting
March 10, 1945 and approved by the Attorney
General, March 21, 1945.

Commonwealth of Massachusetts, Norfolk, ss.

To any of the Constables of the Town of Milton in said County, Greeting:

You are hereby requested to post the following bylaws in one or more public places in each of the seven precincts in accordance with Chapter 185 of the Acts of 1933.

Hereof fail not, and make due return of these bylaws with your doings thereon to the Town Clerk, Milton.

Given under my hand at Milton, the 26th day of March, Nineteen hundred and forty-five.

G. FRANK KEMP,
Town Clerk.

CHAPTER 2

Section 2. The annual meeting for the election of Town Officers shall be held upon the first Saturday of March, the polls to be open from eight o'clock in the forenoon until six o'clock in the afternoon for the election of such Town Officers and the determination of such matters as by law are required to be elected or determined by ballot. All such officers shall be voted for and all such matters shall be determined on official ballots.

CHAPTER 4

Section 14. The Town Treasurer shall be the custodian of all moneys, properties and securities of all trust funds, incuding Cemetery trust funds, heretofore or hereafter given, devised or bequeathed to the Town, and shall with the approval of the Board of Selectmen invest and reinvest the same and expend therefrom moneys as directed by the Board of Selectmen. The Town Treasurer shall have power with the approval of the Board of Selectmen in the name and behalf of the Town to sell, transfer and deliver any and all securities and properties so held for such prices or considerations and on such terms and conditions as he and they shall determine. The foregoing provisions shall be subject to and not in derogation of any and all directions or provisions made by donors in wills or other instruments of gift in respect to any such fund or funds.

CHAPTER 10

Section V Paragraph B. Building Height in Business District. In a Business district no building shall be erected or altered to exceed three stories in height unless authorized by permit issued by the Board of Appeals subject to appropriate conditions, limitations and safeguards stated in writing by the Board of Appeals and made a part of the permit, all in accordance with the provisions of Section VIII, C, provided that no such building shall be permitted the maximum height of which exceeds 65 feet above the centre line of the street or way adjacent to the lot on which such building stands.

CHAPTER 12

Board of Water Commissioners

The Board of Water Commissioners may from time to time, on such conditions as may be determined by the Board, receive from prospective developers of lands in the Town, respectively, sums of money sufficient, in the opinion of the Board to cover the estimated expense to the Town, as certified by the Planning Board or such part thereof as is to be incurred by the Town, of constructing water mains with all appurtenances necessary or proper in private ways approved by the Planning Board under the provisions of General Laws (Ter. Ed.) Chapter 41, as amended by St. 1936, C. 211, or as otherwise amended such sums to be paid to the Town Treasurer to the Credit of the Town, each such sum to be held as a special fund marked with the name of the depositor and the way or ways to which the same is applicable, and subject to retention and appropriation by the Town for the purpose of reimbursing the Town for moneys expended in constructing water mains and appurtenances in the respective ways designated for the respective funds and for the return to the depositor of any unexpended balance as certified by the Board of Water Commissioners after completion of such water mains and appurtenances. If such deposit of estimated expense in any case is not sufficient for the work, the developer shall make deposit of a sufficient additional amount.

The bylaw shall be additional to and not in limitation of the powers otherwise vested in said Board of Water Commissioners.

March 26, 1945.

I HEREBY CERTIFY that the foregoing is a true copy of Chapter 2, Section 2, Chapter 4 Section 14, Chapter 10 Section V Paragraph B and Chapter 12 of the General Bylaws as amended by votes passed under Articles 61, 62, 58 and 26 of the Warrant for the annual Town Meeting held March 10, 1945.

G. FRANK KEMP,
Town Clerk.

Boston, Mass.
March 21, 1945

THE FOREGOING AMENDMENTS TO BYLAWS ARE HEREBY APPROVED.

(Signed) CLARENCE A. BARNES,
Attorney General.

A true copy, attest:

(Signed) JOHN B. SHIELDS,
Constable of Milton.

Commonwealth of Massachusetts, Norfolk, ss. March 26, 1945.

I hereby certify that I have posted attested copies of the within bylaws at the following places in the seven precincts of the Town:

Precinct 1.	Mattapan Branch Library
Precinct 2.	Field House at Brook Road Playground
Precinct 3.	Police Station
Precinct 4.	Town Hall
Precinct 5.	Central Library, Canton Avenue
Precinct 6.	East Milton Library
Precinct 7.	Fire Station, Hose #2

JOHN B. SHIELDS,
Constable of Milton.

REPORTS OF SPECIAL COMMITTEES

REPORT OF MILTON WAR FINANCE COMMITTEE

January 16, 1946.

To the Citizens of the Town of Milton,
Milton, Mass.

Although there were but two War Loan Drives during 1945 as compared to three drives during 1944 the people of the Town of Milton subscribed to a larger number of war bonds this year than ever before. The overall total to date is $7,604,000.00 as against $7,524,000.00 last year.

In the Seventh War Loan Drive held in June a new record of $4,208,000.00 total sales was set as compared with our overall quota of $1,934,000.00. Our "E" Bond quota of $414,000.00 was not met as $293,000.00 "E" Bonds were sold but our individual quota of $910,000.00 was exceeded by over 200%.

In the Victory Loan Drive in November and December our quota was set at $1,715,000.00. Sales totaled $3,396,000.00. "E" Bond sales totaled $218,000.00 or 117% of the quota of $181,000.00 originally set.

The War Finance Committee wishes to thank the people of Milton for their generous and patriotic response to all the War Loan Drives.

Respectfully yours,

MILTON WAR FINANCE COMMITTEE,
Standish T. Bourne, Chairman.

REPORT OF MILTON WAR TRANSPORTATION COMMITTEE

January 21, 1946.

To the Board of Selectmen,

Town of Milton, Massachusetts

Gentlemen:

This Committee is proud of and grateful for the splendid patriotic cooperation during the war period of our fellow citizens who, at great inconvenience and much discomfort to themselves, whole-heartedly complied with the many burdensome but necessary limitations and restrictions upon their travel.

Now that the war is over and most of the Directives of the Office of Defense Transportation have been withdrawn, there seems no longer to be need for activity by this Committee.

May we, in bringing to a close our war-time assignment, remind all that transportation means and methods are yet insufficient and inadequate to supply all the needs which our total desires require. Until reconversion is completed and conditions settled, let us travel as little as possible and conserve our authomobiles or other methods of transportation.

Respectfully,

JOHN J. MURRAY,

Local Administrator.

Milton's record of Salvage Collections was outstanding, and one that the Town may look back on with satisfaction.

It was only because of the wholehearted patriotic cooperation of all concerned, the householders, the Board of Selectmen, the various Town Department Heads and Town employees, who helped with the collections, that the thirty-two salvage drives went off as smoothly and successfully as they did.

Our thanks and gratitude goes out to you all.

Respectfully submitted,

MILTON SALVAGE COMMITTEE

Mrs. Weston Howland,
Mrs. Maxwell E. Macdonald,
George L. Campbell,
Forrest J. Maynard,

REPORT OF MILTON COMPANY, MASS. STATE GUARD

19th Company, 26th Infantry

Cunningham Gymnasium, Milton, Mass.

Milton, Mass., January 15, 1946.

To the Citizens of Milton:

I herewith submit my report of the 19th Co., 26th Inf., M.S.G., for the year ending December 31, 1945.

Drill

The Company meets at the Cunningham Gymnasium every Wednesday from 8 P.M. to 10 P.M. The drill period consists of Infantry Drill, Guard Duty, Extended Order, Special Formations, Riot Formations and Lectures on Military Duties. The Company, which excels in work with the bayonet, is composed mostly of men who are expert marksmen, due to the great amount of training that they have received at Camp Curtis Guild in Wakefield, Mass.

Change in Officer Personnel

1st Lieut. William Flaherty was transferred to the 3rd Company and is now stationed at the East Newton Street Armory in Boston. First Sgt. John J. Magner was commissioned 2nd Lieut. in the Massachusetts Organized Militia on May 19th. 1945 and attached to the 19th Co. 26th Infantry.

Change in Equipment

The Federal Government has issued the latest type gas mask and combat helmets to the organization, which is now one of the best equipped units in the State.

Mobilization

The Milton Company has been mobilized several times in the past year for duty in Boston and Milton. It took charge of the Seventh War Loan caravan when it was in Milton for a period of 48 hours. The Company also stood by on V-J Day to be of any possible aid to the people of the Town, also to protect any public buildings from any acts of vandalism.

The Milton Company wishes to take this opportunity to express its sincere appreciation for the co-operation extended it by the Board of Selectmen, Police and Fire Departments, as well as the Committee on Public Safety. We also wish to express our appreciation to Mr. Jesse B. Baxter, who has been instrumental in making many improvements at the Armory for the benefit of the Company.

To the members of the Company I wish to express my utmost appreciation for their unflinching sacrifices of time and effort and their willingness to assist me in every way to fill the duty which I assume as Commanding Officer.

Respectfully submitted,

CAPT. WILLIAM C. GREEN,
Commanding Officer.

Officers:
Lt. John J. Magner

REPORT OF THE LOCAL MILEAGE ADMINISTRATOR

Milton, Mass., January 4, 1946.

To the Honorable Board of Selectmen,

Gentlemen:

This office ceased to exist after last August. Up to that time records were kept of all Town departments and submitted to the State Mileage Administrator, Major Cronin, State House, Boston.

All Town departments cooperated with this office 100% and their work was appreciated as is shown by the following letter, received from the Regional Office of the Office of Price Administration:

> Dear Mr. Maynard:
>
> Now that World War II is over, I would like to take this opportunity to express to you my appreciation for the whole-hearted cooperation you have shown this agency.
>
> The important and valuable contribution to the war effort which you have made is now a matter of history.
>
> Your city has made an enviable record in the conservation of automobiles, gasoline and tires. We are informed that many communities such as your own may carry some of the experience gained into peace-time administration of civic transportation problems.
>
> The job has been well done and this office greatly appreciates the competent cooperation which it has received. Because of it, the rationing program as it pertained to automobiles, gasoline and tires has been conducted with gratifying efficiency.
>
> May we express to you, and to Major Cronin of the State House, our thanks for an outstanding contribution to the war effort.
>
> Very truly yours,
>
> /s/ WILLIAM E. HALE,
>
> Assistant Regional Administrator.

It has been a pleasure to have been of service in this capacity during World War II, and I wish to extend my thanks to all Town departments who cooperated so faithfully and made our efforts a success.

Respectfully submitted,

FORREST J. MAYNARD,

Local Mileage Administrator.

REPORT OF SPECIAL COMMITTEE APPOINTED TO CONSIDER PROVISIONS OF ARTICLE 66 OF THE 1945 ANNUAL TOWN MEETING WARRANT

December 18, 1945.

To the Honorable Board of Selectmen,
Milton, Massachusetts.

Gentlemen:

The Committee appointed under Article #66 of the March 1945 Warrant submits herewith its report.

The problem was one of the recreational needs of the Town and divided itself into two parts,—first a study of the present facilities, their use and adequacy,—and second the need for additional places of recreation.

All the Town buildings, such as schools, libraries and the Town Hall, the Town playgrounds, as well as Parish houses, private clubs and Cunningham Park were visited by various members of the Committee. Also a study was made by the Community Recreation Center,—one of the Red Feather Services,—and a report submitted to your Committee.

A meeting was also held with the Planning Board.

The resulting conclusions were as follows:

(1) Milton's outdoor playgrounds seem adequate for the present population.

(2) The Town buildings, with the exception of the school buildings, are used to capacity.

(3) The school gymnasiums and rooms could be used more provided they were made more readily accessible and proper supervision was available.

(4) The High School gymnasium, lockers, showers, etc., are inadequate for the size of the School.

(5) The High School auditorium has no adequate stage or dressing rooms.

(6) There is a genuine need in the Town for rooms where Boy Scouts, Girl Scouts, Youth Canteen and many other organizations can meet.

(7) Cunningham Park and Gymnasium are blessings to the Town. Their facilities are taxed to the utmost and serve the East Milton area well. Seventy-five percent of their use is made by those living in the East Milton area well. Seventy-five percent of their use is made by those living in the East Milton area.

(8) The summer play activities at both the Town Field and at Andrews Field are well supervised and attended.

(9) An indoor swimming pool would be an expensive luxury and the funds left to the Town "for swimming pool purposes" would provide but a small percentage of the total cost of building same, let alone the subsequent upkeep.

(10) The densely populated Mattapan area is in need of a recreation center such as Cunningham Gymnasium is to East Milton.

(11) An ideal situation would seem to be on the land at the corner of Brook Road and Lincoln Street, adjoining the parking area at the Town Field,—a location that can be conveniently reached by all bus lines. This lot contains approximately 17,300 square feet of land on which a suitable building could be erected.

(12) Such a building, approximately 75 feet by 125 feet, should contain on the upper floor a gymnasium, stage, dressing rooms and a kitchenette,—and on the lower floor six bowling alleys, boiler room, locker room, showers, storage and meeting rooms.

The Committee wishes to emphasize the fact that a building such as has been described would be of little value without proper supervision under a trained recreational director. Such a man should be hired by and be under the direction of the Park Department and it should be his duty to guide all the recreational activities of the Town.

Due primarily to the fact that Cunningham Park is operated by private funds, Milton spends far less than most Towns do on Recreation. No longer can we consider Milton a small Town with plenty of space and no need for places of recreation or recreational guidance. It is roughly figured that a building such as has been described would cost in the neighborhood of $150,000 and that the annual upkeep, including the salary of a full-time director, but excluding maturing debt and insurance, would approximate $7500.

The question as to whether a building of this type would be a fitting World War II Memorial is still an open one. The Committee is strongly in favor of a living memorial and feels that such a building, with the proper plaque placed in the entrance, could well be one of which Milton would be proud. It hesitates, however, to recommend such action until all those who have been in the various services have returned and can have a voice in the matter. First, let the Town's people decide whether or not they wish to build a recreation building,—then let them decide whether or not they wish that building to be a war memorial.

In conclusion, therefore, your Committee recommends that the following two articles be placed in the March 1946 Warrant:

(1) To authorize the Moderator to appoint a committee of five citizens to procure plans for a Recreation Building to be erected on the land located at the corner of Brook Road and Lincoln Street, as described in Article #52 of this warrant,—and to procure estimates for the cost of building same and to submit said plans and estimates to the next Annual Town Meeting or any Special Town Meeting called prior thereto.

And further to see what sum of money the Town will vote to appropriate for the use of said committee.

(2) To see if the Town will authorize the Board of Selectmen in the name and behalf of the Town to purchase or take by eminent domain under General Laws, Chapter 79, for the purposes of a public recreation centre the land in Milton described substantially as follows:

Northeasterly on Brook Road, 75.82 feet
Easterly on the junction of Brook Road and Lincoln Street, 40.46 feet
Southeasterly on Lincoln Street, 170.32 feet
Southwesterly on land now or formerly of Dudley Talbot, Trustee, 96.12 feet
Northwesterly on land now or formerly of Dudley Talbot, Trustee, 159.36 feet
Containing 17,308 square feet.

And to authorize the Board of Park Commissioners of said Town, or such other board or officers as the Town shall determine, to exercise in connection with said land the powers conferred by General Laws, Chapter 45, Section 14, and further to see if the Town will vote to apply for the purpose of acquiring land as aforesaid and paying the purchase price or damages incurred, the funds, or part thereof, received in 1933 from the Commonwealth of Massachusetts as damages on account of taking of 49,000 square feet of land on Brush Hill Road, or otherwise to appropriate money therefor and act on anything relating to the above.

Respectfully submitted,

LINCOLN W. PIERCE, Chairman
DONALD F. CAMERON
ERNEST E. ERICKSON
PHILIP M. HORAN
RICHARD A. WALLACE

REPORT OF THE WARRANT COMMITTEE

March Meeting, 1945

Milton, February 26, 1945.

To the Citizens of Milton:

The Warrant Committee respectfully presents its recommendations upon articles in the Warrant for the annual Town Meeting and a comparison of our recommendations for 1945 with the appropriations voted in 1944.

All budget requests have been carefully considered and all those desiring to appear before the committee were heard.

We have added new charts and an explanation as to their use so that the taxpayer may determine how the Town spends its income. The overhead or operating expenses of the various departments change very little year to year. The 1944 Town Report shows the actual expenditures for the items making up overhead costs during the past year and 1945 budget estimates for these same items are practically the same. In this Foreword we are explaining unusual itmes of expense which may occur in some budgets this year, making the department requests and our recommendations higher than previous years.

It must be apparent to the townspeople that our deliberations and recommendations have continued to be influenced by war conditions presenting unusual problems new to all of us. A manpower shortage exists in both our Fire and Police Departments but the Town has not suffered any hardship because of this for two reasons: first, the fine spirit of cooperation of the men in these departments and secondly, the Town has seen fit in recent years to purchase new equipment for both departments which has made their operations more efficient and effective.

A shortage of manpower has also affected our Highway Department and our Health and Sanitation work. The men in these departments have worked long and arduously to keep up their usual service. Whatever inconvenience the citizens may have experienced has been accepted in good spirit in recognition of the common cause to which all our energies are devoted.

We believe good judgment and foresight have been exercised by the Selectmen, Department Heads and the several Boards, who are responsible for the conduct of Town affairs, in meeting the problems facing them through these unusual times.

In making the following recommendations the Committee has kept in mind that adequate services from the various departments of the Town must be maintained and the taxpayer must be protected in the economical spending of his tax dollar. A factor growing out of war conditions and the continued inflationary trend affecting living costs to all of us, is the subject of Adjusted Compensation. We have again placed this at the head of our list of recommendations.

Adjusted Compensation

For the past two years, the Town has voted to the Town employees pay in addition to their base rates in the form of Temporary Adjusted Compensation. The subject has been dealt with very completely in the Warrant Reports of 1943 and 1944. In both of these reports we published a Cost of Living Index established by the Mass. Division of Necessaries of Life and we publish this chart again, corrected to date. In January, 1944 the cost of living was at 121% as compared with the normal of 100% based on the years 1935-1939. This year in January, the figure stood at 124.2%.

The Highway Department employees have requested a sum of $400.00 each for the year 1945 as Adjusted Compensation. The School Committee has voted

to accept the vote of the Town Meeting and has made no specific request. All other Town employees have asked for a sum of $6.00 per week or approximately $310.00 each for the year 1945.

At our March Meeting in 1944 the Town voted $260.00 per year for each full time employee and a portion thereof for part time employees. We believe the Town is aware of the reasons for considering Adjusted Compensation for all Town employees. The increased cost of living affects all taxpayers as well as Town employees who in many cases are also taxpayers in the Town. While it is true that some individuals have been fortunate enough to have had increases in their income enough to offset the added costs of today's living, it is also true that there are others who are meeting these increased expenses with a stationary income. These too are asked to pay their part of this Adjusted Compensation for Town employees. We have met twice with the heads of all departments and discussed all of these factors and have attempted to place the matter on as fair and equitable a basis to all concerned as is possible under the circumstances. In the last two years the most practical method, while not perfect, has been found to be a flat sum and our recommendation this year is again on that basis.

The Town has 330 full time employees whose total yearly payroll is $660,022.69 or an average of approximately $2,000.00 each per year. There are 19 part time employees with a payroll of $16,362.50 or approximately $860.00 each. We recommend that the Town appropriate as "Adjusted Compensation for the calendar year 1945" a sum of $275.00 per year for each full time employee and elected official of the Town whose principal means of livelihood is derived from the Town. We have also recommended a portion of the Adjusted Compensation for part time employees and have included the sums in the separate department totals. The total amount of $94,050.00 is approximately 14% of our total payroll.

This is a direct addition to the tax levy which is the reason your Committee has placed it as a separate article in the Warrant rather than include all the items in the various departmental budgets. The Committee feels that existing conditions are such that additional compensation should be granted the Town employees and that the financial condition of our Town warrants this adjustment.

Welfare

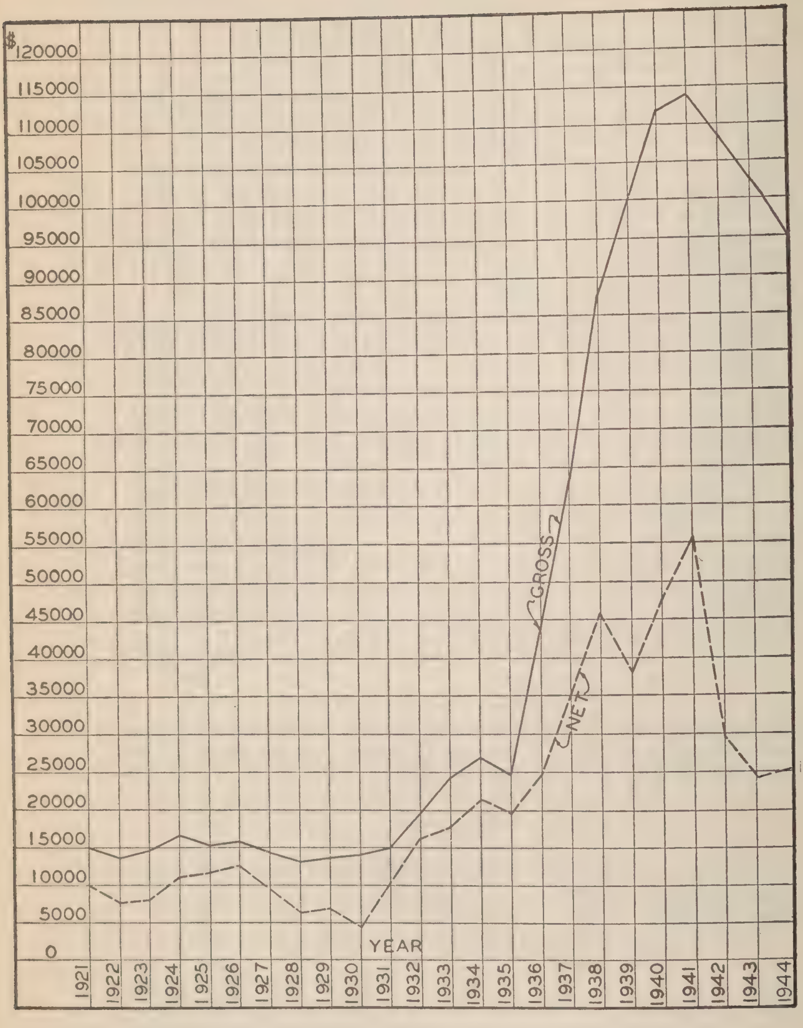
This Department has again had a decrease in the number of people receiving relief from the Town since last year. For the purpose of comparison we show below active cases as of December 31 in each of the last five years:

	1940	1941	1942	1943	1944
General Relief	38	29	16	9	7
Old Age Assistance	188	183	184	159	151
Aid to Dependent Children	22	19	13	9	8
	248	231	213	177	166

The Federal and State Governments continue to bear a large share of the total cost of relief and we include in this report a chart showing the total cost of relief and the net cost to the Town.

General Government

The bonded debt of the Town has continued its favorable downward trend. The total bonded debt of the Town as of January 1, 1945 was $700,000, a net decrease from last year of $82,000. Of this total the Water Department bonds amount to $271,000. These are self-liquidating from the Water Department revenue.



WELFARE COSTS IN MILTON 1921-1943

YEAR	GROSS	NE
1921	$1466351	$93
1922	1350627	7
1923	1432473	79

Net Column is amoun
by Town of Milto
Gross Column is tot
including Federal
State grants.

This year we are retiring $85,000 out of the tax levy leaving the net funded debt excluding Water bonds, at $344,000. The Water Department is retiring $43,000 this year leaving a net balance of all their bonds in the amount of $228,000. This will leave the total bonded debt of the Town at $572,000 subject to the addition of such bonds as the Town may vote to issue this year.

Your Committee is recommending that the Town issue bonds to the extent of $20,000 for Betterment Streets and $19,000 for the purchase of cemetery land. It should be noted that we are retiring high interest bonds and that the new bonds may be issued as low as 1%. Last year we recommended and the Town voted to issue Betterment Street bonds in the amount of $40,000. These were placed at an interest rate of ½ of 1% on a five year term.

There is an item of expense in the budget for the Town Hall and lot covering repairs to the Thacher Building where the Accounting, Engineering and Water Departments have their offices. These repairs are necessary to correct a heat loss which has existed for a long time and makes the building expensive to heat and uncomfortable for those working in the building.

The Thacher Building is a frame building consisting of three ells each of which has three exposed walls and a ceiling height of 14 feet. The Water Department has storm sash on north and west sides which has not helped noticeably because of heat loss through walls and ceiling.

Despite the fact that the Town Hall has 186,918 cubic feet to be heated and the Thacher Building only 104,558 cubic feet, the amount of fuel used in the Thacher Building in the last three full heating seasons was 18% more than was required in the Town Hall and even then the Thacher Building was uncomfortably cold and drafty.

The main entrance has a double door which is out of shape and permits loss of heat. It is beyond repair and should be replaced because of above and as a safety measure.

We recommend that side walls and roof be insulated and new front doors installed to correct the condition which now exists and also to gain as much as possible in fuel saving. The amount involved for this work is $1,800.00.

The Town Hall roof needs repairs and the budget also includes $1,000.00 for this necessary work.

Protection of Persons and Property

The Police Department would, under normal conditions, purchase new cruising or prowl cars, since the ones now in service have speedometer readings in excess of 60,000 miles. It is impossible to secure new cars and every effort is being made to extend the life of the present equipment as long as possible. The same condition exists with the radio equipment which is kept in repair and at the present time is still working satisfactorily. The Town will face the need of replacing both the cars and radio when new equipment becomes available.

The Fire Department requests a new piece of equipment for the Central Fire Station. In last year's report we published a complete study of all equipment and at the March meeting the Town voted to purchase a new pumping unit. This has been delivered to the Atherton Street Station and is an excellent addition to our protective service.

At the Central Fire Station we have a ladder truck which was purchased in 1926 and should be replaced now. The cost of a new unit is $15,000 which is practically the amount we are saving on the Fire Department payroll due to the fact that six men are on leave of absence in the Armed Services. The overall budget for the department is not seemingly affected over previous years but we call to your attention our recommendation that this new unit be purchased. Providing the Town votes to buy this new ladder it should bring our equipment up to such an excellent standard that further additions would be unnecessary for several years to come. With the return of employees now in the Armed forces, to the service of the Town and the availability of required new equipment for all departments, it may be financially less practical to make this purchase at a later date.

Also, we are recommending an alteration to the Central Fire Station which involves the widening of the door openings. The present station was built in the days of horse drawn equipment and the door openings are not wide enough. The widest door is now 9 feet allowing a clearance of about 1½" on either side for the movement of the equipment through the opening. Also we recommend that the control room be enclosed at the same time. The cost of this work is estimated at $2,500.00 and we believe it should be done now.

The Wire Department plans to replace existing 16 conductor lead cable with 30 conductor lead cable from Randolph Avenue at Adams Street to the Police Station on Central Avenue. This cable was installed when the Rapid Transit was put in service in 1928. At the present time the cable is fully utilized leaving no spare wires in the event of a breakdown. The amount required for this work is $1,600.00, and is included in our recommendation of the Wire budget.

The Town has 84 fire alarm boxes and the Fire Department estimates we require 60 more to bring us to a proper level. The Fire and Wire Departments would like to do this work in the next five years and we recommend $1,500.00 be included in this year's budget to install 12 boxes in the following locations:

Blue Hill Avenue and Ferncroft Road
Gulliver and Channing Streets
Wendell Park and Channing Street
Brook Road and Cape Cod Lane
Granite Avenue and Bassett Street
Franklin and Church Streets
Bates Road and Belcher Circle
Washington and Eaton Streets
Emerson and Osborne Streets
Collamore Street, opp. Berlin Avenue
Cedar Terrace Street and Hope Avenue
Denmark and Hope Avenues.

The Forestry Department budget includes $1,600.00 for a new truck. This is to replace a 1934 Chevrolet 1½ ton truck which, besides its other uses, is used to carry the spraying equipment. Because of its constant use it is worn out and should be replaced now.

Health and Sanitation

This is the second year of a two year contract for the collection of garbage, ashes and offal. The amount shown is the full amount for one year based on the contract price.

For the last two years the Water Department has done a minimum amount of new construction work. In many cases regulations due to the war made it impossible to secure some of the necessary materials. The curtailment in new construction has helped to bring about a large reduction in the bonded indebtedness of this department. In order to carry their favorable position in the Post War Era when new building is resumed and presumably new developments may be started, the Water Department is recommending a change in the by-laws under Article No. 26. This will require developers of new areas to pay for the construction of water mains. If the Town accepts this amendment to the by-laws it will require a sum of $5,000.

to start a revolving fund as requested under Article No. 27. This sum, however, can be taken from the Water Department surplus and will not therefore go into the tax levy.

The Sewer Department has been advised by the Boston Office of the War Production Board that, in view of the existing manpower shortage any application made for sewer extensions at this time will not be approved. Your Committee has also talked with the War Production Board who informed us that they are adhering rigidly to this policy and have recently refused applications from several municipalities and are only making an exception in the case of a hospital or similar need. It therefore appears to the Sewer Commissoners that it is unnecessary to ask for any sewer construction funds this year. Should the situation change there is a small balance in the sewer construction account, amounting to approximately $6,000.00, available for them to begin some of the most urgent work. In the meantime the Sewer Department will prepare plans and specifications for post war sewer construction and the amount in the construction budget is largely salaries for this department and will enable them to carry on this work.

Cemeteries

The Cemetery Trustees have made a request that the Town vote to acquire certain lands as shown on a map in this report. The cost of this land is $38,500.00 and $500.00 is needed for other expenses which may be incurred in the acquisition. The Warrant Committee is unanimous that the Town requires more cemetery land and that the Town should spend the money to purchase land.

Land for a cemetery was first purchased by the Town ten years after its incorporation, that is, in 1672,—40 rods for 10 shillings—approximately 100 ft. frontage on what is now Centre Street, and 100 ft. deep—the section of the slate headstones. Construction of tombs in the same area was authorized in the early 1700's.

Since that time there have been eight additions as follows:

1. 1760 Half acre and 6 rods by gift, apparently adjoining and south of the original 40 rods.
2. 1794 One-half acre and 22½ rods from one owner and 17½ rods from another at the rate of 24 pounds the acre.
3. 1837 One and one-quarter acres by gift.
4. 1854 Eighteen acres and 116 rods at a cost of $1,804.00. This acreage extended the cemetery limits south through the low land and over the hills to the present rear boundary.
5. 1858 One acre for the nominal sum of $125.00 giving access to Gunhill Road.
6. 1870 A small strip to straighten boundary line by gift.
7. 1874 Twelve acres by purchase east of the then existing cemetery line and extending from Centre Street to an extension of the rear boundary. Cost apparently not recorded.
8. 1897 Twenty-two acres at a cost of $15,800.00, a strip similar to the purchase of 1874, from Centre Street to the rear boundary.

Hearings concerning the purchase of additional land were held on February 8 and February 15, 1945. A number of citizens appeared in protest at both hearings.

The map printed in the back of this report shows land the Cemetery Trustees want to acquire designated by diagonal lines and by dots; the latter section being the one in which the present owners will retain a life interest. This land was recommended by the Cemetery Special Committee in the Town Report of 1937, and again by the Planning Board in its special report to the Milton Cemetery Trustees dated October 1939. The Planning Board now advise the Warrant Committee that they unanimously recommend this purchase as being in the best interests of the Town at this time.

In recommending this purchase, the Warrant Committee recognizes their responsibility as going beyond the money involved. However, the Warrant Committee is not qualified to select a site for the cemetery and must be guided by the Cemetery Trustees, the Planning Board and the citizens of the Town. Article No. 32 outlining lands selected by the Cemetery Trustees as the most desirable for their purpose, has the unqualified approval of the Planning Board.

The Warrant Committee wants to make it clear that it feels restrictions on the use of the land should be imposed on the Cemetery by the Board of Appeals, to protect the abutters, such as: a screen of evergreens or suitable trees along the border, flat headstones in certain areas, and most important of all, definite restrictions on gates whether to be used as entrances or exits.

The Warrant Committee realizes that the authority to impose these restrictions is in the hands of the Board of Appeals but wants the Town Meeting Members to know that the above factors have been considered and have had an influence in their recommendation.

Schools and Libraries

The School budget is by far the largest of any Town appropriation. Of the total sum requested, namely $399,666.00, 84½% or $338,716.00 is in salaries. The salaries of principals, teachers and janitors are all on a definite schedule with an established basic minimum and maximum rate. Fixed charges in the form of fuel, light and water amount to $22,300.00 or 5½%. $8,500.00 amounting to approximately 2% is estimated for the cost of transportation. This leaves the variables (text books, supplies, repairs, office expenses, etc.) at approximately 8% or a total of $30,150.00. The budget was presented in excellent form and we are recommending the entire amount. The function of the Warrant Committee in relation to the fixed charges representing 92% of the budget, is by law, secondary to that of the School Committee which Board is entrusted by the citizens with the heavy responsibility of the care and operation of the school system.

Article No. 37 is a request from the School Committee for an improvement in the basement. The amount required for this work is $5,600.00 and an examination has been made by a sub-committee of the Warrant Committee including the chairman and we agree these repairs and alterations are necessary.

Article No. 38 proposes a change in the present method of operating the school lunch room. The act referred to reads as follows:

"Chapter 71 of the General Laws; Section 72. The School Committee may prepare and sell lunches at one or more school buildings for the pupils and teachers of the public schools at such prices as it deems reasonable."

The School Committee is not in favor of any change in the present method and it is legally impossible for the Town to place the employees of the lunch room on the Town payroll under the present system. The lunch room is being operated satisfactorily and we do not believe a change is desirable.

The Warrant Committee has enjoyed excellent cooperation with the Library Trustees in the examination of their budget. There are no unusual demands and we recommend the sum as shown.

Highways

The Board of Selectmen received eleven petitions for Betterment Streets this year. Of this group eight have been approved for construction in 1945. The amount required for this work is $32,400. There is available $2,031.10 as a balance in the Betterment Street account which may be used. We recommend that $20,000 in addition to this be bonded and the balance of $10,368.90 be raised in the tax levy.

This year there is an increase in the work to be done under permanent construction. For several years it has been recognized that work must be done on Eliot Street from Central Avenue to Valley Road and the amount required for this work is $31,700. The Warrant Committee, in recommending that this be done over a two year period, has made their recommendation on the basis of the amount of work we feel the department can do this year. We have based our estimate on the actual work completed in 1944 by this department. With the present manpower shortage we believe it will be impossible for the Highway Department to do more than they did last year and on that basis they would be unable to do the entire amount of this construction in 1945 and complete their other duties. We therefore have recommended that work be done to Oak Road a distance of 1760 feet out of a total amount to be done eventually of 2675 feet. The amount required this year will be $19,600. and this is the amount of our recommendation.

The drainage budget covers the correction of a bad watershed problem on Canton Avenue at a point approximately opposite the Sutermeister property at 1631 Canton Avenue. An easement has been granted the Town through the vacant land alongside the Sutermeister home in order to complete this work.

We are recommending the following new equipment in the Highway budget. A new Mack truck costing $8,200.00 to replace a thirteen year old truck which is all worn out. An Air-Compressor to run jack hammers and air drills, etc. at $4,130.00 to replace a machine purchased in 1931 which has been obsolete for the last several years. A new roadside mower costing approximately $950.00. The Department will retain the old piece of equipment to use for other purposes. A belt conveyor for the sand pit to cost $810.00. Your Committee considers this item important from a labor saving standpoint.

Reserve Fund

We recommend that the Town appropriate a Reserve Fund of $22,000.00 of which $18,710.25 be transferred from the Overlay Reserve and the balance of $3,289.75 be raised in the tax levy. With the possible return of Town employees, now in the Armed Forces, to full employment, there would be heavy demand upon the Reserve Fund. The following transfers were made from the 1944 Reserve Fund:

Library—Adjusted Compensation	$ 50.00
Assessors	1,486.80
Aid Dependent Children Administration	300.00
Board of Appeals	200.00
Town Hall and Lot	125.00
Selectmen	185.75
State Census, Chapter 25, Acts of 1934	510.00
Laborers' Pensions	669.61
Treasurer	50.00
Contributory Retirement System	43.72
Schools—New Equipment	375.00
Collector—Adjusted Compensation	138.91
Memorial Day	6.74
Police—Private Work	250.00
Soldiers' Relief	400.00
Committee on Enlargement of Cemetery	50.00
Highway—General	1,000.00
Fire	567.75
Total Transfers	$ 6,409.28
Transferred to Overlay Reserve	15,590.72
	$22,000.00

Miscellaneous

Article No. 53 is to clear our accounts on a balance of $895.35 for the work done on Granite Avenue. The Town acted as Contractor under the State on this job and the cost went over the contract price. The State refused to pay this item when billed. We recommend that it be taken off our books.

Articles Nos. 58, 59 and 60 relate to the Walter Baker Company request for permission to erect a five story building opposite the Webb Mill. The request for Article No. 59 has been withdrawn and the Hearing on the other two articles by the Planning Board was held on February 19, 1945. The Planning Board unanimously recommend that Article No. 60 be the one approved by the Town. However, both articles should be explained in complete detail to the Town Meeting members. It is a matter of importance to the Town and the utmost consideration and the best possible judgment should be exercised. The recommendation of your Committee was based on the explanation and recommendation of the Planning Board.

Article No. 61 is a change in the voting laws to afford opportunity for more voters to reach the polls.

Article No. 64. The Warrant Committee is recommending that this article shall not be approved. The present manpower shortage makes it unwise to consider a change at this time.

Tax Rate

The Warrant Committee is required in the general by-laws Chapter 3, Section 4B to include in its report of recommendations for the annual Town Meeting an estimate of the tax rate for the ensuing year if its recommendations are adopted. This year, as last year, the Warrant Committee has enjoyed excellent cooperation from the Board of Assessors in setting up the necessary figures.

Normally the State Tax Commissioner's Office furnishes income estimates of State controlled funds accruing to the Town. The estimates for 1945 are not available at this time. These figures will be furnished to the assessors about March 15 and, by law, are the ones which must be used in fixing the tax rate. We have been advised by the Tax Commissioner's office that the new estimates may be increased over last year's since our actual receipts in 1944 were approximately $41,000 more than the Commissioner's 1944 estimates. In order to be conservative, your Committee and the Board of Assessors, in estimating the 1945 tax rate at this time, have used the low 1944 estimates as our possible income in 1945 from State Controlled sources.

As of January 1, 1945, our Excess and Deficiency account stood at $257,000 and we are recommending that the Assessors be authorized to use the sum of $98,000 in fixing the tax rate for the current year. This would leave a balance of $159,000. We have been encouraged to believe that our actual income will at least equal last year's and it is apparent therefore that $40,000 in excess of our estimates should accrue to our Excess and Deficiency account in 1945, from this source alone. We therefore feel that the balance left in this account is suffiicient.

If the Town Meeting does not appropriate more than we recommend and if it makes the transfers and issues the bonds that we recommend we estimate the tax rate can be maintained at the present favorable rate, namely $25.00. If all departmental requests were granted in full we estimate the 1945 tax rate would be $26.30. Because of uncertain information relative to possible changes in our tax relations with the State both as to income and charges against the Town by the State, it would have been almost impossible for the Warrant Committee to have given the Town an accurate estimate without the invaluable help of the Board of Assessors.

Warrant Committee

The Warrant Committee has two principal functions: to administer the reserve fund for extraordinary or unforeseen expenses and to make recommendations on articles in the Warrant at the annual Town Meeting. The bulk of our work lies in investigating the facts upon which to base recommendations to the Town for action at our annual Town Meeting.

Our heaviest duties begin early in December and continue until the end of February. During that time numerous meetings are held with department heads and the various boards in consideration of operating budgets. For several years past the Town has used an excellent budget form submitted by the various department heads to the Warrant Committee. As a matter of record these forms, new to Town Finance Committees at the time they were introduced and used here in Milton, have been copied by many Towns in the Commonwealth. These budgets have been a great help since this phase of the Committee's work is carried on under considerable pressure of time. The smallest item of expense is investigated and comparisons are made with previous years for such items as telephone, postage, printing, advertising, fuel, light, stationery supplies, etc.

This year we are requesting that the Town vote for the use of the Warrant Committee, the sum of $1,500.00. The Chairman of the Warrant Committee urges that a paid assistant be hired by the succeeding committee to relieve the secretary and the chairman from a great amount of detail work.

The Chairman wishes to extend his personal sincere thanks to each member of the Committee and to the Secretary for their cooperation and interest in the task which we have just completed.

For the Committee, we wish to express our thanks and appreciation to the Department heads and their personnel who have helped us in our endeavors.

REPORT OF WARRANT COMMITTEE

On the preceding two pages are figures and charts relative to the tax dollar showing its source and distribution in the form of service to the taxpayer. These amounts DO NOT include Water Department figures since this department is self-supporting and does not affect your tax dollar. The figures correspond to the division of accounts as used in the financial section of our annual Town report. The circles were drawn, and the figures compiled, for a very practical purpose. A taxpayer can detemine exactly what he paid for various services in the Town by multiplying the amount of his Town tax bill by the percentage shown for each specific item.

For comparative purposes we have compiled figures for five years and also show the 1945 budget recommendations for the same services. We were unable to get a comparison of these costs in other towns which would have made this tabulation even more interesting.

As a practical and simple illustration we are using the actual 1944 costs, an assessed valuation of $8,000.00 and a $25.00 tax rate, making a tax payment of $200.00 and have compiled below figures showing the amount each service in the Town costs such a taxpayer.

$8,000.00 Valuation **$25.00 Tax Rate**

$200.00 Tax bill

Costs of Town services to the taxpayer for the year 1944

General Government	$ 9.04
Police	10.53
Fire	9.60
Hydrant Rental	3.46
Bal. Protection Persons & Property	4.42
Health	2.89
Sewerage	7.06
Collection of Ashes & Garbage	3.70
Highway	11.89
Street Construction (Betterment)	7.04

DEPARTMENT REPORTS

REPORT OF SELECTMEN

Milton, Mass., January 24, 1946.

To the Citizens of Milton:

The Selectmen submit the following report for the year ended December 31, 1945.

On March 3rd the following were elected Selectmen: Daniel E. Duggan, Josiah Babcock and Charles F. Batchelder, Jr., and on March 8th the Board organized with Daniel E. Duggan, Chairman, and Charles F. Batchelder, Jr., Secretary.

The usual problems of Town Government have recurred with their apparently infinite variety, and in increasing volume following the ending of the war. We have tried to handle these problems to the best interest of the Town, and have held a number of public hearings and many conferences with groups of citizens or individuals for the widest possible expression of public sentiment.

Although their work was not, strictly speaking, under Town Government, we want to call attention to the outstanding performance of the Milton-Randolph Selective Service Board and the Milton Rationing Board, and to express on behalf of the Town the cordial appreciation of all our citizens for the efforts of the members of both these boards and of those who assisted them. The record of each of these Boards was outstanding, and will long be remembered by those who came in contact with them.

The transfer of the remaining rationing work to the Quincy office freed the so-called banquet room in the basement of the Town Hall for meetings of organizations of the Town's people. For years this room has been the only one under our jurisdiction readily available for groups not wanting to use the main hall. On January 17, 1946 the Milton Chapter of the American Red Cross was granted the use of this banquet hall to serve as their headquarters until the completion of the new Milton Hospital building provides permanent headquarters for the Chapter. We again call to the attention of the citizens of the Town the lack of space in the Town Hall and the inadequacy of the Thacher Building. We feel that this problem of space for group meetings should be considered in connection with the plan for the construction of a recreational building.

We have asked in the year's budget funds to permit the removal of the porte-cochere on the west side of the Town Hall, and the widening of the driveway on this side of the building. This driveway is only wide enough for one car. It has to be used by the fire engines going to the westerly part of the Town, and the hidden entrance to the building is a man-trap for anyone leaving the building.

Petitions were received for the acceptance and construction during 1946 under the Betterment Act of parts or the whole of the following private ways: Bailey Avenue, Berlin Avenue, Dean Road, Gulliver Street, Houghton Road, Magnolia Road, Pillon Road, Reservation Road, Waldeck Road, and Fuller's Lane. The total length petitioned for was almost a mile and a quarter, and the estimated construction cost practically $100,000. During 1945 the Highway Department completed those betterment streets which had not been finished in 1944, and except for a little loaming and seeding completed the substantial program for 1945 construction. Because of the lack of manpower due to the war, the department was only able to make a small beginning on the reconstruction of Eliot Street between Central Avenue and Oak Road. This job should be done this year without question. The regular public hearings were held on the above petitions, and after careful study the Selectmen voted not to recommend for this year's program one street where the Sewer Department is not yet able to install sewers, and several other streets where there was substantial objection by part of the abuttors. The following ways, totaling over half a mile in length and estimated to cost not over $55,300, were recommended: Bailey Avenue, Berlin Avenue, Gulliver Street, Pillon Road, Reservation Road and Waldeck Road.

The Board also received petitions pertaining to the property of the Diamond Match Company which suffered such a severe fire last summer. The substance of these petitions was also expressed in person by those who spoke at the hearings held by the Board of Appeals on the question of rebuilding this property.

The Town Service Flags were revised before the ceremonies on Memorial Day and Armistice Day, and at the time of writing this report a total of 2,800 citizens were recorded as having entered the service, of whom 76 had given their lives. To them all we humbly pay our tribute. We are glad to report that the great majority of those who left the Town's employ to enter the service have now returned. A public welcome to all returned veterans is planned for this coming Fall.

The Milton Advisory Committee for Veterans, which was organized in response to the request of the Governor and which was authorized by the 1945 March Meeting, has been kept on an inactive basis because it has so worked out that the aims of this committee could be better handled directly by the Draft Board. The Board of Selectmen has taken over at its office and without expense to the veteran, the permanent recording of his discharge with full details. This service makes it possible in the future for a veteran whose discharge paper might be lost or destroyed to get a certified copy to replace the original.

On this occasion the Selectmen wish to thank all the other Town Boards, Department Heads and Employees for their fine cooperation.

Respectfully submitted,

DANIEL E. DUGGAN,
JOSIAH BABCOCK,
CHARLES F. BATCHELDER, JR.
Selectmen of Milton.

REPORT OF LEGISLATIVE COUNSEL

January 1, 1946.

To the Board of Selectmen,
Milton, Massachusetts

In the session of the legislature of 1945, I have in accordance with your instructions received from time to time, attended twenty-eight hearings before legislative committees on bills affecting the Town of Milton.

The practice of the Legislative Committee has been to go over bills that appeared to affect in any way the interests of the Town. It is often the case that committees of the legislature give very short notice on hearings, so that it has not in every case been possible to get our committee together but in connection with most of the bills one or more members of the committee beside myself have been able to be present to consider the advisability of action. Recommendations of our committee have been transmitted to your Board and I have obtained instructions from your Board on bills which were considered of sufficient importance to require my attendance at the hearing.

Respectfully submitted,

LINCOLN BRYANT,
Legislative Counsel.

REPORT OF THE TOWN COUNSEL

Milton, January 1, 1946.

To the Board of Selectmen:

Gentlemen:

I herewith submit my report for the fiscal year 1945.

My annual retainer, or salary, of $2,000 covers all legal matters, except cases in court and proceedings and hearings before boards or commissions similar to court cases. It includes opinions upon request of all Town boards, examination and reports to the Board of Selectmen of claims made against the Town from time to time in connection with alleged defects in ways or for other reasons, adjustment of claims for damages on account of takings where no suits have been brought, collection of claims by the Town against persons or corporations, drafting layouts and takings for streets, sewers, and drainage and other projects, contracts and other instruments necessary in connection with various Town activities, by-laws, articles, and votes for the Town Warrant, and licenses, permits, etc.

Tax Foreclosure Proceedings

Seventeen cases have been disposed of.

Decrees of foreclosure were obtained in eleven cases.

Two cases were dismissed, taxes having been paid. In one of these cases $1133.87 was collected from the defendants.

Three cases were withdrawn on account of defects in the records.

Litigation

One case against the Town in the Superior Court Norfolk County, brought on account of an accident occasioned in connection with the operation of a town truck, was settled by payment of $75.00.

Hollingsworth case: By a deed dated January 1, 1896 Amor L. Hollingsworth and his wife, Marion Davis Hollingsworth, deeded to the Town a parcel of land containing five and 85/100ths acres, bounding on Brush Hill Road and on the Neponset River at Mattapan, "to be laid out, improved and used as and for a public park and playground".

On November 10, 1931 the Commonwealth made a taking for the purpose of a state highway of a portion of this land. The taking covered a part of the land bounding on Brush Hill Road and was the most valuable part of the tract. Damages were paid by the Commonwealth in the sum of $14,760. There was a considerable doubt as to whether on account of the language of the Hollingsworth deed a trust was imposed on the money received from the Commonwealth. A petition for instructions was brought in the Supreme Judicial Court.

In 1939, under vote of the Town, $4,352. was expended in obtaining the public playground on Belcher Circle, it being considered at the time that, even if there were a trust relation in connection with this property, the expenditure for a purpose similar to the purpose expressed in the Hollingsworth deed would be legitimate.

The court decided on the above petition for instructions that no part of the fund was impressed with a trust. In other words, the Town may expend the money for its purpose as it determines. The amount now remaining available for appropriation by the Town is $10,408.

Three appeals were taken before the Appellate Tax Board from assessments. One of these was disposed of by settlement, two remaining.

A petition was brought in the Superior Court to enforce a decree previously obtained relative to the occupation of a house at East Milton in violation of the Zoning Bylaws. The petition was successful.

Notices were sent to owners on Quarry Lane requiring the abatement of fire risk caused by deposit of rubbish. The owners promised to abate the nuisance and have done something toward that end but more remains to be done. A bill in equity was brought to assist in enforcing the obligations of the owners.

Orders were issued by the Board of Health and numerous notices sent out to require owners in the vicinity of Prince Street, Blue Hill Avenue, Dexter Street, and other streets in that locality to connect houses on the premises with the sewer. Eighteen connections have been made; more remain to be done. The difficulty in the situation is that there are only one or two drain layers capable of doing this kind of work and such as there are find it hard to get the necessary labor.

Claims

Seven claims, including the claim above referred to, have been paid by the Town to an aggregate amount of $614.70.

Several claims have been collected for the Town on account of damage to hydrants, poles, and police-box.

The cooperation of the departments of the Town in legal matters have been prompt and efficient.

I desire to express my appreciation for the continued consideration shown me by the Board during the year.

Respectfully submitted,

LINCOLN BRYANT,

Town Counsel.

REPORT OF BOARD OF APPEALS

Milton, Mass., January 10, 1946.

To the Citizens of the Town of Milton:

The Board of Appeals presents the following report for the year 1945.

Mr. John M. Curley, whose term expired in March, was reappointed to serve until the Annual Town Meeting to be held in March, 1948.

During the year we have held fifteen hearings as follows:

Date of Hearing	Name of Applicant	Nature of Appeal	Decision
Feb. 8 and Feb. 15	Town of Milton by the Trustees of the Milton Cemetery	Special Permit to use a lot off Centre Street for a cemetery	Pending
Feb. 12	Albert R. Whittier	Variance to permit creation of a lot 37,750 sq. ft, in area at 241 Adams Street, the maintenance of bldgs. thereon and the sale of said lot and bldgs.	Granted
May 31	Daniel & Katherine M. Collins	Special Permit to add to an existing single car garage at 11 Hope Avenue	Granted
May 31	Lena A. Ward	Special Permit to erect a two-family dwelling at 77 Blue Hill Avenue	Pending
June 6	Mary Z. Wixted and Francis J. Wixted, M. D.	Special Permit for medical office at 630 Adams Street	Granted
June 6	John J. Murphy and Margaret M. Murphy	Variance to permit erection of one car garage at 581/583 Eliot Street within six feet of side lot line and seven feet of rear lot line	Granted
June 25	Primo and Cleofe Isidori	Variance to permit erection of a one car garage at 250 Thacher Street within six feet of a side lot line	Granted
July 23	Louise Bolton Draper	Variance to permit erection of a two car garage at 5 Bunton Street within 21 ft. 6 in. of the front line	Granted
Sept. 24	W. Cameron Forbes, William H. Forbes and David C. Forbes, Trustees	Variance to permit the division of an existing lot at 162-172 Adams Street into two lots so that existing house 162 may be sold.	Granted
Nov. 5	Charles C. Copeland Co. Inc.	Special Permit to add to and enlarge existing building at 1139 Randolph Avenue	Granted

Nov. 5	Francis R. Belliveau and Louise V. Belliveau	Special Permit to erect a one story barn at 1244 Randolph Avenue to be used as a Riding Stable	Granted
Nov. 13 and Nov. 20	The Diamond Match Company	Permit to replace buildings destroyed by fire on Lot 5 on Curtis Road.	Granted
Nov. 13	Alfhild Pasquantonio	Variance to permit the erection of a one car garage at 42 Orchard Road within five feet, one and five-eighths inches of a side lot line.	Granted
Nov. 26	Herbert F. West	Relief on Adjacent Lots on Thacher Street.	Granted
Dec. 10	Mrs. Mary E. Conway, Miss Mary E. Conway and Christopher C. Conway, M. D.	Variance to permit addition to existing office on rear of house at 3 St. Mary's Road within ten feet of rear lot line and Special Permit to use existing office and addition as a medical office.	Pending

Respectfully submitted,

EDWARD C. JOHNSON 2d, Chairman,
JOHN M. CURLEY,
GEORGE F. SHEPARD,

Board of Appeals, Town of Milton.

REPORT OF ENGINEERING DEPARTMENT

Milton, Mass., January 10, 1946.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my annual report of the Engineering Department for the year ending December 31, 1945, in accordance with the By-Laws of the Town.

There is not a department in the Town which does not come to the Engineer's office for information and aid at some time during the year. The larger and more active departments are constantly seeking our assistance for surveys, land lines, grades, and various types of maps. All of these requests have been cheerfully filled as far as possible.

The Milton Planning Board has been particularly busy this year. We have allowed the use of this office for Board meetings, and your Town Engineer, who is a member ex officio, has attended the meetings. We have also furnished space and allowed access to our plan files for the Planning Board's draftsman, who has used our office almost constantly since a year ago December.

Surveys and plans for post-war work in connection with Pine Tree Brook from Brookside Park to Brook Road have been prepared. The survey extends all the way to Canton Avenue near Blue Hills Parkway. If this work is done at some future time, Turner's Pond will be eliminated and the brook bed lowered three to four feet its entire length, disposing of any possibility of flooding and doing away with the wet cellars of the residents in the Thacher Plain area. All lands now swampy will be available for building and the pond of the Metropolitan Ice Company, together with the mosquito nuisance which it creates, will be removed.

Further topography has been taken in the field this year and there are now many notebooks of field notes ready to be plotted on the topographical map of the Town, which is drawn to the scale of 200 feet to 1 inch.

All permits for street openings are issued from this office. We have this year issued 136 permits. After street openings have been made, this department measures them and submits bills for collection. We are the only department at which maps of the Town may be obtained. To town departments they are supplied without charge, while private individuals are charged five cents per map. We have turned in $5.70 for maps sold during the year.

This department keeps a diary of its activities. The following table shows the diversity of our work:

1945 Street Betterments	25.35%
1946 Street Betterments	10.81
Milton Cemetery	19.55
Topography	8.23
Pine Tree Brook	6.27
General Departmental Work	8.64
Drainage Work	5.57
Assessors Department	5.18
Building Department	1.83
General Highway Work	6.43
Water Department	1.12
Park Department	.58
Police Department	.44
	100.00%

Drainage

The drainage problem is always with us and requires much study and planning during the year. The main drain installed was through land of Miss Margaret

Sutermeister from a brook near Blue Hill Avenue to Canton Avenue, thence via Canton Avenue to the front of Miss Sutermeister's house, a total distance of 1069 feet of 24 inch pipe. Along Canton Avenue catch basins were constructed and connections made to the new drain.

On Valley Road an extension from an existing drain was installed to care for a low area on the road. This eliminates surface water from private lands. Following is a list of drainage installed during the year:

Location	Length	Size	No. Catch Basins	No. Manholes
Easement (Sutermeister)	1069.12	24″	4	3
Canton Avenue	43.20	18″		
Essex Road	251.75	12″	4	2
	143.30	8″		
Crown Street	77.50	8″	2	
Easement (Waldeck Rd.	108.00	10″	2	1
to Holborn St.)	31.60	8″		
Denmark Avenue	135.50	10″	3	1
	21.00	8″		
Greenleaf Road	34.80	8″	1	
Rockwell Place	58.55	8″	2	
Adams Street	90.00	10″	1	
Churchills Lane	28.00	8″	1	
Squantum Street	36.13	15″	2	
Easement (from culvert on Fenno's Lane to D.M.H.)	43.60	15″		1
Valley Road	101.50	10″	2	
	36.00	8″		
	2309.55		24	8

Number of Catch Basins in Town January 1, 1945	1483
Number of Catch Basins constructed in 1945	24
	1507
Number of Catch Basins abandoned in 1945	2
	1505

Surveys and plans have been made for a new drain to start from the end of Bradford Road to Pleasant Street, thence via Pleasant Street to a point near Mathaurs Street. This portion of Pleasant Street has never had any underground drainage. All storm waters have been carried off on the surface so that after a severe storm the street water gathers in such volume that the existing catch basins cannot take all the water. The existing drainage system below Bradford Road on Pleasant Street was installed years ago by the Street Railway Company. The pipes are small and inadequate to carry the volume of water required. Thus the existing system is overtaxed and causes back water on all other drains entering the line below Bradford Road, causing flooding of cellars.

The length of the new line of pipe to be installed is 2100 feet, beginning with a 21″ pipe in Bradford Road and reducing in size as it approaches the source on Pleasant Street at Mathaurs Street.

Other drainage estimated on land of the Milton Ice Company on Central Avenue at a point opposite Hinckley Road is planned. The purpose of this drain is to conduct the water now crossing Central Avenue through a culvert to be detoured through a pipe to the present ice pond to do away with the flooding condition that exists on the lands of the Milton Ice Company and others.

Betterment Streets

During the year all betterment streets that had been planned and moneys appropriated for, were built and assessments computed, listed, and turned in to the Selectmen's Office. The following is a list of Betterment Streets constructed during 1945:

Street	From	To	Length	Width
Crown Street	Essex Road	283.95 Northwesterly	293.95	40
Denmark Avenue	Squantum St.	Private Land	663.00	40
Essex Road	Decker St.	367.04 Westerly	367.04	40
Greenleaf Road	Windsor Rd.	Standish Road	288.80	40
Holborn Street	Otis St.	Private Land	274.81	40
Rockwell Place	Rockwell Ave.	Private Land	238.37	40
Victory Avenue	Town Line	Private Land	166.00	40
Wildwood Road	Clifton Rd.	Town Land	409.11	40
			2701.08	

There were nine petitions received for streets proposed to be built under the Betterment Act in 1946. The following is a list of streets proposed for Betterments:

Street	From	To	Length	Width	Estimated Cost	Estimated Cost per front ft.
Bailey Avenue	Pleasant Street	Town Land	579.59	40	$ 8,800.	6.11621
Berlin Avenue	Squantum Street	571′ South	570.71	40	11,000.	6.83614
Dean Road	Pleasant Street	Pine Avenue	499.70	30	9,800.	7.183588
Fullers Lane	Edge Hill Road	841.92′ Southeast	841.92	40	14,300.	6.247639
Gulliver Street	Pine Tree Brook	Channing Street	810.36	40	11,600.	5.1359
Houghton Road	Brook Road	25′ Northerly	251.33	50	4,100.	7.25406
Magnolia Road	Bonad Road	Walnut Street	902.45	40-50	16,300.	7.223786
Pillon Road	Public Portion	Hurlcroft Road	576.47	40	8,300.	5.77309
Waldeck & Reservation Road	Adams Street	Brook Road	1058.18	40	15,600.	6.727256
			6090.71		$99,800.	

These streets were surveyed, plans drawn, abuttors checked, and estimates of cost computed for the public hearing held in the Town Hall on December 27, 1945.

Cemetery Department

Much work has been requested of the Engineering Department for the addition of land to the Milton Cemetery, voted to be purchased in 1945. It took a crew of Engineers several months to produce a land court plan of all of the several parcels of land to be acquired. The Cemetery Trustees requested that the Town Engineer's office produce a proposed future layout of the entire new area with proper connections with the existing cemetery. We were fortunate to have had in our employ a man who has had much experience in this type of design and a plan was produced that was favorably met by the Trustees. As this development will not be attempted as a whole but will be developed as needs arise, one of the initial requirements will be an adequate main drain the entire length of the property. Topography is being taken on the area adjoining the present cemetery so that this work can be started in the spring.

During the fall the last remaining areas in the old cemetery were staked out in lots, which shows how urgent is the need for more land. It has been suggested that the Cemetery Department be given sufficient appropriation to purchase the necessary equipment, so that the areas to be developed may be so done under Cemetery Department supervision. With an increased appropriation, employment could be given returning veterans.

Assessors' Department

The usual amount of work has been carried on for this department. Hundreds of transfer cards from the Registry of Deeds have been checked and changes made on our Town plans so that our records are up to date. The Assessors Department and the Engineering Department have to work in close cooperation. Changes are constantly coming up regarding land lines and areas, descriptions, etc.

Victory Gardens

This Department was again called upon to stake out the Victory Gardens. Sketches were supplied for the allotting of ground to be planted.

Automobiles

This Department has three automobiles purchased long before the war. These machines are now worn out. One is a Chevrolet Coupe purchased in 1930 for Mr. Ernest Choate, then Wire Inspector. This machine has passed its days of usefulness. Another automobile is a Chevrolet Suburban purchased in 1937. This car carries heavy loads and is beginning to fall apart.

The third car which needs to be replaced is a 1938 Nash sedan, used by the Town Engineer. It has run over 60,000 miles and is used much as a taxi, constantly stopping and starting. To continue the use of this vehicle will be costly and impractical. We are, therefore, asking for an appropriation to replace these three machines.

Recommendations

I again recommend the land taking for the widening of Adams Street from Brook Road to the Milton-Quincy line. This should be done before more building permits are issued along this road. Plans have been prepared and are on file in this office to make Adams Street a seventy foot wide thoroughfare between these points. At one place the existing road is less than forty feet wide, causing congestion and creating a dangerous condition. The work can be done at some future time by the State under Chapter 90 so that the actual cost of construction would be one-third of the estimated cost of construction.

I also recommend that an appropriation be made annually for improvement of our gravel sidewalks to hard surface sidewalks. There are now several petitions on file in the Selectmen's office, requesting that this work be done.

There are State surveys started for express highways crossing our Town. There is a proposed State post-war job to build an express highway from the end of the present Veterans of Foreign Wars Highway which now ends at Cummins Highway. This new road will be an extension of the Veterans of Foreign Wars Highway, entering Milton in the vicinity of Beacon Circle, crossing Neponset River Parkway and Hollingsworth land, thence across Brush Hill Road to the end of Blue Hills Parkway, thence through lands of the Town of Milton and James S. Russell and others, crossing Randolph Avenue south of Highland Street, thence through the quarry lands and south of the City of Quincy and connecting at the Hingham Traffic Circle. Another feeder to this highway will start from Hancock Street, Quincy, near the Neponset River draw-bridge, thence via the Old Granite Railway to East Milton, making a separation of the grade crossing in East Milton Square and connecting with the new highway in Quincy. This proposed State Highway work all ties in with the recommended widening of Adams Street from Brook Road to the Milton-Quincy line. These roads and changes are approved by the Milton Planning Board. Your Town Engineer together with the Planning Boards of Milton and Quincy attended hearings in the Massachusetts Department of Public Works at 100 Nashua Street, Boston. These new highways are proposed to reduce travel time to the beaches and Cape Cod. They will also relieve the congestion of the traffic through Milton and Quincy and will do much for the safety and comfort of those going in this direction.

Appreciation

In concluding this report, I want to thank the Board of Selectmen for their kindness and consideration. During war years there were many problems to be solved and with their cooperation and understanding the Town business at the end of 1945 is well done.

I wish to express my thanks and appreciation to the employees of the Engineering Department for their help and cooperation. Several men went into the armed service of the country, which left the office shorthanded at the time. We have been fortunate in securing adequate help and none of the Town work has had to be neglected.

Respectfully submitted,

FORREST J. MAYNARD,
Town Engineer.

REPORT OF ASSESSORS OF TAXES

Dec. 31, 1945.

To the Citizens of the Town of Milton:

The Assessors herewith submit their report for the year 1945. At the annual election of the town officers for 1945 Mr. Robert Bowie was elected for a two year term, and Mr. George S. Murray was elected for a three year term. On March 7th the Board organized as follows: Robet Bowie, Chairman; William C. Hoxie, Secretary. Miss Bertha M. Johnson was appointed Clerk to the Board, and Mrs. Alice L. Stephens and Miss Ruth A. Dodd were appointed Assistant Clerks.

The total number of tax bills committed to the Collector during the year was as follows: 6222 Real Estate; 533 Personal Property; 6918 Poll; and 6301 Motor Vehicle Excise.

The following are the figures used by the Assessors in determining the tax rate for the year 1945:

1945 EXPENSES

REPORT OF THE TRUSTEES OF THE CEMETERY

Milton, Mass., January 9, 1946.

Citizens of the Town of Milton:

The Trustees of the Milton Cemetery submit the following report for the year 1946:

Our work has been confined to the 60 acres of cemetery property as it existed on January 1, 1945. The title to the new land, about 39 acres, purchased by the Town during 1945 was not finally acquired until about September 1st. No work on this land could be done to convert it into cemetery property due to the lack of available funds and the lateness of the season.

Perpetual care was placed on 79 lots and 19 single graves. A special bequest was received for perpetual care of one lot; and part payments toward perpetual care of 18 lots were accepted. The total receipts for the perpetual care were $13,755.00.

We continued our policy of filling in gravel paths and of rebuilding gravel roads with permanent material. Approximately 1,300 square yards of permanent road were built on Centennial Avenue where frequent washouts had previously required constant repair.

51 lots and 25 single graves were assigned to residents. The burials during the year numbered 217.

The total expenditures for the year were $31,554.09, but as the interest on the perpetual care funds and other cash receipts totalled $27,355.08, the net cost to the Town was $4,199.01.

The Trustees face the immediate necessity of developing the 39 acres of new land as well as maintaining the older part of the Cemetery. To do this, the Trustees estimate that they will require a much larger appropriation for 1946 than in 1945.

We have a waiting list of some 70 residents who wish lots, but we are unable to supply them and at the same time keep enough lots ahead to meet requirements for immediate burials. Over the last 26 years we have granted 1,358 lots but during this period we have been able to put in condition only 1,395 lots.

We have been working on a plan to develop the new 39 acres. This involves surveying, building roads, cutting out trees and brush, grading and planting grass.

Our plan for this work involves the purchase of new equipment and the hiring of additional men. The present personnel is hardly sufficient to care for the older part of the Cemetery.

Your Trustees believe it will take a good deal of time to get the new land in shape. It is not their intention to try to do all the work at once, but to develop from year to year enough lots for pressing needs with a reasonable margin.

We have discussed whether the work should be done by the Cemetery employees working with labor saving equipment, or whether it should be done by contractors. We believe that it can be done more efficiently and less expensively if the Town will grant us the men and machinery necessary, rather than to have the work done by contractors.

During the past 25 years the number of permanent employees in the Cemetery has not been materially increased. We have, however, from time to time had temporary additional help. But, temporary help is not so efficient as permanent help. During this period, the number of lots in the Cemetery has increased some 1,395. This means that we have now 16 acres of land which had not been laid out in lots 25 years ago which involve the care of lawns, trees, and roads. And, with the new land and the gradually increasing number of burials each year, it is impossible that the Cemetery continue without an increase in its personnel. However, there are offsets to the additional expense of more employees and more machinery. The constant additions to the perpetual care fund and other revenues from the growth in the use of the Cemetery go a long way towards providing for the annual maintenance. The net cost of your Cemetery operations, therefore, would be relatively low even though the Town grants a substantial increase in the appropriation.

In the death of our Chairman, Percy E. Sheldon, on December 4th, the Town lost a devoted and efficient officer, and the Trustees a congenial and warmhearted friend. His father had served on the Board of Trustees before him. Shortly after his father's death in 1915, Mr. Sheldon became a member of the Board and from 1918 on, he had served as our Chairman.

At a meeting of the Selectmen and the Trustees on the 20th of December, John E. Sheldon, our Chairman's son, was elected to fill the vacancy until the next annual Town Meeting.

Respectfully submitted,

REGINALD L. ROBBINS, Chairman,
ALEXANDER H. LADD, JR., Secretary,
G. NEWELL HURD,
W. P. WOLCOTT,
JOHN E. SHELDON,
ALBERT G. MARTIN, Supt.

REPORT OF THE FIRE DEPARTMENT

Milton, Massachusetts, January 2, 1946.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report of the Fire Department for the year ending December 31, 1945.

Alarms

There were 501 alarms received during the year: 147 Bell alarms, two of them being General Alarm fires, and 354 Still alarms.

Alarms Each Month

January	38	May	21	September	21
February	27	June	35	October	56
March	81	July	17	November	30
April	83	August	39	December	53

Mutual Aid

Milton to Boston	0	Boston to Milton	7
Milton to Quincy	18	Quincy to Milton	9

Other Calls

Persons locked out of homes; release children from upper rooms; flushed streets as a result of accidents; leaking oil tanks and refrigerators; vehicle accidents; boat used to drag river for drowning victims; gas leaking; heater explosion; fumes and excess water in basements. Inhalator calls for drowning persons and heart attack victims have been more numerous during the past year than in previous years.

Property at Risk—Loss—Insurance Paid

Value........$772,400.00
Insurance paid........$118,698.27
Estimated loss........$103,015.00

Work Performed

Feet of hose laid (1½ inch)	23,650	Gallons of water:	
Feet of hose laid (2½ inch)	20,700	Booster tanks	29,904
Feet of ladder raised	2,358	Gallons of chemicals	80

Inspections Made and Permits Issued

Oil Burners	83	Underground tanks:	
Range Burners	34	Removed	2
Space Heaters	4	Installed	6
		Oil tank replacement	7
		Oil storage	158
		Others	2
Out of door fires	784	Stores, garages, etc.	571

IN MEMORIAM

Joseph H. Shields

Appointed a permanent fireman at Engine No. 2—April 21, 1921

Died—April 13, 1945

Both Fire Department and the town have lost a loyal and faithful servant.

REPORT OF FIRE DEPARTMENT

Personnel

D. F. Noris was promoted from the call force to a permanent fireman on May 21, 1945 to fill a vacancy.

G. T. Hoadley, H. B. Horne, S. L. Monahan and C. E Park, who have been on leave of absence to serve in the Armed Forces during the past three years, have been reinstated as permanent firemen.

R. O. Tucker, who also was on leave of absence due to Military Service, has been reinstated as a permanent callman.

I would like, at this time, to take the opportunity to thank the Auxiliary firemen for their services and assistance rendered at the mutiple alarm fires. It might be of interest to the citizens of the Town to know that these men have volunteered to respond to all special calls for emergency service whenever needed and I extend to them my appreciation for their valuable services rendered during the past year.

Two members of the department still remain out on leave of absence.

Apparatus

After a year of continuous service and operation, all the fire apparatus is in good condition, with the exception of Ladder No. 1. Delivery of the new ladder truck, replacement of Ladder No. 1, is anticipated for early spring.

Buildings

The alteration work at the Central Fire Station, which included the widening of the three front doorways, the installation of three overhead doors with automatic openers and the building of a control room, approximately 11′ x 7′, was completed most satisfactorily in the early fall. The interior woodwork and ceilings on the main floor at Headquarters has been painted.

Minor repairs have been made on all buildings during the year.

Recommendations

I strongly recommend the appointment of a committee to consider the erection of a new fire station at East Milton to replace the present station which is inadequate to house the equipment which should be located at this station, or is it in a suitable location due to traffic conditions which are constantly obstructing the equipment in responding to alarms. Furthermore, the existing station is not suitable for the housing of the men as the sanitary conditions and the sleeping facilities are inadequate and obsolete.

A further recommendation is the adoption of the 70 Hour, 10 Group, Two Platoon System, in order to eliminate the twenty-four hour continuous tour of duty of the firemen.

I wish to thank your Honorable Board for your advice and assistance, Department heads and employees for their very fine and sincere cooperation during the year. To the officers and men of this department, my sincere thanks for their faithful and loyal services during the year.

Respectfully submitted,

JAMES F. HANNA,
Chief of Department.

REPORT OF THE TREE WARDEN DEPARTMENT

Milton, Massachusetts, January 10, 1946.

To the Citizens of the Town of Milton:

I came to this department as your Tree Warden shortly after Town Meeting in March. Mr. Arthur O. Allen, who had been Superintendent since the death of Mr. Balch, was most cordial in his reception and gave me every aid. Mr. Allen was a fine instructor; his wealth of knowledge after thirty-seven years with this department was very much appreciated. No man could have been more sincere or could have done more for anyone. Mr. Allen had reached the retirement age the year before but carried on in this department as part of his war effort. He stayed on and worked with me until August 1st when he felt I had the control well enough in hand so that he could retire to his home with a free conscience, and enjoy his leisure in his garden. Mr. Allen gave his best to the Town of Milton, and the citizens he served and did business with have only praise for the man himself and his good work.

I found the department very short of help. The men he left behind are all good citizens and showed a great interest in their work. They have co-operated with me in every way. When I arrived here I found the gypsy moth most prevalent, and a great number of old trees were dangerous to the traveling public. Because of the heavy wind storms last Fall many trees had split and needed almost immediate attention, either to be repaired with bolts or to be removed entirely. Mr. Lawrence J. Mahoney has been made General Foreman of both Tree Warden and Moth Department. Mr. Mahoney has been with the Department nine years and has a fine knowledge of tree surgery and spraying work and understands handling men.

Due to the loss of the saw mill by fire it needed several new parts before it could be put in operation. It is now in good shape and does a fine job sawing lumber.

Since the death of Mr. Balch these departments have been curtailed for the lack of funds and manpower to do the needed work.

The office never had a full time clerk. The office now has Miss Ruth Howsberger, a Milton High School graduate, as full time clerk. The accounts and records are up to date. Additional furniture was obtained from the Rationing Board office when it was disbanded.

Planting

Because of the lack of sufficient appropriation, trees could not be purchased this year. Trees have not been planted for the last four years because of the war and lack of funds and labor. There are many streets in Town where trees should be planted. The construction of new streets has continued and all of these streets should be planted with shade trees as soon as possible. The cost of trees from the nursery has more than doubled during the past five years.

Private Work

This account has a balance of forty cents. I request, because outside tree trimming is increasing, the appropriation be increased.

Equipment

The equipment is very old and in poor condition. Much of the spraying machinery is antiquated and should be renewed. A big heavy truck is very much needed, with a crane attached to a winch for raising and loading, for transporting logs, heavy wood and stumps. The present truck is a G.M.C. 1926. It is now equipped with a winch and cable so that all heavy materials have to be rolled aboard over skids. This machine is constantly out of order. It is so old there are no spare parts available to make repairs. The engine is so unreliable that it is dangerous to men and property. Just as soon as this type of equipment is available we plan to ask for a new machine complete with winch and crane.

The new Ford truck, purchased this last Spring, has to do practically all the work and is very much appreciated.

Respectfully submitted,
FORREST J. MAYNARD,
Tree Warden.

REPORT OF THE MOTH DEPARTMENT

Milton, Massachusetts, January 10, 1946.

To the Citizens of the Town of Milton:

The fight against the gypsy moth is a serious struggle. Much of the Blue Hills and the wooded area back of the residence of James S. Russell were badly stripped of all foliage. Many pine trees were stripped. Much painting of nests had been done in the early winter, but this had very little effect because these nests are in stone-walls and under old limbs of trees. It is impossible to find them all.

We were so short of man-power that it was impossible to do much private spraying for Town residents who had for years depended on the Town to do their work. With the one spraying machine, we had all we could do to look after our Town roadside trees. We need new spraying apparatus with larger capacity for liquids and more powerful pumps. It takes much valuable time to be constantly returning to the source of supply and to keep making new batches of poison liquids. We sprayed all we could reach from the roadsides. What spraying we could reach was very noticeable in driving through Harland Street. Wherever the spray came in contact with the foliage the trees seemed to be in good condition; those beyond were badly stripped and looked about as they would in the winter time. I have attended several meetings of Forestry men who were discussing the use of the new insecticide known as D.D.T. The United States Agricultural Department has an experimental station at Greenfield, Massachusetts and their claims for D.D.T. are amazing.

They recommend applying D.D.T. with oil from an airplane, and from their experiments, which covers a period of three years, they claim the oil is so light and broken up that it does not injure the foliage. D.D.T. that had been applied in one area after seventy days had the power of 60% kill. This material used in a 2½% solution is not dangerous to man or beast. Cattle, which have fed on grass recently treated with D.D.T. 2½%, were made ill for a day or two only. No humans have ever been known to be killed with it. It is known to be 100% efficient for the eradication of mosquitoes. The time is not far distant when the whole Town will be sprayed with D.D.T.

Poison ivy grew on many roadsides where children were traveling to and from school. They got poison on their legs and arms from this ivy. We rigged up one of the old spraying machines and used the Dolge weed killer on the poison ivy. We found our efforts very successful. This material not only kills the ivy but all the grass and other vegetation as well. This solution, which comes in drums and is used in a 20 to 1 mixture, is very expensive but the results are most gratifying. Many of these areas must have the second treatment to be 100% effective.

We are asking for a much larger appropriation this year so that we can take on more men and do a much more satisfactory job and give the citizens better service.

The men we hire must not only have to be good laborers but must be fair mechanics to understand the operation of mechanical sprayers.

The men must also be tree climbers and work in the tops of high trees held only by ropes, that they must manipulate themselves. The work is a job for a specialist. The men we hire must co-operate to carry on our work in the most efficient manner.

Respectfully submitted,

FORREST J. MAYNARD,
Superintendent of Moth Department.

REPORT OF THE BOARD OF HEALTH

Milton, Mass., December 31, 1945.

To the Citizens of the Town of Milton:

The number of diseases dangerous to the Public Health reported to the Board of Health for the past seven years has been as follows:

	1945	1944	1943	1942	1941	1940	1939
Anterior Poliomyelitis	5	2	0	0	0	0	0
Chicken Pox	17	97	183	188	98	132	11
Dog Bite	49	50	41	55	38	45	65
Dysentery, Bacillary	0	0	0	0	0	1	0
German Measles	22	17	167	23	9	1	2
Lobar Pneumonia	7	5	8	6	3	11	7
Malaria	1	1	0	0	0	0	0
Measles	84	187	196	303	276	19	154
Meningitis Meningococcal	1	4	3	1	1	0	0
Meningitis, other forms	1	0	0	0	0	0	0
Mumps	240	49	66	276	48	26	27
Salmonella Infections	0	1	0	0	0	2	0
Scarlet Fever	38	27	108	30	23	62	39
Septic Sore Throat	1	0	3	1	2	1	1
Tuberculosis (Pulmonary)	3	2	7	9	5	6	8
Tuberculosis (Hilum)	0	1	0	0	0	0	0
Tuberculosis (all other forms)	0	0	1	2	1	0	1
Typhoid Fever	0	0	0	1	0	0	0
Undulant Fever	0	1	0	0	0	1	0
Whooping Cough	13	16	78	22	38	40	75
Gonorrhea	6	1	4	3	7	5	7
Syphilis	8	6	10	13	14	12	8
	496	467	875	933	563	364	405

The Board organized March 6, 1945. Mr. Hervey W. King was elected Chairman and Mr. C. H. S. Merrill, Secretary. The following appointments were made: Agent, Paul W. Kimball; Inspector of Milk, S. R. Ramsdell; Agent for Issuing Burial Permits, G. F. Kemp; General Contractors, H. C. Snow, J. S. Hannon; Inspector of Slaughtering, Dr. R. H. Sewell.

One establishment for the bottling of non-alcoholic beverages was inspected and licensed.

All milk sold in the Town of Milton is required to be pasteurized whether from tuberculin-tested herds or not, the only exception being certified milk. The report of the Milk Inspector shows that fifty-four licenses were issued for the sale of milk and cream, an increase of seven over last year. Eighteen dealers are licensed to sell oleomargarine, an increase of five over last year. One establishment was licensed to pasteurize milk, a decrease of one from last year, and one to manufacture ice cream.

The average quantity of milk sold daily in Milton is 10,150 quarts. The average amount of milk produced daily in Milton is 3,700 quarts. 352 samples of milk, cream and ice cream were tested for fats, solids and bacteria content.

REPORT OF THE BOARD OF HEALTH

Diphtheria Prevention Clinics were held as usual this year in cooperation with the School Department. A total of 239 treatments were given this year at an average cost of 40 cents each. No cases of diphtheria have been reported in Milton for ten years with the single exception of one case in 1937 which occurred in an adult, uninoculated maid who had been in Milton for two days.

Five cases of Infantile Paralysis were reported in Milton this year which is a considerable increase over the two cases reported last year, and our fortunate record of no cases for the five years previous to that time. While the cases reported in Massachusetts up to December 15, 1945 totaled 530 against 427 for the same period in 1944, conditions at no time assumed epidemic proportions.

No case of rabies in animals was reported throughout the State up to December 15, 1945. In 1944 only one case was reported during the same period.

It appears reasonable to believe that this is due to the widespread inoculation of dogs against rabies which has been carried on for the past several years.

The Board of Health again urges every dog owner to have his dog inoculated once every year.

The Board held a public hearing on February 8th on the application of the Trustees of Milton Cemetery for approval of laying out and maintenance of an extension of the existing Milton Cemetery. Due to a heavy snowstorm the hearing was adjourned for one week. On February 15th, after the adjourned hearing at which no objections were raised on the ground that the proposed cemetery extension would be detrimental to the Public Health, the Board approved the use of the premises described in the Cemetery Trustees petition for purposes of burial.

Attention is called to the report of the Director of the Tubeculosis Clinic which has labored under a heavy handicap due to the nursing staff being shorthanded throughout the year.

Respectfully submitted,

HERVEY W. KING, Chairman
PAUL R. WITHINGTON, M.D.,
C. H. S. MERRILL,
Milton Board of Health.

REPORT OF MILTON TUBERCULOSIS CLINIC

Milton, Massachusetts, December 31, 1945.

To the Milton Board of Health:

Gentlemen:

I have the honor to submit a report of the Tuberculosis Clinic for the past year.

The work of the Clinic has proceeded under considerable handicap in that the Nursing Staff has been shorthanded throughout the twelve months. War service has made itself felt in this way.

Furthermore the high level of employment, long hours and attractive wages have acted as a deterrent to clinic attendance.

Both of these factors are reflected in the following statistics.

	1940	1941	1942	1943	1944	1945
Number of Clinics	11	11	12	12	12	12
Total Clinic Visits	167	154	151	78	115	74
New Patients	23	21	44	20	32	24
Contacts	8	13	18	6	21	15
Suspects	15	7	18	13	11	9
Arrested Cases	0	1	5	1	0	0
X-Ray Examination	26	44	44	18	42	38
Discharged	14	15	39	22	28	27
Nurses Home Visits	313	443	609	400	426	211

All the tuberculin testing was done at the State Clinic.

Respectfully submitted,

CLEAVELAND FLOYD, M.D.

REPORT OF COLLECTOR OF ASHES AND GARBAGE

December 31, 1945.

To the Board of Health:

I herewith submit my report for the year ending Dec. 31, 1945.

There have been collected 33,411 yards of ashes, rubbish and paper, and 319 cords of garbage.

Respectfully submitted,

SAMUEL G. CRAIG, INC.,
Samuel G. Craig,
Treas.

REPORT OF THE INSPECTOR OF SLAUGHTERING

December 31, 1945.

To the Honorable Board of Health:

There were no animals slaughtered during the year 1945.

Respectfully submitted,

ROBERT H. SEWELL, D.V.M.,
Inspector of Slaughtering.

REPORT OF GENERAL CONTRACTORS

Milton, Mass., December 31, 1945.

To the Board of Health:

Gentlemen:

I herewith submit my report for the year ending December 31, 1945.

35 cesspools cleaned
3 grease traps

Respectfully submitted,

ALVAH D. SNOW.

Milton, Mass., January 12, 1946.

To the Board of Health:

Gentlemen:

I report for the year 1945 there were cleaned:

20 grease traps cleaned
115 cesspools cleaned

Respectfully submitted,

JAMES F. HANNON.

REPORT OF INSPECTOR OF MILK

Milton, Mass., January 3, 1946.

To the Board of Health:

Gentlemen:

During the year 1945, licenses were issued as shown by the following tabular form, which also includes those for 1944.

	1944	1945
Milk and Cream:		
Vehicles	26	27
Stores	21	27
Total	47	54
Sale of Oleomargarine	13	18
Pasteurization of Milk	2	1
Manufacture of Ice Cream	1	1

Fees for the above licenses, amounting to $196, have been collected and turned over to the Town Treasurer.

During the past year, 352 samples of milk, cream, and ice cream have been collected and tested for fat, milk solids, and bacterial content.

Respectfully submitted,

SHERMAN R. RAMSDELL,
Milk Inspector.

REPORT OF FENCE VIEWERS

December 24, 1945.

To the Honorable Board of Selectmen:

Gentlemen:

There were no official requests for our services during 1945.

Respectfully submitted,

RICHARD H. SCHMIDT,
JOHN H. MARR,
Fence Viewers.

REPORT OF WIRE DEPARTMENT

Milton, Massachusetts, January 3, 1946.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report of the Wire Department for the year ending December 31, 1945.

Number of inspections made	365
Number of certificates issued	10
Number of incandescent lamps wired	1,572
Number of motors installed	178
Total horse power	287
Number of heaters and ranges installed	16
Total watts	139,500

Permits were issued as follows:

Month	Total No. Permits Granted	Original	Alterations	Fees Received
January	11	1	10	$ 13.00
February	12	2	10	16.00
March	10	—	10	10.00
April	17	—	17	18.00
May	11	—	11	11.00
June	8	—	8	9.00
July	16	—	16	17.00
August	22	1	21	24.00
September	23	1	22	27.00
October	43	5	38	56.00
November	25	5	20	35.00
December	43	—	43	45.00
	241	15	226	$281.00

Fees for the above permits amounting to Two Hundred and Eighty-One Dollars ($281.00) have been collected and paid to Town Treasurer.

Fire and Police Alarm Signals

New Fire Alarm Boxes have been installed at the following locations:

71 Relocated at Granite Avenue and Bassett Street
712 Granite Avenue and Squantum Street
721 Wood and Church Streets
724 Emerson and Osborne Roads

A new single circuit register, replacing the old one, has been installed on the Quincy Fire Alarm Circuit at the Central Fire Station. New Fire Alarm batteries have been installed at the Central Fire Station. The Fire and Police Alarm wires on Granite Avenue and the Fire Alarm wires on Huntington Road, broken and burned during the severe snowstorm in February, have been replaced.

REPORT OF WIRE DEPARTMENT

The underground cable on Eliot and Adams Streets from Central to Randolph Avenues has been replaced. All Police Boxes have been painted during the year. Police Box #24 was repaired after having been struck by an automobile.

Traffic Lights

All traffic light controllers have been overhauled and oiled. As a result of automobile accidents during the year it was necessary to replace three traffic light standards.

Wiring in Buildings

We have done a considerable amount of wiring in town buildings including the relocation of service in the Central Fire Station as well as repairs to the wiring in Engine #2 and #4. Other work includes the rewiring and installation of new lighting fixtures in the Forestry Department Office, new service in boiler room and sand shed of the Highway Department, a three phase service in the Thacher Building and repairs to wiring in the Town Hall.

In accordance with the regulations of Chapter 143 of the General Laws of Massachusetts, as amended, an auxiliary lighting plant will be installed in the Fire Alarm room of the Central Fire Station with feeder wires running to the Town Hall and Thacher Building. In the event of a break in the Edison current, this unit would supply enough light for the buildings and sufficient power for charging the Fire Alarm batteries.

I wish to thank your Honorable Board for your advice and assistance during the year.

Respectfully submitted,

ROBERT E. PARK,

Inspector of Wires.

REPORT OF INSPECTOR OF ANIMALS

December 31, 1945.

To the Honorable Board of Selectmen:

I herewith submit my report for the year ending December 31, 1945.

Dairy cows shipped interstate for addition to herds have been reported.

During the year it was necessary to restrain 57 dogs that had bitten people.

Respectfully submitted,

ROBERT H. SEWELL, D.V.M.,

Inspector of Animals.

REPORT OF BUILDING DEPARTMENT

Milton, Massachusetts, January 3, 1946.

Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the Building Department for the year ending December 31, 1945.

Month	Number of Permits	Permits for New Dwellings	Permits for Garages	All Other	Permits for Alterations	Valuation	Permit Fees
January	15	—	—	—	15	$ 6,300.00	$ 16.00
February	12	—	—	—	12	4,530.00	12.50
March	62	—	1	2	59	13,380.00	62.00
April	63	—	2	1	60	15,880.00	64.00
May	56	—	2	1	53	13,590.00	56.50
June	48	1	3	2	42	19,241.00	53.00
July	65	—	2	4	59	28,567.00	72.00
August	54	4	1	2	47	38,895.00	69.50
September	85	1	1	6	77	24,452.50	90.00
October	69	3	5	2	59	107,240.00	117.50
November	62	7	7	2	46	96,225.00	105.00
December	27	3	5	—	19	56,833.00	52.50
Totals	618	19	29	22	548	$425,133.50	$770.50

On May 1, 1945 Lorenzo E. Young, Inspector of Plumbing, and Bernard F. Murray, Deputy Inspector of Plumbing, were re-appointed for one year.

All violations of the Zoning By-law that have been brought to my attention have been attended to.

I wish to extend to your Honorable Board my sincere appreciation for your cooperation.

Respectfully submitted,

CARL R. HORNE,

Building Inspector.

REPORT OF INSPECTOR OF PLUMBING

Milton, Mass., January 3, 1946.

Carl R. Horne, Inspector
Building Department
Milton, Massachusetts

Dear Sir:

Report of the work of the Department of Inspection of Plumbing for the year ending December 31, 1945 is respectfully submitted:—

Month	Total No. Permits Granted	Original	Alterations	Fees Received	Valuation of Work
January	15	0	15	$ 15.00	$ 2,390.00
February	8	1	7	10.00	1,199.00
March	10	0	10	10.00	1,110.00
April	17	0	17	17.00	3,665.00
May	21	0	21	21.00	2,640.00
June	13	0	13	13.00	2,020.00
July	14	0	14	14.00	2,715.00
August	11	1	10	13.00	1,465.00
September	16	3	13	22.00	3,591.00
October	19	3	16	25.00	5,040.00
November	20	2	18	24.00	6,380.00
December	11	1	10	13.00	2,375.00
Totals	175	11	164	$197.00	$34,590.00

Fees received for permits in the amount of One Hundred and Ninety-Seven Dollars ($197.00) have been paid to the Town Treasurer, whose receipts for which are held by me.

Automobile mileage for 1945 — 888 miles.

Respectfully submitted,

LORENZO E. YOUNG,
Inspector of Plumbing.

REPORT OF SEALER OF WEIGHTS AND MEASURES

Milton, Mass., January 7, 1946.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report of services of Sealer of Weights and Measures.

All moneys received on account of sealing and adjusting fees have been paid to Town Treasurer. This amounts to $89.12.

Number Scales, Weights and Measures sealed	536
Number adjusted	74
Number not sealed	1
Number condemned	8
Number reweighings	928
Number found underweight	307
Number found overweight	621
Hawkers' and Peddlers' licenses inspected	24
Hawkers' and Peddlers' scales inspected	12
Junk dealers' licenses and scales inspected	2
Violations of Hawkers' and Peddlers' law found	7

Goods Underweight and Ordered Repacked

Butter	58 lbs.
Coal in Transit—shortage ordered made up	2 deliveries
Fruits and Nuts	40 lbs.
Cheese	20 pkgs.
Potatoes	20 pkgs.

Respectfully submitted,

FREDERICK L. RIPLEY,

Sealer of Weights and Measures.

REPORT OF THE BOARD OF PARK COMMISSIONERS

Milton, Mass., January 4, 1946.

To the Honorable Board of Selectmen:

The following is our report for the year 1945.

The Brook Road Playground was the center of Park Department activities although baseball and football were at a low ebb due to the absence of so many.

The regular playground activities for the summer season were supervised by Aaron H. Yeaton, assisted by Miss Gunvor Henricksen and Mrs. Muriel Sheppard, Miss Anna Higgins and Mr. Francis X. Walsh. The usual series of inter-playground baseball games took place between different age groups. The tennis courts had a good attendance and a number of tournaments were held.

Under the direction of our superintendent, John L. Kelly, certain construction work was carried out—for example, a large amount of material excavated from streets under construction was obtained from the Highway Department and dumped into the edge of the pond at the Andrews Playground, as we hope to progressively reclaim a good portion of this marshland and also eliminate possible danger. Over 350 barrels of cinders were collected from the Vose, Tucker and High Schools, and these were screened, mixed with clay and used in conditioning the track at the Brook Road Playground. One-half the distance of the track has now been resurfaced to a depth of two inches.

The appropriation we are requesting for 1946 is somewhat larger than heretofore, and this is reflected in the need of additional equipment, such as another power mower, power roller, etc. The Park Department has always functioned under a very low appropriation, and this has been successfully accomplished by the ingenuity of Mr. Kelly and his ability to improvise and make do with a small amount of material and help. We feel this condition should be improved, although we know there will be no lessening of previous methods of efficiency.

It is necessary that a chain link fence should be erected at the earliest opportunity at the Andrews Playground, bounding the properties on Belcher Circle. These good neighbors are being continuously bothered by trespassing of children going to and from the playground, and the matter of a fence was requested and proposed at the beginning of the war.

The department was again undermanned as in past years due to the war, and with one full-time man working under Mr. Kelly it was at times extremely difficult to obtain even part-time additional help. In December we suffered the loss by death of Cornelius Quill, an efficient and faithful employee for about nine years, and his genial good nature will be missed. This season it is planned to have two full-time employees under the direction of the superintendent.

We have felt that the Town should possess a building for recreational purposes as well as a meeting place for the many organizations in the Town, and to this end, we initiated the proposal outlined in Article 66 of the March 1945 Meeting.

This board was represented on the committee selected by the Moderator and a favorable report has been made to the Selectmen.

We wish to thank this committee, the Warant Committee, also Town Departments and your honorable board, for all cooperation received during the past year.

Respectfully submitted,

RICHARD A. WALLACE, Chairman,
HAROLD S. HALLIDAY, Secretary,
JOHN F. KERRIGAN,
Board of Park Commissioners.

REPORT OF POLICE DEPARTMENT

January 10, 1946.

To the Honorable Board of Selectmen:

Gentlemen:

I herewith submit my report for the year ending December 31, 1945.

Arrests

Total	140
Males	135
Females	5
Residents	56
Non-residents	84

Offences

Arson		4
Assault and Battery		5
Breaking and entering and larceny		7
Delinquency		15
Deserter—U.S.N.		1
Drunkenness		50
Failing to furnish heat in dwelling		1
Larceny		6
Larceny of automobile		2
Lewd and lascivious		1
Malicious mischief		1
Motor Vehicle Laws, violating		27
(Operating to endanger	6)	
(Operating under the influence	16)	
Neglect of family		7
Non-payment of wages		1
Receiving stolen property		2
Stubbornness		1
Threats		2
Tramp		1
Using motor vehicle without authority		1
Violation of probation		5

Miscellaneous Work

Automobile accidents reported (132 personal injuries and 2 deaths)	148
Ambulance calls	186
Automobiles found abandoned	17
Automobiles reported stolen	19
Buildings found open and secured	276
Buildings broken into	61
Cases investigated by officers	3021
Defective bridges	5
Defective hydrants and pipes	17
Defective poles	44
Defective sidewalks and streets	37
Defective trees	49
Defective wires	46

Disturbances suppressed	37
Dogs ordered confined on account of biting people	51
Houses reported vacant and special attention requested	543
Lost children restored	44
Milton writs served by other departments	36
Missing persons	27
Officers detailed at request of citizens	314
Writs served for other departments	331

This has been an exceptional year for serious crimes throughout the Commonwealth but our Town has maintained its usual good standing. Several houses were broken into but in most cases the burglars were caught and given long sentences. A great amount of the stolen property has been recovered. Several young men have been arrested for arson and their cases are pending.

There was an increase in automobile accidents. Many were due to negligence by the operators and others to the poor condition of the cars.

January 1st Patrolman George P. Bertram was retired on pension, as he was physically incapacitated for duty. April 12th Jeremiah J. Mahoney was appointed a regular patrolman. Sergeant Thomas F. Doyle returned to duty November 29th after being discharged from the Marine Corps. Three of our patrolmen are still in the service.

I take pleasure in reporting my confidence in the force and extend to the members my sincere thanks. The conduct and discipline has been good and the work performed has been creditable to the department.

Our Auxiliary Police force automatically disbanded with the ending of the war. I could not, however, let them go without thanking them for their kind cooperation and willingness to assist when called upon to do so. They were a great help and a fine body of men.

We are still registering bicycles. Two hundred forty-four were registered this year and $61 turned over to the Town Treasurer. The larceny of bicycles has fallen off considerably since the registration law was put into effect.

I recommend that the officers be given one day off in six. The appointment of one man will be necessary to grant this.

I recommend that the Town supply the men with uniforms. This can be done with very little cost to the Town.

I recommend that three patrolmen be appointed to the department. This would give twenty-four hour service in all parts of the Town and be an excellent investment in the protection of life and property.

Our cruising cars have gone over 100,000 miles and must be replaced. A new car was purchased this year to replace one that was worn out. Two new cars will be needed as soon as they can be obtained.

Our radio equipment is nine years old and is practically worn out. I recommend a new radio set be purchased this year. It would be practically impossible for a police department to function satisfactorily today without up to date radio equipment.

In conclusion, allow me to extend to your Honorable Board my sincere thanks for the many courtesies extended and advice given during the year. I wish to extend my thanks to the Justices of the District Court; the Clerk of Court and his assistants; to the District Attorney and his assistants; and to others who have aided the department in any way.

Respectfully submitted,

JOHN B. SHIELDS,
Chief of Police.

REPORT OF THE MILTON PLANNING BOARD

Milton, Mass., January 10, 1946.

To the Citizens of Milton:

No changes in the membership of the Milton Planning Board occurred during the year.

The Board has completed during the year a traffic flow map of Milton showing graphically among other things the following data:

(1) The amounts of traffic flow over all the more important streets when last this flow was normal before the war.

(2) The predicted amounts in 1948 and in 1968.

(3) The possible traffic capacities of the streets without acquiring more land, and by comparison with (2) the possible present or future points of congestion.

The Board has met with the Massachusetts Department of Public Works in regard to the proposed super-highway to pass through Milton and Quincy to a point beyond Weymouth Landing for traffic to and from the south and southeast. The Department of Public Works is now studying this matter in cooperation with the Town of Milton.

The Board has conferred with the Department of Public Works also as to Route 135 in the Town, and as a result this route has been relocated to diminish the passage of heavy traffic through narrow, crooked, or hilly streets.

The Board feels that a most important project in the Town is the widening of Adams Street from Brook Road to Quincy. Plans have been completed in cooperation with the City of Quincy which is ready to widen that portion of Adams Street running from the Milton line to where Quincy has already widened it. The Board appeared before the Selectmen, and the Selectmen have agreed to prepare an article for the Town Warrant asking for an appropriation for the necessary takings. Attention of the Selectmen was called to the fact that the State has appropriated $2,635,000 for road construction under Chapter 90.

With the approval of the Selectmen the Planning Board has addressed the State Department of Public Works suggesting post-war projects, included in which is an underpass at East Milton.

The Board has completed a land use map showing the location of every house and the actual use of all the land in the Town in relation to the present zoning requirements.

A count was made of the number of lots already occupied in District C and the are a not occupied was estimated to determine how many more lots could be made available for building in this District. A similar count was made in District B. The Board has carefully reviewed the whole Zoning By-Law to be sure that it will regulate the expected more rapid growth in the post-war period for the benefit both of the land owners and developers and of the Town generally. Based on the above study the Board will make certain recommendations to the Town Meeting.

The Board appreciated that many of the large estates in Milton will, soon or eventually, be subdivided, though not necessarily into small lots, and that every effort should be made to allow this process to take place and further taxable residential values to be created with no unnecessary hindrance or expense to the owner and developer, but at the same time in accordance with a consistent general plan and without creating future unnecessary costs of construction, service, and maintenance for the Town. The Board has scrutinized individual cases and conferred with other Town boards with the above purposes in mind.

The Board has conferred and cooperated with the Special Committee appointed at the last meeting for the study of recreational facilities and the advisability of erecting a recreation center as a war memorial.

The Board has again recommended that an official long-range financial planning committee be inaugurated, and that an article be included in the Town Warrant by the Selectmen, which would well serve the best interests of the Town.

The Rules and Regulations of the Planning Board, which is the Board of Survey, have been prepared in revised form and are being printed. These changes were reviewed with the Selectmen who felt they were a step in the right direction.

During the last part of the year the Board has been able to obtain the consulting services of Mr. Roland B. Greeley in some of the most pressing questions of long term planning. This has greatly facilitated the work of the Board by placing the necessary facts before them in shape for complete discussion.

It is hoped that in the coming year sufficient appropriation and personnel will be available to the Board so that the information necessary for the handling of the problems which come before the Board may be presented in sufficiently complete form so that the Board may concentrate its time and energy as it should on matters of policy and procedure and comprehensive planning. There will doubtless be greatly increased demands on the Board along these lines which will come with returning activity in the development of the Town.

Respectfully submitted,

JOSEPH D. LELAND, Chairman,
ALFRED BECK, JR.,
FRANK B. FREDERICK,
HENRY V. HUBBARD,
WILLIAM P. MELLEY.

REPORT OF BOARD OF PUBLIC WELFARE

Milton, Massachusetts, January 5, 1946.

To the Citizens of the Town of Milton:

We hereby submit our report for the year ending December 31, 1945.

Comparison of active cases on December 31st of each year. (This is the actual number receiving assistance on that date and *not* the total number of cases which have been assisted *during* the year.)

	1940	1941	1942	1943	1944	1945
General Relief	38	29	16	9	7	6
Old Age Assistance	188	183	184	159	151	138
Aid to Dependent Children	22	19	13	9	8	6
	248	231	213	177	166	150

Data on Old Age Assistance in 1945:

	Applications	Granted	Denied or Withdrawn	Pending	Closed
Men	7	4	3	0	9
Women	15	12	3	0	20
	22	16	6	0	29

This makes 45 changes with a net decrease of 13 cases.

Reasons for closing were as follows:

13	deaths (4 men and 9 women)
5	moved out of town
8	relatives able to support
1	ineligible a/c property
2	assets
29	

At the close of the year the number of Old Age Assistance cases with Milton settlement being aided in other cities and towns was 17, viz. 4 in 3 towns and 13 in 5 cities. On the other hand, we are aiding in Milton 19 cases with legal settlement elsewhere in Massachusetts and 25 cases with no legal settlement in Massachusetts. The 19 mentioned have legal settlement as follows: 15 in 5 cities and 4 in 4 towns. The legislation relative to billing other cities and towns, mentioned in our report for 1944, failed of passage.

All bills against the state, cities and towns have been paid in full.

The case load in all categories has slowly but steadily decreased, Old Age Assistance from a maximum of 195 in the summer of 1942, and Aid to Dependent Children from a maximum of 23 in 1941.

During 1945 we had 3 new ADC applications, of which 2 were granted and 1 withdrawn. 4 cases were closed, 2 because of return of husbands, 1 because of children's earnings, and 1 by remarriage.

The General Relief load remains low. The end of the war has absorbed all employable to date. Of the few receiving assistance under this category, none is employable.

One of our biggest problems has been the frequent changes in the Old Age Assistance law. The 1945 General Court amended it decidedly, mostly, however, for the benefit of children legally liable for support or partial support of their parents, and effective January 1, 1946. This has made it difficult to foresee at the moment how to estimate the increased cost to the town. State mandatory budgets are in effect. Several years ago our average monthly Old Age Assistance grant was about $27. It is now over $40, with 1946 unpredictable.

Stringent Federal and State requirements about recording all incidents, visits, etc., keep our staff just as busy as it was with higher case loads.

Respectfully submitted,

JOHN TALBOT, Chairman,
THOMAS M. GIBBONS,
EDWARD C. JOHNSON 2d,
EDITH ENDICOTT STEBBINS,
FLORENCE CLOTHIER WISLOCKI, M.D.

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

January 7, 1946.

To the Citizens of Milton:

The Milton Public Library has occupied its present quarters at the Central Library for forty-one and one-half years and has grown during this time from a modest collection of volumes to about 60,000. It has expanded to include the branch libraries in East Milton and Mattapan and the Russell Reading Room on Hillside Street and has developed during 26 years of this time under the able guidance of Miss Carrie S. Allen who has announced her intention to retire after over forty-five years of service to the Town.

Miss Allen's unfailing good will, courtesy, friendly assistance and efficient management will long be remembered and appreciated by the Trustees who received the benefit of her help and cooperation. It is their desire to record in this report their profound thanks to her and best wishes for the future. During her tenure of office, she has lead the Library through a World War and a serious depression with all the attending difficulties and obstacles and has always met these trying circumstances with courage, resourcefulness and vision.

The Milton Public Library almost unique by not having any changes in its loyal staff, suffered during the year from the fuel shortage and the necessity for curtailed operation. This contributed with gasoline rationing to a drop in circulation. The removal of these restrictions, together with the reduction of work in various war agencies, has produced a marked revival and a very much increased burden on the staff particularly noticeable at the Central Library where the circulation has increased by 961 over the previous year. Although the Branches are at present extremely active, losses in circulation for the year were 2379 at East Milton and 946 at Mattapan. The Russell Reading Room ended the year with a gain of 32. The total circulation for the year was 150,347 volumes, a per capita use by the Town of 6.8.

Through the assistance and cooperation of the Girl Scouts and Boy Scouts under the direction of Mrs. Robert S. Edwards, Mrs. Walter Aylward and Mr. Laurence Engdahl, about 100 books have been delivered to shut-ins. This service, very much appreciated, would not have been possible without their help.

A card of welcome and circular letter has been delivered to each discharged service man when he reported to the Draft Board, stating what the Library has to offer in vocational books or pamphlets on veteran's legislation, the G. I. Bill of Rights, educational opportunities and rehabiltation.

Hundreds of pounds of magazines have been collected and distributed to men in the service through the Boston Seamen's Friend Society and the Massachusetts Citizen's Committee, as well as 1254 books to the Victory Book Committee, Russian Relief, the Chelsea and Cushing Hospitals and the American Red Cross. Six chests of children's books have been shipped through the cooperation of the Women's Council for Collecting Books for Children in the Devastated Areas with the help of the Public Schools and Milton Academy, and have gone to Norway, Belgium, England, China, the Philippines and Holland.

REPORT OF TRUSTEES OF MILTON PUBLIC LIBRARY

The Library is glad to extend to the citizens of the Town the use of the Committee and Assembly rooms. During the year those rooms were used 241 times by 29 different organizations.

An important part of the Public Library work is the selection and purchase of reading material, and one that is much handicapped by lack of funds. A total of 2406 books has been bought at a cost of $2,748.71 from Town appropriations, $709.50 from the income of invested Trust Funds and $308.94 from Oakland Hall Fund. The Library has been fortunate in acquiring 250 additional volumes through gifts.

With the advent of peace, a very active year is anticipated and the need of an addition to the Central Library will become more pressing. Costs of books, binding and supplies of all kinds have increased. The Town has been asked to appropriate the sum of $29,453.00 for the coming year. The slight increase is to cover these additional costs, an adjustment in compensation for the staff and for repairs and maintenance postponed during the war.

Respectfully submitted,

CARLETON R. RICHMOND, Chairman,
FRANK E. LANE, Treasurer,
STANLEY CUNNINGHAM, Secretary,
JAMES F. BALLARD,
C. RODGERS BURGIN,

REPORT OF THE SEWER COMMISSIONERS

January 1, 1946.

The Board of Sewer Commissioners makes the following report of operations of the Sewer Department during the year ending December 31, 1945.

General

Population by the Assessors' Census of 1945	21,800
Estimated length of streets of the town (miles)	90.00
Percentage of length provided with sewers	50.82%
Method of disposal	Metropolitan System

Collection Mains

	For Sewage			
	Town-built Sewers	Privately-built Sewers	Total, Town and Private	
Linear Feet:				
Total, Dec. 31, 1944	238,822.6	21,305.7	260,128.3	700 (storm overflow)
Extended, 1945	637.1	....	637.1	
Total, Dec. 31, 1945	239,459.7	21,305.7	260,765.4	
Miles	45.352	4.035	49.387	

Number of manholes	1,396
Number of inverted siphons	3
Number of storm overflows	1
Number of emergency overflows	7
Number of automatic pumping stations	3
Linear feet of force main (8″)	2,236.7
Linear feet of force main (12″)	960.6
Number of gate chambers on force main	1

House Connections

Number made during the year		60
Includes connections laid from sewer to house (completed)	58	
and connections laid from sewer to side line of street only (incomplete)	2	
Number relaid during year		6
Number of stoppages coming to the notice of the department		44

Discharge of Sewers

Estimated population using the sewer system		18,058
Number of buildings connected		4,029
Includes:		
No. of buildings connected as of Dec. 31, 1944	3,971	
No. of buildings connected completely from sewer to house during 1945	56	
No. of buildings connected from end of house connection previously run out to side line of street only	2	
	4,029	

Financial

Total cost of collection mains to December 31, 1945, (including the East Milton sewer and drain through Babcock Park district)	$1,081,125.41
Bonded debt at date (including East Milton sewer and drain bonds)	68,000.00
Average rate of interest on bonds	1.548%

For details of sewer construction and maintenance accounts, reference is made to the Financial Report compiled by the Town Accountant, as shown elsewhere.

The sewer extensions made during the year were as follows:

Street	Size of pipe	Length (feet)	No. of M.H.'s
GRANITE AVENUE (E'ly side) from Emerson Road, Northerly	8″	358.8	3
PLEASANT STREET from McKinnon Avenue, Southerly	8″	123.2	—
VICTORY AVENUE from Milton/Quincy Line to end	8″	155.1	1
Total		637.1	4

Respectfully submitted,

FRED Y. MARSHALL,
JAMES F. CAMPBELL,
S. CUNNINGHAM,
Board of Sewer Commissioners.

REPORT OF HIGHWAY DEPARTMENT

Milton, Massachusetts, January 10, 1946.

To the Honorable Board of Selectmen:

I herewith submit my annual report for the year ending December 31, 1945.

The Highway Department has carried on its regular activities together with many special jobs such as salvage work, collecting waste paper and tin cans periodically, as well as supplying men and trucks for the Clean-Up Week Committee. These interruptions have interfered with our regular work and caused delay in accomplishing the full program as planned in the spring.

There were three Betterment Streets carried over from last year. They were Clifton Road, Ferncroft Road and Pagoda Street and Circle. Because of the two months delay to complete these roads, we were unable to get started on Eliot Street which was listed on our Permanent Construction Account. It was so late in the season when this work could have been started that it was considered advisable not to open this road until it could be carried through to completion.

Because the war with Germany and Japan ended this year, more men have been available and we have filled the places of men who left by returning veterans.

The following listing of accounts shows the amounts appropriated, the amounts expended and the balances:

Account	Appropriations, Transfers and Balances from 1944	Expenditures	Balances
Highway—General Expense:			
Appropriation	$84,080.00		
Transfers	8,300.00		
	$92,380.00	$92,380.00	
Drainage	7,000.00	7,000.00	
Permanent Construction	19,600.00	790.25	$18,809.75
Private Work	1,500.00	1,500.00	
Crown Street	3,900.00	3,900.00	
Denmark Avenue	8,100.00	8,100.00	
Essex Road	4,900.00	4,900.00	
Greenleaf Road	3,500.00	3,001.24	498.76
Holborn Street	3,500.00	3,500.00	
Rockwell Place	2,800.00	1,950.37	849.63
Victory Avenue	1,600.00	1,216.49	383.51
Wildwood Road	4,100.00	4,100.00	
Clifton Road: '44, $9,196.58; '45, $538.42	9,735.00	9,735.00	
Ferncroft Road: '44, $4,794.20; '45, $3,802.95	8,597.15	8,597.15	
Pagoda Street & Circle: '44, $8,456.40; '45, $973.60	9,430.00	9,430.00	
Chapter 90: Appropriation .....$ 900.00			
Temporary Transfer 1,800.00			
	2,700.00	2,700.00	

Adjusted Compensation:				
Appropriation	$11,000.00			
Transfer	964.43			
		11,964.43	11,964.43	
New Equipment		13,443.85	13,431.88	11.97
Granite Avenue Bridge		4,022.00	3,892.13	129.87
G.A.B.—Adjusted Compensation		540.00	518.53	21.47

General Expense

All types of highway work are done out of this account such as road and sidewalk repairs, fence repairs, cleaning and repairing of drains, curbing, grass plots and about every conceivable kind of job required of a Highway Department.

Some of the major repair work was the resurfacing of a section of Hillside Street at a cost of $325.74. Smith Road was repaired where the action of the frost had heaved the roadway. This was cut down, leveled and a covering of asphalt and stone chips applied. $112.72 was spent to do this work. Squantum Street, between Granite Avenue and Antwerp Street, was resurfaced with asphaltic concrete. The old macadam surface on this street was badly broken and out of shape because of the large amount of trucking due to the war. This work was done at a cost of $395.11.

We seal coated with tar, T-5, Harland Street from Hillside Street to the M.D.C. line and the entire length of Governor Stoughton Lane. We also put a tar cover on Decker Street, State Street, Buckingham Road, Glendale Road, Elton Road, Clark Road, McKinnon Avenue and Hope Avenue. Some of these streets were Betterment Streets surfaced with war material which was a tar mix. The surfaces had begun to disintegrate so that a seal coating treatment was necessary. Later in the season we did a portion of Cary Avenue, Hillside Street from Randolph Avenue to the M.D.C. line and the entire length of Reed Street with cutback asphalt and pea gravel used on the last two and cutback asphalt and pea stone on Cary Avenue. These made a very satisfactory cover.

In sidewalk repair we covered with bituminous concrete approximately all the old granolithic walk on Granite Avenue between Squantum Street and East Milton Square. This job cost $535.19. On Edge Hill Road between Westvale Road and Otis Street a resurfacing of the old amiesite walk was done and several driveway aprons repaired. This was necessary because of the dangerous condition of the old surface. There were numerous other small repairs where slabs of concrete had been lifted by tree roots. These were removed and asphaltic concrete was used to replace the cement.

This year we purchased a new roadside tractor mower. This machine did a wonderful job in much less time than was possible with the old mower. All the main thoroughfares were mowed twice so that no ragweed, which is so offensive to many people, grew on the public ways.

There are 1505 catch basins in Town. It is getting to be a major problem to keep them cleaned and in good working condition. Most of the sand used on the streets during the winter months washes into these basins during heavy rain storms. They are also a catch-all for all kinds of rubbish spilled along the roads and all this material must be spooned out and carted off. This job is getting to be so costly that in the not too distant future it will be necessary to purchase a catch basin cleaning machine to take the place of the large crew of men who are doing this work most of the year.

Every year there is a great deal of Hallowe'en damage done, mostly to street signs, and this year the cost of repairs and replacements was $108.91.

The money for snow and ice is included in our General Expense Account and this year there were several severe storms causing an unusually large amount of snow. The Town owns six small and three large trucks with plows and seven or eight more were hired from the outside. There was no time during any of these storms that our Fire Department could not get to any part of the Town and when the storms ceased our roads were open so that the doctor, milkman or provision truck could get to any place in Milton.

Drainage

Most of the Drainage Appropriation is used between January first and April. This year at a cost of $6860.51 we installed a 24-inch concrete pipe through an easement on land owned by Mrs. Sutermeister from a brook near Blue Hill Avenue to Canton Avenue, thence along Canton Avenue for a distance of 328.30 feet to a point opposite Mrs. Sutermeister's driveway and then continuing along Canton Avenue with an 18-inch concrete pipe for a distance of 43.20 feet. At this point we installed two catch basins to arrest the storm water

Another small drain was completed on Hinckley Road to relieve a flooding condition which has existed for several years. We also put in a short extension to an existing drain on Valley Road which improved a low wet area there.

Permanent Construction

The only work done out of this account was to install some radius curbing on Eliot Street at Central Avenue, replace some of the sidewalk and make entry on a curve, taken at the 1945 Town Meeting, by excavating for a stone wall. Before any of the masonry could be done on the wall the cold weather arrived and the work had to be abandoned until spring. The balance of this account will be carried over to 1946.

Street Betterments

All Betterment Streets were completed this year except for the grass seed which will be sown early in the spring on Denmark Avenue, Rockwell Place, and Victory Avenue.

The following list shows the 1945 Betterment Street appropriations and the balances to revert to the Town.

Streets	Appropriations	Expenditures	Balances
Crown Street	$3,900.00	$3,900.00	
Denmark Avenue	8,100.00	8,100.00	
Essex Road	4,900.00	4,900.00	
Greenleaf Road	3,500.00	3,001.24	$498.76
Holborn Street	3,500.00	3,500.00	
Rockwell Place	2,800.00	1,950.37	849.63
Victory Avenue	1,600.00	1,216.49	383.51
Wildwood Road	4,100.00	4,100.00	

Chapter 90

This year the Massachusetts Department of Public Works together with the Norfolk County Commissioners matched the Town Appropriation of $900.00 which gave us $2,700.00 for our road seal coating program.

We covered the entire width of Brook Road from Adams Street to Centre Street with RC-5 cutback asphalt with ½″ stone, using about 30 lbs. per square yard, and the same material was used on Randolph Avenue from Artwill Street to Adams Street. This used all of the Chapter 90 money.

New Equipment

All the new equipment alloted to this department was purchased by the obtaining of Federal priorities and all priorities applied for were granted so that all the new equipment has been delivered.

The new Mack truck, because of its size and power, is very much appreciated by this department.

The belt loader is giving wonderful service. During storms when sand ballast has to be loaded onto all the trucks this machine can load them so quickly they can be on the road in less than 60 minutes.

The new mower is a four wheel tractor equipped with a five foot cutter bar for mowing grass and this cutter bar can be removed and a rotary road sweeper put in its place. This will enable us to clean the streets so much more quickly and efficiently that it is one of our most needed pieces of equipment.

Conclusion

The employees of the Milton Highway Department have been loyal to their work all during the war and at this time I would like to thank them for their cooperation. Our Highway work is so correlated with the other Town departments that it is gratifying to see the very cooperative spirit that exists between the men of all the departments. I wish to thank the Department heads and the men under them for the fine assistance they have rendered when we have been called upon to work together. I wish also to thank your Board of Selectmen for your assistance and understanding during the many trying times when problems have arisen.

Respectfully submitted,

FORREST J. MAYNARD,
Superintendent of Streets.

REPORT OF BOARD OF WATER COMMISSIONERS

Milton, Mass., January 18, 1946.

To the Citizens of Milton:

The cool, rather wet, early summer kept lawns and gardens in good condition without the use of much water. This was directly reflected in our billings and resulted in considerably smaller collections than during 1944. The report of the Superintendent on the following pages shows how materially income was reduced. Surplus as at December 31, 1945, was $19,518.98, as compared with $38,715.66 at the beginning of the year.

It is interesting to note from the following figures the effect of the war years when few main installations were made and no bonds issued. The small amount of construction done was paid for out of receipts.

	1941	1942	1943	1944	1945
Bonds Issued	$ 30,000	None	None	None	None
Bonds Retired	45,000	$ 47,000	$ 47,000	$ 45,000	$ 43,000
Interest on Bonds	12,896	11,664	10,231	8,836	7,493
Bonds Outstanding 12/31 ...	410,000	363,000	316,000	271,000	228,000

In the past five years the Department has retired $227,000 in bonds and at the same time paid interest charges of $51,120, both from Water Department receipts without rate increase. Even now retirement and interest account for one-third of our total expenditures.

It has been, and continues to be, the policy of the Board to operate the Department on a pay-as-you-go policy so far as it can consistently be done without a fluctuating rate schedule.

The by-law passed by the Town last March provides that developers of subdivisions pay for the entire cost of main installations in newly-opened areas. This will relieve the bond burden with which we have had to contend, although it is not expected to eliminate it entirely.

There will be years when the need for extensions, which are revenue-producing, but are not in new subdivisions, or for reinforcements to the system, cannot be paid for in full out of current earnings. In these instances a request will be made to the Town for authority to issue bonds.

We know, however, that the amount of such bonding will be materially less than if the by-law referred to was not in force.

Respectfully submitted,

ERNEST E. ERICKSON,
JOHN B. MOORE,
PAUL F. DUDLEY,
Board of Water Commissioners.

REPORT OF WATER DEPARTMENT SUPERINTENDENT

Milton, Mass., January 16, 1946.

To the Board of Water Commissioners:

The report of Water Department activities for the year ended December 31, 1945, is submitted herewith.

Following this report are pages containing tabulations of departmental receipts and expenditures, distribution data and a chart which pictures the financial transactions.

Main Extensions

Although War Production Board regulations permitted Water Departments to do a considerable amount of construction and made the purchase of materials easy, lack of labor prevented us from doing any except a few small jobs.

An eight-inch reinforcing main was laid across the parking area at the Milton Rapid Transit Station, and a ten-inch pipe was installed in Central Avenue between Clapp and Thacher Streets

Several applications for main installations have been received. Some of these will be in new developments and will be installed at no expense to the Town as provided by vote of the Town at the last March meeting.

The labor situation is extremely critical, and unless it improves by Spring, it will be necessary to have the work done with the aid of rented equipment.

Maintenance and Operating

It had been planned to continue our program of cement-lining mains in the ground, but lack of labor prevented doing any of this work last year.

Accounts Receivable

The following outstanding balances were shown on our books as at December 31, 1945:

Sale of Water	$ 8,769.26
Service Installations	400.77
Sundries	7,683.99
Liens Added to Tax Bills	623.33
Tax Titles	703.50
Total	$18,180.85

I am glad to be able to express in this manner my appreciation to the Board of Water Commissioners for their counsel and support, to the other Departments of the Town for their most helpful cooperation and to the employees of the Water Department, without all of which we would have been unable to keep the service we render to the consumers on a high plane.

Respectfully submitted,

WILLIAM P. MELLEY,
Superintendent.

REPORT OF BOARD OF RETIREMENT

Milton, Mass., January 22, 1946.

To the Honorable Board of Selectmen:

The report of the Board of Retirement activities for the year ending December 31, 1945 is submitted herewith:

At the 1945 session of the Massachusetts General Court the contributory retirement laws relating to public employees of the Commonwealth and its various political subdivisions were revised and liberalized. The new liberal provisions became effective January 1, 1946, and apply to all town employees who are active members of the Town of Milton Retirement System on that date or who become members thereafter.

Commencing on that date deductions for the Retirement System are five percent of the employee's total regular compensation, and are no longer limited to five percent of the first $2600.00 of regular annual compensation as heretofore.

Any member classified as a fireman or a policeman may retire for superannuation at any time after attaining age fifty-five but not later than age sixty-five. Any other member may retire for superannuation after attaining age fifty-five but not later than age seventy.

Members now have the choice of three options under which they may retire.

As a result of changes in the legislation the amount of money to be appropriated by the Town for the use of the Board of Retirement in 1946 will be $14,752.00 against $20,766.56 raised in 1945.

During 1945 twenty-three new employees became members of the system, twenty-one in Group I and two in Group II. Seven members left the employ of the Town and withdrew from the system. No members were retired during the year.

FINANCIAL STATEMENTS

REPORT OF THE TOWN ACCOUNTANT

Milton, Massachusetts, January 19, 1946.

To the Honorable Board of Selectmen:

I herewith submit the report of the Town Accountant for the year ending December 31, 1945, arranged as follows:

1. Detailed accounts of all moneys received by the town as classified in accordance with the requirements of the Division of Accounts of the State.
2. Details of all departmental accounts showing the appropriations, credits, expenditures and balances. The expenditures are classified in accordance with the requirements of the Division of Accounts.
3. Balance sheet as of December 31, 1945, showing debit and credit balances on all open ledger accounts.

All original bills and vouchers on which moneys have been paid from the treasury for the year ending December 31, 1945, and all Trust Funds in the custody of the Town Treasurer and Library Trustees have during the year been examined and found to be correct.

Respectfully submitted,

FRED N. KRIM,

Town Accountant.

This Fund is held by the Town Treasurer in accordance with Chapter 82, Sections 15-18, of the Public Statutes.

Mary L. Peabody Fund

Amount held December 31, 1945 .... $5,574.11

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, $5,000 to be invested and the income thereof to be distributed annually to the poor at Christmas."

E. T. L. Reed Park Fund

Amount held December 31, 1945 .... $9,660.31

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All the rest, residue and remainder of all the moneys remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

. . . .

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said town as a fund to be known as the 'Jason Reed Fund,' and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said town, in such manner as said authorities may deem advisable.

"I make the foregoing bequests in favor of.............., the Cemetery and the Parks in said Milton, both on account of the deep interest taken by my father, the late Jason Reed, deceased, in the affairs of said town, and of my own profound desire for the welfare of said town and of the citizens thereof."

Jason Reed Fund

Amount held December 31, 1945 .... $2,626.67

Sarah G. Vose Fund

Amount held December 31, 1945 .... $1,170.63

Tuell & Hallowell Good Citizenship Prize Fund

Amount held December 31, 1945	$1,219.04

EXCERPT FROM SCHOOL COMMITTEE RECORDS—SEPTEMBER 10, 1923

The Chairman presented to the Committee the following correspondence:

"To the School Committee of the Town of Milton:

"The Tuell Alumni Association herewith presents, through your Board, to the Town of Milton, the sum of One Thousand Dollars ($1,000) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown in the highest degree, those qualities that make for good citizenship; the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School, who, in the opinion of the above said faculty has shown similar qualities.

"The prizes are to be awarded each year at the graduation exercises. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year."

PERCY E. SHELDON,
President, Tuell Alumni Association

June 22, 1923.

Nathaniel T. Kidder Fund

The following is an extract from the will of Nathaniel Thayer Kidder. Eighteenth:

"I give and bequeath to the State Street Trust Company . . . the sum of twenty-five thousand dollars ($25,000), in Trust . . . the income only of which shall be paid at such times as the Trustee may from time to time determine, to said Town of Milton for the uses of the Milton Public Library system as the Trustees thereof for the time being may in their absolute discretion determine."

TREASURER'S REPORT OF TOWN BONDS

All Bonds outstanding are in denomination of $1,000. Interest on all issues is payable semi-annually, and all maturities and coupon interest are payable at the First National Bank of Boston, Massachusetts, unless otherwise noted.

All authorized but unissued balances have been rescinded.

*Leave of absence.

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of the Town of Milton:

The School Committee herewith submits its report for the year 1945.

The School Committee wishes to express its appreciation of the fidelity and sincere interest manifested by the entire personnel of the Milton school system. Their loyalty is exhibited, not only in their professional duties, but in the many civic and war-time responsibilities which they so willingly assumed.

Handwriting System

The Rinehart Functional Handwriting System adopted last year to improve and modernize penmanship in the elementary grades has been extended through the Junior High School grades. The results obtained have received the commendation and enthusiastic approval of parents, teachers, and the pupils themselves. The excellent results have warranted the continuation and extension of its advantages to students in the Junior High Schools. This allows the elementary school pupils entering Junior High School to continue penmanship in their curriculum.

Fire Inspection of the School Buildings

By request of the School Committee and in accordance with Chapter 143 of the General Laws, all Milton school buildings were officially inspected throughout by Building Inspectors of the State Department of Public Safety, Chief of the Milton Fire Department, Milton Building Inspector, and School Officials.

All buildings were found in a safe and sound condition. Several recommendations and minor improvements were carried out.

School Accommodations

In view of schoolhouse accommodations that may be required by future growth of the Town, the School Committee has created a sub-committee to confer with appropriate Town officials, departments, and groups to study the probable needs.

Retirements and Resignations

During the past school year the Milton School Committee accepted with sincere regret the retirement of several loyal and outstanding teachers who have been in the school system many years, namely:

Miss Bertha N. Meserve, Head of the English Department in the High School—forty years of service.

Miss Carrie E. White, Supervisor of Music—thirty years of service.

Mr. Sherman R. Ramsdell, Head of the Science Department in the High School—thirty years of service.

Miss Helen M. Jackson, Cafeteria Manager at the Cunningham Junior High School, resigned after twenty-three years of service; Mrs. Lillian E. Moodie, Assistant, after ten years of service.

Returned Veterans of School Personnel

The School Committee welcomes the return of members of the school personnel who have served with honor in the armed forces of our country:

Captain Lucy J. Ramsdell, United States Army Medical Corps
Captain Harold L. Bisbee, United States Army Air Corps
Lieutenant Arnold G. Adams, United States Navy
Lieutenant Otis B. Oakman, Jr., United States Navy

High School Military Service

It is with justified pride too that the School Committee recognizes the part played by Milton High School boys and girls in World War II. 1424 young men and 98 young women from the school were in our country's service by land, sea, and air, all over the world. Forty-two gave their lives; three are still listed as missing.

Appropriation for 1946

The School Committee, after careful and extended consideration of the estimated amount required for support of schools for the year 1946, unanimously recommends the sum of $411,170. This is an increase of $11,540 over the 1945 budget and is principally due to salary schedules and the return from military service of regular school personnel replacing military substitute teachers.

Adjusted Compensation

The School Committee recommends the continuance of adjusted compensation to all school employees, as voted by the Town to all Town employees.

Gifts

The School Committee acknowledges with appreciation receipt of the following gifts:

High School

$100 for Memorial in memory of alumni who have and will give their lives in World War II—Class of 1945.

Collicot School

$ 3—Social Service League.
$ 16.75—Red Cross.
$ 25—Tucker School Association.
$ 45—East Milton Neighborhood Club.
$200—Milton Woman's Club.
$750—Milton Salvage Committee.

Tucker School

Motion Picture Projector—Tucker School Association.

Vose School

Air Age Globe—Vose School Parent-Teacher Association.

Respectfully submitted,

FRANCIS C. BATES, Chairman
JOSEPH GOOSTRAY, Secretary
E. LILLIAN DOWLING,
JAMES F. BALLARD,
GLADYS L. HILL,
BENJAMIN R. ALEXANDER.

January 15, 1946.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Milton School Committee:

This is my twentieth annual report on the condition of the public schools in Milton.

It is a cause of great satisfaction that in the year covered in this report and in the period immediately preceding, the schools were able to meet adequately what was probably the greatest demand ever put upon them. High school pupils who expected soon to meet personally the requirements of modern war were given opportunities to expand their educational development beyond the offerings of the usual peace-time program, and acquired specific preparation for military service. In the tense and ofttimes confusing war-time conditions, and under the pressure of numerous drives and unusual activities, the schools maintained a steadying influence through the teachers in the daily routine that neutralized those forces which tended to affect unfavorably the mental health of children who came each day from homes overburdened with disturbing problems of living.

In Milton schools as in many other school systems the war period has generated a greater appreciation of the need to develop ability to do things along with the acquisition of academic knowledge. Half a century ago the educational program was geared almost wholly to "book learning." Some forms of manual training were gradually brought in to provide for pupils who could not keep up with the academic pace. Commercial training came in response to a demand for office workers. More recently the pre-induction courses have come into the curriculum as a practical application of physical and mathematical sciences and under different name their content will be retained to meet a definite need. The time is near when the traditional prestige of academic learning will give way to the recognition of the value of full educational development in whatever fields it may be acquired. Prestige will be accorded for the degree of skill by which a pupil makes use of his knowledge. A guidance program adequate to meet the needs of pupils and their parents is essential to insure the highest returns on the investment in education of this scope. In these post-war years the opportunity for broad educational development for every child limited only by his own capacity will stand out as the foremost general policy in the public school program.

The unprecedented events that have staggered the world during the past five years have shown how totally inadequate is education in mind only. The statement of a president some forty years ago that, "a man educated in mind but not in morals is a menace to society," stands out in high relief against the background of living today. Education in Germany was second to none in efficiency; this generation of Germans now stands convicted before the court of world opinion as second to none in infamy. Our teachers have always tried to inculcate in their pupils the principles of good citizenship and behavior. By both example and teaching, the development of sound individual integrity of character goes on in our schools. Beyond this moreover an interesting character education activity that has developed in one classroom is attracting attention from other parts of the country. Because of the nature of this phase of teaching it can be carried on only by competent, understanding, well-balanced teachers; it may be either counter-acted or promoted by outside influences in the home or community. Publicity in regard to it may be detrimental.

More important for us at this time than what has been accomplished is the need to agree upon the most important next steps beyond the routine items of education, operation of school plant, or maintenance. For this purpose I submit these recommendations for your consideration and action in the current year:

1. General education of youth has been the subject of investigation, study, and report by outstanding authorities in the field. There will be forthcoming the results of careful review of these reports by committees of our high school faculty. I recommend that our secondary school program be reconstructed in keeping with the best thought as to the needs of Milton youth in the immediate future.

2. In our elementary schools there is need of co-ordination of activities without regimentation, of such supervision as will make available to all schools the best teaching that goes on in each school, and of expanded visual education service. I recommend election of a supervisor to be assigned to work in this field of elementary education.

3. I call to your attention the need of an assembly room at the Mary A. Cunningham Junior High School. For three years in the school life of each pupil at this school there is lost the moulding influence that comes from frequent assembly of the school body, and participation in large group activities. All pupils at the Central Junior High School have this privilege. The limited building appropriation in 1935 made it necessary to omit construction of the assembly hall for which specific plans were drawn and paid for. I recommend that the much needed room be built.

4. I recommend that chest X-ray examinations, now required only of new employees, be extended to all school personnel.

With the foregoing comments, I am pleased to submit also in the following pages the reports of principals and others who are entrusted with specific activities in the school system. Their work is well done; their reports merit your study. The usual statistics are assembled in the appendix.

It has been a source of pleasant satisfaction to me to work under the direction of your Committee and with the principals, teachers, and other employees in the schools.

Respectfully submitted,

HORACE F. TURNER,

Superintendent of Schools.

January 15, 1946.

REPORT OF THE PRINCIPAL OF THE HIGH AND CENTRAL JUNIOR HIGH SCHOOLS

My dear Mr. Turner:

During recent years the spectre of war has haunted much of our secondary school work. However, since young people seem to thrive on thrill life, adjust themselves easily, and rarely exhibit disturbing after-effects, their school life has not been too seriously disrupted. As youths change rapidly themselves, they are geared to respond quickly to a changing environment.

Now that the war is over, the problems of peace have avalanched upon us with implications which are legion. The prewar schools were never considered perfection, even by their contemporaries; and now with society definitely trending toward a broadening concept of international organization, education must change accordingly.

One aftermath of war which affects the schools is the crumbling of the false foundation of economic prosperity. Much time is required, not only to reconvert industry to peacetime construction, but also to re-establish men in normal activities which are ever changing. The schools also are in this period of recuperation. There is much transition, and, consequently, much waiting. Militant patriotism is no longer a unifying force. Fear of bombs no longer makes neighbors neighborly. Waiting provides time for bickering and class turmoil. Perspective is just as easily lost in victory as in defeat.

In this transition period, therefore, it is very important that young people develop correct civic attitudes. The schools ought to inculcate effective community-mindedness. Probably the town of Milton itself is relatively very mildly disturbed by group cliques and cleavages. However, most of our school pupils are destined to study, to work, and to live in other communities. It is highly important that they exert a powerful influence toward intergroup goodwill, and that they work to efface employment distinctions based on wealth, racial heritage, or national background. In a polyglot country which has developed as a haven for religious freedom, it is essential that the public schools foster, not religious unity, but a spirit of civic brotherhood and co-operation. The goals are in the same direction. The road routes of attainment must be nearly parallel.

The recent surge of an excessive number of our girl graduates toward a collegiate education creates a problem. Although during the past two years business offices and industry were offering attractive financial inducements, very few girls were willing to accept employment. The local trend toward women's colleges was part of a national current which deluged admission officers with many applications for each available space. Only co-educational colleges with curtailed enrollments of men were able to ease the situation, but they will not be able to offer such vacant facilities next September. Current data in Milton indicates that the surge has not yet abated.

The war has had an even more marked effect on the situation facing boy graduates. Last June the eagerness of business organizations to employ boys was very evident. The boys, as well as the girls, were apathetic to employment. They preferred either to enlist in order to obtain a particular branch of military duty or to enroll in colleges even for a brief duration. The impending contingency of military service was uppermost in the minds of these boys. They had little interest in long range plans. The immediate days were all-important to them. The entire high school course of these boys was during war years—abnormal years. During the four years in which a boy changes more and grows faster than at any other period in his life, he saw youthful brawn evaluated immeasurably high. The boys who did go to college experienced a different reception from that given the girls on college campuses empty of male civilian students, they were welcomed with enthusiasm. No artificial hurdles were placed in their paths. There was even a tendency not to adhere rigidly to specified academic requirements. However, the situation has changed radically. Although recent reports and surveys indicate that college admission in the future will be based more on the attainment of general intellectual power than on the acquisition of certain specified subjects, the influx of hordes of G. I. entrants to the halls of learning will necessarily restrict the facilities which will be accessible to those now in high school. The boys who will graduate next June are finding acceptance at college very difficult because of competition from veterans.

During the past four months the school office has been flooded with veteran graduates who have come to obtain guidance and scholastic records for use in connection with G. I. educational rights. On the list of diplomas to be awarded this coming June there will appear the names of numerous former students who have attained sufficient supplementary educational achievement in military service to warrant high school graduation. Termination of active hostilities has increased the number of letters received from former students who wish to study high school subjects in far away lands. Our recognition of USAFI courses and other regularly established service schools facilitates this work. It is my belief, however, that such liberal interpretation of local high school education should be considered a wartime measure only. In fact, such extension of school recognition would not receive the sanction of accrediting authorities during normal times. It is recommended, therefore, that the granting of one semester credit for military service to pupils currently in Milton High School be discontinued since selective service regulations permit a high school undergraduate who does satisfactory work to remain in school until his twentieth birthday.

In an endeavor to adapt the education of youth to the changing needs of society, colleges and educational associations throughout the country have been concentrating in reflective deliberation to the end that content selection, modes of teaching, and time emphases on all school work be ever made more consonant and contributory to democratic principles and functions. War exigency compelled co-operation in diverse matters and accentuated the interdependence of all men. It also enhanced among our cultural leaders a firm belief that mass cultural and economic elevation is necessary to insure progress and national survival.

The secondary schools ought to meet this challenge. In response to the demands of the times, a Program of Studies Committee of teachers is at work this year in the high school holding weekly hearings and studying the needs of our local community. Innovations and utility courses instituted under war duress need to be carefully scrutinized before they are retained or abandoned. As soon as a revised general program of studies is adopted, each study will be subjected to a similar scrutiny with modifications or enrichment as major objectives. It is especially important that the high school offering be frequently screened, for not only are secondary school years responsible for one-half of public school education, but they are critical years—fulcrum years. The schooling must be both terminal and preparatory. Important decisions are made during these years. Work habits may be fixed, society attitudes established, and a vocation selected. It is important not only that high school education be maintained on a high plane but that it be sufficiently varied to meet the broad academic abilities of an expanded clientele, and sufficiently fluid to adjust itself easily to the growing demands of a populace constantly ever more mass education conscious

Within the year the Massachusetts Department of Education has established a high school equivalency certificate for those young people in the state whose formal school work does not justify a local high school diploma. Achievement tests may be used to determine the mental status of the applicants, and a certificate is granted or a course of study prescribed. This plan is not designed primarily for veterans for whom another program at teachers' colleges is in operation. Although the department works in close conjunction with local high school principals, it aims to relieve high schools of the pressure for unorthodox recognition of adult education.

Although much of the vital development nurtured in high school is not subject to objective measurement, as for instance the growth in civic awareness, the bulk of school time is spent on activities whose results can be very specifically tested. World War I saw the birth of the testing movement in schools. World War II has witnessed its rebirth. During the past ten years, however, standardized tests have been used very infrequently in Milton. An aptitude testing program to reveal innate strength or weakness for guidance and classification purposes obviously facilitates intelligent decisions and placements. However, most people prefer the trial and error method when it concerns their immediate family. I am mainly interested in a battery of standardized achievement tests in all basic subjects to be administered at the beginning and end of each year. Pupils thrive on competition. Pupils need an authentic gauge whereby they may appraise their individual growth in comparison with contemporaries in other environments. Teachers need a national check on their work and a stimulus more valid than local approval and more stinging than local disapproval.

Milton is very fortunate in the ample accessible outdoor recreational facilities available for young people throughout the twelve months of the year. In the long summer vacation adequate organization and supervision is provided. During the remainder of the year individual free play or free enterprise is probably highly beneficial where sufficient outdoor accommodations are nearby.

From November first until April first there is,, however, a dearth of indoor recreational activities because there are no specialized buildings allocated to the recreation function and because suitable facilities of the public schools are not used to their maximum capacity when schools are not in session. It is recommended that the facilities of the high school building suitable for recreational activities be operated on a more expansive scale and that a specific program or plan be operated by the school department under its responsibility for civic education.

During the current school year four men teachers are returning to the classroom after extended spans of military duty. These men were gravely missed especially during the early months after their departure. I have reason to believe their military experience makes them stronger as teachers and more valuable to the school. The retention of teachers in the school has been high in the past. Teacher turn-over has been low. Other communities have not raided our corps. Retirements and marriages may soon radically alter our faculty personnel. The teaching must not deteriorate. Effective instruction constitutes the most important factor in a superior school. Real teachers inspire and lead during school hours. They are available and eager to help after school hours. They are guides in extra-curricular activities which seem to have a bearing on future community spirit. We need replacements who are students of their jobs twelve months a year, teachers whose school work is their full time employment.

Within a few months numerous important personnel adjustments have evolved because of the retirement of valued teachers who have been in the schools three decades. These teachers who served so long have left an indelible impression upon the school.

Permit me to thank you and the School Committee for the sustained co-operation and support which have been so helpful during the past year.

Respectfully submitted,

GEORGE C. MARSDEN,
Principal.

January 3, 1946.

REPORT OF THE PRINCIPAL OF THE MARY A. CUNNINGHAM JUNIOR HIGH SCHOOL

Dear Mr. Turner:

The Mary A. Cunningham Junior High School will have completed eleven years as a part of the school organization in June, 1946. During this time, there have been nineteen changes in the teaching personnel. For the first two years no changes took place. No more than two changes took place in any one year with the exception of the years 1941-1942 and 1942-1943, when three, then five occurred respectively. This, of course, was brought about by the advent of the war. In the immediate future we can anticipate more changes than heretofore. Women teachers will be leaving our schools to be married to returning servicemen. This, together with a shortage of capable teachers, creates a problem that school administrators must face. Selection of teachers is a time-consuming and exacting task. The classroom experience of every child in Milton depends upon the wisdom used in this selection. Our salary schedule allows us to attract teachers adequately trained and prepared for the job. We must take the time and have the patience necessary to find them.

Probably stimulated by the recent Harvard report on "General Education in a Free Society" a committee has been appointed to make a study of our secondary school curriculum in Milton. This committee will make a report later in the year.

We, in the Cunningham Junior High School, sincerely hope that you and the School Committee will keep in mind our urgent need for an assembly hall. This has been pointed out in my previous reports. Now that materials have been released for building purposes, we hope that this unit will be completed in the not too distant future.

In November of this year, we lost, through resignation, the services of Miss Helen Jackson, our cafeteria manager, and Mrs. Lillian Moodie, her assistant. Miss Jackson had served the school department for over 23 years, Mrs. Moodie for a little over 10 years. I feel that I should publicly acknowledge the fine work that they did in running this important unit within the school organization.

Four years ago we inaugurated a Home Room Guidance Program at the Cunningham Junior High School to be carried on as an integral part of the teaching program under the home room teacher's supervision. This period is one-half hour in length and comes at the beginning of the school day.

1. One day is given over to current events which has for its real objective the acquaintance of the individual pupil with important events as they happen, and the more important lesson of being able to read newspapers and current magazines intelligently.

2. A day is given over to personal or individual guidance. The following are some of the problems discussed:—

    a. Developing self-confidence
    b. How to develop a hobby
    c. Proper dress for church, school, home
    d. Keeping other peoples' confidence; making and keeping friends
    e. Slackness—slang, gum chewing, etc.
    f. Sound health habits

    The subjects are many and varied.

3. A day is given over to an assembly for one grade while the other two grades are devoting their time to:—
    a. Make-up work (for those who have been absent or are behind in their work).
    b. How to study (doing homework under the supervision and with the advice of their teacher).
4. One day is given to penmanship instruction.
5. A day is given to the use of the library, leisure reading, how to select books, advice on outside reading.

The program, thanks to the cooperation of the faculty, has proved most worthwhile.

Respectfully submitted,

GEORGE L. CAMPBELL,

Principal.

January 2, 1946.

REPORT ON SCHOOL HEALTH ACTIVITIES

Mr. Horace F. Turner
Superintendent of Schools
Milton, Massachusetts.

Dear Mr. Turner:

During the past year all the pupils, the new employees of the Milton schools, and pre-school children received a physical examination. Dr. Wilhelmina Van Dyke assisted in this work by examining the girls in the Junior and Senior High Schools.

We were very fortunate this year in having a dentist, Dr. John P. Herlihy, to attend to the dental defects of the scholars. I wish to emphasize the great importance of this branch of the medical field and to assure you that this work in Dr. Herlihy's hands was well done.

I made daily medical inspections of the children who were returning to school after illness, as well as of those who became sick while attending school.

The predominating illness with the children, particularly in the lower grades, was, as usual, the communicable diseases. Of all the contagious diseases poliomyelitis is the most alarming. There were five cases reported in the schools. In the individual school rooms the pupils who had this disease had been associated with other children, but there was no physical evidence that it was transmitted to their classmates by contact. This statement will have to be clarified, however, as investigation, both clinically and in the laboratory, has shown that the virus may be present in children who become only slightly ill, perhaps not enough to require the attendance of a physician, and thus the diagnosis of poliomyelitis is never made. In these cases there is no paralysis.

Among the duties of the school physician was attendance at the football games, and I carried out this assignment. The squad was hampered throughout the season by colds. There was one fracture sustained in a game—a fracture of the clavicle.

In my school work I was aided by the school nurses: Miss Frances Croskery the greater part of the year, and later Miss Lucy Ramsdell.

In closing, I wish to acknowledge the valuable assistance extended to me by all the school personnel.

Respectfully submitted,

G. W. WINCHESTER,

School Physician.

January 8, 1946.

REPORT OF THE SCHOOL NURSE

Dear Mr. Turner:

I wish to take this opportunity to express my appreciation to Miss Frances Croskery for the excellent and faithful work she has given the schools in my absence. The number of defect corrections shows that a great many home calls were made and much "follow-up" work has been done. Teachers, parents and pupils have complimented her on her untiring services to bring about these results.

It was with pleasure that I resumed my work in the Milton Schools on November 5, 1945. Much of the time since then has been spent with Dr. George Winchester, the school doctor, and Dr. Van Dyke in completing the physical examinations.

Defect slips have been sent home to parents to inform them of the defects that were present at the time of the physical examination. May I emphasize to the parents at this time that not all doctors agree as to what is a defect and what is not a defect. Follow your own doctor's advice in regard to the care of your own child.

Sincerely,

LUCY J. RAMSDELL,

School Nurse.

January 14, 1946.

My dear Mr. Turner:

January and February of 1945 saw the second year of the tuberculosis educational and case finding program under the new arrangement; i.e., Dr. George Winchester and Miss Flora E. Knight, Supervising Tuberculosis Field Nurse of the Massachusetts Department of Public Health, applied and read the skin tests (Patch Tests) assisted by Miss E. J. Campbell (Milton Visiting Nurse Association) and myself. This test is to find the evidence of contact with tuberculosis. The X-ray of positive reactors is done by the technician from the Massachusetts Public Health Division of the Tuberculosis Clinic. Pupils of the ninth and eleventh grades (two hundred twelve) were tested; one hundred eight were X-rayed. These included those absent for skin test. The X-ray reports were reassuringly "negative to adult-type tuberculosis." It is recommended that the skin test be dispensed with and all students be X-rayed by the 70 m.m. photoflurographic X-ray unit. Remembering our responsibility in the education of these young people, an experience of chest X-ray for all will lead to the greater use of diagnostic measures and the control of known and new cases of tuberculosis. Of fifty personnel ten were X-rayed; no new cases were found among these ten. A large percent of the personnel and all of the food handlers have had chest X-rays in the last two years. X-rays should be required annually of this latter group. Some had never been X-rayed before, and others had not for several years. The potential hazard is obvious.

The eye testing and retesting was not completed until February. A letter from a physician, following our referral for examination, stated the child needed immediate attention. This demonstated the point I made in my previous report that the retesting should be accomplished earlier in the school year, though it is impossible with the many demands on the school nurse during this time. On February fifth and eighth, respectively, I spoke at the Parent Teachers' meeting at the Tucker School and Mothers' Club at the Glover School on "Health in the School Program".

The second complete examination of the pupils for pediculosis was completed in April. There were several new cases found. The cooperation of the parents continues to be good. On various occasions during the year parents called to report cases with the idea that if the child did not get the infection in school—which they agreed was possible—he or she might have infected others. This, I feel, is a definite step in the right direction. The bogey that has been associated with such a condition has been dissolved.

The services of Dr. John P. Herlihy as School Dentist were greatly appreciated. There were those defects found in the fall physical examination that had received no attention until the clinic opened in March. Only the most urgent could receive attention, and very little in the way of preventive work could be accomplished. We would do well to appeal to the Division of Dental Health in the Massachusetts Department of Public Health for assistance in a study of our dental needs, as its objectives are: "to stimulate more effective dental care of pre-school and school children; to initiate educational projects in dental health in the schools; to assist in special field studies, and to inspect dental clinics." (See bulletin of Department of Public Health, News Letter Number, Vol. 8, No. 4, November, 1945.) With a comprehensive analysis of our program we can meet the need more readily.

Several cases were referred to Miss J. Birnbaum of the Social Service League. These were particular situations requiring specialized attention. As reprinted in the November bulletin of the Family Society of Boston from Cleveland's paper, "Case work is a profession which helps a troubled person find what is causing his personal or family problems, and to see what he can do to solve them." This is of decided advantage to the individuals and indirectly to the school and community.

The pre-school physical examinations by Dr. George Winchester were arranged on the days of the School Dental Clinic. Dr. John P. Herlihy examined the teeth. The parents had conferences with both physicians. The clinics were carried on through four Tuesdays in May. Ninety-five were examined of the one hundred eighty-nine registered. The others were seen by their family physicians.

Conferences were held with these agencies at various times during the year: Milton Board of Public Welfare, Milton Visiting Nurse Association and Milton Social Service League, Massachusetts Tuberculosis League, Norfolk County Health Association, and Quincy Child Guidance Clinic.

Acute conditions, including the removal of foreign bodies (splinters, specks in eyes), lacerations and contusions (cuts and bruises), appendicitis and fractures, were brought to the attention of the School Physician and directed to the parent, private physician or Milton Hospital, as the case required.

The second annual physical examination of the Fresh Air Room pupils was accomplished June fifth. It is gratifying to see the progress of this group. An analysis of the needs of each child is studied, and recommendations as to whether the child will benefit by continuing in the Fresh Air Program another year or may assume a regular schedule are made by the School Doctor.

In September, Dr. George Winchester examined the boys of the seventh through the twelfth grades, assisted by the personnel of the physical education department.

During this time the nurse carried on examinations for pediculosis. This is not as prevalent as it was in the previous year, but it is still a real problem.

Dr. Van Dyke examined the girls of the High School, completing the work in October. There are only a few girls who cannot assume the physical education program because of handicaps, such as heart ailments and convalescence from major operations.

The outside school examinations are still being carried on as I write this. Dr. George Winchester and I completed the Glover and Tucker Schools.

One Diphtheria Prevention Clinic of the three scheduled at three intervals started October 22. The nurse assisted Dr. Winchester at the Tucker School and the Vose School, and a Red Cross Nurse's Aide assisted Dr. Rowe at the Belcher School and the Collicot School.

Arrangements were made with the Milton Hospital for the Clinical work necessary for the physical examinations of the new personnel October 16.

I should like to acknowledge with gratitude the use of the supplies of the Civilian Defense Organization. Permission was granted by Dr. Maxwell MacDonald. The blankets and cots are appreciated by the Fresh Air Room, and a stretcher is available to the athletic department.

The assistance of students from the Office Practice classes has been of great value in alphabetizing and filing the records that are kept for ten years after the student graduates. In addition, they have relieved the nurse fom the tedious, but important recording of the results of ear and eye tests in the High School. A large part of the nurse's time is involved in secretarial work.

I am sincerely grateful to you and all who have contributed to the health program. In the words of Dr. C. A. Winslow, "Health means more than staying alive. Health means vigor and efficiency and satisfaction in living."

May I express my gratitude also for Dr. Winchester's guidance. I am glad to have had this opportunity to work with him.

Sincerely,

FRANCES L. CROSKERY,

School Nurse, Military Substitute.

October, 1945

REPORT OF THE SCHOOL DENTIST

Dear Mr. Turner:

Following is the report of the work done at the dental clinics from February 27 through December 11, 1945:

Number of pupils	74
Number of appointments	141
Number of amalgam fillings	144
Extractions	104
Cement Fillings	1
Treatments	15
Cleanings	20
Correcting Occlusion	8
Completed	15

Respectfully submitted,

JOHN P. HERLIHY, D.D.S.

School Dentist.

January 15, 1946.

REPORT OF THE SUPERVISOR OF ATTENDANCE

Dear Sir:

I hereby submit my report as Supervisor of Attendance for the year ending December 31, 1945.

Number of cases investigated	16
Number of calls made	32
Number of court cases	3
Total number of absences investigated	29
Absence due to illness	5
Detention by parent	4
Absence due to truancy	17
Other causes	3

Respectfully submitted,

GLADYS LEWIS,

Supervisor of Attendance.

January 4, 1946.

APPENDIX

SPECIAL REPORTS

AND

STATISTICS

QUOTATIONS FROM RULES AND REGULATIONS OF THE SCHOOL COMMITTEE

1. Admission to Kindergarten and to First Grade.

Section 45. Children who will be five years old before January 1 of the following year may be admitted to the kindergarten during the month of September. Children who will be six years of age before January 1 of the following year may be admitted ot the first grade during the month of September. Provided further that children mentally above the age requirement limit may be admitted to school during the first month of the school year, or later, if their residence in Milton began after the beginning of the school year.

2. Tuition Pupils.

Section 69. Tuition fees at the rate of $125 (One Hundred Twenty-five Dollars) per year in the High School, $100 (One Hundred Dollars) per year in the Junior High School, and $75 (Seventy-five Dollars) per year in the elementary schools shall be paid by non-resident pupils to the Town Treasurer at the beginning of each term. Pupils whose term bills have not been paid at the end of the second week from the time the bills have been rendered shall be required to discontinue their attendance at school.

3. No-School Signal.

Section 61. The signal 2-2 sounded four times on the fire alarm at:

7:15 means no school sessions for all schools for entire day.

7:30 means no school sessions for all schools below the Junior High High School for the entire day.

11:40 means no afternoon session for schools below the Junior High. This signal will not be sounded if the 7:15 or the 7:30 signal has been sounded.

The 7:15 signal will rarely be sounded, as it includes the closing of the High and Junior High Schools.

Through the courtesy of Radio Stations WNAC, WEEI, and WCOP the no-school signal will be announced at 7:30, 7:45, or 8:00 o'clock in the morning.

The widely varying conditions in the several parts of Milton make it difficult to reach decisions equally fair to all interests. Parents are, therefore, expected to exercise discretion in regard to their own children.
